The Moderator announced the appointment of Ruling Elder Hugh H. Hanna, of the Presbytery of Indianapolis, as Vice-Moderator,

The following resolutions were adopted by a unanimous and rising vote:

Resolved, That the General Assembly of the Presbyterian Church in the United States of America recognizes with thanksgiving the present movement, inaugurated by the President of the United States, and heartily promoted by the Secretary for Foreign Affairs of Great Britain, looking toward international peace; and that we urge all public and private individuals in our communion to use their best endeavors and offer their earnest prayers, for the consummation of the treaties now under consideration by England, France and the United States, having for their purpose the ushering in of the era when the nations shall not learn war any more.

Resolved, That copies of this resolution be forwarded by the Stated Clerk to the President of the United States and the President of the Senate.

The Committee on Evangelistic Work, through its Chairman, Mr. Charles L. Huston, presented its Report, which was accepted, and, after addresses by the Chairman, Rev. G. H. Mahy, Rev. Henry M. Faulconer, Rev. Henry C. Minton, D.D., Rev. John F. Carson, D.D., and Rev. J. Wilbur Chapman, D.D., was adopted. The Report is as follows:

By ten successive General Assemblies an Evangelistic Committee has been appointed, charged with the commission to stimulate the evangelistic spirit of the Church, and to coöperate with Presbyteries and Synods in carrying out such plans as might accomplish this end.

During the past two years the work of the Committee has extended beyond the bounds of our own denomination, and encouragement and assistance have been given to other branches of the Presbyterian Church in which Evangelistic Committees have been formed. In other countries also our General Assembly's Committee, through its representatives, has had a share in the conducting of evangelistic meetings which, according to testimony, have not been without their blessing to the communities visited.

Evangelistic Committees have been appointed in the Canadian Presbyterian Church and in the various General Assemblies of the Church in Australasia. The leaders of these two branches of the Church have been kind enough to say that the existence of their Committees was due in part at least to the work of our own Committee, and they have made grateful and gracious acknowledgment of all the assistance which has been rendered them.

It was the hope of the late Mr. John H. Converse, who was for nine years Chairman of the different Evangelistic Committees appointed, that the Presbyterian Church throughout the world

should be enlisted in special and aggressive effort, seeking to lead the multitudes to Christ and to awaken the indifferent to an appreciation of their privileges in Christ. The General Synod of the Presbyterian Church in England, the General Assemblies of the Churches in Scotland and Ireland, the General Assembly of the Calvinistic Methodist Church in Wales, which is the Presbyterian Church for that country, the Synod of the Missionary Evangelical Church of Belgium and the Waldensian Synod of Italy, have been visited by our Committee's representatives. In addition to these the Committee, through its representatives, has personally conferred with leaders of Evangelism in France, Holland, Germany and Switzerland.

Special acknowledgment is due the Rév. H. C. Minton, D.D., LL.D., the Rev. W. H. Foulkes, D.D., and the Rev. F. W. Russell, D.D., for services rendered to these different bodies in the interests of a general evangelistic campaign, and to the Rev. W. H. Roberts, D.D., LL.D., for a conference of representatives on the world-wide evangelistic campaign, held at Edinburgh, Scotland, during the time of the World's Missionary Conference. As representatives of our General Assembly's Committee, they were graciously and enthusiastically received, and in some of the bodies Evangelistic Committees similar to our own are being formed, while in other bodies this subject has been committed to their Life and Work Committees. It is earnestly hoped that a spirit and some method of coöperation, on the part of all these various bodies mentioned, may be fostered and developed as the Spirit of God may lead.

While there are many dark clouds to-day which disturb every thoughtful Christian, it is the pleasure of the Evangelistic Committee to report that there are also many encouraging signs. The evangelistic campaigns conducted in Chicago and in Brooklyn indicate a desire on the part of the leaders of the Church in these sections to do something special for Christ, and the desire on the part of other cities for similar movements, is an encouragement. The special interest shown throughout the Church to-day in work for men, the efforts and influence of the Laymen's Missionary Association; the formation of great numbers of men into personal workers' bands pledged to win other men to Christ; the broad plans of the "Men and Religion movement" and the interest shown by the men of the country in all movements for the advancement of the Kingdom are cause for thanksgiving to God.

The General Assembly's Committee desires to call special attention to the Men and Religion Forward Movement. We look with satisfaction upon the formation of the Committee of business men and ministers having this work in charge. We urge pastors everywhere to coöperate in the movement so far as may be possible, and our hope and prayer is that God may graciously set His seal on this mighty work proposed.

During the past year Dr. Chapman has been very largely engaged in the simultaneous campaigns in various cities. He and Mr. Charles M. Alexander have led in the Evangelistic Work in Chicago, Ft. Wayne, Toronto and Brooklyn. The reports received from these cities are full of encouragement. Dr. Chapman has been abroad on two evangelistic tours and in addition to all this work has conducted many conferences on evangelism.

His labors have been continuous. In season and out of season he has sought to bring the message of salvation to the attention and the acceptance of man and his labors have been very richly blessed.

Field Secretary.—For two years Dr. Joseph P. Calhoun had served as special secretary in charge of work in the South and Southwest. By mutual arrangement with the Board of Home Missions, Dr. Calhoun closed his work June 1, 1910, and since that time the Committee has not done anything special in the region indicated.

Special Evangelists.—Rev. W. B. Holmes had been doing special evangelistic work in Tennessee, but his term of service closed July 1, 1910. The Churches served in that section bear testimony to his efficient and acceptable service amongst them. Numerous requests have come within the year for appropriations to assist in evangelistic work in different sections of the country, but the Treasury of the Committee would not permit favorable responses to these demands.

These two direct lines of work have been discontinued, the Committee having decided that for the present at least it would be better to confine its activities to stimulating and encouraging evangelistic work in the various branches of the Church, and cooperate with Synods, Presbyteries and the other Boards arranging for such plans for evangelistic work as they might find themselves prepared to carry into effect, giving prominence to conferences in different centres to stimulate presbyterial evangelism after the system known as the Chester plan, and evangelistic work amongst our denominational colleges and other institutions, either under the care of our Church or where there are numbers of students of Presbyterian connection.

Literature.—The Committee continued the publication of the *Evangelistic Bulletin* until October, 1910, issuing a special edition in the interest of work in the Sunday-schools; one number was devoted to the last annual Report of the Committee, facts about the Pre-Assembly Evangelistic Conference and meetings at Atlantic City last May; one number was made a "John H. Converse Memorial Number," calling attention of the pastors to the day (first Sunday in October, 1910), which had been set aside at the last General Assembly as "John H. Converse Memorial Day," and furnishing information about the life and work of

Mr. Converse, and containing an appeal to pastors for the proper and profitable observance of the day. It was decided at the August meeting of the Committee to discontinue further publication of the *Bulletin*.

The Committee has continued sending out to pastors for free distribution the following leaflets:

A Call to Prayer—Prayer and Revival—More Purpose in Prayer—Two Workable Plans—Soul-Saving—Soul-Winning—Training the Young—For What Are We Converted?—Address to Young Converts—The Sunday Evening Service—Children and the Church—An Old-fashioned Home—What is it to be a Christian?—Six to One—The Church a Spiritual Force—Decision Day in the Sunday-school—Organizing a Church for Personal Work—A Personal Letter—A Challenge to the Church—Am I Willing to be a Secret Christian?—Message to Men—Can you Pray?—The Pastor's Council—The Privilege and Opportunity of Church Officers—The Chester Plan—A Three Months' Campaign.

Pocket Testament League.—Effort has also been made to promote the Pocket Testament League, and we believe that much good has been done in arousing interest in the distribution of God's Word, and in the effort to stimulate the systematic and regular reading of the Bible.

The Chester Plan.—For several years mention has been made, in the Report of the Committee, of the plan followed by the Laymen's Evangelistic Association of the Chester (Pennsylvania) Presbytery, and in addition to the full statement made in the Report last year, and presentation of the plan before the Assembly by the evangelist of the Presbytery, Rev. H. N. Fauleoner, a leaflet was prepared, giving detailed information concerning the plan and testimonials as to its efficiency. This leaflet was sent with a letter to the officers of each Presbytery and an effort was made to interest various Presbyteries in this plan.

Conferences and Synod Visitation.—By means of correspondence with the proper officers, Presbyteries and Synods were encouraged to hold conferences in connection with their stated meetings and to arrange for such other similar conferences within the year as might be possible. Representative speakers were sent to many of the Synods in connection with their annual meetings, and these speakers presented the general cause of evangelism and conducted brief conferences.

In connection with the city campaigns conducted by Dr. Chapman, conferences for ministers and Christian workers have been held. Dr. W. H. W. Boyle arranged for several conferences with presbyterial leaders in the Middle West.

College Visitation Plan.—Following a recommendation made last year by Dr. Minton as Chairman of the Work among Students, the Evangelistic Committee and the Board of Education co-

operated in arranging for a series of addresses and special conferences with the students in practically all the Presbyterian Institutions in the country. This visitation was made by a number of the representative Presbyterian pastors and leaders; the time of visitation being made as nearly simultaneous as possible and in connection with the special Day of Prayer for Colleges in February, 1911.

Reports which have come in from the visitors, as well as from the authorities of the institutions visited, indicate that great good has been done, that many students have committed themselves to definite service for Christ and other students have for the first time confessed Christ as their personal Saviour.

Panama-Pacific Exposition.—A communication was recently received from the Rev. T. Verner Moore, D.D., of San Anselmo, Cal., asking that the Committee consider plans for a general Evangelistic Campaign in San Francisco and vicinity, during the Panama-Pacific Exposition in 1915. This was followed shortly by a copy of the following resolution: "That the Presbytery of Oakland requests the Evangelistic Committee of the General Assembly to conduct an evangelistic campaign during the course of the Panama-Pacific Exposition in 1915, in coöperation with the Presbyterians about the Bay of San Francisco and if possible of an interdenominational character."

The subject was considered by our Committee, and the following recorded on the minutes:

"A proposal for evangelistic services at the Panama-Pacific Exposition in San Francisco in 1915 was presented and considered. It was ordered that it be included in the Report to the Assembly and that the Assembly be asked to refer it to the new Committee on Evangelistic Work to be appointed."

Future Work.—In view of the development of its work it is the earnest conviction of your Committee that the present Assembly should appoint an Evangelistic Committee, for many reasons, among others the following:

Our Church has taken so advanced a stand regarding Evangelistic Work, and the testimony she has given has been so generally received by all evangelical bodies, that should this General Assembly decide not to appoint another Committee on Evangelistic Work, its decision might be liable to some misunderstanding.

Other bodies have appointed Committees similar to our own to counsel and coöperate with ours in evangelistic work.

To appoint an Evangelistic Committee, therefore, for the ensuing year would mean help for our own Church and encouragement and assistance for all other similar committees in existence, or yet to be appointed. The work committed to our care is by no means fully accomplished.

Finances.—The Treasurer's statement from May 1, 1910, to April 30, 1911, is as follows:

Total receipts from all sources, \$18,222.91. This includes proceeds from the sale of song books and proceeds from the sale of the mission property in the lumber regions of Wisconsin, which, after deducting expenses, yielded \$1,486. This property was no longer of use to the Committee. Total payments, \$17,173.92, leaving a balance of \$1,648.99. Of the above amount of money about \$10,000 was expended in completing the plans and program determined upon by last year's Committee (these figures are up to only March 23 and, therefore, subject to revision to bring them up to April 30)

There is to be added to the above statement of expenditures the sum of \$688.07 paid for traveling expenses of the members attending the various meetings during the year. This amount, \$688.07, is the total expense of the Committee to the General Assembly.

Your Committee desires to record its appreciation of the service of the Chairman, Mr. Charles L. Huston. Entering upon his work at a time when that work was extremely difficult, he has been a good and faithful successor of our lamented Chairman, Mr. John H. Converse, and has sought in every way to increase the effectiveness of the Committee and its work.

During practically the whole year your Committee has been handicapped by the want of the money necessary to pursue many of the lines of activity determined upon; but, starting now with a simplified organization and by more systematic personal appeal to the members of our Church, who would be able and willing to respond with financial support for a program of patient, constructive evangelism, we have confident expectation that another year would result in a much more satisfactory report of results achieved.

It is believed that the sum of \$10,000 should be sufficient for the conduct of the Committee's work this coming year.

The opportunities for work along the lines indicated are manifold and the fields are white unto harvest.

All of which is respectfully submitted, with the following recommendations:

1. That the General Assembly appoint a Committee on Evangelistic Work, to be composed of nine ministers and nine elders, representing as far as possible the different sections of our territory, with a sufficient number living near the headquarters to constitute an active working Executive Committee, and that the meetings of the whole Committee be in the future held twice annually.

2. That those appointed to serve on the Committee, who may be in attendance upon the General Assembly or can be summoned promptly, be authorized to meet immediately and organize, so that the work of the Committee may proceed without delay.

3. That this Evangelistic Committee be charged with the following commission:

(a) To stimulate the evangelistic spirit in the Church and to encourage all forward movements in the interests of the advancement of the Kingdom of God.

(b) To give all encouragement to evangelistic campaigns conducted in the cities, and to urge our ministers to enter upon such campaigns as may have their approval, in order that by all means those who are indifferent to Christ may be awakened, and those who are in danger may be won to Him.

(c) To continue the work in coöperation with the Board of Education among the students in our Presbyterian colleges, and, if the way be clear, among the students in State universities and other institutions of learning, and that the importance of this work be specially recognized and that most careful plans be made for reaching our students for Christ.

(d) At the earliest opportunity, to make arrangements for presenting to every Presbytery the system of presbyterial evangelism known as the Chester Plan, so that, if possible, there shall be in every Presbytery an evangelistic worker, employed as has been done in the Chester Presbytery.

4. It is further recommended that, wherever necessary, the presbyterial and synodical Evangelistic Committees be so changed in membership as to bring into active service the men who will render the best service along the lines indicated in the recommendations of this Report as adopted by the General Assembly.

5. It is also recommended that in the program for the general Week of Prayer special place be given to prayer for God's blessing upon this great work, and that the guidance and power of the Holy Spirit be sought for the Committee and all of its agents.

6. It is recommended that the Committee be instructed to specially emphasize the importance and value of presbyterial conferences on evangelism and to coöperate with presbyterial committees in arranging for and conducting such conferences.

7. The General Assembly hereby directs the Committee on Evangelistic Work to appoint a Committee on coöperation with other Presbyterian and Reformed Churches throughout the world; this Committee to consist of three of the members of the said Evangelistic Committee, who shall conduct, so far as the Presbyterian Church in the United States of America is concerned, all necessary correspondence regarding joint evangelistic work with similar Committees of the Presbyterian and Reformed Churches throughout the world; any action proposed to be approved by the Evangelistic Committee, and reported to the next ensuing General Assembly.

8. That the Committee be authorized to appoint special representatives.

The Special Committee on Religious Education, through its Chairman, Rev. George B. Stewart, D.D., presented its Report, which was accepted and adopted and is as follows:

The Special Committee on Religious Education would respectfully report to the General Assembly as follows:

The General Assembly of 1910, in continuing this Committee, gave the following instructions: "That this Committee be continued, and be authorized to give further consideration to the subject of religious education in Preparatory Schools, with a view to coöperating with these schools, so far as may be practicable, in the development of a curriculum of religious instruction

and the obtaining of suitable text-books for the purpose; and to perfect and promote the plan for unifying the agencies for religious education, and the preparation of courses of instruction and text-books, within its discretion, as indicated in this Report" (*Minutes*, 1910, pp. 158, 159). The "Report" referred to was the Report of this Committee made to that Assembly and to be found in the *Minutes* of that Assembly, pp. 142-159.

During the year Rev. John A. McKamy, D.D., a member of the Committee, found it necessary to resign, and the Moderator appointed Mr. Philip E. Howard, of Philadelphia, an elder, to fill the vacancy. The Committee has held three meetings, Sub-committees have met frequently, and an extensive correspondence has been conducted. From the character of the work assigned us, it is obvious that it must proceed slowly, that the total output of results must be small in volume as compared with the time and thought expended to obtain them, and that the main business of the Committee is to discover and clearly to indicate paths along which the educational activity of the Church may safely proceed. Our work has been largely pioneer work.

I. PREPARATORY SCHOOLS.

Our further study of the matter of Bible teaching in the preparatory schools has confirmed the opinion expressed in our Report of a year ago. There is need for a series of good text-books, embodying a carefully devised four years' course of instruction in the English Bible. The schoolmasters have made pretty clear to us what the need is and that it can only be met by text-books possessing certain qualities and real merit. They have also made evident that at present there is nothing in the market sufficiently satisfactory to receive general approval. We have examined all the books we could find in the market and are convinced that text-books generally acceptable for use in Bible teaching in these schools have yet to be made.

The preparation of these books may properly be regarded as a legitimate task for the Church. Your Committee understood that it was instructed to proceed in the performance of this task, and seriously set about it, but we found the same inherent and insuperable difficulty mentioned in connection with the preparation of text-books for use in the parish.

We think it highly important that these text-books should be furnished by the Church, and we hope that the action taken by the Assembly on this Report will make it possible for the work to be accomplished in due time.

II. PRESBYTERIAL COMMITTEES ON RELIGIOUS EDUCATION.

The Assembly of 1910 advised the Presbyteries "to appoint a Standing Committee on Religious Education; said Committee

to have the supervision and direction of the work of religious education within the bounds of the Presbytery." Following up this action your Committee communicated with all of the home Presbyteries and endeavored to make clear to them the reasons for it and the advantages to accrue from zealous compliance with it.

We do not know how many Presbyteries have acted on this advice of the last Assembly, but we do know that a considerable number have done so, and that there are several strong presbyterial Committees now working with enthusiasm at the problem of the nurture of the youth within their bounds.

III. THE COUNCIL OF RELIGIOUS EDUCATION.

Our investigation of the work of religious education within the particular church convinced us that its greatest need is intelligent, interested and constant supervision. In many congregations there are earnest workers in some parts of this large field, but they are working without a sense of unity or effort at coöperation, and all too frequently with serious competition and cross-purposes. In but few congregations is there any attempt at covering the whole field of religious education, as must be done, if the Church is to discharge, even in a fair degree, her duty properly to nurture the youth.

This business of supervision belongs to the pastor and session. Our investigation has convinced us that there is need for a revival of interest in this great function of the Church, and that even where there is this revival already in progress a plenty of hard work by some one and more persons must be done to crystallize this interest into wise and effective action. Where the session is willing and able to give to this work the time and attention it must have, it may be well for it to attend to it rather than to entrust it to some other body. But no session should feel justified in refusing to do both, for it ought either to do the work itself or to commit it to some one else.

If the session cannot or will not work out the problem of the thorough, systematic and effective religious nurture of the youth in home and the church, then it should feel the imperativeness of its duty to ask the most competent and willing persons in the congregation to do it. It must be done by some one. In the judgment of your Committee it can be done with the minimum of effort and the maximum of result by the appointment by the session of a small group of persons who are in a position to bring to it the requisite interest, fitness and time.

In these views the Assembly of 1910 concurred and recommended the churches "to appoint a Council of Religious Education with a view to a unification of their educational agencies, and the

vigorous promotion of systematic religious instruction within their bounds."

To aid the churches to comply with this direction your Committee prepared and the Board of Publication and Sabbath School Work printed and distributed a leaflet containing suggestions for the appointment of the Council and for the work it should do. A perusal of this leaflet, a copy of which may be procured through the Young People's Department of our Board of Publication and Sabbath School Work, will make evident that there is enough work to be done in this educational field in every parish to employ the best effort of the most qualified persons in that congregation.

Your Committee wishes to repeat, it has no desire to increase the machinery in any church, and that in this recommendation and all others it is only seeking to have the work done to the best possible advantage, and it is not insistent upon the particular method it recommends. It thinks that the easiest way to accomplish the large results desired and possible in our churches in the nurture of the young is to make it the particular business of five or seven persons. If any pastor or session think it can be better done in some other way, by all means they should do it in their own way, but they should do it and do it well. It is one of the great tasks now imposed upon the Church. It cannot be overvalued and it must not be shirked.

IV. DIRECTORS OF RELIGIOUS EDUCATION.

A year ago your Committee called attention to the fact that some of our churches were employing workers, variously styled Director of Religious Education, Superintendent of Education, Supervisor of Education, and who devoted the whole of their time to this work. We commented favorably upon this growing practice and commended it to the Assembly and to the churches. We are happy to report that during the past year a considerable number of our churches have added this official to their staff of workers, and others have only been deterred from so doing by their inability to obtain those who are qualified for the work.

In every case that has come under our particular attention these officers are trained educators, and many of them are ordained ministers, who have charge, under the pastor and session, of all the educational activities of the church, such as the Sunday-school, young people's work, study classes, and whose duty it is to promote all the cultural work actual or possible in that congregation. There are indications that this is becoming a popular thing in our churches, and that it will soon be the case that churches which are alert to their responsibility toward the young will regard it to be quite as necessary to have a Director of Reli-

ious Education as to have a Pastor or Sunday-school Superintendent.

This official is as necessary in the smaller churches as in the larger, but as the amount of work is necessarily less in them and as the conditions are different, it ought to be possible to procure this service without compensation. In nearly every congregation in our small cities and villages there are men and women who by reason of their teaching ability or experience as teachers are qualified to fill this position and who would discharge its duties with enthusiasm and acceptance. Just as now there is a noble band of consecrated men and women who are serving the church as unpaid superintendents of the Sunday-school, and in other official capacity, so there are consecrated and capable men and women who, when once they are given a vision of the task and of its value to the church and its youth, will cheerfully give much of their time and labor to this work of supervising and directing all of this educational activity of the church, as the executive official of the session or the council.

V. A CURRICULUM OF RELIGIOUS EDUCATION.

Your Committee has given serious consideration to the matter of an organized curriculum for the use of the Church in the discharge of its educational function. In our Report last year we offered general suggestions covering this matter, and this year we have worked along the lines therein indicated. It is not necessary for us to speak in detail of our deliberations, further than to say that every study of this part of the problem reveals the imperative need for its solution. Your Committee began its work of organizing and coördinating a curriculum with the department of missions. Here there are many agencies at work, much carefully prepared material, a desire for systematic study, and a pronounced tendency toward coördination. This is a large department, and, notwithstanding the achievements by the conscientious and skillful workers in it, there is still much to be done, as they themselves recognize. Your Committee has sought the advice and profited by the criticism of these workers. We venture to offer the following tentative curriculum to guide the particular church in its effort to give in a systematic way instruction in missions to all the members of the flock. We hope that it at least blazes a clear path toward a completely coördinated curriculum.

VI. THE SCHOOL OF THE CHURCH—ITS DEPARTMENT OF MISSIONS.

In working out the curriculum for the department of missions, as in all other departments, in the School of the Church, it is necessary to take into consideration the Pupils to be instructed,

the Field to be covered, the Material to be used, the Agencies by means of which the instruction is given, and the End to be attained, and all of these must be brought into some sort of harmonious relation. This your Committee has endeavored to do.

In regard to the Pupils, we have followed the divisions recognized by those who are experts in educational psychology, and now being followed in secular and Sunday-schools. We think it important that our people should receive full instruction concerning the whole Field of the Mission enterprise of our Church; which embraces City, Country, Sunday-school, Home, Freedmen, and Foreign Missions, and to avoid repetition we here state that in each of the following Courses the Field includes all of these parts of it. In the first four Courses, "City Missions" and "Country Missions" should be understood to refer to the mission work being done by the particular church or by others in its own locality, either the city or the country, as the case may be, while for the remaining Courses these terms should be expanded to include also the other part of the field covered by these two terms, which is not local.

In the matter of Material, we must confine ourselves to the general statements which follow, since it is so abundant and diversified, and the individual preferences of the persons carrying forward the work will determine largely its selection. Persons desiring to procure the material can get much of it through our respective Mission Boards and Women's Boards, and the Young People's Department of our Board of Publication and Sabbath School Work.

First Course.—Pupils: Children up to 6 years. Material: Stories, pictures, and incidents drawn from life, illustrative of the life of the people, especially the children, among whom the mission work is carried forward. Agencies: (a) Parents, who should take every opportunity in the home for giving this instruction at the "story hour," and other times. (b) The Cradle Roll, which department should aid the parents in furnishing material and suggesting methods. (c) The Beginners' Department, where this instruction may be given on one Sunday a month.

Second Course.—Pupils: Ages 6 to 9 years. Material: Stories, pictures, curios and incidents drawn from life, illustrative of the life of the people, especially of the life of the children of the same age, among whom the work is carried forward. Agencies: (a) Parents in the home, who should have a "missionary Sunday afternoon," corresponding to the one in the Sunday-school. (b) The Primary Department of the Sunday-school, Mission Bands, and Junior Societies, with monthly mission meetings.

Third Course.—Pupils: Ages 9 to 12 years. Material: Missionary lessons for the Junior Department of Sunday-school; missionary programs published for mission bands; stories, curios;

geography of the Home, Freedmen, and Foreign fields, charts and maps of local field. Agencies: (a) Junior Department of Sunday-school, Junior Societies, Mission Bands, organized classes. (b) Parents, coöperating with these organized agencies.

Fourth Course.—Pupils: Ages 12 to 15 years. Material: Is abundant and well worked out, especially in Home and Foreign fields, and is to be obtained through our various Mission Boards, of the Young People's Missionary Movement, of the *Sunday School Times*, and elsewhere. Agencies: Intermediate Department of Sunday-school, Intermediate Societies, Mission Study Classes, Boys' and Girls' organizations. For the Sunday-school the mission lessons provided in the International Graded Sunday-school Lessons are ordinarily good and in the right proportion. For Mission Study Classes and other organizations six or eight lessons in as many consecutive weeks on any one portion of the field is about the right number, and three such Courses covering three different portions of the field is about the limit of present possibilities in most churches.

Fifth Course.—Pupils: Young people from 16 years and upwards. Material: Abundant and well prepared, such as missionary lessons for Sunday-school, Senior Department, Young People's Missionary Movement Courses, Westminster Guild Courses. Agencies: Senior Department of Sunday-school, Young People's Societies, Mission Study Classes, Westminster Guilds, King's Daughters Circles, and other organizations among young men and young women. All Courses should comprise six or eight lessons, and there should be about three Courses a year.

Sixth Course.—Pupils: Men. Material: Abundant, such as Mott's "Decisive Hour of Christian Missions," and Young People's Missionary Movement Courses. Agencies: Men's organized classes, Brotherhoods, Missionary Societies.

Seventh Course.—Pupils: Women. Material: Abundant, such as "United Mission Study Text-books." Agencies: Women's Missionary Societies and Study Classes.

Eighth Course.—Pupils: Men and women who have not time for study courses, but who would be willing to pursue a course of reading in mission literature. Material: Abundant and excellent in all parts of the field. Agency: The Council of Religious Education might well devote attention to this matter, prepare a suitable Course or Courses of reading, enroll the readers, and arrange for stimulating interest and hastening the results.

Ninth Course.—Pupils: Sunday-schools, Young People's Societies and other organizations which desire to devote a few minutes at each meeting to the consideration of Missions. Material: Abundant, such as "Undenominational Missionary Studies for the Sunday-school" and missionary readings prepared by our Boards. Agencies: Any of the above organizations which are

willing to devote about ten minutes of their meetings through a portion of the year to this subject.

VII. TEXT-BOOKS.

Immediately after the adjournment of the last Assembly, your Committee began the consideration of the text-books covered in our instructions. Our first endeavor was to ascertain what the market offered, in the hope that it might already contain books entirely adapted to our purpose, or, by some mutually satisfactory arrangement with authors and publishers, adaptable. This involved the examination of over 300 volumes, large and small. A cursory examination of many of them revealed that they are not entirely suitable for our purpose. Where there was a promise of a "find" we gave the most careful attention, in most cases with the result that the promise was not fulfilled. This involved a deal of labor without much result, other than the negative one of a revelation of the fact that for a large part of the field covered in this educational movement there are not now in existence the books that meet the requirements of the comprehensive plan we have outlined.

In the case of two or three books, we concluded that they might be adapted to our needs if certain changes in the text and make-up could be effected. We found that the publishers were willing to entertain a proposition from us, but they wished certain reasonable assurances, which, however, we were not in a position to give, in view of the fact that we are but a temporary Committee. This proved a serious obstacle in the progress of our work in this direction.

We encountered the same obstacle when we entered into the negotiations looking to the production of certain other text-books. There are qualified scholars and writers who are quite willing to undertake the preparation of these text-books, but your Committee was not able to assure them that after their work was finished there would be any agency of the Assembly authorized to receive, publish and market their books when written. We have, therefore, been unable further to prosecute this part of our work.

In the matter of text-books on the subject of Missions, your Committee came to the unanimous conclusion that those published by the Young People's Missionary Movement in the interest of Home and Foreign Missions, and the "United Mission Study Text-books," published jointly by the several Women's Boards of Foreign Missions, are so admirably adapted for use in our congregations, that we would be warranted in commending them. We have, therefore, in correspondence and in print, recommended these text-books to pastors and churches for use in mission study classes.

We found nothing satisfactory as text-books for the other portions of the mission field, such as the field of Sunday-school Missions, City Missions, and Missions to the Freedmen.

This whole matter of text-books for use by pastors and others in the training of our youth is one of great importance and worthy of prompt and efficient attention by our Church, but it is not a matter that can be properly handled by a temporary Committee of the Assembly.

VIII. REVIEW OF THE WORK OF THE COMMITTEE.

As this is the final Report of this Committee, if the Assembly adopts the recommendations in this Report, we deem it fitting to review briefly the work of the Committee during its existence of three years.

The Committee was appointed by the Assembly of 1908 in response to Overtures from sixty-four Presbyteries, and was subsequently continued by the Assemblies of 1909 and 1910, to both of which Assemblies it made full Reports.

The original instructions to the Committee were, in general, to consider the whole matter of thorough and systematic instruction of our youth, within the particular church, in the Bible and in all other subjects of religious education, and within the Preparatory Schools, in the Bible. Subsequently the Committee was instructed to prepare plans for the unification of the work of nurturing our youth in our churches, courses of instruction for this purpose and suitable text-books.

In our several Reports we have set forth *in extenso* our findings. We have called attention to such facts as these: (1) That the secular schools are now giving no formal religious education; (2) that the home is not giving the religious instruction to the degree the times demand; (3) that the burden of the proper nurture of the young in matters religious is now almost wholly thrown upon the Church; (4) that there is much religious instruction now being given by our churches; (5) that it is all too ineffective and fragmentary; (6) that it is ineffective and fragmentary because it is unsystematic, is carried forward in a haphazard fashion, without adequate attempt at unity and supervision by either the particular church or the whole Church; (7) that in the particular church there are many agencies working in this field, but working independently and oftentimes not in harmony; (8) that in the matter of graded lessons for the Sunday-school, the preparation of lessons of this character was being done so satisfactorily by the Lesson Committee of the International Sunday-school Association, that there was no need for us to enter that field further than critically to examine their work and to commend it.

In the study of the problem of unification, your Committee arrived at the following conclusions, which appear in our Reports: (1) That the Church must feel and express in some striking way her great function of instruction. She must put heavy emphasis upon her duty and work of properly nurturing the youth entrusted to her. This can be made obvious by gathering up all her thought and effort in this direction in one comprehensive idea, and in giving that idea expression in a single phrase. We suggested the idea and the phrase, "The School of the Church," under which we have included all of the plans and work of the particular church for the Christian nurture of the youth within its care. (2) That there is here enough work and it is of sufficient importance to justify and require that each church should make it the specific business of some person or persons, they to study the local problem, and to unify and promote in effective ways the thorough instruction of our youth in religious knowledge and life. It appeared to us that a simple method for obtaining this supervision and direction would be through a Council appointed in the particular church and a committee appointed by Presbytery for the purpose. We have no desire to increase the machinery of the church, but to get the work done. At present, as is acknowledged on every hand, it is being neglected entirely or indifferently performed.

In our study of the field of religious education we saw that it might be divided broadly into The Word of God, The Worship of God, and The Church of God. In other words, The Church must provide that her children are sympathetically and systematically instructed in the Bible, in the fitting worship of God, and in the doctrines, history, polity, and work of the Church.

This large field can only be covered by all the economizing of time that system and organization can procure. This can best be done by making judicious selection from the material of religious education, coördinating it into a working curriculum, according to the laws of pedagogy and educational psychology. A general outline of such a curriculum covering the whole field is to be found in our Report of last year, and an outline in detail of the mission work of the Church, a single portion of the field, is to be found in this Report.

The next step in this work is the preparation of text-books, for use by the Church in her great School. Your Committee has done much preliminary work in this direction, and has reached the point whence the next step is the actual preparation of some text-books, and the promotion of their use in the churches. We have already indicated in this Report the difficulty in the way of a temporary Committee of the Assembly carrying forward this undertaking to its next stage.

This is a brief review of our work, which notwithstand-

ing its defects represents the Church's awakening consciousness of the fact that she has a stupendous task in the proper nurture of her youth, which it behooves her to prosecute with vigor and in a large and generous way.

The shocking spectacle of 48,956 of the confessed followers of Christ in our Presbyterian churches listed on the reserved roll for 1910 may give emphasis to the urgency of this work. We may never be able to build walls high enough to prevent the escape of those who wish to desert the fellowship of the disciples of Jesus, but we should seize every opportunity and marshal every power of the Church to implant into the hearts of our youth principles of truth and sentiments of loyalty to Christ and His Church, which are the best guarantee and safeguard of Christian fidelity.

IX. THE PROPOSED TRANSFER.

Your Committee is profoundly impressed that the work to which it has given so much time and thought is one of growing urgency. The adequate nurture of our children in the principles of our holy religion devolves largely upon the Church. This task constitutes a great problem, and vital interests depend on its solution. But it is a problem of so much intricacy and involves so many persons and agencies that time, tact and patience will all be required for its solution. It cannot be solved in the study or even in the discussions of a committee room.

It was the judgment of your Committee that the further prosecution of this work ought to be committed to one of the permanent agencies of the Assembly, and that the Board of Publication and Sabbath School Work was logically and presumably the suitable successor of this Committee.

Pursuant to this conclusion, we communicated to it our views, and, in reply, the Board took the following action on March 28, 1911:

Resolved, That this Board has always recognized the importance of the preparation of such helps and text-books as shall be adapted to unify and promote the religious education of the young people and Christian workers of our churches;

Resolved, That should the Special Committee of the General Assembly now having this subject under consideration concur in such a plan, this Board will be glad to amplify the scope of its present "Department of Young People's Work," designating said department as the "Department of Religious Education and Young People's Work," said department to be suitably officered, and to employ such expert assistance as the means at the disposal of the Board will justify.

Subsequent conferences with officers of the Board and with a

special Committee of it, confirmed our views that the transfer should be made, but there was not sufficient time to perfect a plan of transfer and to arrange the necessary details looking toward a vigorous prosecution of the work on the lines already indicated. It was the opinion of all that it would be advantageous if this Committee and the Board could collaborate to this end, and, in the meantime jointly to push the work itself.

Your Committee has carried the work as far as it can be carried by a temporary Committee.

While our task is done, the work itself is just begun, and, therefore, we think that the Assembly should take the necessary action in order to effect this proposed transfer in a way that will promise its most vigorous and efficient prosecution.

RECOMMENDATIONS.

We offer the following Resolutions for adoption by the Assembly :

1. That the Assembly express its deep conviction that the Christian nurture of our youth and their upbuilding in all Christian knowledge and service is a great pastoral function committed to the Church and its officers, and is worthy of the painstaking and solicitous attention of pastors and sessions.

2. That pastors and sessions are counseled to address their best endeavor immediately to undertake a more systematic and effective prosecution of this cultural work along the lines indicated in the several Reports of this Committee.

3. That Presbyteries be advised to give more explicit attention to the matter of religious education within their churches, to appoint standing committees on this work, and in all practical ways to promote it within their bounds.

4. That this Committee and the Board of Publication and Sabbath School Work be authorized and instructed jointly to continue during this coming year the work of religious education as already begun, and to perfect a plan for the transfer of the work to this Board, and to report to the next Assembly.

5. That the Board of Publication and Sabbath School Work be authorized and instructed to pay the necessary expenses of this Committee.

Respectfully submitted,

On behalf of the Committee,

(Signed) GEORGE B. STEWART, *Chairman.*

Rev. John Fox, D.D., Secretary of the American Bible Society, addressed the Assembly, after which the following Minute was adopted:

The General Assembly renews and emphasizes the deliverances of former Assemblies, as to the American Bible Society and its

vital relation to the Mission Work of the Church. Without this agency, consecrated to securing the translation, publication and circulation of the Holy Scriptures, the evangelization of the world and the nurture of newly planted churches would be practically impossible. The Assembly recognizes, with appreciation, the service rendered by the Society to all Christian Churches, in suggesting the proper observance of the Tercentenary of the publication of the King James Version of the English Bible in 1611, and the aid which it has rendered to those joining in this commemoration. It recommends the churches under its care, that have not already taken part in this celebration, to do so at some convenient time during the year 1911. It further recommends, as exceedingly suitable in this memorial year, that generous contributions from individuals and churches be made to the treasurer of the Society, to the end that the blessings which have come to us through the English Bible, may be spread abroad to all the peoples of the earth.

In accordance with the rule of the General Assembly, it is the duty of the Assembly to appoint a Committee of Canvass, consisting of three ministers and two ruling elders.

The Special Committee on Sabbath Observance, through its Chairman, Mr. James Yéreance, presented its Report, which was accepted, and, after addresses by the Chairman, Rev. Herrick Johnson, D.D., Rev. Edgar P. Hill, D.D., and others, was adopted. It is as follows:

“A Sabbath well spent
 Brings a week of content
 And strength for the toils of the morrow ;
 But a Sabbath profaned,
 Whatsoever be gained,
 Is a certain forerunner of sorrow.”

—*Sir Matthew Hale.*

The subject of the SABBATH—its desecration and better observance—occupied the attention of the General Assembly long before the appointment of a Special Committee on Sabbath Observance. Overtures and Resolutions from Presbyteries were referred to a Committee appointed at each Assembly, and the Report of such Committee was presented to the sitting Assembly.

In 1882, the Assembly directed the Standing Committee on Temperance to consider and report as to the expediency of adding the subject of Sabbath Observance to their duties. The following year the Temperance Committee reported that it was inexpedient to add such duties to that Committee.

In 1891, the General Assembly appointed the Special Committee on Sabbath Observance, to serve without expense to the Assembly, with Col. Elliot F. Shepard, then President of the American Sabbath Union, as its Chairman. Col. Shepard continued to

serve as such Chairman till his death in March, 1893. In that year, Elder William R. Worrall, also officially connected with the American Sabbath Union, was appointed Chairman and so continued till his retirement in 1898. In the latter year the present Chairman was appointed as such and has continued to serve in that capacity till the present time, besides being the Chairman of the Executive Committee and President of the American Sabbath Union, which has been enlarged in its scope and its name changed to the Lord's Day Alliance of the United States. Thus, since the establishment of this Special Committee on Sabbath Observance, its Chairman has been identified with the national Sabbath organization and in close touch with the Sabbath question at home and abroad, and thereby is able to bring before the Church in the Annual Reports of the Committee the latest advices on the subject, for the information and use of pastors and officers in treating the subject from their pulpits and to stimulate them in concerted action in furthering the interests of the Sabbath cause—without a dollar's expense to the Assembly for traveling expenses or printing, except the printing of the Report in connection with the other Reports to the Assembly.

SABBATH VICTORIES THE PAST YEAR.

Labor Interests—Postal Service.—By the coöperation of the Postal and Postal Clerks' Associations with the Sabbath Associations, an order was issued by the Post Office Department, authorizing the closing of the post-offices throughout the country where the people of the locality so petitioned. A large proportion of the post-offices, including twenty out of the forty large cities, have thus been closed on Sunday, including New York, Chicago, Philadelphia, Baltimore, etc. In New York all carriers have been relieved from duty on Sunday and one-half of the clerks and letter collectors; the one-half working on Sunday receive a compensatory time during the week.

Industrial Establishments—Cement Works.—It is gratifying to find the securing of Sunday rest to workingmen an object of the ingenious solicitude of one of the world's greatest inventors, Mr. Thomas A. Edison, whose example is sure to be widely observed and followed. Hitherto it has been supposed that the making of Portland cement was of necessity a continuous process, no more to be interrupted than the routine of a dairy farm. If the kilns were not continuously fired, they would cool, and if they cooled, they would crack and become useless. Mr. Edison has changed all that. At his cement works at New Village, N. J., he has found by experiment that by giving the kilns a half turn at intervals of four hours between 6 o'clock on Saturday night and 7 on Monday morning, allowing them to cool gradually, the harm to the linings

does not take place, and he has given orders that this plan be adopted in his works. Nearly all the workmen thus secure a full Sunday's rest. Other cement manufacturers have recently adopted the six-day week, and 30,000 have thus secured their Sabbath rest.

Many other industries have joined the ranks of those establishments which have shut down on Sunday work. The sentiment that laboring men should strike for "a six-day week as well as an eight-hour day" is growing and meets the approval of labor leaders. A strong argument for it, in addition to the rest, improvement and social, moral and spiritual enjoyment of the men, is the fact that it will give employment to one-seventh more men, thus going a long way toward solving the problem of the unemployed.

Christian people are the truest friends of labor and have actively coöperated in securing the Rest Day for the working people.

We recognize that, with rest from Sunday work, there is great temptation for the laboring man to make the Sabbath a holiday rather than a holy day as divinely instituted. Every care and effort should be taken by pastors and churches to see that the laboring man and his family in each community are made to feel at home in the churches, and thus to employ the hours of the Sabbath in God up-lifting worship, as well as rest.

Legislation.—Congress has enacted a compensatory rest bill for postal employés. Thirty-six anti-Sabbath bills have been introduced in the Legislatures of the six New England States this year, but it is believed that none will become law. In the New York Legislature the McGrath Sunday Base Ball bill was defeated. In Massachusetts a new bill for Sunday Rest has been introduced, without giving the workingman permission to sign off his rights, as now provided under the existing law there.

In Ohio a Sunday Base Ball bill passed both houses of the Legislature, but was vetoed by the Governor.

Egypt.—We know that the great majority of the people of Egypt are Mohammedans, who do not regard the Lord's Day. But because of a movement among Christians, who are clerks and other workmen and employés, in Alexandria and Cairo, who, having to work seven days in the week, have organized themselves into societies, and are demanding the Sabbath as a weekly rest day, many Jews and Mohammedans have joined them. The movement has become so strong that many employers have granted the day, and in order to secure peace and order, the Ministry of the Khedive has issued a decree guaranteeing to many kinds of laborers the Sabbath as a rest day in certain of the large towns and cities. We trust that this may be a beginning of a gradually extending demand or movement for the Sabbath as a rest day throughout Egypt.

Court Decisions.—In New York the owner of an opera house was sued for breach of contract for non-payment of salary to a concert singer whom he had engaged to sing for three Sunday evenings in his Opera House. His defense was that the contract called for services to be performed on Sunday nights, which were not “works of necessity or charity, or needful during such Sunday for the good order, health or comfort of the community.”

The court decided the contract could not be enforced and dismissed the complaint.

The courts in Missouri and Wisconsin have decided that collections of bills of newspapers for publishing Sunday advertisements are not enforceable.

Sunday real estate auction sales, with free passes, etc., have become a menace to the Sabbath in our large cities. In New York an injunction was recently granted, prohibiting such a sale, and the trial of the case has not yet come on.

Lord's Day Alliances and Sabbath Associations.—The past year has shown marked activity among these agencies for the preservation of the Sabbath. The Lord's Day Alliance of the United States was the first to initiate the campaign for closing the post-offices throughout the country. It elected on its Board of Managers an officer of the Postal Service; and the success of the campaign has made its General Secretary, Rev. Dr. Granniss, to be esteemed by the postal employés throughout the country as their benefactor and friend. Colorado Springs Ministerial Association is entitled to the honor of securing the closing on Sunday of the post-office in that city—the first so closed in the country. In many of the States these Alliances and Sabbath Associations are vigorous and associate all denominations, Roman Catholic and other good citizens, in securing the passage of Sabbath laws and their enforcement. It behooves every pastor and church officer of our communion to lend a hand to these agencies.

California retains the uncoveted distinction of having no Sabbath laws and no Lord's Day.

PRESENT CONDITIONS TO BE DEALT WITH.

Washington, D. C.—The capital of our country, so beautiful in its attractive public buildings, fine avenues and picturesque parks, has no Sunday law, and, because of the city's prominence in our national life, should receive our first attention. On Sunday retail stores are open in many parts of the city; building operations and street repairs go on according to the will of the contractor; newspapers are published both morning and afternoon, and are cried out through the streets as on other days. Theatres and 5-cent and 10-cent shows and saloons are in full blast. Efforts have been made to get through Congress a moderate law for

Sunday rest; but the Seventh Day Adventists, Jews, and Moving Picture Syndicates always defeat them. There has been no trouble to get the bills through the United States Senate, but the House District Committee have been able to delay the passage of such a bill until Congress adjourned.

Social Sunday desecration has also very much increased in Washington within the past eight years. Dinners, receptions, teas, musicales, golf, etc., abound, are elaborately announced in the papers, and among the guests mentioned are constantly seen the names of people active and even prominent in church circles.

Rev. Wallace Radcliffe, D.D., ex-Moderator of this Assembly, the honored pastor of the New York Avenue Church of that city, and member of this Committee, is the efficient head of the Sabbath Association in Washington that is fighting these conditions there. He is ably seconded by the distinguished Christian jurist, the Hon. John M. Harlan, Justice of the United States Supreme Court and a Presbyterian elder, who, in a public address in Washington, recently heroically reproved some of its prominent people for such Sabbath-breaking, in the following language:

"Here in Washington you can find a transgression of Sunday everywhere you look. It is a shame that certain people from abroad should be allowed to come to Washington and give formal Sunday dinners and supper parties, when that day should be devoted to the work of God.

"I wish there were some way to stop this unwelcome influx into the National Capital. It is an outrage that dinner parties should be given on Sunday evenings, when that day should be devoted to other and higher things."

Sunday is a popular dinner and luncheon day in Washington society. Some Washingtonians place the blame for it on the diplomatic corps, whose "Continental Sunday" is gaining ground with the smart set of Washington. Nearly every Sunday sees half a dozen smart breakfasts at the Chevy Chase Club and an equal number of big dinner parties, also match golf games under the supervision of the Club.

As long ago as 1904, the late Bishop McViekar, of Rhode Island, spoke with great plainness against the prevailing tendency to secularize the Sabbath on the part of the wealthy leisure class.

Members of this Assembly and of our great Church can and should enlist the interest and coöperation of Congressmen and Senators, throughout the country, with the Sabbath Association of Washington, to remedy these conditions in our National Capital.

Atlantic City.—The Sabbath conditions in this beautiful City by the Sea are, that saloons and theatres are open and Sunday concerts given. No attempt is made by the officials to enforce the laws governing these violations. A constant fight is being

kept up by the Citizens' League, W. C. T. U., and other agencies for better conditions. This Assembly holds up to righteous condemnation any public official who is derelict in his duty and fails to enforce any law which he has sworn to obey.

Sunday Newspapers.—It is estimated that at least 150,000 compositors and pressmen are kept at work seven days in a week, in this country, by Sunday newspapers; yet many church members buy it, read it, and advertise in it, and some even own and publish it. Dr. Herrick Johnson, an ex-Moderator of this Assembly, has characterized it as the "sheet of Peter's vision, in that it is a great sheet full of beasts and creeping things, and fowls (especially fowls); but unlike Peter's, in that it is not let down from heaven, and in that God never cleansed it."

With the hope of influencing other merchants and trades people to do likewise, we give the following testimony of Hon. John Wanamaker, the eminent Christian merchant and member of this Committee, and who has celebrated his fiftieth year of successful business life. He writes:

"I never advertised a line in a Sunday paper. I have never suffered any loss in business, that I could trace, for not joining with the many large concerns that advertised lavishly on Sundays to improve their business on Mondays. Those who advertised were practically keeping their store before the public 365 days in the year. Our business has been closed tight, with all the show windows curtained off or covered up on the Lord's Day. I dare say it would be fair for me to say that our business on Mondays is, without any advertising on Sundays, as large as any other business in the cities where our stores are."

Sunday Aviation Meets, Ball Games and Other Sports.—A new peril to the Sabbath has recently been introduced with the growth of the science of aerial navigation: that is, the Sunday aviation meets, which have been held on Long Island and in Baltimore, gathering great crowds, with admission charges, to witness the novelty. Public sentiment has been aroused against their repetition, and if the defenders of the Sabbath will be alert, this desecration will be avoided in the future. In this connection it is fitting to say that the Wright brothers, the distinguished aviators and sons of a clergyman, refused to enter the meet on Long Island on the Lord's Day.

Sunday base ball and other athletic games are constantly seeking inroads on the Sabbath, and in every community "eternal vigilance is the price of safety" for the Sabbath. Automobile trips on Sunday are withdrawing families from attendance at our churches and children from our Sabbath-schools, and, for the sake of its influence on the Christian life of the future, Sunday automobiling should be carefully avoided.

Sunday Traveling.—The custom of traveling considerable

distances on Sunday to supply pulpits has grown largely within the last few years, especially among Presbyterian ministers, and the Committee has been asked to speak a plain word in the matter in this Report. We deprecate all Sunday travel and believe that ministers should avoid the undermining of their influence by such desecration. We quote from Emerson: "What you are speaks so loud we cannot hear what you say."

SUNDAY CONDITIONS ABROAD—BRIEF RÉSUMÉ.

Oberammergau.—None who were present at the Passion Play last summer could have failed to notice that after the presentation of the most sacred theme on the Sabbath, the evening revealed a wide-open village.

Monte Carlo.—Sunday everything more open than any day in the week.

Belgium.—Stores, shops, pleasure resorts and drinking places open.

Austria.—Sunday labor has been reduced four hours.

Italy.—Banks and large stores are open in the morning and closed in the afternoon. Vendors are on the streets.

Switzerland.—The Continental Sunday has invaded the cities and towns, though there is great improvement during the last generation.

Holland.—Sunday partakes of Continental features, with its evening sociability.

France is not as wide open as Italy; the new labor law of four years ago has stopped much labor and trade on Sunday.

Japan.—Since 1873, the influential classes of the Japanese are under orders from the Mikado to observe the Sabbath of Christian nations as a weekly rest day, and they obey the word of their Emperor. Hence, in Old Orchard, Me., where practically every American shop and store was open and the merry-go-rounds and other forms of the "business of amusement" were at their busiest, almost the only buildings closed in the evening were the churches, and, seemingly, the only store closed was kept by a Jap, a clever, intelligent, alert man of business on week-days. On Sunday he absolutely refused to do business. Is the Sunrise Kingdom to outstrip professing Christians in the outward observance of a law of the King of kings?

England.—Has no Sunday papers; no Sunday goods traffic on railways; and has closed shops.

In concluding this Report your Committee would earnestly bring to the mind of the Assembly and the Church the present issue of the Sabbath question: Shall our American Sunday of the future be the Anglo-Saxon Lord's Day or the Continental Sunday? There are enough God-fearing people in this country

to secure just such a Sabbath as they want for our 100,000,000 population. But unless our Christian people are vigilant, earnest and prayerful, our God-given right of a Sabbath for rest and worship will be taken from us by our neglect, and if a Continental Sunday should prevail here, God save the State!

Your Committee recommends the adoption of the following resolutions:

Resolved, 1. That the General Assembly reiterates its strong and emphatic disapproval of all secular uses of the Sabbath Day, all games and sports, in civic life as also in Army and Navy, all unnecessary traveling and all excursions, and urges upon all employers of labor and captains of industry to recognize the need of the laboring man for his weekly rest day, and thereby insure his greater efficiency and happiness, and the greater prosperity of both capital and labor.

Resolved, 2. That we most respectfully call the attention of all public officials to the potent influence of their position, pro or con, on all moral questions, and the necessity of greater care on their part, proportioned to the exalted nature of the offices which they occupy, that they may strengthen rather than weaken, by their influence, public and private observance of the Lord's Day; and this Assembly respectfully but emphatically urges all public officials faithfully to enforce all laws to protect the Sabbath from desecration.

Resolved, 3. The General Assembly urges on all families not to buy anything on the Sabbath, to plan for their servants on the Sabbath and to help them fulfill their religious duties, and to pay laborers so that they may have Saturday afternoon to make provision for the Sabbath.

Resolved, 4. That this Assembly heartily endorses the plan of the Saturday half-holiday, and recognizes it as tending to the better observance of the Sabbath.

Resolved, 5. That the General Assembly hereby reiterates its emphatic condemnation of the Sunday newspaper, and urges the members of the Presbyterian Church of the United States of America to refuse to subscribe for it or read it or advertise in it.

Resolved, 6. That the General Assembly respectfully requests the faculties of colleges and seminaries, if the way be clear, to omit recitations on Monday mornings, so as to leave the Sabbath free from the felt necessity of some of the students to prepare their lessons on that day.

Resolved, 7. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Presbytery, to coöperate with similar Committees of other denominations within its bounds in aiding the work of local Sabbath associations; and where such organizations do not exist, to promote the formation of such associations in connection with the State or national

organizations, the Lord's Day Alliance of the United States, and the Woman's National Sabbath Alliance.

Resolved, 8. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the Chairman of each Presbytery's Committee on Sabbath Observance shall be at least a corresponding member, and that the Synod's Committee shall coöperate with the State Sabbath Associations.

Resolved, 9. That we most heartily commend and warmly endorse the work of the Lord's Day Alliance of the United States and the Woman's National Sabbath Alliance, national organizations, in their efforts to preserve in its purity the Christian Sabbath.

Resolved, 10. That we earnestly recommend that the first week in April, embracing the first and second Sundays, be observed as a Week of Prayer for the preservation of the Lord's Day, in its quiet, rest and worship; and that each pastor of our communion preach a sermon, in the month of April next, or at some more convenient time, on the subject of the Sabbath, and that at that time an offering be made for the work of the Lord's Day Alliance of the United States (which is the association organized by the coöperation of the General Assembly in 1888, and which represents the Presbyterian Church in the United States of America in this department of Christian work) or, in lieu of an offering, we recommend that the Alliance be placed upon the list of benevolences of the churches, contributions to be sent to James Marshall Stuart, Treasurer, 203 Broadway, New York City, and that the Committee on Sabbath Observance be continued, as usual, without any expense to the Assembly.

Respectfully submitted:

We look upon it as one of our own Agencies in bringing the world to a knowledge of Christ as the Redeemer of sinners. We think of its work as our work, and rejoice in its successes. We desire to aid in supplying its needs.

In the Name that is above every name, we urge all of our churches to place it upon their lists of annual benevolent offerings, and appeal to all who are constrained by the love of Christ to give to it liberally and regularly, and to remember it in their testamentary gifts.

The Report of the Advisory Council on Church Extension was accepted and approved. The recommendations contained in it were referred to the respective Standing Committees and the Executive Commission for further action. The Report is as follows:

The Advisory Council on Church Extension respectfully reports to the General Assembly that its second meeting was held in the Presbyterian Building, New York City, on November 16, 1910, there being thirty Synods represented, only two, Baltimore and Mississippi, failing to send representatives. The Board of Home Missions was represented by three members; the Board of Publication and Sabbath School Work and the Board of Church Erection by two each, as provided by the General Assembly.

Owing to a better understanding of the object and aim of the Council, more and better work was accomplished than in the former meeting. The recommendations to the Assembly and the three related Boards are the result of three days of deliberation, in which the whole missionary work of the Church at home was considered. A summary of the work among people of foreign speech shows 344 churches and missions. Of this total, 149 are German churches; 6, Dutch or Holland; 8, French; 3, Welsh; 44, Bohemian; 27, Hungarian or Magyar; 16, Slavic; 2, Ruthenian; 167, Italian; 7, Armenian; 4, Syrian; 2, Bulgarian; 1, Persian; 5, Chinese and 3, Japanese. Mission work among recent immigrants is carried on chiefly within the self-supporting Synods,

especially New York, New Jersey and Pennsylvania, and is largely supported by synodical and local organizations. The Board of Home Missions commissioned 44, the Women's Board 37, and the Sabbath School Board 21 workers for this work, while the Board of Education has 133 students under its care preparing for work in a foreign tongue in the United States. The Board of Church Erection also assisted 8 of these churches in securing church buildings.

In the matter of the Benevolence Budget, the Council is convinced that the Presbyteries, having an intimate knowledge of the conditions, are best prepared to apportion to the several churches within their bounds the amounts which should be raised by them for the missionary agencies of the denomination, and to report the same to the Budget Committee of the Executive Commission. These convictions were expressed in a series of recommendations, which were respectfully submitted to the Commission for their consideration. The importance of the Board of Publication and Sabbath School Work as an agency of primary education in things religious is thoroughly realized by your Council, and action was taken to assist this Board in the splendid work it is already doing. The emphasis now being laid on its educational work should be continued. It is also believed that all missionary efforts in Presbyteries and Synods should be unified and, where possible, one Committee have the oversight of the whole work. Here Church Federation could also be employed, and representatives of Protestant denominations coöperating, and in certain cases organizing single communities upon a union basis for religious education. One of the greatest needs of the day is the training of lay workers for Sabbath-school work, and our educational institutions could make no better use of their plants than in conducting in them summer schools of this character.

The Advisory Council is still convinced that the action of the General Assembly in 1910, regarding the establishment by the Board of Church Erection of a Church Extension Fund for the purpose of meeting the unusual demands in growing centres of population, for church and Sunday-school privileges, was and is expedient. A wise organization of each local field would result in such a movement becoming self-supporting. We must become progressive or else surrender the field to denominations better organized to do the Master's work. Conservative rules which were sufficient in the past may not meet the requirements of the present, for we are living amid new conditions, and the Church is called upon to answer the challenge of the age.

The Council spent an entire day in studying the methods of the Home Board, as well as its plans regarding the new departments of its work, namely, Indian Missions, Church and Labor,

Immigration, Church and Country Life, and its departments of Survey. Realizing that most of these departments are still in their infancy, and therefore somewhat experimental, the Council makes no recommendations, but with the Church at large awaits the working out of plans that demand time to prove their efficiency, believing that some of these departments are destined to have a powerful influence upon future methods of church work. The question of the salary of home missionaries is a vital one, for the time has passed when a man and his family can live in decency upon the amount constituting the present average. Not only should the Board make larger appropriations, but through the Presbyteries should stimulate the mission churches to increased subscriptions, thus relieving the brother on the firing-line of a charity in the shape of mission boxes. The Council also fears the growing tendency toward independence in organization, which savors of Congregationalism. If not a union, then a federation, of our administrative agencies which will enable them to work in harmony with each other is necessary. We believe that the interests of large cities are supremely important, but we also believe that our Church is wise enough to so unify its interests, that all departments will be in harmony with each other, and that no minor interest will be crippled because of unusual emphasis given to special work. Regarding the perplexing problem of Vacancy and Supply, your Council has appointed a Standing Committee, who are giving the matter intelligent study, preparatory to a Report at our next meeting.

There is danger that the home-mission work of the self-supporting Synods will be overlooked in the general survey of the agencies of the Church. These Synods, while operating independently of the Board of Home Missions, are not independent of the Assembly, and should report to this body. In the report of eight Synods in full and two in part to the President of the Council, we ascertain that in addition to raising and disbursing within their own bounds the sum of \$273,144, they have contributed to the Board of Home Missions and the Women's Board more than half a million dollars. In the self-administering Synods which report there are 1,422 home-mission churches and missions, in which 1,056 ordained ministers and other workers are employed, reporting for the year 8,208 additions on confession of faith and 3,995 by certificate, and 64 of these churches have during the year reached self-support. That outside assistance does not tend to pauperize such churches is evinced in the \$686,485 which they raised for their own maintenance, and the \$71,466 given by them to the Church's benevolences. Their orthodoxy is proven by the 2,877 infants and 2,794 adults baptized. It is most unfortunate that this Report is unable to include the work of church extension in many of the largest cities of the country,

and there is great need of a more perfect system of gathering the important facts regarding the agencies of the Church. Regarding synodical organization, progress is constantly being made, plans for self-administration having already been adopted in several Synods which are now working toward that end, the Home Board and the Advisory Council being of one mind in this matter. There is great need, however, of a united field campaign on the part of the three Boards associated with the Council, a campaign in which selected cities could be thoroughly organized for an advance movement all along the line in the interests of the Master and of Presbyterianism, Board representatives uniting with the local forces in an effort to bring the Church up to the needs of the hour.

The officers who served the Council during the past year were reelected to serve another year, the President appointing the following Standing Committees:

1. *On Missionary Work among Foreign-speaking People*—Rev. Samuel McLanahan, Chairman; Rev. J. M. McJunkin, D.D., Rev. E. E. Hastings, D.D.

2. *On Methods of Synodical and Presbyterianial Organization*—Rev. W. M. Irwin, Chairman; Rev. W. T. Logan, Rev. W. H. Houston.

3. *On Boards Connected with the Council*—Rev. John P. Hale, D.D., Chairman; Rev. George Fairlee, Rev. J. M. Wilson, D.D.

4. *On Docket and Programme*—Rev. George E. Hunt, D.D., Chairman; Rev. Nathaniel McGiffen, D.D., Rev. E. J. Groeneveld, D.D.

5. *On Vacancy and Supply*—Rev. W. H. Houston, Rev. John B. Hill, D.D., Rev. W. H. Hunter.

The following recommendations are respectfully submitted for the Assembly's consideration:

I. ON WORK AMONG PEOPLES OF FOREIGN SPEECH.

1. That the Board of Home Missions secure an annual report from each church and mission using other language than English, and keep a registry of workers in these churches and missions, for consultation by Presbyteries having a large foreign population.

2. That Presbyteries be urged to exercise deliberation and care in ordaining men for this work; also show diligence in securing young persons to be educated for this work among the foreign-born, and in providing funds for the institutions furnishing training to this end.

3. That in the transfer of mission workers from one field to another, care be exercised in ascertaining the character and ability of such workers, and in avoiding competition in salaries.

4. That in receiving members into such churches the Assembly insist upon such reception being individual rather than collective, involving a credible profession of faith, and not depending upon previous baptism and confirmation abroad alone.

5. That the erection by the Assembly of separate German and Bohemian Presbyteries shall be regarded as establishing a precedent only for cases in which similar conditions of long-established work, self-support, training and prospective usefulness prevail.

II. ON MATTERS CONNECTED WITH THE BENEVOLENCE BUDGET.

1. That in all future benevolence budgets issued by the Assembly's Executive Commission, the amounts to be raised by the self-supporting Synods and Presbyteries be included; and that the Commission secure all information to this end.

2. That the Assembly advise each self-supporting Synod or Presbytery, to prepare and present to the Commission before the end of the Assembly's fiscal year, an estimate of the amounts to be raised by their churches for every phase of home-mission work for the ensuing year.

3. That the Executive Commission in making apportionments for the several Synods and Presbyteries take into consideration the financial ability, relative growth and other conditions of each body. And that in view of the plans which the Advisory Council has proposed, to the Boards connected with it, for church extension, that the advance be not less than 10 per cent. for the ensuing year.

III. ON MATTERS CONNECTED WITH THE BOARD OF PUBLICATION AND SABBATH SCHOOL WORK.

1. That the Board of Publication and Sabbath School Work be encouraged by the Assembly to continue emphasis upon the educational work in Sabbath-schools, and in employing a larger number of men especially qualified to conduct high-grade institutes, so far as the funds of the Board will permit.

2. That Synods and Presbyteries study to unify the supervision of the mission work within their bounds, either by combining their Committees on Home Missions and Sabbath School Work, or by making the chairmen members of both committees, or by joint meetings of the committees looking to the unification of the work.

3. That the Boards of Home Missions and Publication and Sabbath School Work be instructed to coöperate with the representatives of other Protestant denominations in missionary and educational work, and that the Sabbath School Board be advised to coöperate with other denominations, in testing the feasibility of organizing one or more communities for religious education along the lines suggested by the public schools.

4. That the Board of Publication and Sabbath School Work, either directly or through the Board of Education, correspond with the colleges and seminaries of our Church, with a view to the establishment of special courses or summer schools for the training of lay workers in church and Sabbath-school.

IV. ON MATTERS CONNECTED WITH THE BOARD OF CHURCH ERECTION.

1. That the Board of Church Erection be instructed, as soon as practicable, to put into operation the plan of establishing church extension funds in accordance with the action of the last Assembly. (*Minutes*, 1910, p. 182.)

2. That Presbyteries conducting local church-erection work be instructed to maintain a vital connection with the Board of Church Erection, by contributing to the Board, in addition to the amounts contributed to the local work, and to make a summarized statement of their work to the Board of Church Erection.

3. That the Assembly advise the Board of Church Erection to inaugurate a general forward movement for church extension by a campaign in places where such a movement is needed, and if necessary by the appointment of a Field Secretary for the raising of funds, the enlargement of the work, and the conservation of property interests.

V. ON MATTERS CONNECTED WITH THE BOARD OF HOME MISSIONS.

1. That the Board of Home Missions be urged to undertake a movement looking to the increase of salaries upon the home field, by increasing its grants, and by calling the attention of Presbyteries to the importance of urging their home-mission churches, to increase the amount raised upon the field for the support of their ministers.

2. That the use of missionary boxes as a method of supporting home missionaries be discontinued as rapidly as possible by the Board and the churches, and that no recognition be given to such boxes in the official report of home-mission contributions.

3. That the General Assembly rescind the order for the publication of the names of all home missionaries in the Board's annual report, and that the Board be requested to consider the advisability of discontinuing the reporting of all names of home missionaries under its commission, and further that the General Assembly omit in the future the designation H. M. from names in its *Minutes*.

4. That the General Assembly urge Presbyteries and other organizations becoming independent, to pursue no course that will in any way cripple the synodical work, especially regarding

finance, but to coöperate with and be incorporated in the synodical organization, giving a percentage of the funds raised by them to the more extensive work of the Synods and Boards.

Respectfully submitted for the Advisory Council,
 WILLIAM T. JAQUESS, *President*;
 MAURICE D. EDWARDS, *Vice-President*;
 JOSEPH E. McAFEE, *Secretary*.

It was made the order for Wednesday, 9.40 A.M., to hear the Corresponding Delegate from the Protestant Episcopal Church.

Paragraph V of the Report of the Special Committee on Church Coöperation and Union, containing the Plan of Union* with the Reformed Church in the U. S., was submitted by the Chairman of the Committee, Rev. W. H. Roberts, D.D., and was adopted by a unanimous and rising vote, followed by the singing of the Doxology. The following telegram was then sent to the General Synod of the Reformed Church:

ATLANTIC CITY, N. J., May 22, 1911.

*To the General Synod of the Reformed Church in the United States,
 Canton, Ohio:*

The General Assembly of the Presbyterian Church has adopted unanimously the plan of union with your Church and exactly as reported.

JOHN F. CARSON, *Moderator*;
 WM. H. ROBERTS, *Stated Clerk*.

The Standing Committee on Ministerial Relief, through its Chairman, Rev. Andrew M. Brodie, D.D., presented its Report, which was accepted, and, after addresses by the Chairman and Rev. Benjamin L. Agnew, D.D., Secretary of the Board, was adopted, with the exception of Resolution three (3), which was referred back to the Committee. A resolution as to the use of the word "pension" was also referred to the Committee. The part of the Report adopted is as follows:

Your Committee on Ministerial Relief has received and considered carefully the Fifty-sixth Annual Report of the Board of Relief, and submits the following for your consideration.

The prediction of the Report of last year, which said "this year's Relief Work is the dawn of a new day, it opens up a brighter declining day for our disabled and dying fellow-workers," we find has come true, for the past year has been one of continuous

*See the full Report of the Committee.

prosperity. We find the word "larger" written over the entire Report.

It was the year of largest popularity: 1,197 persons were on its roll of beneficiaries, hence a year of large usefulness and blessing.

There were added to the roll 151, the largest number in any single year. There were 93 deaths, also the largest number for any one year.

Last year witnessed the largest number of churches responding to the appeal; 84 more than ever before recognized their just debt to the veterans of the Church, and cheerfully sent their gifts.

The amount paid to ministers on the Honor Roll was not only the largest in the aggregate, but also the largest individually, being an average of \$337 for each honorably retired minister, and the only reason it did not reach the present maximum, \$350, was that some of these worthies declined the amount in full.

The amount received from all sources was \$259,225.35, being the largest sum received in any one year, in the history of the Board. These funds were collected and administered at an expense of a little more than 4 per cent., which also included the cost of some preliminary work in the \$6,000,000 campaign.

Your Committee notes the fine equipment and splendid provision made for disabled ministers and their wives, at the Thornton Home, at Newburg, Ind., and in the Merriam Home, at Newton, N. J., both of which are available to those eligible for aid.

From the earliest days of the Board the General Assembly has reiterated the statement that all ministers and their families in need have claims on this fund not based upon charity, but as a just debt of the Church.

In order that persons having such claims may be relieved from all embarrassment, the officers of the Board ask the General Assembly to request Presbyteries, through their Committees on Ministerial Relief, to take the initiative in ascertaining the needs of those entitled to aid, and make application to the Board for the same, not on the ground of charity, but on the "immutable principle of heaven-born righteousness."

The Committee would recommend the adoption of the following resolutions:

Resolved, 1. That the General Assembly approves the Minutes of the Board of Relief.

Resolved, 2. That the Assembly notes with gladness the success of the past year, and puts its approval upon the economical and efficient administration of the affairs of the Board by its officers and directors.

Resolved, 3. (This resolution, dealing with the increase of the Endowment Fund, was referred back to the Committee, and

a substitute was subsequently presented, and referred to the Executive Commission, with power to act.)

Resolved, 4. That the General Assembly requests the Presbyteries, through their Committees on Ministerial Relief, to take the initiative in presenting to the Board the claims of those needing aid, and that so far as possible the circumstances of need be kept with the Committee and be not discussed in open Presbytery.

Resolved, 5. That Rev. Thomas R. Beeber, D.D., Rev. Alexander H. Young, D.D., J. Herbert Jefferis, Esq., and Rudolph M. Schiek, Esq., be reelected as members of the Board for the term of three years.

Respectfully submitted,

A. M. BRODIE, *Chairman*.

The following Minute was adopted by a unanimous and rising vote:

The General Assembly of the Presbyterian Church in the U. S. A., now holding its one hundred and twenty-third session at Atlantic City, would respectfully but emphatically protest against the acceptance, by the Navy Department, or by any other agency of the Government, of the offer of a silver service for the battleship *Utah*, on which is to appear an engraving of Brigham Young, with the Mormon temple in the background.

Every sense of honor, decency, morality and righteousness will be outraged by accepting, and honoring, by the protection of the flag of the nation, this memorial of shame.

It is ordered that a record of this action be communicated to the President of the United States in a telegram, to be signed by the Moderator and Stated Clerk.

The order of the day, the Report of the Executive Commission, was taken up, and at the request of the Chairman, the part of said Report previously under consideration, was put on the docket for to-morrow at 11.30 A.M.

The resolutions on the Budget, pp. 161 and 162 of the Report, as amended in the printed leaflet, were adopted.*

The Standing Committee on Education, through its Chairman, Rev. Frederick W. Hinitt, D.D., presented its Report, which was accepted, and, after addresses by Rev. Joseph W. Cochran, D.D., Secretary of the Board, Rev. Richard C. Hughes, D.D., Secretary of University Work, and Rev. Hugh T. Kerr, D.D., was adopted. It is as follows:

Your Committee on Education begs leave to report that the review of the year brings only cause for thankfulness to God that this important branch of the work of the Church has been so largely prospered. The intimate relations of the work of Ministerial Education with evangelism at home and abroad, and the increasing pressure upon the Church, not only for numbers in the ministry, but also for thoroughly equipped and able men to stand as prophets of a Gospel for to-day, emphasize the need of a broad vision on the part of this Board and the most diligent and capable pressure of its claims with pastors, sessions, churches, and the young men of our congregations where the ministry of the near future is to be recruited. Moreover, the growing complexity of educational organization and the necessity of relating this work to the great educational movements of the present day, the fact that the scope of the work of this Board must be recognized as passing beyond the mere gathering of funds and the disbursing of aid to a certain number of candidates for the ministry, in a word the necessity of the recognition of the fact that the educational work of the nation is a unity, and that this Board must sustain relations to the largest problems of educational growth and enterprise in order to most largely serve the Presbyterian Church, are evidence of the need of the larger view of the educational statesman. That this fact has been recognized and the work and policies of the Board carried forward with admirable efficiency, through its executive officers, the current Report amply demonstrates.

The numerical results of the work of the year are but one indication of the total work that has been accomplished, but it is gratifying to note that there has been an increase in the number of candidates under the care of the Board, and that we are steadily recovering from the depressed conditions that only six years ago so alarmed the Church. There has been steady gain since 1905 that bids fair to be continued in increasing measure. Eight

hundred and fifty-five men were aided in 1910-'11. Of these 239 were new men and 616 "renewals." The Church has now one candidate to 1,162 church members, as against one to 1,239 church members last year. It is of interest to note that there has been a slight decline in the number of candidates in Presbyterian seminaries, while the number of candidates under the Board in colleges has advanced. The gain, however, is indicative of the fact that the decline of candidates in the seminaries is only a temporary manifestation.

The financial support of the Board has also been most gratifying. The total receipts from churches, Sabbath-schools and societies have increased \$6,556.93 over last year, while the total increase of the Board's revenues shows a gain of \$31,573.68 over the receipts of last year.

We have noted with great interest certain administrative features of the work. The Secretary of the Board has instituted what promises to be a far-reaching and effective mode of campaign for candidates, by systematically extending the search for material among promising boys of the Church while in their period of high-school or secondary training. The choice of the ministry as a vocation is generally not made during college days. Some material can be recruited in the colleges, but the larger possibilities are with the boy before he is ready for the freshman class. The duty of pastors and elders to search for valuable and available material in the average congregation needs to be vigorously emphasized, for there the opportunity is large and the task comparatively easy. By the new method of the Board, the effort is made to keep in touch with the pastors of our churches as to possible material in the church and home, and by the pressing of the duty and opportunity of pastors and sessions to seek out and encourage the bright forceful promising boys of the church to consider the claims of Christ upon their lives and service amidst the pressure of the competition of professional and business opportunity, there is marked a return to an old and time-honored practice, it is true, too long neglected, and to the loss of the Church, but now re-emphasized and to be furthered by the aggressive policy of the Board. In our judgment too much emphasis cannot be laid on this systematic search and appeal as now organized and operated by the Secretary of the Board.

We note also with sympathy the improvement in the method of administering aid to candidates for the ministry. The Presbyterian Church has never wavered in its policy of freely giving sufficient aid to an earnest young man in his preparation for the Gospel ministry. It is his right and our duty, but it is clear that this should be done with a minimum of loss, and that there should be a careful and accurate exhibit of the actual results, both in the record of the candidate in the early years of his

ministry and in the return to the Board of funds so expended in the case of those who may demit the ministry, or fail to carry their preparation to completion. A just economy on the part of the Board equally with a fit sense of honor on the part of the beneficiary demand that all such funds be returned to the Board. It is a wise and commendable policy, therefore, that has been inaugurated whereby the Board is now strongly insisting on the repayment of all such advances where the implied contract of complete preparation and ministerial service has, for whatever reason, not been carried out. The placing of this whole matter of beneficiary aid on the most businesslike basis cannot but commend itself to the conscience and judgment of the Church, and bring increase of confidence and resources to the work of ministerial education, and the Board is to be congratulated on every advance made in this direction.

Certain special policies of the Board also deserve mention and emphasis. The need for medical missionaries has become so great that it seems wise at this time to inaugurate a method whereby assistance may be granted to needy candidates preparing for this special field of missionary work. Certain recommendations will be submitted in this connection.

The work among foreign-speaking candidates is also one of special significance. The problem of ministering to our foreign-speaking populations is being solved by the two theological seminaries caring specially for candidates of foreign speech. One hundred and thirty-eight foreign-speaking candidates have been aided during the last year, and the work of the seminaries engaged in the training of these men is to be especially commended. They are making a great contribution toward the solution of one of the greatest problems of our national life, and the relations of the Board to this special work have been highly beneficial.

Of no secondary importance is the work among the colored people. The need of a trained Presbyterian ministry among the negroes of the South is imperative. No words can do justice to the pressing need of this part of our population. The evangelization of the negro in the Southern States is our largest hope. No mere industrial or economic efficiency can solve the problem of the negro in his Southern home. Without religious education industrial efficiency only intensifies the problem. To meet this situation thrusts upon our Church a peculiar responsibility. We are glad to note, therefore, that while large attention is being given to the economic uplift of the colored people, the Board of Education is seeking to provide a trained ministry of that race, who shall press the claims of the Gospel according to the principles of our Church.

The College Visitation Plan, carried forward in coöperation with the Assembly's Evangelistic Committee, has been a most

significant forward movement. The plan has reinforced the college in the promotion of its efforts for religious education in focusing the attention of the students upon the favorable conditions upon the claims of Christ as our Lord and Redeemer, in presenting the opportunity of Christian service through the ministry at home and on the foreign field. Able preaching, personal counsel, vocational conferences and evangelistic appeals have all conspired to the most gratifying results in this first campaign. Forty-two colleges coöperated. Figures can only tell part of the story, but there were 154 decisions for Christ, 11 offered their lives for missionary service, and 36 young men consecrated themselves to the Christian ministry. The plan is full of promise of larger results in future campaigns.

The work for Presbyterian students at State educational institutions grows in importance as experience develops the need and the best method of doing the work. The closer investigation of the life and environment of our students in these institutions makes imperative the pastoral and personal care that is now the settled policy of the Board in the administration of this work. We express the highest appreciation of the work done by these great schools of the Commonwealths and recognize the fact that there are thousands of our Presbyterian young men and women, who are receiving instruction in State Universities in departments which the Church college does not and cannot provide. It is merely a necessary extension of the fundamental principles of Christian education, therefore, that leads to and makes necessary this great work.

It is gratifying in the present Report of the Board to hear the note of certainty as to method ring out. Of necessity, in a new work like this, the experimental stage must have its day. To feel the way in a difficult and untried enterprise such as this, where precedent did not exist and only imperative needs and possibilities clamored for recognition, was no light task. But experiment and experience have shown that, after all, the best way is the simplest and most direct. It is no longer the view of the Board that large and expensive material equipments are likely to be needed in addition to those already furnished by the university and the local church. This is not to say that certain special equipments will not be needed in certain places in the development of a successful work. More and more it is seen that the heart of the problem is to get a real man of God, with brain and heart alive, into personal intimate contact with our young people as pastor, helper, adviser, "guide, philosopher, and friend." Time and experience have shown here as elsewhere in Christian work that materials and machinery do not settle our difficulties. A man of God plus the Spirit of God must do the work. The present plan, therefore, is, in coöperation with the

Synod, to place a student pastor in the field. His material equipment may be found in the plant of the university Y. M. C. A. or the local Presbyterian church, or both. From this base he is to operate as a man among men, seeking their souls for Christ. His method is to cultivate acquaintance and friendship and every helpful relation with our Presbyterian young people; to give heart to the discouraged, to counsel the inquirer, to reclaim the wayward, to inspire all to Christian service and activity, to relate the individual student to the local church, and to hold to the Presbyterian Church and its life this splendid body of men and women, rich with possibilities for a future of usefulness in professional business life. Such a method of administration has already yielded rich results, and we have large reason to believe that in this type of personal and direct service the method has been found whereby large and permanent spiritual results will be secured in this once neglected field. It is only right to say, in conclusion, that from every side the work of this Board and its executive officers commands the admiration of your Committee. It is engaged in a field of growing opportunity, and the Church is to be congratulated that such a vision of broad service has been realized by this Board and that its programme has already attained to a fullness of fruition prophetic of that which is yet to be done.

We respectfully recommend to the General Assembly:

1. That the Assembly congratulate the Board on the success of its endeavors as shown in the increase of candidates for the ministry and in the contributions for the year just closed, and that it be directed to prosecute with vigor this great work.

2. That the General Assembly commend the Board for its work in connection with the special training of men for work among foreigners, and that it be directed to adopt such further measures for the promotion of this work as shall be agreed upon between the Board and the authorities of the theological seminaries giving special training to men for this work.

3. That the Board be authorized to aid in promoting the interests of our Presbyterian Training Schools for Lay Workers, and that it be commended to such schools and to contributors to their work as a proper body to receive and disburse funds as designated with the hope that the development of this work will be rapid and of large service to the Church.

4. That the action of the Board in reference to work among students in State schools of higher learning be approved, and that it be authorized to continue this work within the limits of the instructions contained in the deliverances of former Assemblies and always in coöperation with the Synods concerned.

5. That the Assembly approve the plan of College Visitation as carried out this past year in connection with the Assembly's

Evangelistic Committee, and authorize it to continue the plan under the initiative of the Board.

6. That the Assembly approve the action of the Board in insisting upon the return of grants where the individual has either failed to carry his studies to completion or for other cause has failed to keep the contract implied in the reception of such aid.

7. That the Assembly directs the Presbyteries to guard themselves against receiving and recommending candidates who have not fair prospects of pursuing their course of preparation for the ministry and of prospective ministerial usefulness.

8. That the action of the Board of Education, on page 15 of the Annual Report, paragraphs 2, 3 and 4, be approved.

9. That the action of the Board of Education concerning aid for medical students, as stated on pages 16 and 17 of the Annual Report, be approved.

10. That the application blanks for aid for medical students and the changes in the ordinary blanks as submitted be approved.

11. That the Board be authorized to continue to aid the organization known as "The Presbyterian Theological Seminary of the South", in their plans to promote the theological training of ministerial students from that section, through the Lane-Lebanon Alliance, by such methods as may seem wise to the Board.

12. That the Thursday immediately preceding the second Sunday of February, 1912, being the eighth day of the month, be observed by the Church, in the churches and schools, as a Day of Prayer for Colleges and Universities.

13. That the report of the Treasurer of the Board, having been duly audited by a certified public accountant, and the Minutes of the Board, be approved.

14. That the Assembly be requested to arrange for a special order for the consideration of the special report concerning Training Schools for Lay Workers.

15. That the action of the Board in assigning the work among the negroes of the Cumberland Presbyterian Church, Colored, to the Board of Missions for Freedmen, be approved.

16. It is requested that the Committee be permitted to introduce a supplementary recommendation, concerning membership, at a later date.

In behalf of the Committee,

F. W. HIXITT, *Chairman.*

The Standing Committee on Freedmen, through its Chairman, Francis E. Smiley, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, by the Rev. John M. Gaston, Associate Secretary, Rev. S. J. Fisher, D.D., President, and Rev. E. P. Cowan, D.D., Secretary of the Board, was adopted. It is as follows:

The General Assembly's Standing Committee on the Board of Missions for Freedmen submit the following Report:

It is with gratitude to God that we record this as the banner year of the forty-sixth of the Board's history. More money has been received from the churches, Sabbath-schools, young people's and women's societies than in any previous year. The Board closes the year without a deficit. This expansion is manifest not only in material and financial results, but also in the mental, moral and spiritual uplift among the colored race, still in its childhood.

Your Committee would emphasize the importance of pastors' and sessions', by a careful study of the Annual Report of this Board, making themselves familiar with its manifold agencies and far-reaching operations, in order to instruct their congrega-

tions to the end that the nearly 5,000 non-contributing churches may know of its claims and respond generously to its needs.

Some idea of this enterprise, the field of operations, the number of agencies, the extent of its financial expenditures and the success of its efforts, may be conveyed by the statement that this year's Report covers 154 closely printed pages.

The Board of Missions for Freedmen is a group, a family, a consolidation, or, if you prefer a word now familiar to us all, a federation of Boards.

As a Board of Home Missions, the Church has committed to its care the 9,000,000 colored people numbered by the United States Census as citizens of this free republic, whose habitation is in the Southland. Five hundred and thirty-eight teachers and preachers labor to fit these wards of the nation for citizenship in two worlds—that which now is, as well as that which is to come. Of this number, 224 ministers proclaim the Gospel from 398 pulpits and missions, whose preaching and praying, under the blessing of God, brought into the fold of our Church 1,422 converts.

As a Board of College Aid, it supports 126 schools, with Biddle University at the head, and 380 teachers instruct 15,664 pupils. As a Board of Education it supervises the theological studies and assists the financial needs of candidates for the Gospel ministry in the Presbyterian Church.

As a Board of Church Erection it has built and owns directly forty-three churches and manse properties, and indirectly, through trusteeships, three hundred and twenty-nine others; besides notes and mortgages held by virtue of loans.

And finally, as a bureau of social service, it promises a practical solution to that perplexing problem of the unemployed. The Farm Homes Scheme is the youngest child of this interesting family fathered by the Board of Missions for Freedmen. It proposes to bring those who are willing to work back to the soil. After years of prayerful and careful investigation, the Board has appropriated \$15,000 for this purpose. Nearly 1,000 acres of fertile land has been purchased. This will be divided into tracts of ten acres or more and sold on easy installments to reputable negro men of families. The Board, by means of loans, will assist these colonists to erect homes, purchase seeds and farm implements, and encourage them under the direction of a practical farm superintendent to mature their crops, support their families and pay their loan back to the Board.

This money will then be loaned in a similar manner to others ambitious to support themselves. Already the first farmers' homes colony has been located near Keyesville, Ga., with the Bogg Memorial Academy as its educational centre.

And what, you ask, is the effect of this generosity upon the spirit of self-help among our colored churches of the South?

Under the wise policy of our Boards, the colored people, through churches and schools, have raised \$145,000, on the field, for the support of their own work. Moreover, they have contributed from their scanty store \$3,578.85 to the permanent Boards of the Presbyterian Church, besides bringing four of their churches to self-support, making in all a total of thirty-eight self-supporting colored Presbyterian churches.

We cannot close this Report without reference to the influence of this Board toward the consummation of the union of the Body of Christ, for which the Master prayed. In addition to the assistance and encouragement given pupils in our schools from other communions, this Board supports a teacher in the school at Bowling Green, belonging to the Colored Cumberland Presbyterian Church, and, in answer to an appeal, has made a substantial contribution toward the evangelistic and industrial work carried on by a minister of the Southern Presbyterian Church at Louisville, Ky.

Your Committee has taken the following action:

1. We congratulate the Board, this banner year, upon its forty-sixth anniversary, marked by the erection and endowment of the \$25,000 library at Biddle University.

2. We commend the members of the Board for their fidelity to the Scriptural injunction of economy without parsimony; for their prudent business principles in directing this great trust; for successfully stimulating the beneficiaries to self-help, by "helping those who help themselves"; and for that catholic spirit of Christianity which answers the cry for help, coming from beyond the confines of our own community.

We offer the following Resolutions:

1. That the Treasurer's Report, audited by a public accountant, and the Minutes of the Board, be approved.

2. That the thanks of this Assembly be conveyed to that noble band of women coöperating as the Woman's Department of the Board for Freedmen, whose self-denying efforts have made possible the splendid achievements of this banner year.

3. That the Board be advised to assist the Colored Cumberland Presbyterian Church on the most liberal scale possible, consistent with its other obligations; and that our Church, in the midst of which these needy people live, should be aroused to aid them with special liberality far in advance of the past, while the Board is authorized to aid them from other sources as it may be able.

4. That the Board encourage special evangelistic effort among the churches, and, if the way be clear, secure an evangelist, sane, safe and sound in the Faith, to assist pastors in special services.

5. That this Assembly heartily endorses the Farmers' Homes Scheme, and encourages the Board to extend its usefulness as rapidly as funds may be provided.

6. That the Rev. S. J. Fisher, D.D., Rev. H. D. Lindsay, D.D., Robert S. Davis, and Willis A. Boothe, Esq., whose terms expire, be reelected.

In behalf of the Committee,

FRANCIS EDWARD SMILEY, *Chairman*.

The Judicial Committee, through its Chairman, S. Edward Young, D.D., presented a Report on Judicial Cases, which was adopted, and is as follows:

The "Judicial Committee" reports to the General Assembly as follows:

Judicial Case No. 2, it being the complaint of the Rev. A. M. Eells against the Synod of Kansas. Said complaint being regular and all the papers in the case being present, it is recommended that it be transmitted to the Judicial Commission, for the adjudication of the constitutional question involved therein.

Judicial Case No. 3, being a complaint by Miss Maggie Gowland against the Synod of Illinois. This complaint being irregular and deficient in matters of record, it is recommended that it be dismissed, and that the papers be returned to the complainant.

The Committee also reports the nomination of members for the Permanent Judicial Commission as follows: *Ministers*—Jesse F. Forbes, D.D., of New York; J. A. McCurdy, D.D., LL.D., of Mandon, N. D.; *Ruling Elders*—Andrew Stevenson, of Chicago, Ill., F. H. Whitworth, of Seattle, Wash., and Joel E. Williamson, of Evansville, Ind.

Upon call for nominations from the floor, the name of Hon. H. B. Freeman, of Illinois, was presented and nominations were closed.

The Stated Clerk was instructed to inform the Permanent Judicial Commission, that it is the counsel of this Assembly, that the trial of judicial cases should be conducted with closed doors.

The order of the day, the Report of the Executive Commission, was taken up. It was ordered that the Executive Commission be allowed one representative on each side of any question under discussion in connection with its Report, and that said representatives have ten minutes each to speak, and that one Secretary from each Board under consideration be allowed five minutes.

The Assembly consented to the substitution, for Resolution 2, on page 143, under paragraph X, 5, of a resolution printed on a separate slip. Said resolution was amended and adopted and was exempted from the rule of the preamble resolution, and made immediately operative. (See full Report as printed elsewhere.)

Resolutions 1 and 3 of the same paragraph were adopted, under the rule of the preamble resolution.

The Assembly took recess, and was closed with prayer.

TUESDAY, May 23, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Committee on Bills and Overtures reported on papers referred to it. The Report was adopted and is as follows:

Overtures Nos. 1 to 61 and Nos. 301 to 303, from the Synod of Montana, and from the Presbyteries of Albany, Austin, Bellefontaine, Boisé, Boulder, Brownwood, Butte, Chillicothe, Chippewa, Cincinnati, Cleveland, Columbia, Columbia River, Dallas, Denver, Des Moines, Emporia, Fargo, Highland, Indiana, Iowa, Kalamazoo, Kearney, Kirksville, Lackawanna, Lansing, Lincoln, Lyons, Mahoning, Marion, Milwaukee, Monroe, Morris and Orange, Muncie, Nassau, Niobrara, Oakes, Oakland, Ogden, Oklahoma, Oxford, Ozark, Parkersburg, Portsmouth, Pueblo, Rochester, Saginaw, St. Cloud, St. Lawrence, Santa Barbara, Shenango, Sheridan, Steubenville, Topeka, Tulsa, Union, Waco, Waukon, Westchester, Wichita, Winnebago, and Yadkin, asking the Assembly to consolidate the three missionary periodicals, *The Assembly Herald*, *Woman's Work for Woman*, and *The Home Mission Monthly*.

The Committee, recognizing with thankfulness the great work accomplished by the periodicals known as *Woman's Work for Woman* and *The Home Mission Monthly*, also acknowledging the ability with which *The Assembly Herald* is conducted, recommends, in view of the feeling which exists, and which finds expression in Overtures from so many Presbyteries, holding that the number of periodicals is excessive; and, further, in view of the large expense now incurred in giving to the Church missionary information and appeals, that the subject of the Overtures be referred to the Executive Commission, for consultation with the Woman's Missionary Boards and with the Boards of the Church, and for consolidation if practicable, report to be made to the next General Assembly.

A Resolution concerning the enlargement of the Committees on Mileage and Finance was referred to the Committee on Bills and Overtures.

The Standing Committee on the College Board, through its Chairman, Rev. Robert Watson, D.D., presented its Report, which

was accepted, and, after addresses by Lowell M. McAfee, President of Park College; Dr. John S. Nolan, President of Lake Forest University; Rev. F. W. Hinit, D.D., President of Center University; Dr. Lewis H. Holden, President of Wooster University; and Rev. Robert Mackenzie, D.D., Secretary of the Board, was adopted. It is as follows:

The Annual Report of The College Board, together with the Minutes of the Board, have been placed in our hands. Examination of the Report and the Minutes, and consultation with the Secretary of the Board, impresses your Committee first with the wide extent of the work done. Fifty-seven colleges and seven academies are reported as sustaining relations, more or less close, with the Presbyterian Church and as receiving financial aid, directly or indirectly, from this Board or through the influences and denominational interests which it represents. The student enrollment of these sixty-four institutions during the past two years has been as follows:

	1910.	1911.
College students.....	6,815	7,317
Preparatory students.....	4,199	4,172
Other students.....	8,309	7,751
	<hr/>	<hr/>
Total students.....	19,142	19,167

WHAT IS A PRESBYTERIAN COLLEGE?—All these sixty-four institutions claim, or have had applied to them at times, the Presbyterian name. The Assembly declares that a Presbyterian college is “(1) organically connected with the Presbyterian Church in the U. S. A., or (2) required by its charter to have at least two-thirds of its Board of Control members of said Church, or (3) actually under Presbyterian approval at the time of receiving assistance.”

The approval of a Presbyterian college, as the term is used in the above definition, is defined by the Board as follows:

“The words ‘Presbyterian approval’ mean that a Synod or Presbytery may send a committee of visitation to any college to learn the quality of the work done by it, and to report thereon; or it may receive a written or an oral report, by the president or other appointed officer of the college, on the quality of the work done, and express its approval or disapproval accordingly, and transmit its findings to this Board for the adjustment of its relations to said college.”

In addition to the institutions described by this technical definition, there are others whose history, associations and constituency ally them with the Presbyterian Church. In a real, though not in a formal sense, they are Presbyterian and actively Christian.

FUNCTION OF THE BOARD.—This description of a Presbyterian

college suggests a statement of the purposes of the Board. It is the authorized agency of the Church for the promotion of Christian education. Prevailing conditions will indicate its specific activities in any given locality. The newer portions of the country remain yet to be occupied or developed by such agencies. In such regions, or in those somewhat more developed, where local support is impossible or inadequate, the financial help of this Board should first be given. The Assembly organized the Board that it might, first of all, by means of the Christian college, redeem the possibilities of the future wherever, through all the great West, there remain such opportunities. This being the primary function of the Board, any undesignated funds coming into its treasury, together with the time and strength of its working force, belong first to the struggling, unendowed college, provided such college ought, in its particular place and circumstances, to live. It is conceivably quite as much the function of the Board, under given circumstances, to kill a college as to make it live, and the Board should be as brave and honest in doing one thing as the other. Only so can the respect and confidence and money of the giving public be secured.

But the Board is the agency of the Church in all the work of higher education. Its sympathy, moral support and good offices of whatever kind, should be extended freely to the older and stronger institutions which bear the Presbyterian name. If money should remain, after providing for the needs of that class of institutions indicated as having the first claim upon the Board, it may be freely given wherever it will promote higher Christian education, the twofold object of which is the developing of personal Christian character and the training of mind and heart for some form of Christian service.

This Board should be a kind of clearing-house for accurate and reliable information with regard to Presbyterian colleges. It should so gain the confidence of the Church that men and women having much or little money to give will seek it as an adviser and be guided by its suggestions. It should, so far as is practicable, become a distributing agency or a custodian of trust funds for the benefit of colleges.

CHANGE OF OFFICERS.—We note with regret the retirement of Dr. E. C. Ray, after a long, devoted and efficient service both in Chicago and New York. His work, through many dark and doubtful years, was a labor of love, memories of which will long cheer and inspire those who followed him.

He is succeeded as Office Secretary by the Rev. George R. Brauer, who enters upon his work with the utmost earnestness, and promise of large success. Many new and helpful features in the current Report of the Board attest his fitness for the position.

WHAT IS A CHRISTIAN COLLEGE?—A Christian college is one which develops Christian character and purpose in its students. While doing this it also gives the best training to the mind which its equipment and ideals permit. Christian character on the part of the student is not necessarily secured by charter stipulations, by synodical oversight, or even by Bible study. The one essential thing, in accomplishing the purpose of the Christian college, is Christian character and influence on the part of its teachers. No other foundation than this can be laid for Christian education or for a Christian institution. To this end, great care should be taken in the selection of the trustees and president of a college. For if such president and trustees be not earnest and loyal in their Christian belief, there is little assurance that the faculties of the institutions will remain permanently Christian in their influence.

THE SECRETARY.—Dr. Mackenzie has been in office as Secretary of the Board a little more than one year. During that year he has visited forty-six out of the sixty-four institutions on the Presbyterian roll, traveling over 37,000 miles in so doing. He has made every college man his friend, and has aroused great hopes that the things dreamed of for our Presbyterian colleges may be accomplished, with his help.

FINANCES.—In referring to the Board's finances, your Committee would, first of all, express its hearty approval of the clear and comprehensive statement of receipts and expenditures as such statement is presented in the Board's Report. Two or three things the Committee desires to emphasize. First, The College Board, as has been already stated in this Report, is the authorized representative of the Church in its interest in higher education. So far as is practicable, the specific results of the efforts of the Church in promoting this cause should be accounted for in the Board's Reports. The Committee, therefore, approves of the form of the financial statements adopted by the Board, which accounts not only for funds which passed through their hands, but also for other and much larger amounts sent directly to institutions, but given because of the interest of the givers in the cause represented by the Board. The form of statement now adopted seems to analyze and distinguish, as fully as is practicable, the various kinds of funds reported. The Committee would emphasize, however, its view that the total of all such gifts, including both such amounts as are sent directly to the Board's office in New York and such other amounts as are sent directly to the colleges, be considered the total income to be accounted for by the Board.

The Committee wishes to explain one term used in the classification of receipts, for the benefit of many college men and others who do not appear to understand it. The term referred

to is "Coöperation." Under this designation comparatively large amounts are accounted for. Included in this total are church offerings taken in Synods within which Presbyterian colleges are located. In order to secure local interest, and so obtain larger gifts, such offerings, with the permission of the Board, are sent directly to the local college. Such offerings are, however, distinctly a portion of the Board's legitimate income. In the 1911 Report, the total of such offerings not passing through the hands of the Board, but sent directly to the colleges and reported by the colleges to the Board and so included in their total of receipts, is \$103,976.23. This large item is as really a gift from the Board to the colleges as though it were sent to the Board's office and from there distributed to the colleges. It should be added to the total of \$58,169.66 which was sent directly to the Board's treasury. The total of church offerings received by this Board should therefore be considered \$162,145.89, instead of the smaller item already mentioned. It is coöperation on the part of the Board which secures to the colleges nearly two-thirds of the total amount collected by the churches for this cause.

The term coöperation also applies to the large item of \$506,338.05, which includes gifts sent directly to the colleges by individual givers who give only because of their interest in the cause represented by the Board. Many of them stipulate that their gifts shall be considered as received from the Board. At other times the Secretary of the Board may accompany the college president in his visit to a giver. He may make long journeys to talk with givers or to help adjust difficulties. There may be no immediate results and these activities of the Board's representative may not even be known to college presidents or trustees, but they constitute real coöperation with the colleges, and gifts traceable to these combined efforts of the colleges and the Board are classified under this head.

The Report states that the bequest received during the year from the estate of the late Mr. John Stewart Kennedy has been kept intact, the income only to be used, at the discretion of the Board, in aiding colleges in cases where such use of this income will be a stimulus to other givers.

SECURITY FOR GIFTS TO COLLEGES.—Our attention has been called to the rule now in force requiring colleges to give to the Board a deed of gift or a cumulative mortgage for funds granted for aid on current expenses. It would seem to your Committee that when an institution has secured an endowment of not less than \$100,000 it is sufficiently well-established to secure by that fact the use of such funds permanently to the cause of higher education, and we would suggest that in the future, if it seem wise to the Board, no security be asked of such institutions for gifts granted to aid in current expenses.

PENSIONS.—The question of pensioning the aged or invalid teachers in Presbyterian colleges is urgently before the Church. Overtures have been sent up from several Presbyteries and Synods, requesting action in this direction. We are informed that a movement has been inaugurated, looking towards coöperation on the part of the various Reformed Presbyterian Churches in accomplishing this object. We would suggest that the President and the Secretary of The College Board be appointed to represent that Board and the Assembly in such negotiations as may be possible during the ensuing year, and that they bring a report upon this subject to the next Assembly.

THE LARGER WORK.—Your Committee believes that The College Board may and should aspire to be the agency of the Church in securing for our colleges, of whatever kind, far larger gifts than have yet been secured. Its Secretary and his associates should so win the confidence of the men and women of wealth, whether in the Church or out of it, as to lead ultimately to great gifts for this cause. Since much time and labor must necessarily be expended in this effort and the field to be covered is far larger than can be successfully covered by any one man, your Committee would suggest to The College Board the advisability of securing, as soon as possible, one or more assistants who may work with Dr. Mackenzie in this effort for the enlargement of the work of the Board.

We submit the following recommendations:

1. That the Minutes of the Board, which have been examined and found in order, be approved.

2. That the financial report of the Board, duly audited by a public accountant, be approved.

3. That President John H. MacCracken, and the Secretary, Dr. Robert Mackenzie, of The College Board, be appointed to represent the Board and the Assembly in any negotiations that may be possible during the ensuing year looking towards united action on the part of Presbyterian and other Reformed Churches in securing the endowment of retiring allowances for aged or disabled teachers in our colleges.

4. That, in the future, colleges having endowments of not less than \$100,000, at the discretion of the Board, be not required to give security by deed of gift or mortgage for appropriations by the Board for aid on current expenses.

5. That the following members of the Board—Rev. J. Ross Stevenson, D.D., Rev. J. G. K. McClure, D.D., Rev. Minot C. Morgan, Rev. T. A. Wigginton, D.D., and Messrs. Louis H. Severance, James H. Post, Henry L. Smith, Thomas W. Synnott and Dr. John H. MacCracken—whose terms of office expire with this Assembly, be reelected for a term of three years,

In the place of Rev. John F. Carson, D.D., who by the Assembly's action is removed from this Board by his election to the Moderatorship and consequent membership in the Executive Commission, we would recommend the election of Mr. William Sloan, of New York, to complete Dr. Carson's unexpired term of two years.

In behalf of the Committee,
ROBERT WATSON, *Chairman.*

The Standing Committee on Temperance, through its Chairman, Rev. Charles M. Alford, D.D., presented its Report, which, after addresses by the Chairman, Rev. Charles Scanlon, D.D., General Secretary, Rev. E. Trumbull Lee, D.D., Chairman of the Permanent Committee, and others, was amended and adopted. It is as follows:

The Standing Committee on Temperance respectfully reports that it has examined the Minutes of the Permanent Committee on Temperance, and recommends their approval.

The Report of the Treasurer has been examined by a public auditor, as directed by the Assembly, and certified by him as correct.

The published Report of the Permanent Committee, which has been placed in the hands of all Commissioners, is gratifying in the extreme.

Nearly 1,000 meetings have been held, under the direction of the Committee, in twenty-nine States and Territories, while their representatives have assisted in no-license campaigns in nineteen States, and addresses were delivered before Presbyteries, Synods and other institutions.

A prize of \$25 was provided for a prohibition oratorical contest in several of our colleges and theological seminaries. Twenty million pages of literature, in ten languages, went into every State and Territory of the Union and also into twenty foreign countries. More than 25,000 personal communications were sent to leaders of Christian work throughout the world. One hundred thousand copies of a Temperance Programme, prepared by the Committee, were used by our Sabbath-schools; also 100,000 Art Pledge Cards.

The Temperance deliverances of the Assembly have been printed, and supplied to our churches. The *Amethyst*, official organ of the Committee, a spicy, breezy paper, filled with temperance truths, has now a circulation of 75,000.

Two secretaries and three lecturers have been employed during the entire year and four additional lecturers for a part of the year. These, with the stenographers, constitute the salaried force of the Committee.

All this has been accomplished during the past year for less than \$25,000.

With this Assembly we pass the one hundredth milestone of Presbyterian Church Temperance Legislation. This is our centennial year.

At the General Assembly, held in Philadelphia, May, 1811, the Report on the State of Religion deplored the alarming prevalence of intemperance in strong and earnest language. This led to large interest and discussion on the Temperance subject. At the same session Benjamin Rush, M.D., who was prominent in Philadelphia, and who left, as his monument, the beautiful Rush Library, presented to the General Assembly 1,000 copies of his essay on "The Effects of Ardent Spirits," accompanying the donation with a letter urging, as he had repeatedly done before, to take some decisive action on this question. The General Assembly, stirred by the appeal, did take decided action, appointed a Temperance Committee, and made a strong temperance deliverance.

Such unprecedented action by a great religious body shook the religious world. Rev. Daniel Dorchester, D.D., the Methodist temperance historian, declared, "The General Assembly set in motion a ball whose onward progress was destined never to cease."

Delegates from the Assembly to the General Association of the Congregational Church of Connecticut presented this subject, which drew as a response, the temperance report of Lyman Beecher, which became historic.

At the centennial of the movement, set in motion by Dr. Rush, let the Presbyterian Church, in alliance with other Temperance organizations, move forward with such force as shall push the rum traffic from the face of the earth.

We did well in spending over \$1,000,000 last year for Home and Foreign Missions, but we spent the mere pittance of \$25,000, through our own Committee, to destroy the power of rum, which is the greatest barrier in the onward march of Missions.

We see from the Government Reports that from 1901 to 1910 the per capita consumption of liquor has increased in the United States 4.23 gallons. We are glad to learn that the Honorable J. M. Miller, of Kansas, in the National House of Representatives, declared, that while the amount of liquor produced and consumed during the last fiscal year has increased over the amount for 1909, it is highly interesting to note that there was a material decrease in both the production and consumption of liquors in the revenue districts comprising prohibition States, and that the increase was largely in three or four States where the license policy prevails. This ought to spike the guns of the enemies of prohibition, who

are constantly saying that, there is more liquor consumed in prohibition States than in license States.

It is becoming more difficult every year to carry a community into the prohibition column, because the liquor interests now mass their forces and hurl their men and money into communities where such campaigns are being waged. The only way to offset that power is for the Church to concentrate her forces to meet the attack, and such a work our Temperance Committee is doing.

Texas votes on the enactment of a prohibitory constitutional amendment July 22. Maine votes on the repeal of her constitutional prohibitory amendment September 11. We should reinforce citizens of these States in their fight against our common enemy—the saloon.

We hear with regret of a secret, but strong and concerted effort being made by the liquor interests to reestablish the army canteen. It would be such a detriment to the manhood of the American soldier, that we ought to fight this wrong to the bitter end.

The remedy for this evil is the law and the Gospel—prohibitory laws and the Gospel of Jesus Christ.

We rejoice in the magnificent work being done by our own Committee, and in the progress of other organizations of allied and kindred purpose; and we believe that the spirit of Union so manifest in all Christian work is being carried through our endeavors in this most stubborn of all battles for the uplift of mankind. We commend the wisdom of our Committee in its coöperation with the National Temperance Society, the Anti-Saloon League, the National W. C. T. U., the National Reform Association and other national and local organizations in the various States in their contests during the past year.

We recommend the adoption of the following resolutions:

Resolved, 1. That we highly commend the Assembly's Permanent Committee on Temperance in its wise and zealous efforts to overthrow the saloon power. We also commend the secretaries, and the entire force at their command, for their faithful service.

Resolved, 2. That we commend *The Amethyst* and recommend it to every Presbyterian church and Sabbath-school in the land.

Resolved, 3. That the Temperance Committee be directed to give all possible assistance in the Temperance campaigns soon to be waged in Texas and Maine, and in any other States where such campaigns are to be conducted.

Resolved, 4. That each of our congregations should make an offering to the Temperance work of the General Assembly.

Resolved, 5. That we emphasize the former deliverances of our General Assembly warning all of her members to have no part in the liquor traffic.

Resolved, 6. That while we deplore an increase in the consumption of liquor in license territories, we rejoice exceedingly at the marked decrease of such consumption in prohibitory districts.

Resolved, 7. That we endorse Senate Bill No. 1,523, known as the Curtis Bill, or some other measure which will adequately protect prohibition territory against interstate shipments of intoxicating liquors, and that we urge upon Congress the speedy passage of the same; and that the General Assembly communicate such action by telegram to the Judiciary Committee of the Senate and House of Representatives.

Resolved, 8. That as statistical reports show that the longevity of life of abstainers is greater than that of the drinking classes, therefore, we recommend that the Assembly's Temperance Committee, use its good offices in bringing to the attention of insurance companies the equity of making a separate class for abstainers.

Resolved, 9. That we approve of the appropriation of \$1,000 by the Board of Publication and Sabbath School Work, for literature for the Permanent Committee on Temperance.

Resolved, 10. That the Committee on Temperance, in its discretion, be authorized to secure incorporation under the laws of Pennsylvania, report to be made to the next General Assembly.

Resolved, 11. That this General Assembly recommend to the Interchurch Federation that it institute a monster petition campaign through every church in the United States to the U. S. Congress, requesting that national body to institute legal measures to prohibit the manufacture and sale of intoxicating liquors in the United States and in her possessions.

WHEREAS, The "White Slave" traffic, the Siamese twin of the liquor traffic, is flaunting itself in the face of our people and undermining them physically, mentally and spiritually, therefore be it

Resolved, 12. That we urge upon our people the study of this question, to the end that, by the creation of a healthy public sentiment, laws may be enacted that will eradicate this open cancer of society.

In view of the fact that this City is one where religious gatherings often come, and is a resort to which many of us bring our families, and in whose moral and religious tone and condition we are interested, therefore.

Resolved, 13. That we urge that the laws, protecting the Lord's day, and closing the doors of the saloon on Sunday, be faithfully and fully enforced.

Resolved, 14. That the Committee be authorized, if deemed necessary, to borrow on the notes of its Chairman, Secretary

and Treasurer, an amount of money not exceeding at any one time, \$6,000.

Resolved, 15. That the members of the Committee whose term expires with this Assembly be reelected to succeed themselves, viz.: *Ministers*—David R. Breed, D.D., William Parsons, D.D., Thomas Watters, D.D.; *Elders*—Hon. R. V. Johnson, Prof. W. R. Crabbe, A. A. Hersperger.

Respectfully submitted for the Committee,
CHARLES M. ALFORD, *Chairman.*

The Corresponding Delegate from the Protestant Episcopal Church, having been detained from coming, the Report on the Presbyterian Brotherhood was made the order for 9.40 o'clock A. M. to-morrow.

Invitations from the local Young Men's Christian Association and from the John Wanamaker firm in Philadelphia were acknowledged with thanks.

The Assembly adjourned, and was closed with prayer.

TUESDAY, May 23, 8 o'clock P.M.

A popular meeting was held in the interest of Home Missions.

WEDNESDAY, May 24, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The minutes of yesterday's sessions were read and approved.

The Committee on Bills and Overtures reported on papers referred to it, and the Report was adopted, as follows:

Overtures Nos. 237 and 238, from the Presbyteries of Blairsville and Indiana, asking a change in the method of choosing the Chairmen of the Committees on Finance and Mileage. We recommend that they be answered in the negative.

Overture No. 295, from the Presbytery of Los Angeles, asking for the propounding of certain questions to ministers seeking to be home and foreign missionaries, before they are commissioned by our Boards. We recommend that this Overture be answered in the negative, for the reason that the whole matter is fully provided for in the Constitution of our Church.

Overtures Nos. 145, 146, and 323, from the Presbyteries of Buffalo, French Broad, and Topeka, asking that special theo-

logical training be required of those desiring ordination, who have not taken the regular collegiate and theological course. We recommend that no action be taken.

Overture No. 131, from the Presbytery of Pittsburgh, asking that the Assembly's Executive Commission be abolished. In view of the recent establishment of the Executive Commission, and of the important duties laid upon it by this Assembly, we recommend that no action be taken.

The Committee also asked to have *Overtures 320-325* referred to it, which was ordered.

Respectfully submitted,

CHARLES LITTLE, *Chairman.*

The Standing Committee on the Presbyterian Brotherhood, through its Chairman, Rev. James L. Overstreet, presented its Report, which was accepted, and, after addresses by the Vice-Moderator, Hon. H. H. Hanna, the Secretary of the Brotherhood, Rev. Walter Getty, and others, was adopted. It is as follows:

After a life of almost five years, we find the Presbyterian Brotherhood a strong and vigorous child of the Church, growing daily in spirit and wisdom.

While it is true that the men and the churches continue to ask, "Who is this?" and "What is it? What is the Brotherhood for, and what is it trying to do?" yet it is also true that as the years advance and experience increases we are coming to a deeper appreciation of the value of the Brotherhood idea, what it is and what it is not. Formerly there was much of the disposition to commit the Brotherhood to set programmes, to make the objective some special enterprise or line of activity. Because the Brotherhood in some particular locality succeeded along some particular line, men have said, "let us confine the Brotherhood idea to this one thing." Recognizing, as we do, that certain great features, such as Bible study, prayer, missionary activity, social service, good fellowship and the like, are needed everywhere and all the time, yet it is the judgment of your Committee, after listening to men representing Brotherhood organizations, from all sections of the country, that Mr. Charles S. Holt, the worthy and distinguished President of our national Brotherhood, is right, when he says "that the true function of the Brotherhood is to promote and stimulate men's loyalty to the Church and to every organized activity in and through the Church for the doing of all the things that the Church ought to do." With our Brotherhoods organized and maintained upon a high, broad platform, such as this, you will find the men of the Church performing a real, living service, doing the things that need to be done, at the right time and in the right place. With a body of men so banded together—men pledged to hearty loyalty to the Church—the

pastor has a mighty instrument in his hand for accomplishing the thing to be done as circumstances may arise. In this connection we would strongly urge upon all pastors carefully to consider the real purpose and possibilities of the Brotherhood idea. If your Brotherhood has failed or seemed to have failed, it will be well for all to examine carefully into the cause of such discouragement or failure. The Brotherhood properly conceived is a "mighty engine of service," and that pastor is missing a tremendous boon and blessing who is failing to make use of this great source of power, and to "develop the spirit within the wheels without which all the machinery of the Church and Brotherhood alike is vain." The Brotherhood is here and here to stay. The Brotherhood idea is a live proposition yet, and will not down. This is a day when the manhood of the Church is coming to the front; when there is a real demand and desire for a strong type of Christian manhood; for clean, pure, stalwart men, "vessels unto honor"—a day that calls for a new type of vigorous Christian activity. Men in and out of the Church are done with a religion that simply professes and parades. Christian service is the keynote of our day.

Your Committee finds that there are some 890 men's organizations in our Church to-day, with a membership of 45,550. These figures will be greatly increased when it is known that there are a large number of organizations not reported to or affiliated with the national Presbyterian Brotherhood. While there is no disposition on the part of the National Council to insist upon any prescribed form of local organization, or to adopt a uniform name, yet all of our men's societies are urged to consider the great value that comes from "conscious corporate unity, on a platform of Church loyalty and service." "Local initiative and a wide variety of service" must of necessity be true of all our societies. Nevertheless, we would point out the great advantage and help that comes to the local organizations from a close and vital connection with other bodies interested in the same kind of work. Because of the help and encouragement that comes from such association, we would strongly urge the organizations of presbyterial and synodical Brotherhoods in Synods and Presbyteries, where such organizations have not been effected. In most of the Synods and Presbyteries, attention has been given to the Brotherhood through strong Committees. A number of very successful synodical and presbyterial conferences have been held during the past year. Some of these were held the day before Synod or Presbytery, others on an independent date, the entire time being devoted to the Brotherhood work. We would mention the fact here that plans are already under way for the entertainment next spring of the next National Brotherhood Convention in New York City by the Brotherhood of the Presbytery of New York.

We take pleasure in this Report to call attention to the coming of Mr. Walter Getty to the Secretaryship of the Presbyterian Brotherhood of America. For many months the progress of the Brotherhood was seriously hindered by the vacancy caused in the Secretaryship by the death of that modest, but most efficient servant, Mr. Rosevear. But in the coming of Mr. Getty to this office, the providential manner in which he has been led to undertake the work and the splendid qualities of organization and leadership which he has already displayed, give renewed assurance of success for the great days before us. We are assured that the Brotherhood magazine which has been so helpful in the past will be of still greater service in this coming year. Already plans have been formulated for more frequent publication, beginning with September of this year. The magazine will contain more Brotherhood news, will be brighter and snappier than ever before. It will also contain full accounts of the plans and progress of the Men and Religion Forward Movement, which is to be the great religious feature of this year. From the central office of the National Brotherhood, valuable and helpful literature will be sent out during the year, covering all points of Brotherhood work, organization, plans and methods. With the employment of a new Secretary and the enlarged activities of the Presbyterian Brotherhood of America, which are to take place, larger financial provision must be made, and Brotherhood and individual subscriptions must be largely increased. We have referred to the Men and Religion Forward Movement and much is being heard these days of this continental campaign for winning men and boys to Christ and a larger Christian service.

We have spoken of questions within and without as to the objective of the Brotherhood. We have spoken of the necessity of diagnosing each local situation by itself; that there are no patent methods to be applied to all, but, in spite of all this, many of us have been looking for some one thing in which the Brotherhood could enlist itself without suspicion of narrowness—"a purpose and aim which was worthy to enlist the activity and sympathy of every Presbyterian man the country over." In the Men and Religion Forward Movement we believe such an opportunity has arisen. The story of how this great "men and religion" idea came about simultaneously to some of the leaders of the Y. M. C. A., the International Sunday-school Association, and one of our own Brotherhood Secretaries, is most remarkable, and leads one to believe that this great movement is of God. Already the International Committee of the Y. M. C. A. the continent over, the International Sunday-school Association, the Gideons and eight or nine of the leading Brotherhoods of the country, are committed to this Movement. There has never in all the history of the world, been such a union of forces for the

winning of men and boys to Christ. This Men and Religion Forward Movement, as one of the promoters has said, "is a federation of Christian men's organizations and of Christian men individually for the purpose of lovingly, earnestly and persistently urging the claims of Christ in an unusual manner upon the men and boys of North America." It is the greatest undertaking of the age and can no more be held back than the tides of the sea. It is worthy to note that in the month of October next eighteen or nineteen of the leading magazines of the country will present forceful articles, written by governors of States and others equally prominent and influential, urging the claims of the Christian religion upon the men and boys of America. Time will not permit us to give detailed information concerning this gigantic undertaking—this permanent, specialized effort for men and boys. Attention, however, is here called to the scope of the Movement, which is all embracing, including Bible study, social service, shop and factory work, missions, boys' work, and evangelism. Eight-day campaigns are to be held in ninety of the leading cities of the country this coming fall and winter, and through a committee of one hundred men, carefully selected in each city, the programme is not only to be carried out in that particular city, but in all the towns and cities within that section. Our own Brotherhood is most deeply committed to this Movement. Our Treasurer, Mr. Charles T. Thompson, is the vice-Chairman of the General Committee of Ninety-seven. Five members of the Brotherhood Council and our Editorial Secretary are also members of that Committee. You will find the names of the leading Presbyterian men of the country associated with this great Christian enterprise. It is the purpose of the Brotherhood to bring every Presbyterian man in touch with this Movement, that he may have a definite part therein and receive from it personal stimulus and inspiration. The men of all the Churches should be so organized that they will not only cooperate with this Men and Religion Forward Movement, but that they may conserve the results of the same. What the Men and Religion Forward Movement seeks to do for a limited time, the Presbyterian Brotherhood should aim to do continuously, to wit: to make the men of the Church more loyal to the Church in all her varied activities.

The following resolutions are recommended for adoption:

Resolved, 1. That the General Assembly urges upon pastors the value of the Brotherhood as a means of getting men to work out the problems of their local churches.

Resolved, 2. That this General Assembly urges the organization of presbyterial and synodical Brotherhoods in Synods and Presbyteries where such organizations have not been effected.

Resolved, 3. That this General Assembly express its hearty approval of the campaign designated for men and boys of America,

known as the Men and Religion Forward Movement, and declare its gratitude that the Brotherhood has committed itself to it.

Resolved, 4. That this General Assembly most heartily commends the efforts being put forth by the National Council of the Presbyterian Brotherhood on behalf of the men of the Presbyterian Church.

In behalf of the Committee,
CHARLES L. OVERSTREET, *Chairman*.

The following telegram was received from the General Synod of the Reformed Church:

CANTON, O., May 23, 1911.

To the General Assembly of the Presbyterian Church, Atlantic City, N. J.:

The General Synod of the Reformed Church in the United States adopted the Plan of Union almost unanimously.

JAMES I. GOOD, *President*;

J. R. STEIN, *Stated Clerk*.

A supplementary Report of the Evangelistic Committee was adopted as follows:

The Evangelistic Committee begs leave to submit the following supplementary Report, namely:

WHEREAS, Requests have come to this Committee that it take action at an early date, looking to an effort to carry on some suitable work of evangelization in connection with the Panama Exposition to be held in San Francisco in 1915, and

WHEREAS, This occasion gives promise of being a rare opportunity to present the Gospel to the great throngs who are expected to come to San Francisco at that time from all parts of the world, and

WHEREAS, This Committee has tenure of existence only from year to year as it may be appointed by the action of each Assembly; therefore, be it

Resolved, That this Assembly, while declining in any way to anticipate or embarrass the action of future Assemblies, in the matter of the reappointment of an Evangelistic Committee and the continuation of its work, expresses its profound interest in the unique opportunity thus brought to its attention, and hereby authorizes and instructs its Committee to give favorable response to the call from the Pacific Coast, to enter into correspondence with representatives of our own churches in San Francisco and in the other cities about the Bay, to solicit the coöperation of the other Evangelical Churches of this country in such a united work as may be deemed desirable and practicable, and, if the way be

open, to go forward in preparing for a joint exhibit of the progress and products of Christianity among the nations, and for the effective presentation of the Gospel to the peoples that may be gathered in 1915 at the Golden Gate, to the end that the people of God of all the Churches may be drawn more closely together, that the indifferent and impenitent may be brought under the saving power of the truth, and that the Kingdom of God may be advanced everywhere among men.

The Standing Committee on Home Missions, through its Chairman, Mark A. Mathews, D.D., presented its Report, which was accepted, and, after addresses by the Chairman, by Rev. F. L. Haines, Secretary John Dixon and Charles L. Thompson and others, was adopted. It is as follows:

Your Committee on Home Missions would respectfully report as follows:

1. We find the abstract of the One Hundred and Ninth Annual Report of the Board comprehensive and inspirational.

2. We note with profound sorrow the death during the year of the following members of the Board: Mr. T. H. Perrin, Mr. H. Edwards Rowland and Mr. Calvin B. Orcutt. And we record with equal sorrow the death during the year of the following missionaries: Rev. A. S. Blackwood, Stephenville, Tex.; Rev. L. J. Braswell, Dyer, Tenn.; Rev. John Cairns Cram, St. Thomas, N. D.; Rev. Joseph S. Gibb, Waltham, Mass.; Rev. Angus McKenzie, Vancouver, Wash.; Rev. Thomas V. Martinez, Toa Alta, P. R.; Rev. Andrew N. Moore, Purcell, N. D.; Rev. Jedidiah S. Onion, Minnewaukon, N. D.

3. We mention with increased interest and gratification the receipts of the Board for the past year, which amount to \$1,192,-859.59. This sum includes only a small portion of the bequest made by the late John S. Kennedy, which will approximate \$2,500,000. The Board has wisely decided that said bequest shall be put at interest, and only the interest, together with such parts of the principal as may be necessary, shall be used to advance the work already undertaken, the raising of the insufficient salaries of missionaries, and the completion of work begun by the Woman's Board.

4. We would commend the Kansas City Conference, held under the auspices of the Board, in which the plan of the pastor evangelist was pronounced to be a wise policy, the general field administration in enlarged districts by field secretaries encouraged, and the demand for the continuation of synodical missionaries in certain Synods recognized. These plans outlined by the Board and now in successful operation ought to be continued and highly commended. We would urge the Church to encourage the Board in this constructive policy.

5. The Home Missions Council, now in the third year of its history, represents fifteen principal denominations in America. It is making a careful and systematic study of Home Mission fields throughout the country. It is of value, and we would encourage any effort on the part of our Board to thus coöperate with similar Boards of other denominations.

6. The Advisory Council, held under the direct auspices of our Board of Home Missions, has been of inestimable value to the Board in obtaining a broad and comprehensive view of the general field.

7. The field secretaries have rendered valuable service in their respective districts. Dr. Fullerton in the Southwest has brought harmony, peace and progress out of what seemed to be a difficult situation. Dr. Adams did much work, but, on account of his serious illness, he has been obliged to resign, and has been succeeded by Rev. W. H. Kearns, D.D., who has already done effective work, and has especially developed and brought to a high point of efficiency the Nebraska field. The Secretary of the Rocky Mountain District is Rev. Robert M. Donaldson, D.D., an untiring worker and a faithful servant of the Church. He is doing good work, and we would urge a most hearty coöperation between Dr. Donaldson and the Presbyteries and Synods of that district. Rev. William S. Holt, D.D., of the Pacific Coast, is most faithful, and his statesmanlike work is of unique value.

8. The Board and your Committee most heartily endorse the work of the self-supporting Synods, and we are assured that the Board and the self-supporting Synods are in perfect accord and are coöperating in all Home Mission work. The self-supporting Synods of our Church deserve unmeasured praise, and we hope that the other Synods will rapidly approach the same position of self-support, self-control and progressiveness.

9. The Department of Church and Country Life is in a position to render valuable assistance to the churches and Presbyteries included in this its sphere of work. We most sincerely urge the Assembly to encourage this department in its effort to aid the Presbyteries and Synods to build up the country churches, for they are the fountains of supply for the city churches.

10. The Department of Church and Labor is not a department for Labor, to the exclusion of other segregations of society. It is a department working with particular consistency in the interest of the whole Church, and for all other divisions of society. Constructive work has been done by this department of the Board, under the leadership of that untiring, consecrated servant, the Rev. Charles Stelzle.

11. The Department of Immigration is beyond the comprehension of your Committee, when its real value is considered. It is the duty of the Church at home and abroad to preach the

Gospel to all peoples, therefore, it is imperative upon the Church to reach and save the foreign element brought to the home field. As a result, your Department of Immigration will in time become, probably, one of the greatest agencies in the combined work of the Home and Foreign Boards. Your Committee believes that it would be of unquestioned value to the Church, if each Presbytery touched by the immigration problem, would undertake a careful study and survey of the conditions and opportunities among the foreign-speaking peoples within its bounds, with the coöperation of the Department of Immigration, and we urge Presbyteries and churches to undertake the creation of work among the foreign-speaking peoples, as they may have opportunity.

12. The Department of Indian Missions will never grow insignificant as long as the Indian exists in this country. Perhaps we have not from a political standpoint treated him fairly, therefore, the Church is under obligation to make extraordinary efforts, to give him everything the Gospel can possibly give a people previously mistreated.

13. Work in Alaska. No one will question the fact that Alaska was, specifically, given to the Presbyterian Church. Whether we have done our full duty or not, is not in the province of your Committee to discuss. The fact remains that Alaska needs more than she is now getting, and the further fact is patent that Alaska ought to have every cent it is possible to spend, and the best men it is possible for the Church to send into that section. It is the judgment of your Committee that the Board should send the best men who can be procured, if Alaska is to be saved and retained as an invaluable part of our Church's history.

14. Work in Porto Rico has made notable progress, and no doubt with additional attention from the Board will meet our highest ambitions.

15. Cuba demands more than a passing notice or a passive effort to evangelize it. We commend the work of the Board and urge more strenuous efforts in this department.

16. We would like to suggest that a department of the Board be entitled "Work among the Mormons." The time has come in this country politically, and we believe morally, when special work should be done to avert the influence of the Mormons, to prevent their subtle influence over the districts they dominate, to stop their propaganda, which is now being pushed into the Christian homes of the communities in which Mormons exist, and, if possible, to evangelize and save them. The time will not be long until they hold the balance of political power, and their influence will be deleterious to the State, the community and the Church, unless something is done to stop them.

17. Your Committee would most heartily commend the work

of our young people, and call the attention of those who are in Endeavor Societies to the fact that a part of the Endeavor obligation binds the individual Endeavorer to be loyal to His Christ and to His Church. The young people of our Church are intellectually, physically, morally and financially capable of doing anything that the Church might ask them to do, and, therefore, we urge our young people to be intensely loyal to Christ, unswerving in their faith, and untiring in their devotion to their own denomination. We would also urge them to send their contributions to our Boards, and become real Presbyterians in fact and in spirit in all their work, in their contributions, and in their support of the organized agencies of the Church.

18. We come with pronounced pleasure to discuss the work of the Woman's Board. No Church is blessed and aided by more consecrated, self-sacrificing, and persevering women than our own. The Woman's Board, and the women under the Board, have demonstrated an untiring spirit and a successful zeal. They have raised during the past year in round numbers about \$557,000. The work done by the Woman's Board in the different fields in which it labors is unparalleled in efficiency, consecration and results. Every encouragement that can be given by the Board of Home Missions should be given to the women, and they should be encouraged, aided and supported financially, and in every other way, in all of their undertakings.

19. We note with some regret that the churches and societies have not made a sufficient increase in their offerings to the Board, and we call the attention of the Church, and of the churches throughout the Church, to this unwarranted lapse in duty. The Sunday-schools of our denomination, the young people's societies and the individual churches ought to be stimulated to give more, for no man lies beneath the sod, having died from that undefined disease "over-contribution." But many have been saved from cemetery citizenship by general liberality and consecration.

We rejoice in the fact that many have taken advantage of the Board's annuity plan. Fifty-two thousand dollars were paid to the Board by such annuitants last year, and the total amount paid on the annuity accounts to date is \$212,150. We would suggest to others the benefit to themselves and to the Board of a similar arrangement.

20. There is no department of the Board of more value to the lumber districts than the Lumber Camp Work. We wish it were possible for the Board to increase its number of evangelists to the lumber camps of the country. The men who have gone into the lumber camps of the West and Northwest, have done a work which can only be fully appreciated by our Heavenly Father.

21. It is of gratifying interest to the whole Church to know

that the Board of Home Missions is making a strenuous effort to guarantee to every home missionary a salary of not less than \$800, without reference to manse, and in order to do this a sufficient amount of the principal and interest of the magnificent Kennedy gift will be used.

We might call to your attention with propriety the fact that the Home Mission Board would have had a deficit this year had it not been for the bequest of Mr. Kennedy. We ought not to be forced to make any such statement. It would be a shame to the Church at large if the deficit indicated a reduction in the gifts of the Church to this most important work. Because great gifts and legacies have been placed in the hands of the Board, is no reason why individual members of the Church and individual churches, should send one cent less than their ability indicates it is possible for them to send. On the other hand, these legacies ought to stimulate the individual giver to increase his gifts and individual churches to multiply their contributions. It might be well for every church member to become a tither, and if the whole Church were tithers there would never be the necessity for appeal, and the records of the Boards would never be stained by the word "deficit." He who keeps the Lord's box full has never found his own empty.

If the contributions can be increased, one important department, viz., the Missions School Work, under the Board, can be carried to the highest point of efficiency and development. Take the work at Sitka, Alaska. For years the equipment has been a disgrace to the Church, but, by the untiring efforts of the women, now to be aided by the Board, we will put at Sitka schools worthy of the name, and an equipment sufficient to do the work which ought to be done. The same thing can be accomplished in every district where mission schools have been established by the Home Board and the Woman's Board. It is one great work, and the Woman's Board and the Home Board ought to be encouraged to aid each other in the establishment of a school wherever necessary.

Take the work on the Pacific Coast. It is impossible for your Committee to magnify or exaggerate that work. In magnitude it challenges the best brain of the Church. In consecration it taxes the sweetest spirits and the most untiring workers to be found. In national importance it is the most strategic point in the Church, for on that Pacific slope your work will be put to the severest test, and on that coast your victories will be won, or you will meet your eternal defeat. On the Pacific Coast you find the door to Asia, and through that door Asia is coming, and through that door America is going to Asia for commercial reasons, and therefore your opportunity is big with possibilities, and if you do not save the Orientals who come to your shores,

and if you do not erect on the Pacific Coast schools and institutions and dormitories which will stand as living examples of your love and your faith and your missionary spirit, you will never be able to sweep the Asiatic territory with your foreign missionaries.

The Committee makes the following recommendations:

1. We have examined the Minutes of the Board of Home Missions and find them neatly and correctly kept. We recommend that they be approved.

2. We find that the term of service of the following members of the Board expires with this Assembly: *Ministers*—Rev. Allan Douglas Carlile, D.D., Rev. Wilton Merle Smith, D.D., Rev. George Louis Curtis, D.D., Rev. John Douglas Adam, D.D.; *Laymen*—John E. Parsons, A. Noel Blakeman, J. C. Cobb. We recommend that they be reelected to succeed themselves for the ensuing three years. We also recommend the election of Mr. George W. Perkins, of New York City, as a member of the Board, in the place of Mr. Calvin D. Orcutt, deceased.

3. Your Committee has had referred to it *Overtures Nos. 126 and 127*, from the Synod of Ohio and the Presbytery of Dayton, which request the General Assembly to order the Executive Commission to include in its Report the contributions of the self-supporting Synods, according to their established per capita basis. We recommend that the Overture be answered in the affirmative, and that the Assembly so direct the Executive Commission, in view of the fact that the Commission has already initiated the work of reporting such contributions.

4. We have received *Overtures* from the Presbyteries of Pueblo, Sacramento, San Joaquin, Olympia, Oakes, McClelland and Columbia, asking for the abolition of the office of Field Secretary of the Board of Home Missions. We recommend that no action be taken, and would urge that these respective Presbyteries confer with the Home Board, which is authorized and competent to furnish them every redress they may desire in their peculiar fields and especial work.

5. We recommend that the Assembly go on record as most heartily commending the faithfulness of the members of the Board of Home Missions, and the unswerving and untiring devotion of its consecrated Secretaries.

6. We recommend that the Presbyteries which have more than one class of Home Mission appeals within their bounds, be urged to consider carefully the wisdom of a budget policy for those appeals, on some such plan as that now in operation in the Presbytery of Lackawanna, that the work of all kinds, presbyterial, synodical, and the national work of the Board, may be placed on a fair, stable and coöperative basis in such Presbyteries.

7. Recognizing the importance of trained missionaries among

the foreign-speaking peoples in America, and the increasing difficulty of securing competent men for that service, we recommend to the Board the consideration of a policy of securing volunteers for this work, who shall be trained by the Board in the language and customs of the various peoples, that they may be fitted for the largest service among these peoples in this country.

8. We recommend to the Presbyteries and the churches a careful study of the Budget for Home Missions, prepared by the Executive Commission: for national Home Missions, \$712,757.47; for presbyterial and synodical Home Missions in the self-supporting Synods, \$467,659.13. We recommend the formal adoption of this budget for Home Missions and an earnest and systematic effort to provide the full quota.

9. We would recommend that the Sunday-schools be urged to continue to devote the offering on the Sunday before Thanksgiving to the work of the Woman's Board, and on the Sunday nearest Washington's birthday to the work of the Board of Home Missions.

All of which is respectfully submitted.

M. A. MATTHEWS, *Chairman.*

The Mileage Committee presented a Report, which was adopted and is as follows:

The Mileage Committee respectfully requests permission to pay the expenses of the Permanent Judicial Commission, and miscellaneous expenses connected with the meeting of the Assembly.

The Committee on Next Place of Meeting presented a Report which was adopted and is as follows:

The Committee on the Next Place of Meeting respectfully reports to the General Assembly that they have received invitations from the First Presbyterian Church of Atlantic City, the First Presbyterian Church of Indianapolis, Ind., and the Warren Memorial Church of Louisville, Ky. The Committee further reports that these invitations are all supported by numerous other ecclesiastical, commercial and civic bodies and persons. The Committee desires the Assembly to place on record its appreciation of the hospitality now for two years so heartily given by the churches, the Publicity Bureau, the Hotel Men's Association, and other bodies in Atlantic City. We have only praise for this City by the Sea, for the Assembly was never more comfortable in its accommodations, or ever more pleasantly situated as to climatic and other conditions.

The Committee, however, feel that it would be wise to meet next in a city nearer the centre of population, and where there would

be a considerable decrease in expenditure for mileage purposes. We find ourselves unable to decide between Indianapolis, Ind., and Louisville, Ky. We recommend that the invitations from these two cities be heard by the Assembly, through a representative of each; the speeches to be limited to six minutes and the vote then to be taken. Whichever city the Assembly decides in favor of, it will be understood that the edifice in which the meeting will be held will be either a church of our own denomination or a public hall. The Committee awaits the pleasure of the Assembly in order to complete its report.

Respectfully submitted,

JOHN F. CARSON, *Chairman.*

In accordance with the Report, Rev. Aquilla Webb, Ph.D., was heard in behalf of Louisville, Ky., and Hon. Hugh H. Hanna in behalf of Indianapolis, Ind., after which the vote was taken, and the Warren Memorial Church, of Louisville, Ky., was chosen as the next place of meeting, and the choice was made unanimous.

The Stated Clerk was authorized to go before the Committee on Bills and Overtures with reference to the expenses of the Assembly.

The Intermediate Catechism was made the order for 9.40 o'clock A.M. to-morrow.

The Assembly took recess, and was closed with prayer.

WEDNESDAY, May 24, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Publication and Sabbath School Work, through its Chairman, Rev. Thomas A. Wigginton, D.D., presented its Report, which was accepted and, after addresses by Rev. Alexander Henry, D.D., Secretary of the Board, Rev. Willis L. Gelston, Superintendent of Young People's Work, and Rev. Harry A. Carnahan, D.D., was adopted. It is as follows:

Your Committee on Publication and Sabbath School Work respectfully submits the following Report:

We feel that the entire Church is to be congratulated upon the splendid results accomplished through the work of this Board during the past year.

"More Sabbath-schools, and better Sabbath-schools," suggested some time ago as the motto of this Board, is very simple in the

statement of it, but becomes marvelously complex in the working out of all its numerous details.

It means first the work of the Sabbath-school missionary going into all the communities which are destitute of Gospel privileges, carrying with him the Bible, proclaiming the Gospel, and gathering the people together for regular and systematic instruction in God's Word. One hundred and twenty-two of these missionaries added a total of 910 more Sabbath-schools to the forces of religious education during the year, into which were gathered 31,778 persons, of whom 3,133 were officers and teachers and 28,645 were pupils.

But more Sabbath-schools is only a part, and the smaller part, of the end desired. The constant aim of the missionary must be to make every school which he organizes or touches the best which it is possible for it to be. The material with which he has to work is very raw, the equipment often only such as a ready ingenuity can provide, and the conditions such as would discourage any but the stoutest-hearted workers. To overcome these obstacles, and make the companies which he has organized for Bible study in any way worthy of the name of schools the missionary must visit the people in their homes, must visit every school as frequently as possible, and should himself be capable of instructing his officers and teachers in the fundamental principles of Sabbath-school work.

It was in recognition of the need for this educational work on the part of the missionary that the Board created the office of Superintendent of Sabbath-school Missions, in which the Rev. E. Morris Ferguson has been doing such splendid work. During this year the missionaries have had the benefit of expert direction in the educational visitation of their mission schools and the other schools on their fields. In addition to their work of visitation the missionaries have also held 915 institutes during the year. Four conferences were also held with the missionaries, in which they received much valuable instruction in the best methods of Sabbath-school work, and a fifth is to be held at San Francisco, following the International Sunday-school Convention. We note with great satisfaction the careful attention which the Board is thus giving to the educational work of its missionaries, and trust that this work will be increased in scope and efficiency as rapidly as conditions will permit. We shall be glad to know the Board may feel able to employ men at adequate salaries who are prepared for the educational work so much needed in their fields, and to give them the most thorough and practical assistance in that work.

In looking after communities which are destitute of religious instruction, great bodies of foreign-speaking peoples are discovered, who must be given the truth in their own tongues. For

this purpose the work of the missionary must be supplemented by that of the colporteur, who must be provided with religious books, tracts, Bibles, Testaments and portions of Scripture in the language of the people with whom he works. Twenty-one colporteurs have been at work during the past year, and literature has been provided in at least twenty different languages. We regret to note that a needed increase in this work could not be made because of lack of funds.

The need for better Sabbath-schools is by no means confined to our missionary fields. Everywhere there is an ever-increasing demand for Sabbath-schools which shall be schools in fact, as well as in name. As the Church comes to realize, more and more, its direct responsibility for the religious education of the people, the demand that her elementary school, the Sabbath-school, be brought to the highest state of efficiency, will grow in power and insistence.

To meet this demand, a curriculum, based upon a thorough understanding of the subjects to be taught, and the best methods of teaching them, must be provided, together with the necessary equipment for pupil and teacher. Thus the Graded Lessons have grown out of a demand for Bible teaching in our Sabbath-schools which is based upon a thorough understanding of the principles of teaching and the person to be taught. The change is not one of material, but of methods. It is not sufficient that the Bible should be taught; it must be taught in the best way. We believe that your Board is using the utmost diligence to provide the Church with a series of graded Bible Lessons which shall adequately meet its needs. It is a task requiring time and patience, but we believe that in the end the Church will be more than satisfied with the accomplished result. There is also recognized the need for expressing the truths of the Bible in the thought forms of the people taught, and of fitting these truths into their daily experiences. With this in view, lessons are furnished which have a direct bearing upon the life of the people as it is related to the work of the Church.

But improvements in methods of teaching call for a corresponding improvement in those who would teach. It is of little purpose to furnish a lesson arranged with reference to the established principles of pedagogy if the person who is to teach the lesson has no understanding of, or insight into, these principles. We believe that any failure in the results of Sabbath-school teaching is due more to the teacher than to the lesson, or to the helps furnished for understanding and teaching the same. We believe that much of the little complaint heard of the graded lessons grows out of the lack of teachers who are prepared to teach them. Instead of lowering the standard of our lessons to our teachers, we should raise the standard of our teachers to the lessons.

This also is a work calling for time, skill and patience. Progress is being made. Teacher-training courses are provided by the Board, and are being extensively used. We are glad to note that the recommendations of the Superintendent of Sabbath-school Training for an Advanced Course covering three more years than the first two courses provided are being adopted by many classes. The Correspondence Course for officers should also have the immediate attention of our schools. While we expect constant improvement in the courses offered for the training of the Sabbath-school workers, the results obtained must depend upon the use made by pastors and congregations of the material furnished.

Interest in this work must also be stimulated through the Sabbath-school Committees of congregations, Presbyteries and Synods. There should be a more thorough understanding of the Sabbath-school problem on the part of congregations. Institutes should be held as often as practicable in connection with the work of Synods and Presbyteries. Much has been accomplished through representatives of the Board in their contact with the field. The valuable work of the Superintendent of Education in this connection leads us to hope that the way may be soon opened for the Board to employ more experts who may be brought into more immediate touch **with** the work on the field.

With the expanding life and work of the Church, other organizations of young people arose, the aim of which was the training of the youth of the Church in Christian life and service. For the capable oversight and direction of this work among young people, the Assembly wisely instructed the Board to organize the Department of Young People's Work. We rejoice that the Superintendent of this Department, the Rev. Willis L. Gelston, has fully recovered his health, and is again able to devote all his time to the work. We are glad also that the Board was able to secure the services of Rev. William Ralph Hall as Assistant to the Superintendent. The wisdom of establishing this department has been abundantly justified by the results. Many of the members of this Assembly gratefully acknowledge the work done for the young people of their communities through this department by these young men.

But this does not mark the farthest reach of the work and responsibility of this Board. The Assembly of 1907 adopted the recommendation of the final Report of the Standing Committee on Young People's Work, "That in view of the various and unrelated agencies influencing the young people of our Church, the Committee on Administrative Agencies be directed to present for the consideration of the next General Assembly some plan for a central bureau for the Christian nurture of the young; such bureau to undertake a comprehensive programme

on the subject, including principles and modes of organization, instruction in the Bible, in missionary affairs, in Church standards and policy, practical ministry, systematic giving, devotional, social and other features proper to the subject, and plans for making the same effective among churches and the young people."

The Assembly's Committee on Administrative Agencies spent two years in the study of these instructions, and in 1909 reported the following recommendation, which was adopted by the Assembly:

"That the Assembly unify its educational work among the children and youth by committing it for general supervision to the Board of Publication and Sabbath School Work, to which the Assembly has already committed it in part, and that it is hereby so committed."

The final step in making the Board of Publication and Sabbath School Work the Board of Religious Education for the local church was taken when the Report of the Assembly's Committee on Religious Education was adopted by this Assembly, in which it was recommended that the work which it has been carrying on for the past three years be transferred to the Board of Publication and Sabbath School Work, giving it the duty of preparing courses of study to meet the needs of our Sabbath-schools; and suggesting that the Department of Young People's Work be known henceforth as the Department of Religious Education and Young People's Work.

All this tends to emphasize greatly the educational work of the Board of Publication and Sabbath School Work, and to point to the necessity for the Board's giving more attention to this aspect of its work than ever before; and, at the same time, endeavoring to enter into such relations of the other Boards of the Church that the Assembly's expressed intention of unifying its educational work among our youth may be accomplished as speedily as possible.

Thus through the expanding life of the Church, this Board, originally organized for the publication of religious literature, has become a great missionary agency and a Board of Elementary Religious Education. Yet it is not less, but rather more, a great publishing Board. We believe that the Sabbath-school literature prepared and issued by our Board is not excelled in all the world. We believe the Board is making earnest effort to bring the best literature under the observation and within the reach of the people of the Church. We recognize the difficulties in the way of the extension of its work of publication. We are glad to learn that the Board is already giving earnest consideration to this subject, and believe, that with due diligence, it may extend its work of publication in a way which would be greatly to the advantage of the Church, and to the Board as well, commending the best

books more directly to our people by putting upon them the imprint of the Westminster Press. We should be glad to see our Board put on a level with the other great publishing concerns in this particular, and believe that, with a hearty coöperation on the part of the producers and purchasers of books in our **Church**, it may be done.

We believe that the proposed smaller edition of the Hymnal, identical in paging and contents with the regular edition, will be welcomed by many of our congregations, and will greatly increase the use of the Hymnal, to the improvement of the worship of our churches.

We predict that the Westminster Hymnal, combining with the old standard hymns and tunes those of a more popular character, will meet with great favor, and supply a real need in many quarters of the Church. We are also glad to note that progress has been made in the preparation of a new hymnal for Sabbath-schools, and trust that it may strike that happy medium between the ideal and the practical, which will commend it to our schools, and make it of service in creating and maintaining a better standard of Sabbath-school music.

As shown by the Report of the Board, the year just closed was one of marked success in the Business Department. The management is to be heartily commended for the showing made. The minutes of the Board and its Committees have been carefully examined and found in good order. Their approval is recommended.

We propose the following recommendations:

1. That the Board be encouraged in its plans and appropriations of funds, to give prominence to educational work.
2. That the needs of those communities in which the boys and girls have at present no opportunity for receiving a Christian education, be kept before the Board in commissioning its missionaries and organizing new Sabbath-schools.
3. That as rapidly as the funds of the Board will permit, Educational Superintendents be appointed to have charge of the Board's efforts to improve the work of existing Sabbath-schools, and to aid the missionaries of the Board in their educational work.
4. That Synods and Presbyteries, in appointing committees on the work of the Board, be advised to keep in mind its educational character, and appoint on these committees men who will be interested in promoting educational work in Sabbath-schools and among our young people.
5. That Presbyteries be advised to appoint an hour at least in one of their meetings each year, for the consideration of the work of religious education among our youth.
6. That pastors and superintendents be asked to urge upon

their young people the importance of attending the summer conferences planned by the Board and conducted by its representatives.

7. That the Board be asked to give special consideration to the perfecting of plans and courses of study by which the Church may best prosecute its educational work for adults.

8. That the Board be commended for the progress made toward the perfecting of the Graded Lessons, and be encouraged to complete these lessons as soon as practicable, with their supplemental studies in Christian life and service, and in the history, doctrine, policy and work of the Church at large, and of our Church in particular.

9. That the Board be congratulated upon the success of the annuity bond plan for the reduction of the debt on the Wither- spoon Building.

10. That the Board be encouraged to increase as rapidly as practicable, the publication of books, especially those by Presbyterian authors.

11. That our people be again reminded that in helping to increase the earnings of this Board, they are helping to increase the amount available for the prosecution of its missionary work, and are urged to purchase all books and supplies, as well as Sabbath-school literature, from the Board, and that, to this end, the Board use the utmost diligence in bringing its books and publications to the attention of the people.

12. That Children's Day and Rally Day be observed by all schools; that the first Sunday in February be observed as Young People's Day by our churches, using the excellent literature provided by the Board for these days, and that liberal offerings be made for the purposes indicated.

13. That the Standard of Excellence prepared by the Board be heartily approved.

14. That the Assembly confirm the election of Revs. Edmund G. Rawson and John A. McCallum and Mr. Thomas R. Patton, to fill the vacancies in the Board caused by the death of Rev. Charles A. Dickey, D.D., LL.D., Rev. Robert M. Patterson, D.D., LL.D., and Mr. John H. Converse.

15. The terms of office of the following members of the Board will expire next month: *Ministers*—John Harvey Lee, Frank Lukens, John B. Laird, D.D., Robert Hunter, D.D., S. D. Logan; *Elders*—Robert N. Willson, A. R. Perkins, J. Milton Colton, Bernard Gilpin, W. T. Cartwright. We recommend that all these gentlemen be reelected to succeed themselves.

16. We have had referred to us an *Overture* from the Presbytery of Fargo, asking for a new series of graded lessons to embody certain specified features. Inasmuch as everything asked for in the proposed new series is included in the plans of the Board

and recommended in this Report, we recommend that no further action be taken. There have also been referred to your Committee *Overtures* from the Presbytery of Pembina and the Synod of North Dakota, asking that steps be taken toward providing relief for Sabbath-school missionaries who have faithfully served the Church. We approve the suggestion and recommend that the whole matter be referred to the Board of Ministerial Relief for consideration in conjunction with the Board of Publication and Sabbath School Work, report to be made to the next General Assembly. We have also considered the *Overture* referred to us from the Presbytery of Binghamton, asking for a revision of the selections for responsive readings in the Psalter and of the Book of Common Worship. We recommend that the petition be not granted.

Respectfully submitted,

THOMAS A. WIGGINTON, *Chairman.*

The Report of the Standing Committee on Theological Seminaries was made the third order for to-morrow morning.

The hour of adjournment this afternoon was fixed at 5 o'clock.

The Executive Commission was granted permission to present a supplemental Report for consideration, instead of paragraph X, 4, which was the order of the day. The supplemental Report was amended and adopted with the exception of Resolution 4, which was referred back to the Commission.

The Assembly adjourned, and was closed with prayer.

WEDNESDAY, May 24, 8 o'clock P.M.

A popular meeting was held in the interest of Foreign Missions.

THURSDAY, May 25, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The order of the day, the election of members of the Permanent Judicial Commission, was taken up, and the nominations made were referred back to the Nominating Committee, to report as the first order this afternoon.

The Report of the Finance Committee was made the first order this afternoon after 4 o'clock.

The Committee on Bills and Overtures presented a Report on papers referred to it, which was adopted and is as follows:

Overture No. 234, being the Report of the Ministerial Sustentation Fund. It is recommended that the following Resolutions be adopted:

Resolved, 1. That the Report of the Board of Directors of the Ministerial Sustentation Fund be and hereby is approved.

Resolved, 2. That one page in each issue of the *Assembly Herald* be allowed the Fund on the same conditions as apply to the other agencies of our Church.

Resolved, 3. That the Stated Clerk be instructed to present the following names to the annual meeting of the Ministerial Sustentation Fund, to be held on the third Tuesday in June, 1911, as the names approved by this Assembly for members of the Board of Directors of said Fund, for the term expiring June, 1914: Robert Hugh Morris, D.D., Rev. John Calhoun, D.D., Justice W. P. Potter, Mr. I. Layton Register, Mr. F. M. Braselmann.

Overture No. 250, from the Presbytery of Otsego, asking that the general Assembly abolish the Assembly's Committee on Temperance. We recommend that no action be taken.

Overture No. 130, from the Presbytery of Kansas City, asking the Assembly to authorize the Executive Commission to appoint a general treasurer to receive all benevolent contributions. We recommend that, in view of the action already taken by the Assembly, no further action is necessary.

Overture No. 322, requesting that the Bohemian Presbyterian Church of Cuba, Kansas, Presbytery of Solomon, be transferred to the Central West (Bohemian) Presbytery. It is recommended that the transfer be ordered, when it shall have had the endorsement of the Presbytery of Solomon and the Synod of Kansas.

Overtures Nos. 132 to 144 and 305 and 306, from certain Presbyteries. These Overtures propose certain tests for candidates for the ministry. It is recommended that in view of the Overture sent down by the Assembly of 1910, and adopted by a constitutional majority of the Presbyteries, it is not expedient to send down further Overtures on the same subject at this time, and that therefore no action be taken.

Overture No. 255, requesting the transfer of the matter of the appointment and oversight of Presbyterian chaplains in the Army and Navy of the United States, from the Board of Home Missions to a special Committee. It is recommended that no action be taken, on the ground that the Board of Home Missions is already attending to this matter, and it seems unwise to multiply special Committees.

Overture No. 254, asking the Assembly's endorsement of a certain Presbytery's recommendation for the appointment of a certain minister to a chaplaincy in the United States Navy. It is recommended that no action be taken, as this entire matter is attended to by the Board of Home Missions, and it seems unwise to interfere with their prerogatives in this respect.

Respectfully submitted,

CHARLES LITTLE, *Chairman*.

Respectfully submitted,

S. EDWARD YOUNG, *Chairman*.

The Committee on Nomination of Members to places on the Executive Commission, reported the names of the following persons, who were duly elected: *Ministers*—John F. Carson, D.D., *ex-officio*; W. P. Fulton, D.D., and J. L. Weaver, D.D.; *Ruling Elders*—Mr. Giles Kellogg, of Los Angeles, Cal., and Mr. T. D. Foster, of Ottumwa, Ia., for three years; and for two years, in place of J. A. L. Wolfe, Esq., resigned, E. E. Beard, Esq., Lebanon, Tenn.

After the singing of a hymn, and prayer, the Standing Committee on Foreign Missions, through its Chairman, Rev. S. S. Palmer, D.D., presented its Report, which was accepted, and, after an address by Robert E. Speer, D.D., Secretary of the Board, prayer,

led by the Moderator, and brief addresses by missionaries, was adopted. It is as follows:

In presenting this Report, your Committee desires to give thanks to Almighty God for the good way in which He has led us through the year; and we congratulate the Church on the wise and statesmanlike policies of the Board, and the enthusiasm with which the Secretaries carry on their work.

In the careful reading of the Report of the year, we have been impressed with the magnitude of the work before the Church, and that we are being called to larger things than we have ever before attempted.

The old order of things in the Orient is changing rapidly, involving changes in Missionary policies and methods, that call for reinforcements and expenditures commensurate with the new opportunities. Expenditures of men and money call for still larger expenditures. The advance made one year demands a greater advance the next, to keep and develop what we already have. If you will read the Report and catch the progressive spirit there so manifest, you will feel that the heart of the Church is in this work, and will meet the new opportunities with courage and faith.

Your Committee is not inclined to say what might have been done, nor to say how little has been done, nor even to hold up an ideal toward which we are to work. In the light of what has been done, we desire, rather, that a feeling of gratitude might take possession of the heart, that our Heavenly Father has used our Church in the way that He has. We mention a few things to awaken the spirit of thanksgiving.

1. We are profoundly grateful for the growth of the work. In 1837 we had 26 missionaries, in 1911 we have 1,030. The past ten years show this remarkable advance: In 1901, we had a native force of 1,841; in 1911, 4,353. In 1901, we had 41,559 communicants; in 1911, 114,166. In 1901, we received \$998,325.39; in 1911, \$1,718,526.46—a gain in ten years of 72 per cent.

In Korea, it has been computed that one adult Korean has confessed Christ for every day during the twenty-six years since the beginning of Protestant Missions in the country.

In November, 1910, the Board wrote the King of Siam a letter of sympathy on the death of his father. The following reply was received:

“FOREIGN OFFICE, BANGKOK,
12th February, 1911.

“*Mr. President and Members of the Board of Foreign Missions of the Presbyterian Church:*

“I am commanded by the King, my August Sovereign, to acknowledge the receipt of the address, dated 21st November,

1910, which you were good enough to present to His Majesty, through His Excellency Mr. Hamilton King, American Envoy Extraordinary and Minister Plenipotentiary to this Court.

“In fulfilling this pleasant duty, I am also desired by His Majesty to say how deeply touched and keenly appreciative he feels at your cordial expressions of sympathy, in the great loss which he and the whole Siam nation have suffered by the untimely demise of his revered Royal Father, King Chulalongkorn. It is especially gratifying to him to know, from your kind words, that the earnest labors of his beloved Father in the interest of his country and its people, are so well recognized by our good friends abroad. In these labors, the American Presbyterian missionaries in Siam have not been idle spectators, but have been active participants, with a devotion worthy of every praise. Having now succeeded to his present high estate, His Majesty remembers the promise uttered, at your hospitable entertainment in New York, nine years ago, with emphasis, and assures you that, in carrying out the great trust which the Siamese nation has confided in him, His Majesty will ever regard the American missionaries in our midst as fellow-workers in a great cause—the moral elevation and progress of a nation.

“His Majesty sincerely thanks you all for the good wishes which you so kindly expressed for himself and the accomplishment of the great duties which lie before him, and fervently prays that increasing success and prosperity may ever be vouchsafed to your good and benevolent Missions.

“I have the honor to be,

“Your obedient servant,

“(Signed) DEVAWONGSE, *Minister for Foreign Affairs.*”

This letter will indicate the progress the Gospel has made in that country.

Western enterprise and energy are going to the East. The physical changes that are wrought demand quick and effective work on the part of the Church. Trunk lines of railways are being built, telegraphs are being constructed, newspapers are multiplying, these great changes demand that the Church meet the new conditions.

2. Thankful as we are for the progress we have made, our sense of gratitude is deepened by the spirit of our workers. Look at our West Africa Mission, located in an obscure place, with difficulties very great and workers few. There has come from that field great rejoicing for what God has done. One of our Secretaries said: “At a single gathering, at Elat, in November, 5,745 persons were present; 5,000 catechumens are under instruction; and 510 were received into the Church during the year.”

In China, when the missionaries were requested to leave a district

where the pestilence was raging, they remained at their posts of duty. No soldier in time of battle ever stood at his post more heroically. There is hardly a week within a year when our missionaries are not at some place face to face with cholera, plague, yellow fever or smallpox.

There is a growing feeling for a closer union with other Evangelical bodies. The first triennial meeting of the Evangelistic Association of China was held at Hankow, December, 1910. At this Conference twenty-five Boards represented different Churches and different nationalities. At this meeting they were not greatly concerned about the election of a Moderator, but they were profoundly concerned that they might have the presidency and power of the Holy Spirit.

3. We are thankful for the evident hand of God in guiding our missionaries in meeting and overcoming difficulties. The annexation of Korea stands out as the most conspicuous event in the affairs of Japan for the year 1910, and many prophesied that our work in Korea would suffer. The better class of Japanese are interested in Korea for good, and Japanese Christians desire to establish the friendliest relations, and are helping the Korean Church. The hindrance to the work in Korea is not the Japanese so much as it is the war talk in America. We may talk in this country about the yellow peril, but "the yellow peril is not half so dangerous as the yellow press." "How could we American Christians preach to this people the Gospel of the Prince of Peace when our people at home keep up this infamous talk?" There is a type of Socialism that has taken hold of Japan, that gives the missionaries great difficulty. There grew up a feeling that Christianity caused it. Many of these Socialists are Anarchists. The leader of this band of Anarchists was Kotoku. Before his execution, he published a book entitled "An Argument for the Effacement of Christ." It is a peculiar situation, and the nation is holding Christianity responsible for this outbreak of rank Socialism, and its leader, in his last work, devoted his intensest energies towards the complete effacement of that religion from the minds of his people. "Some indeed preach Christ even of envy and strife; and some also of good will."

We could mention many instances to show that Christianity is making inroads upon Islam. What has seemed heretofore the impossible, in the providence of God has become possible.

4. We are thankful for the work of education in the foreign field, for the evangelization that made education possible, and for the education that helps evangelization.

In China the old examination halls are in ruin, and 35,000 schools and colleges have already been developed by the Imperial Board of Education. There are 64,000 instructors, and 875,000

pupils. The demand in China for modern education is widespread. Every consideration to-day calls for energetic effort along the line of educational work. In Japan the government is carrying out extensive plans for education. In this land, so eager for schools, necessity is laid upon the Church to provide an educational plant to meet and guide the growing interest. The educational work in India has gone on with its accustomed vigor, and the high regard with which the government looks upon our work is evidenced in the appointment by the government of the Rev. J. C. R. Ewing, D.D., of the Forman Christian College, to the highest honorary post in northwestern India, that of Vice-Chancellor of the University of Punjab.

Perhaps the most remarkable development of the year, in Persia, has been the inrush of Mohammedan students to the Church schools. Every station has felt this eager desire on the part of Mohammedans for education. In the Teheran boys' school, out of 300 students, 180 were Moslems; and in the girls' school there were 110 Moslems, in a school enrollment of 235. No opposition whatever has been made to the requirements of the schools, that all pupils, including the Moslems, should attend daily prayers and the Bible classes.

In the Philippines our educational institutions are widely recognized as among the most influential in the country. Our secretaries say, "The mind of the non-Christian world is fast opening to new ideas. The desire for education is becoming a hunger. It is within our power to meet this hunger with Christian education, to give form and direction to the systems of national instruction which are growing up in these lands, to establish the Christian Church in knowledge and power, and to guide the awakening thought of these peoples to Him who is the way, the truth and the life?"

5. What we have tried to say has been possible because of the spirit in our home land. We are thankful for the Christian Church in America, that is getting a vision of the whole world. The great Conference held last year in Edinburgh, Scotland, was attended by many delegates from this land. Their reports, as well as the reports of the press, of that great meeting, have touched our whole Church and left an abiding impression.

An event of national importance has been the celebration of the Jubilee of the Women's Foreign Missionary Societies. These meetings began on the Pacific coast and were continued throughout the year, closing with the great meeting in New York. The generous gifts of these various meetings give evidence of the widespread interest at home in our work abroad. We record also with interest the Laymen's Missionary Movement. The strong and vigorous men of our Church are getting a vision of the whole world and bringing their best thought to bear upon the

missionary problems, and the Church at home is feeling the effect of this new interest.

We note with interest that the Home and Foreign Mission forces are working in complete harmony for the ends that are common to both, the securing in every church of a Missionary Committee to carry on a continuous course of education issuing in an adequate weekly offering from every member.

We are grateful for the foreign work that we are permitted to do at home among the Chinese, Japanese and Koreans. The Board is carrying on work for the Chinese at San Francisco, Los Angeles, Oakland, Alameda and Santa Rosa. At San Francisco there is a school of 138 members and a night school with an average attendance of 36. The work for the Koreans is confined to a few towns in southern California. The Christian membership is 183. The Japanese work on the Pacific coast has shown a great increase during the year. Sixty-five adults have received baptism; two mission chapels and a manse have been erected by the Japanese residents, and a preaching hall and class-room have been opened in Los Angeles. The total membership is 449.

6. We are thankful for the gifts, large and small, that have come from the churches. Many a penny, in the sight of God, measured by sacrifice, was more precious and valuable than many dollars. We are thankful for the increasing number of people who remember this work, not only in their benevolences while living, but also making provision for it in their wills.

There is one bequest that calls for special mention: \$2,250,000 was paid to our treasurer, February 23, 1911. The Board has given long and careful consideration to the wise use of this great gift. No advance expenditures were made on account of the bequest, except in a very few instances where devoted missionaries were suffering for want of proper accommodations. The Board regards this gift as a sacred trust, to be administered under a special sense of responsibility to the Church and the missionaries and to God. After long consideration, and publication of their plans, taking the whole Church into their confidence to get the combined wisdom of the men most interested, the following conclusions were reached: that the bequest should not be used merely to make it easier or more comfortable to do the present work; it should be used to expand the work; that the expansion should be along the primary aim of the missionary work, namely, the proclamation of Christ, the winning of men, and the building up of true native churches. The bequest should be used in a way that will not indicate misgiving, lest God should purpose scantier things in the future. The bequest should be so used as to stimulate and expand, and not to stifle or relax the missionary interest of the Church. The greater ease with which money can be spent on material equipment as compared with living agencies,

must be kept in mind as a peril; unless better work and more work are to result from expenditures on equipment, such expenditures are not justified. The Executive Council therefore proposed the plan, which, after full discussion at several meetings, was unanimously adopted, and is printed in the Report of the Board.

7. The financial condition is a matter for thanksgiving and congratulation. The total receipts for the year were \$1,718,526.46, and the total expenditures, \$1,698,523.02. Comparing the year just closed with the fiscal year 1908-9, we find the Church contributions have increased \$81,269.84. Past deficits have been reduced this year by \$20,000.

8. We are thankful for what the good women of the Church have done. The total receipts from their work have been nearly \$500,000. For their great faith, untiring energy and devotion the Board feels profoundly grateful.

9. Eleven beloved missionaries have died during the year. Not a large numerical loss, among a thousand missionaries, but the death-roll includes some of the most highly honored and beloved missionaries. The names are: The Rev. Henry H. Jessup, D.D., LL.D., Mrs. Eliza S. Wilder, Mrs. Helen Nevius, Mrs. Phœbe Ogden, Rev. Thomas F. Wallace, D.D., Rev. E. Allen Enders, Miss Emily C. Bird, Mrs. Annie Boyce, Miss Kate Youngman, Mrs. Lucy Crouch Leaman, Miss Grace E. Wilder.

The following resolutions are submitted for adoption:

Resolved, 1. That the Minutes of the Board, and the financial reports, which have been audited by certified public accountants, be approved.

Resolved, 2. That the following members of the Board, whose terms of service expire with this meeting of the Assembly, be reelected to serve for three years: Rev. George Alexander, D.D., Rev. John F. Patterson, D.D., Rev. J. Ross Stevenson, D.D., Mr. Warner Van Norden, Mr. John T. Underwood, Mr. D. W. McWilliams, Mr. James M. Speers; and that the election of Rev. J. H. Jowett, D.D., to fill the vacancy caused by the death of the Rev. W. R. Richards, D.D., in the class of 1909 and 1912, be confirmed.

Resolved, 3. That in accordance with the time-honored custom of the Church, the continued observance of Christmas and Easter in the Sunday-schools, with special reference to foreign missions, be approved.

Resolved, 4. We record with interest and thanksgiving the faith and devotion and efficiency of the organization of the women of the Church, who have contributed nearly half a million dollars to carry the Gospel to the ends of the earth.

Resolved, 5. That, with a view to utilizing more largely the growing intelligence and zeal of laymen, throughout the Church,

the Presbyterian and Synodical Foreign Missions Committees be enlarged by the appointment of laymen (elders or other worthy and qualified men), and that where feasible they be given opportunity for the exercise of executive ability by serving as Chairmen or Secretaries of such Committees.

Resolved, 6. That, with a view to guarding against impairing efficiency of leadership in our Foreign Missions work throughout the Church, by too frequent or too sweeping changes in the personnel of the Committees having charge of this work, Presbyteries and Synods be requested to constitute these Committees in classes, the term of one of which only shall expire each year, or otherwise to arrange for the continuity of the work of the Committees.

Resolved, 7. That the policy of the Board with regard to the use of the notable bequest of the late John S. Kennedy be heartily approved, including the proposal of the educational equipment and endowment fund for the vast and enlarging educational work of the Board in foreign lands.

Resolved, 8. That in view of the blessings of God upon the work of our missions abroad, and in the light of the present needs and opportunities, and in accordance with the repeated declarations of the Assembly that the Presbyterian Church is a missionary society, the object of whose existence is to seek the evangelization of the whole world, this Assembly approves of the effort to determine, as far as may be possible, the definite missionary responsibility of our Church in foreign lands, and commends the attempt to frame and carry out a missionary policy adequate to the discharge of this responsibility, and urges the Board to do all in its power to present to the Church the magnitude and urgency of its unfinished task.

In behalf of the Committee,

SAMUEL S. PALMER, *Chairman*.

A resolution concerning the time of holding the daily devotional services of the Assembly was referred to the Committee on Bills and Overtures.

The following message was, by the authority of the Assembly, sent to the Rev. Arthur T. Pierson, D.D.:

The General Assembly of the Presbyterian Church in the United States of America, at the close of a session devoted to Foreign Missions, sends you affectionate greetings, and expresses its gratitude to God for the service you have been enabled to render by voice and pen toward the world-wide extension of the Redeemer's Kingdom, and beseeches the great Head of the Church that He will grant you the richest comforts of His grace, and, if it be His will, restoration of strength for further

labors in the Gospel. We salute you in the spirit of Romans viii. 28-31.

(Signed) W. H. ROBERTS, *Stated Clerk.*

The Report of the Executive Commission was taken up, and upon request of the Commission, all of the Report contained in Chapter X-4 down to X-10 was laid on the table. Recommendation 10 was then adopted. The further consideration of the Report was deferred until 2.30 P.M. to-morrow.

The Assembly put on record its appreciation of the valuable services of Rev. W. H. Black, D.D., as a member of the Executive Commission, and Chairman of the Committee on the Consolidation of the Boards.

The Standing Committee on Ministerial Relief presented a supplementary Report, which was adopted, and is as follows:

We recommend the approval of the Treasurer's Report, which has been properly audited and found correct.

On *Overture No. 298*, from the Presbytery of Milwaukee, asking that the age for honorable retirement be reduced from 70 to 65, it is recommended that it be answered in the negative, as the funds of the Board, at present, do not warrant the change.

On *Overture No. 299*, from the Presbytery of Wichita, relative to annual inquiry into the needs and circumstances of beneficiaries, it is recommended that no action be taken, as the matter is practically covered by a resolution already adopted by this Assembly.

On *Overture No. 318*, from the Presbytery of Philadelphia North, seeking a change of Rule 9 of the Board, by which ministers coming from other denominations, and entering our Church in good faith, are denied sharing in the benefits of the relief fund, it is recommended that it be answered in the affirmative, and that Rule 9 be altered by adding "or were under the age of 45 when they were received into the Presbyterian Church," and that this rule be retroactive as far back as the year 1904, when said Rule was adopted by the General Assembly.

For the Committee,

ANDREW M. BRODIE, *Chairman.*

The Assembly took recess, and was closed with prayer.

THURSDAY, May 25, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Bills and Overtures presented the following Report, which was adopted:

1. In answer to *Overture No. 325*, from the Presbytery of Minneapolis, asking that certain inquiries be made touching the several versions of the English Bible, and the propriety of making a new translation, it is recommended that no action be taken.

2. On the Report of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, it is recommended:

(1) That the Assembly approve resolutions Nos. 1 and 2, found on page 40 of said Report, which read as follows:

“*Resolved*, 1. That the effort to erect a Huss House, at Prague, Bohemia, in memory of John Huss, reformer and martyr, is hereby commended to the generosity of the churches.

“*Resolved*, 2. That the movement to appoint a National Committee to raise \$100,000 for the Waldensian Churches, is approved.”

(2) The Assembly also expresses its gratification at the work of the Alliance in providing the Gospel for American and European residents in foreign seaports of Pagan lands, and, in general, the entire work of the Alliance, as shown in its Report.

(3) We recommend the names of the following, as a Committee of the General Assembly, to nominate the delegates to the Pan-American Council, to be held in Aberdeen, Scotland, in the summer of 1913, the members of the Committee, in accordance with custom, to be delegates: *Ministers*—John F. Carson, D.D., W. H. Roberts, D.D., W. B. Noble, D.D., Robert Mackenzie, D.D., T. V. Stephens, D.D., H. B. MacCauley, D.D.; *Ruling Elders*—Gen. Ralph E. Prime, W. H. Scott and Henry W. Jessup. The first three named are *ex-officio* members of this Committee.

The Standing Committee on Church Erection, through Rev. Thomas Tyack, D.D., a member of the Committee, presented its Report, which was accepted, and, after an address by Rev. Duncan J. McMillan, D.D., Secretary of the Board, was adopted, with the exception of Resolution 9, which was referred to the Executive Commission with power to act. The Report as adopted is as follows:

The Standing Committee of this General Assembly on the work of the “Board of the Church Erection Fund” respectfully reports that, in accordance with the duties which belong to us, we have examined the Minutes of the business meetings of the Board and the Report of its Treasurer, and we have also considered most carefully the Overtures referred to us, and our recommendations on these and other related subjects will shortly be presented to you for your consideration and action.

During the past year the Board has lost by death three of its former members—Elder Ira Remsen Lane, Mr. William U. Crane

and the Rev. David Magill, D.D., the former President of the Board, and the Rev. Erskine Norman White, D.D., the long-time and highly honored Secretary of the Board. Suitable resolutions have been placed on the records of the Board of these deceased members, and copies of these resolutions are printed in the Board's Annual Report, which is presented to this Assembly.

The Hon. Frederick G. Burnham, a man who has been a member of the Board for the long period of forty-three years, and who has served as its Counsel for many years and also as its Vice-President for a long time, has been elected the President, and the Rev. Dr. D. J. McMillan as its Corresponding Secretary. These gentlemen are familiar with its operations and are deeply interested in its affairs.

It is not at all surprising, that with the passing of the years, and the growth of the Church in members, in all parts of our land, the demands made by churches and Presbyteries upon the available resources of this Board should also grow. The surprising thing would be if it were not so.

In all parts of this land, the representatives of our Church are found at work, some under commission of the Home Board, some under the commission of the Board of Publication and Sabbath School Work, or the Freedmen's Board, or perhaps those workers are employed by Synodical agencies, while no small number are at work under the wise guidance and enterprising efforts of an earnest pastor and his faithful session, who are using the consecrated services of their church members in particular forms of missionary effort in a near-by village, an expanding town or a rapidly growing city. A chapel or a church building is demanded in which to carry forward this so Christlike a work; the people of the locality are supposed to give to this enterprise to the limit of their ability, and they know, as we all know, that a debt on the modest church edifice will be not only too heavy a financial burden to carry: if allowed to remain it will prevent the newly organized church from offering a sufficient stipend to its minister, and this General Assembly knows well enough that under the most favorable circumstances the salaries of the pastors of our newly organized and our smaller churches are pitifully small, but it will also act as a deterrent, and many families coming within the bounds of a parish upon whose church or chapel edifice a debt is resting use that as an excuse for going elsewhere to worship.

To meet and to relieve these conditions, the Board of Church Erection, as our agent, has been engaged in this so useful and so practical and so necessary and so increasingly important a work, in the forty-one years of its existence, and never before in all its history were there so many, and so pressing appeals reaching it for assistance as at the present time,

So long as there is room for the peoples of the Old World in this New World, and so long as cities increase in population, and towns and villages rise with varying rapidity on plain or seashore or mountainside, and so long as the tides of population ebb and flow as the wave of the sea, just so long will the Church need an agency such as this is, and in many respects we are glad that it is so, for the work of this Board puts into concrete form, in more than one sense of the meaning of that word, a standing and a visible and a tangible proof and illustration of the strong and the able as being ever ready to help bear the burdens of others.

A review of the work of the year reveals a wise administration of the great trust committed to this Board as to the appropriation of moneys to the petitioning churches, not only in the amounts granted or loaned, but also in the wide and extended area over which the distribution has been made.

The Report of the Board shows that "71 of the appropriations were made to the district east of the Mississippi River, 109 among the States and plains between that river and the Rocky Mountains, and 93 to the Rocky Mountain region."

And the average amount of money appropriated to each of the churches of the three great districts was almost exactly the same—between \$800 and \$900.

It can be seen on the face of the Report and in the nature and practical operations of the Board, that it has no favored part of the country for the distribution of the moneys coming to its treasury, and that in its purview there is no East or West, North or South, as such, but one undivided land, and one great Church, planting its beacon lights on hill tops and establishing its temples of worship and its soul-renewing agencies on broadly spreading plains and in rapidly growing cities, and the grants which have been made to these many churches in all parts have been made for the one and the simple and the plain reason that they have been worthy cases—all of them; and if there is one regret which is deeper and stronger with the members of the Board than another, it is that they were unable, from lack of funds, to return a prompt "yes" to all requests which came to them for assistance.

The fact is, that the applications for assistance exceeded by \$163,000 all the available annual income of the Board, and consequently the Board was compelled to do one or all of three things:

1. Reduce grants in some cases, as compared with the amounts asked, and
2. Defer action on others, that they may take their proper order in the work of the present year, or
3. Promise assistance, but postpone to a later date the appropriation itself.

In one phase of the Board's work, it is nothing more than a

distributing agent of the Church; that is to say, the Board can distribute only such offerings as the churches, Sunday-schools and allied organizations may send in, also such moneys as the Board can gather from its invested funds and secure from its loans, and turn into its treasury for distribution, and our meaning is that the Board is limited in its ability to aid the petitioning churches by the proceeds of the administration of its investments and its receipts as mentioned. If the churches having church edifices will send the Board their contributions in larger proportions, no church organization will need be a long time waiting for the conveniences and the comforts of a house of worship.

The instructions of the last General Assembly concerning the former Cumberland Presbyterian Church, in the State of Tennessee, have been obeyed to the extent of \$64,000 advanced during the last year upon the anticipated income of the Kennedy Fund. (But to do so, the money was borrowed by the Board for that purpose.) The instructions of the General Assembly of 1910 are found on the 12th page of the Board's Report.

The Board received during the year gifts from churches and Sunday-schools in the amount of \$69,877.75.

Interest, premiums and sundry receipts, as itemized in the Treasurer's Report, \$162,670.01. Total, \$232,547.76.

The Board has also received the John S. Kennedy bequest of $2\frac{1}{4}$ millions, and has reinvested in bonds and mortgages that portion of it which was in cash, in accordance with the instructions of the last General Assembly. The securities are held in the form in which they were received, and it is the expectation of the Board to make a report to the next General Assembly of a full year's receipts from that magnificent legacy.

Grants have been made to petitioning churches, to the full total of the year's receipts, and these grants have either been paid in full or the money is now held by the Treasurer, awaiting the notification that the particular churches have complied with the rules of the Board. Not one dollar is kept in the Board's treasury so long as a church is in need of it to free it from the burden of its debt. The Board should be encouraged not only to safeguard its present invested funds, but also to increase those investments as rapidly as possible, for if a man of the keen insight and clear foresight of the late John S. Kennedy made it a verbal condition of his princely gift, as reported to Dr. White, that not a dollar of the principal be touched and that only the proceeds of the bequests shall be applied to the work of the Board in coming years, surely the entire Church should adopt as its own that wise plan, so far as this Board is concerned.

The Board is making an earnest appeal to our churches and our men of wealth, that it may receive from these two sources larger gifts than ever before:

1. Because of the advanced prices of building materials and the increased wage rate of mechanics in all portions of the country. That alone calls for tens of thousands of dollars more, each year, to do the same kind of work that was done fifteen or twenty years ago.

2. Because of the ever-increasing number of churches asking assistance. The total number of applications is seven per cent. greater and the total amount asked is ten per cent. greater than last year. Surely it is the ambition and the determination of the Church to keep pace in its gifts with the applications which this Board ought to be empowered to grant. That part of the problem is before the Church in the coming days and months. May she solve it correctly and in such a manner as to bring upon her the blessing of Almighty God, for Jehovah said, "It was well that it was in thy heart to build a house unto my name.

The following recommendations were unanimously approved by your Committee, and it is hoped that they may be heartily adopted by this Assembly, to wit:

1. That the General Assembly approve the records of the Board, which the Committee has examined and found to be full and accurate.

2. That the General Assembly approve the Treasurer's Report, which is extensive and complete, and certified by public accountants.

3. That the Assembly approve and commend the fidelity, ability and economy with which this great agency of the Church has discharged this difficult trust, through a year which has been marked by severe disablements, in the loss by death of three important members and the great Secretary, the Rev. Erskine N. White, D.D.

4. That the Assembly commend the promptness with which the Board has carried out its instructions in extending relief to the evicted churches in Tennessee, to the number of forty-five, by advancing \$64,000, to be repaid out of the income of the Kennedy Fund.

5. That the Presbyteries needing aid in buying lots and buildings under exceptionally severe conditions, be advised to cooperate with the Board in raising special church extension funds, as approved by the General Assembly of 1910.

6. That the Assembly call the attention of churches which have received aid at any time from the Board, to their solemn engagement to take annual offerings for the cause, and that the churches to which the Board has made loans be reminded of their sacred obligation to pay promptly the interest, the annual installment of the principal and the insurance premiums.

7. That in view of the rapidly increasing application, both in the number and the amounts asked for, exceeding as they do

the Board's resources, the Assembly urge all churches, Sabbath-schools, societies and individual givers to greater liberality in their offerings to this Board, whose work is fundamentally important in the advancement of the Kingdom of our Lord.

8. That Overture No. 242, being a memorial from the Presbytery of West Jersey, asking the General Assembly to authorize and direct the Board of Church Election to transfer the annual income of the Van Meter Fund to that Presbytery, that said Presbytery may apply the money according to the terms and intent of the will, be answered in the affirmative, provided no legal barriers exist.

9. That no action be taken upon the Overtures numbered 243 and 244, coming, respectively, from the Presbyteries of Nevada and San Francisco, asking the General Assembly to make such changes in the Rules of the Board as will permit it (1) to grant aid to secure sites for church buildings; (2) to meet the needs in extraordinary cases, where the need is established to the satisfaction of the Board.

10. That the election of the Rev. Duncan J. McMillan, D.D., as Secretary of the Board to succeed the Rev. Erskine N. White, D.D., deceased, be ratified.

11. That the members of the Board, whose term of service expires with this Assembly, be elected to succeed themselves, to wit: *Ministers*—Frederick Campbell, Sc.D., F. C. Ottman, D.D., William F. Whittaker, D.D., Charles J. Young, D.D.; *Ruling Elders*—Richard H. Greene, E. J. Esselstyn, James E. Ware.

12. That the Rev. Arthur C. McMillan, of the Presbytery of Westchester, be elected to succeed Rev. Duncan J. McMillan, D.D., resigned.

13. That the names of the Rev. Edward B. Surface and Mr. Isaac H. Orr, who were temporarily added to the roll of members in order to effect the adjustment of certain matters connected with the Cumberland Union, be now removed from the membership of the Board, as being supernumerary under the Charter.

All of which is respectfully submitted,

SAMUEL B. ALDERSON, *Chairman*.

The Standing Committee on Education presented a supplementary Report, which was adopted, and is as follows:

Your Committee would recommend that the Board be authorized, in its discretion, to increase its membership by three additional members, making a Board of twenty-seven, instead of twenty-four, and that of said twenty-seven members, fifteen at least shall be laymen residing in Pennsylvania; that the three classes hereafter elected annually shall each consist of four ministers and five laymen; and that the Board be given power to fill the vacancies created by the above resolution.

It is also recommended that the election of the Rev. John Balcom Shaw, D.D., and Mr. William R. Nicholson, to the Class of 1909-'12, be approved; that the election of the Rev. Edward H. Pence, D.D., and the Hon. William P. Potter, to the Class of 1910-'13, be approved; that the election of the Rev. James Beveridge Lee, D.D., to fill the vacancy occasioned by the death of the Rev. J. Sparhawk Jones, D.D., of the Class of 1910-'13, be approved; that the Revs. James M. Hubbert, D.D., William P. Finney, D.D., F. W. Loetscher, Ph.D., Henry C. Swearingen, D.D., S. Spencer Chapman, Esq., George W. Warren, D.D.S., Ralph W. Harbison and James H. Huston be elected as members of the Board for the Class of 1911-'14.

Respectfully submitted,
FREDERICK W. HINITT, *Chairman.*

The Standing Committee on Bills and Overtures presented a Report on *Overtures Nos. 239 and 240*, from the Presbyteries of Iowa and West Jersey, which was accepted. A motion was made and seconded to adopt the Report. An amendment was presented and seconded. The consideration of the matter was made the first order for to-morrow morning, other orders to give way thereto.

The Standing Committee on Correspondence, through its Chairman, Samuel J. Fisher, D.D., presented its Report, which was accepted. Pending its adoption, the following Corresponding Delegates were introduced by the Chairman, and addressed the Assembly, and the Moderator responded to their addresses: Prof. Luther Kuhlman, of the Evangelical Lutheran Church; Rev. J. Stennenberg, D.D., from the Reformed Church in the U. S.; Rev. J. Beatty Howell, D.D., from the Presbyterian Church in Brazil; Prof. Alberto Clot, from the Waldensian Church; Pres. Luther Freeman, D.D., from the Methodist Episcopal Church; Rev. William H. Roberts, D.D., from the World Alliance of the Reformed Churches holding the Presbyterian System; Rev. Walter A. Brooks, D.D., from the Council of the Reformed Churches in America, and Rev. Hugh B. McCauley, D.D., from the Federal Council of the Churches of Christ in America.

The Report was adopted and is as follows:

Your Committee on Correspondence submits the following Report:

Following the example and moved by the spirit of its Lord and Master Jesus Christ, the Presbyterian Church in the U. S. A. looks beyond the confines of its own family relations, and gladly and affectionately says: "Whosoever doeth the will of our Father in Heaven, the same is our mother and sister and brother." Amid all the responsibility for the discharge of our special duties, and the progress of our own special field and work, our Church is

ever looking upon the things of others with a great sympathy and often with a great joy. All branches of the Church of Christ, all bodies of believers aiming to obey and present the truth as it is in Jesus, are regarded as fellow-disciples and brethren in Christ. Our Church aspires to the full communion of the saints and the fellowship of believers. Though it is regarded by the world as rigid in its tenets and narrow in its creed, because it is rightly conservative of the doctrines upon which the highest hopes are based, and because it believes it is treachery to its divine Lord to be indifferent to His principles, it is always facing the light wherever it is found, and is eager to fraternize with Christians of every name and race and land. In every sign of a true unity of Christians, whatever their denomination, it rejoices as a fulfillment of the prayer of our Lord that His disciples might be one. Wherever the minor differences can be laid aside, a corporate unity obtained, it sees a greater efficiency, and a conservation of forces. But where these varieties of worship, government, method and expression still remain, it maintains a loving interest and a heavenly fraternity. Like the great apostle, in some of whose teachings it has found the inspiration for portions of its confession, it can sincerely say of every branch of the Church of Christ, "Who is offended, and I burn not?"

Therefore, amid the consideration of the problems and questions which concern us especially, it is gratifying to be able to set apart this time for the wider outlook and the recognition of the whole family of Christians in heaven and on earth.

We have with us at this time a few representatives of those Churches, or unions of Churches, in whose progress and purpose we cannot fail to be interested. We believe it will be a matter encouraging, as well as interesting, that the Protestant Episcopal Church has delegated one of its most prominent and devoted laymen to represent the Commission of the Protestant Episcopal Church, appointed to arrange for a World Conference of Christian Churches on Faith and Order, at this Assembly. We cannot but rejoice in this approach to closer relations and the common fellowship in fighting the good fight and keeping the faith. We trust this is the harbinger of the day when the two Churches which trace some of their historical life back to the great Abbey, where the Prelates of the one and the creators of the great Confession of the other, have preached and prayed, and striven to bring this world to Christ, shall clasp hands across the tombs of the fathers, and, while retaining the minor differences of method and polity, shall convince the world of the power of the faith in one Lord, one faith, one baptism. We desire to mention specially the following facts:

1. That we have received from the Missionary Conference

held at Edinburgh, last year, the information that the delegate of the Assembly, Rev. William H. Roberts, D.D., presented the authorized congratulations, expressing the deep interest of our Church in that great Conference, and also the formal acknowledgment that the grateful thanks of that Conference might be and are hereby offered to our Church.

2. We have received two communications relating to the work of Rev. J. Wilbur Chapman, D.D., in Great Britain. One is from Belfast, and is the expression of the large and enthusiastic meeting of Christians connected with different Churches, concerning the great interest aroused by Dr. Chapman's address on the subject of World-wide Evangelism. This meeting, which was representative, in character, of the best ministers and congregations of the Church in Ireland, not only commended the address, but expressed the hope that our Church would commission Dr. Chapman to continue his labors abroad. The other communication is from the Synod of the Calvinistic Methodist Church of South Wales, and is similar in character, and equally commendatory of the work of Dr. Chapman.

Your Committee is deeply impressed with these testimonials to Dr. Chapman's work, but as he has already been commissioned for this work through the Evangelistic Committee, it finds it unnecessary to make any recommendation in the case.

3. In view of the fact that the Waldensian Synod holds its annual meeting this summer, your Committee regards it as appropriate and wise that Ruling Elder Ralph E. Prime, who spends much time in Italy and is in deep sympathy with the Waldensian Church, should be commissioned to represent our Church at the next meeting of that Synod. We, therefore, recommend that he be so commissioned.

4. We recommend the appointment of Rev. J. Beatty Howell, D.D., as the representative of this Assembly to convey the fraternal salutations of our Church to the General Assembly of the Presbyterian Church in Brazil, which meets in the city of Rio de Janeiro, in 1912, at which time the fiftieth anniversary of the founding of the first church in Brazil will be celebrated. As the mother Church, we can not but feel a lively interest in this Church of Brazil, and this memorable anniversary of the beginning of a half-century of Gospel ministration by our missionaries. It is most fitting that Dr. Howell, as one of the pioneer missionaries to Brazil, should be selected for this interesting trust.

It is understood that all these appointments are without expense to the Assembly.

We recommend that the persons received as Corresponding Delegates from the bodies which they represent be given oppor-

tunity for any fraternal greetings they may bring, and that they be the guests of the Assembly while in attendance.

Respectfully submitted,

S. J. FISHER, *Chairman.*

The Judicial Committee presented nominations for the Permanent Judicial Commission, and the nominees were duly elected as follows: *Ministers*—Jesse F. Forbes, D.D., of New York; Thomas A. MacCurdy, D.D., of Mandan, N. D.; *Ruling Elders*—John W. Foster, of Washington, D. C.; F. H. Whitworth, of Seattle, Wash., and Joel E. Williamson, of Evansville, Ind.

The subject of Mileage Payments being under consideration, the guarantee of representatives of the Chester, Dakota (Indian), Elizabeth, Minot, Lackawanna and St. Lawrence Presbyteries that their apportionments would be paid in full, was accepted, and the Mileage Committee was instructed to pay the Mileage Bills of their Commissioners.

The Standing Committee on Finance, through its Chairman, Mr. Scott Foster, presented its Report, which was accepted. In reference to recommendations of the Permanent Finance Committee, embodied in the Report of the Standing Committee on Finance and objected to in a dissent by a minority of the said Permanent Finance Committee, as "outside the scope of the duties confided to the Committee by the General Assembly," the Moderator, a point of order being raised, sustained the contention of the dissenting members, and ruled as out of order all of the said Permanent Committee's Report except the narrative of action taken.

The Report of the Standing Committee on Finance as amended and adopted is as follows:

1. Your Committee has examined the Annual Report of the Trustees of the General Assembly, together with the Report of their Treasurer (The Philadelphia Trust, Safe Deposit and Insurance Company), for the year ending March 31, 1911, which have been examined and certified to by Messrs. Vollum, Fernley, Vollum & Rorer, certified public accountants of Philadelphia, as being correct, and by the Finance Committee and Committee of Accounts of the Trustees.

The principal of the funds now in the hands of the Trustees amounts to \$1,080,853.79, and the income for the year 1910-11 was \$48,836.91.

The Trustees call attention to the fact that during the year they received but one legacy, the amount of which was \$5,410.75.

They call further attention to the fact that in pursuance of the action of the last General Assembly, in regard to the enlargement

of the Charter powers of the Trustees, they applied to the proper Court in Philadelphia, which granted them a decree enlarging their holding powers to the extent of the yearly income of \$250,000, as prayed for.

2. Your Committee also examined and found correct and in due form the financial Report of William Henry Roberts, D.D., LL.D., Stated Clerk of the General Assembly, for the year ending March 31, 1911, which Report has also been examined and certified to as correct by Vollum, Fernley, Vollum & Rorer, certified public accountants.

Your Committee respectfully asks that the following resolutions be passed by this Assembly:

That the Annual Reports of the President and Treasurer of the Trustees and of William Henry Roberts, D.D., LL.D., Stated Clerk and Treasurer of the General Assembly, be accepted and approved.

4. The Committee desires to place on record its approval and commendation of the simple, comprehensive and efficient system of book-keeping devised by the Permanent Committee of Finance.

5. Your Committee also beg to approve and commend the conscientious and zealous work done by the men constituting the Permanent Committee of Finance, and respectfully recommend their reappointment, namely: Hon. William P. Potter, Swarthmore, Pa.; Hon. William M. Lanning, Trenton, N. J.; Mr. Henry L. Davis, Germantown, Philadelphia; Mr. J. H. Jefferis, Wayne, Pa., and Mr. T. Elliott Patterson, Philadelphia, as appointed by the General Assembly of 1910.

6. We further recommend that the Stated Clerk, under the authorization of the Permanent Finance Committee, be authorized to pay the sum of \$1,940 to the World Alliance of the Presbyterian Churches, \$1,350 to the Federal Council of the Churches of Christ in America, and \$224 to the Council of Reformed Churches holding the Presbyterian System.

8. That the thanks of the Assembly are hereby tendered to the Trustees, together with the Stated Clerk, Dr. William H. Roberts, whose long and faithful services are gratefully appreciated.

Respectfully submitted,

SCOTT FOSTER, *Chairman.*

The Report of the Permanent Committee and the Dissent are printed in the Appendix.

Resolutions three (3) and seven (7) of the above Report were referred to the Executive Commission, and also the administration of the Finances of the Assembly, the appointment of a Treasurer, included, was referred to the Executive Commission, with power,

and it was ordered that meantime the action of the Assembly of 1910 (*Minutes*, pp. 109-112) stand as the law of the Assembly.

Resolutions 3 and 7 are as follows:

3. Your Committee has made a careful examination of the majority Report of the Permanent Finance Committee as printed in the Bluebook, pp. 169 to 172, inclusive, and recommend its adoption, with the exception of certain changes in Nos. 3 and 4 of the Recommendations. No. 3 we amend to read as follows: "That the Permanent Finance Committee be authorized to select one of its number as Treasurer for a period of one year, and that he be allowed to expend a sum not to exceed \$500 per annum for clerical services, including the keeping of the books, and to expend such additional sums of money as may be necessary for extra clerical help as may be needed during the meetings of the General Assembly. The Treasurer shall give a bond for the sum of \$25,000, the premium for said bond to be paid out of the General Assembly's funds." To No. 4 add: "or by a member of each successive Assembly, duly designated by a majority of the Permanent Finance Committee, who shall perform his work without remuneration."

7. We recommend that the changes connected with the adoption of the majority Report of the Permanent Finance Committee shall go into effect July 1, 1911.

The Assembly adjourned, and closed with prayer.

FRIDAY, May 26, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Standing Committee on Bills and Overtures presented a Report, which was adopted, and is as follows:

Overture No. 241, from the Presbytery of Mahoning, asking that there be a consolidation of the Board of Ministerial Relief and the Ministerial Sustentation Fund. We recommend that in view of the action of the Assembly already taken, this Overture be answered in the negative.

Overture No. 251, from the Presbytery of Philadelphia, regarding the use of the Bible in the public schools. Your Committee recommends the following answer:

The General Assembly desires to express its deep conviction of the importance of the use of the Bible in the public schools, without note or comment, and its regret that in many cases efforts to exclude it have been successful, and we call the attention

of the Presbytery in a special manner to the necessity of being alert, and taking such action as may be needed to preserve the use of the Bible in public schools throughout the country.

Overture No. 326, from the Presbytery of San Francisco, regarding an amendment to the Directory for Worship, as to the method of administering the ordinance of baptism. It is recommended that this Overture be referred to the Committee on Polity.

Overture No. 327, from the Presbytery of Philadelphia, regarding the ordination of local evangelists. It is recommended that no action be taken.

Overture No. 328, from the Presbytery of Tulsa, regarding a change in the Sabbath-school Lesson Helps. It is recommended that the Overture be referred to the Committee on Publication and Sabbath School Work.

Paper No. 329, referred by the Assembly to the Committee on Bills and Overtures, regarding a change in the hour for devotional services, and the request that the morning business session commence at 9 o'clock A.M., and that the time from 10.30 to 11 o'clock be set for devotional services. It is recommended, that, in order to make the devotional hour of the next General Assembly of greater value and significance, the Stated Clerk is instructed to take under careful consideration the advisability of appointing some time other than the opening hour for the devotional services of the Assembly, and by the selection of leaders, and by a complete preparation for the service before the Assembly convenes, attempt to make the devotional half-hour a time of great spiritual uplift and blessing.

Paper No. 331, from the Board of Education, with reference to moral instruction in the secular schools of the country. It is recommended that this matter be referred to the Board of Education, with the request that the subject be given proper consideration.

Overtures Nos. 270 to 273 and 274 to 293 and 320 and 321, which come from many Presbyteries widely separated, demanding a reduction in the amount of the apportionments for Assembly expenses. Three suggestions are made in the Overtures, viz.: (1) the expense of the Executive Commission, (2) the cost of Special Committees, and (3) the expenses of the General Assembly. It is recommended unanimously by the Committee on Bills and Overtures:

1. That Special Committees and the Executive Commission be entitled to draw upon the funds of the Assembly for only the expenses of their regular meetings.

2. That as the great pre-Assembly Missionary Conference, and the evenings of the days when the Assembly is in session, are given to certain of the Boards, that the interest and enthu-

siasm of the Church in its work may be aroused, it is ordered that the Reports of the Standing Committees as prepared be taken as read, and the resolutions only be read publicly. It is also ordered that only one formal address in explanation of a Report shall be made.

3. That expenses for entertainment be paid up to noon of the second Friday of the Assembly's session, if necessary, but for no longer period.

4. That since members of the Standing Committees are chosen by the electing sections, and are informed thus of their membership, in the interests of the economy of the time of the Assembly, the reading of the names of the Standing Committees be dispensed with, and that the Stated Clerk be directed to prepare printed lists at the earliest moment possible.

Respectfully submitted,

CHARLES LITTLE, *Chairman.*

The following resolutions were adopted:

Resolved, That the Mileage Committee be authorized to proceed to the payment of the bills of members of the Assembly, the Mileage being sufficient to pay said bills in full.

The Committee on Hospitality reported that 851 Commissioners were present, and that about \$17,000 would be needed to meet allowances for entertainment at \$2 per day. It was then

Resolved, That the sum of \$2 per day be allowed for the entertainment of Commissioners.

The Permanent Judicial Commission presented the following Report, which was adopted:

The Permanent Judicial Commission respectfully reports to the General Assembly as follows:

1. That the following officers have been elected to serve for the ensuing year: *Moderator*, Rev. Frank O. Ballard, D.D.; *Vice-Moderator*, Hon. Rush Taggart; *Clerk*, Rev. Robert Hunter, D.D.

2. The Assembly referred to the Commission a paper in the form of a petition or memorial from Rev. Russel Taylor, of the Presbytery of Le Vere, complaining of the action of the Board of Missions for Freedmen, and accompanied by numerous letters and other documents setting forth the details in a question involving said Rev. Russel Taylor, the Board of Missions for Freedmen, and the Presbytery of Le Vere. Inasmuch as no complaint is made or appeal taken from the action of any lower judicatory; and the petition or memorial makes no request for any definite remedial action by the General Assembly, or any

specific relief to the petitioner, it is recommended that no action be taken, and that the papers in the case be returned to the petitioner, Rev. Russel Taylor.

3. There was referred to the Commission for adjudication the complaint of the Rev. A. M. Eells, with respect to the judgment of the Synod of Kansas dismissing his complaint to that judicatory, as to the action of the Presbytery of Larned in failing to open a stated meeting of the Presbytery with a sermon. The Commission would report that in its opinion the omission of a sermon on the occasion in question was not a violation of Chapter X, Section 11, of the Form of Government of the Presbyterian Church in the U. S. A.

The language of Chapter X, Section 11, is: "At every meeting of Presbytery, a sermon shall be delivered, if convenient. . . ." Manifestly, this language allowed the Larned Presbytery, as was held by the Synod of Kansas, to determine for itself whether the delivery of a sermon at its meeting was convenient or otherwise. In support of his contention that the Synod of Kansas erred in dismissing his complaint, the complainant cites a deliverance of the General Assembly found in the *Minutes* of the meeting of 1900, at p. 977, by which it was declared that a sermon *must* be delivered at the opening of a Synod.

This deliverance of the General Assembly conforms to Chapter XI, Section 5, of the Form of Government, which provides that: "The Synod shall convene at least once in each year; at the opening of which a sermon *shall* be delivered by the Moderator, or, in case of his absence, by some other member. . . ."

It will be observed that the language of this section is mandatory. It requires that in opening the Synod a sermon shall (*i.e.*, must) be delivered; whereas, that of Chapter X, Section 11, applying to the opening of the Presbytery is not mandatory, but merely directory, leaving it to the Presbytery to determine whether the sermon shall be delivered. If, therefore, the Presbytery finds it inconvenient to have the sermon, it may allow its omission. The Permanent Judicial Commission would not be understood as advising that the delivery of the sermon at any stated meeting of a Presbytery be omitted. On the contrary, if charged with the duty of advising the Presbyteries, it would advise that the sermon be delivered, unless the inconvenience resulting from its delivery would seriously interfere with the business of the Presbytery.

The duty of the Permanent Judicial Commission, however, goes no further than to pass upon the question whether the action of Larned Presbytery in omitting the sermon on the occasion complained of was illegal. As such action was not illegal, the Synod of Kansas did not err in rendering the judgment

complained of. The judgment is, therefore, affirmed and the complaint dismissed.

CHARLES S. CAIRNS, *Moderator*;
ROBERT HUNTER, *Clerk*.

The Stated Clerk reported to the Assembly the certified record of the Permanent Judicial Commission in the case of the Presbyterian Church in the U. S. A. *vs.* Rev. William D. Grant, and delivered it to the Chairman of the Commission to read.

The Moderator read the appropriate rule and charged the Assembly to remember that it was sitting in a judicial capacity as a court of Jesus Christ.

The Report of the Commission was read, was affirmed, and then entered upon record as the final judgment of the Assembly. After the reading of the final judgment the Moderator led the Assembly in prayer.

The Record is as follows:

PRESBYTERIAN CHURCH IN THE U. S. A., APPELLANT,

vs.

REV. WILLIAM D. GRANT, PH.D., APPELLEE.

Appeal from the Presbytery of Northumberland.

The Permanent Judicial Commission, to which was referred for hearing and decision the appeal in this case, reports as follows:

The Presbytery of Northumberland preferred charges against the Rev. William D. Grant, a minister in said Presbytery, who will hereinafter be called the defendant, charging him with teaching doctrines seriously in conflict with the teachings of the Holy Scriptures as interpreted by the Confession of Faith of the Church. The Judicial Commission of the Presbytery, composed of five ministers and three elders, tried the defendant and by votes ranging from unanimity to a majority five to three acquitted him of the charges, the acquittal on the charges as a whole being by the last-named vote, and without the right of review its judgment became the judgment of the Presbytery. The Presbyterian Church in the U. S. A., hereinafter called the prosecutor, appealed to the General Assembly and filed numerous grounds of appeal and specifications of error.

After the examination of the record, we decided that the appeal should be entertained. The prosecutor appeared by counsel and members of its prosecuting committee, and the defendant by counsel and in person. Pursuant to the requirements of the Book of Discipline, the record was read and argument heard to the extent of two hours on each side, the defendant reading a written argument in his own behalf. The Committee in executive session fully considered and discussed the evidence in the case,

consisting of various written or printed newspaper articles delivered or published by the defendant, and further consisting of the testimony of numerous witnesses introduced by the respective parties. After mature deliberation the Commission voted on each and all of the grounds and specifications separately, except two, which were withdrawn by the prosecutor.

The grounds and specifications consist of two classes, one class being alleged errors of the Presbyterian Commission in the reception or rejection of testimony and other steps taken in the progress of the cause. The other class consists of alleged errors by the Presbyterian Commission in its decision on the merits of the controversy.

Alleged Errors in the Proceedings.

First Ground of Appeal:

This ground alleges that "the defendant was called upon to produce certain sermons" which he stated he could not produce. As the Presbyterian Commission took no action upon this demand and was not requested to take any, it did not, and could not have committed any error in regard thereto. This ground of appeal therefore is not sustained.

Second Ground of Appeal:

Specification No. 1. This specification alleges that the Presbytery erred in admitting the evidence of the action of the session of the church wherein the session refused to approve the election of a superintendent of the Sabbath-school. Inasmuch as it was charged in the trial of the cause that this prosecution to some extent grew out of the personal hostility of the superintendent-elect towards the defendant, because of this refusal to approve his election, we are of the opinion that it was no error to admit proof that the session did refuse to approve his election or withheld its approval. This specification is therefore not sustained.

Specification No. 2. In this specification it is alleged that the Presbyterian Commission erred in admitting a sermon of defendant, as printed in a newspaper some one or two weeks after its delivery, because, as was alleged, this publication was not a literal copy of the defendant's manuscript. As the defendant testified that the manuscript had been destroyed and that the published version of it was in substance the same as the manuscript, we are of the opinion that it was admissible and therefore the specification is not sustained.

Specification No. 3. In this specification it is assigned as error upon the part of the Presbyterian Commission that it admitted evidence in behalf of defendant of utterances of the defendant made after the prosecution was instituted. We are

of the opinion that these utterances were inadmissible and this specification is sustained.

Third Ground of Appeal:

Specification No. 1. This specification insists that the Presbyterian Commission erred in excluding as evidence a published discourse entitled "A Capital Crime," the objection to it being that the Presbytery had knowledge of the publication more than one year prior to the time the prosecution was instituted. We are of the opinion that under Rule 117 of the Book of Discipline there was no error in excluding the paper, as a basis of prosecution. The paper had been before the Presbytery more than one year prior to the beginning of this case. This specification is therefore not sustained.

Specifications Nos. 2, 3, 4, 5 and 6.

These specifications allege that the Presbyterian Commission erred in excluding the evidence of various witnesses offered to prove utterances made by the defendant more than one year before the prosecution was instituted, the prosecutor insisting that the Presbytery had not been informed of such utterances until within one year of the beginning of the case. The only evidence offered to show that Presbytery had known of the utterances more than one year was contained in a letter presented to the Presbytery, in which the writer, after referring to the article entitled "A Capital Crime," adds that "There are other instances which can be corroborated and given by the members and elders from this section in attendance at this meeting of Presbytery."

We are of the opinion that so general and indefinite a statement made to the Presbytery did not convey knowledge of these utterances to the Presbytery in the meaning of Rule 117 of the Book of Discipline, and therefore we think there was error in excluding the testimony, and the specifications are sustained.

Fourth Ground of Appeal:

In this ground of appeal it is insisted that a member of the Presbyterian Commission manifested prejudice against the prosecutor and in favor of the defendant. As the prosecutor did not object to this Commissioner's sitting in the cause, but on the contrary at a subsequent stage of the proceedings declined to object to his voting, all objection to his competency was waived. Therefore this ground of appeal is not sustained.

In concluding our decision upon this class of specifications of error, we wish to add that for reasons which will hereinafter appear, the Commission is of the opinion that all of the said rulings of the Presbyterian Commission, whether correct or

erroneous, are not such as to affect the result in this case and are therefore immaterial.

Alleged Errors in the Finding of the Presbytery on the Merits of the Case.

These alleged errors arise under the Fifth Ground of Appeal. Specifications 4 and 5 under this ground were withdrawn by the prosecutor and therefore are not considered.

Specification No. 2 alleges that Presbytery erred in not finding that "In certain printed matter, in pulpit utterances and in conversation, the Rev. William D. Grant has committed the offense of discrediting the Deity of the Lord Jesus Christ." The words "divinity" and "divine", so lightly and freely applied in our day to a variety of persons and to humanity itself, are not withheld in the teachings of the defendant from Christ also. But we do find those teachings fail to ascribe to Christ attributes, and positively call in question the Deity, which belong to Him as the Only Begotten Son of God, distinguished immeasurably from the holiest and wisest of men. This specification is accordingly sustained.

Specification No. 3. In this specification the prosecutor insists that the Presbytery erred in not finding that "In certain printed matter, in pulpit utterances and in conversation the Rev. William D. Grant, Ph.D., has committed the offense of discrediting the doctrine of Christ's mediatorial office."

The sacrificial and atoning death of Christ which occupies such a commanding place in the New Testament and has such a preponderating influence in the faith of the Church, is denied in the public teaching of defendant. Not only is Christ's mediatorship weakened by doubts raised concerning His person, but positive declarations appear which disparage faith in the existence of it or the need for it.

This specification of error is accordingly sustained.

Specifications Nos. 4 and 5, as before stated, were withdrawn.

Specification No. 6. In this specification it is stated that, "In certain printed matter, in pulpit utterances, and in conversation, the Rev. William D. Grant, Ph.D., has disseminated views which discredit the Holy Scriptures as the Word of God written, immediately inspired and the rule of faith and life."

We find from the evidence that without doubt the defendant did teach in a manner that impugns the veracity of both the Old and the New Testaments, and divests them of authority.

Specification No. 6 is therefore sustained.

Specifications Nos. 1 and 7. As each one of these specifications is in substance the same as Specifications 2, 3 and 6, it

results from the above findings that they should be, and they are, sustained.

Our conclusions as to the erroneous character of defendant's teaching have been reached without any reference to testimony alleged to have been erroneously admitted and are based solely upon testimony whose competency is unquestioned, and they would not be affected by the testimony alleged to have been erroneously excluded.

This unquestioned evidence taken together, both in its documentary and oral form, constrains the Commission to reverse the judgment of the lower judicatory and it is hereby reversed.

From all the evidence in the case we find that the defendant, having taught doctrines contrary to the Word of God, and which tended to mar the spiritual edification of his hearers, is guilty of an offense within the meaning of our Book of Discipline.

The Commission would not be understood as questioning any man's right to interpret for himself the teachings of the Holy Scriptures, but does believe that no minister is entitled to maintain his status as a minister of the Presbyterian Church in the U. S. A., and at the same time as such minister, teach doctrines, fundamental in their character, which are contrary to the doctrines of the Confession of Faith of the Church. The doctrines in question, in the opinion of the Commission, lie at the very foundation, not only of the faith of the Church, but of the Christian religion.

Judgment.

And the Permanent Judicial Commission, having set forth its finding and its reasons therefor, comes now to enter judgment thereon, and does hereby suspend from the exercise of the functions of the office of a minister of the Gospel, William D. Grant, the said appellee and defendant, until such time as he shall make manifest, to the satisfaction of the Presbytery of which he is a member, his renunciation of the errors he has been found to hold and teach, and his solemn purpose no longer to teach or propagate them. And it is ordered that the Stated Clerk of the General Assembly transmit a certified copy of this judgment and of the foregoing findings to the Presbytery of Northumberland, to be made a part of the record in this case. It is also ordered that a copy be furnished to the appellee, the Rev. William D. Grant, Ph.D.

Conclusion.

We cannot close this Report without expressing the hope that the defendant may, by a further and prayerful study of the Word of God, come to a realization of the errors into which he has fallen, and may very soon be able to claim, at the hands of his

Presbytery, a termination of the suspension herein imposed. To this end he is entitled to, and doubtless will receive the sympathetic prayers of his brethren.

CHARLES S. CAIRNS, *Moderator*.

ROBERT HUNTER, *Clerk*.

Hon. William Jennings Bryan was introduced to the Assembly, and spoke a few words of greeting.

The order of the day, the Report of the Committee on Bills and Overtures, on *Overtures 239 and 240*, from the Presbyteries of Iowa and West Jersey, asking the Assembly to consider certain publications by Rev. Francis Brown, D.D., and Rev. William Adams Brown, D.D., was taken up. The amendment offered yesterday to the Report was, by permission of the Assembly, withdrawn. The following substitute was presented and adopted:

Resolved, 1. That the Assembly reaffirms the doctrinal deliverances of the General Assembly of 1910, as interpreting the faith and doctrine of our Church.

Resolved, 2. That we admonish all ministers in our Church to refrain from giving utterance to sentiments which unsettle the Church, and which are in conflict with the Standards of the Church.

Resolved, 3. That no further action be taken.

The following was adopted:

Resolved, By the General Assembly of the Presbyterian Church in the United States of America, that it heartily approves the attempt to secure an amendment to our National Constitution prohibiting polygamy and polygamous living in the United States.

It appreciates the favorable action that a large number of our State Legislatures have taken in this matter, and urges the remaining Legislatures to take similar action.

It calls the attention of the National Congress to the importance of this matter, and urges them to take whatever action is necessary to the securing of this amendment.

It urges all good citizens everywhere to do all in their power to advance this cause.

It was *Resolved*, That the term of service of new members of the Executive Commission shall begin with the close of the business sessions of the second Friday of the Assembly electing them.

The Report of the Executive Commission on Reduced Representation was made the order for 2.30 o'clock P.M., to be followed

by Reports on (1) Theological Seminaries; (2) Benevolence; (3) Canvass of Overtures; (4) Supplementary Report on Ministerial Relief; (5) Education.

The Assembly took recess, and was closed with prayer.

FRIDAY, May 26, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The following was adopted:

Resolved, That the Stated Clerk, in conjunction with the Board of Home Missions, be requested to arrange a suitable place, in the programme of the next General Assembly, for the consideration of the interests pertaining to the Country Church, the City Problem, and Interchurch-Federation.

The Executive Commission presented a Report on *Overtures Nos. 128 and 129*, from the Presbyteries of Nebraska City and Niobrara, referred to it, which was adopted as follows:

These Overtures request that the Budget Apportionments be sent direct to the Synods from the Executive Commission, in place of being sent directly to the Presbyteries. The following reply is recommended: That while the Constitution of the Executive Commission requires the sending of the apportionments directly to the Presbyteries, the General Assembly hereby instructs the Executive Commission to send the Budget Apportionments to the Executive Commissions of the Synod, as well as to the Presbytery.

The Executive Commission also submitted the following:

The vote of the Presbyteries on the change in the ecclesiastical year having been referred to the Executive Commission by the Assembly, the Commission submits the following paper:

WHEREAS, The General Assembly of 1910 directed that the ecclesiastical year should be changed so as to extend from January 1 to December 31, the change to take effect January 1, 1912; and

WHEREAS, There was later in the session a change in the opinions of the members of the Assembly, as shown by the fact that a majority, but not two-thirds, voted for a reconsideration; and

WHEREAS, An inquiry sent down to the Presbyteries, asking for an expression of approval or disapproval of the change, has been answered by 133 in terms of disapproval and by 67 in terms of approval; therefore be it

Resolved, That the Assembly rescinds the action of the Assembly

of 1910, by which the change was ordered, leaving the ecclesiastical year, as at present, to extend from April 1 to March 31.

The following was adopted:

Resolved, That if it is agreeable to the Hon. William Jennings Bryan, an opportunity be given at the close of the popular meeting this evening for those in attendance to meet him personally.

The seats set aside for Commissioners were ordered reserved this evening until 8 o'clock for them and their families.

The order of the day, the Report of the Executive Commission on Reduced Representation, was taken up. The Assembly declined to send down to the Presbyteries either of the two plans recommended, and the following was adopted:

Resolved, That an Overture be sent down to the Presbyteries in these terms:

The General Assembly, under the provisions of Chapter XXIV of the Form of Government, Section 1, proposes to the Presbyteries a change in the Form of Government, Chapter XII, Section 7, so that the first sentence shall read, "The General Assembly shall meet at least once in every two years." The Section now reads, "The General Assembly shall meet at least once in every year." It is ordered that the Stated Clerk transmit this Overture to the Presbyteries in due form and that answer be made to the General Assembly of 1912.

The Moderator was appointed, by motion duly made, one of the three pastors added to the Committee on an Intermediate Catechism.

The Executive Commission presented Chapter XI of their Report. Resolutions 1, 2 and 3 on p. 150 were adopted. Also Resolutions 1, 2 and 5 on p. 167, and 6, 7 and 8 on p. 166. Resolutions 3 and 4 on p. 165 were referred to the Executive Committee to be appointed by the Boards and the Commission jointly.

Under Chapter XI-9, Resolution 1 on p. 167 was adopted, and Resolutions 2 and 3 were stricken out.

Under Chapter IV, the Assembly approved the action of the Executive Commission.

Under Chapter V, the resolutions in Sections 2, 5 and 6 were adopted.

The Report as adopted was approved as a whole, and is as follows:

The Executive Commission respectfully presents to the General Assembly its Third Annual Report. The items of business are presented successively:

- | | |
|----------------------------------|----------------------------------|
| I. Meetings. | VII. Minutes and Reports. |
| II. Membership. | VIII. Institutions for Students. |
| III. Visitation and Conferences. | IX. Interchurch Coöperation. |
| IV. Litigation. | X. Rearrangement of Boards. |
| V. Finances. | XI. The Budget Committee. |

I. MEETINGS.

The Commission has held meetings as follows: Atlantic City, N. J., May 18-27, 1910; Philadelphia, Pa., July 19, 20, 1910; Chicago, Ill., November 15, 16, 1910; New York City, N. Y., February 28 to March 2, 1911; and Pittsburgh, Pa., April 20, 1911.

II. MEMBERSHIP.

The term of service of the following class of members expires with the present Assembly, viz.: *Ministers*—Rev. J. D. Moffat, D.D., LL.D., Rev. W. H. Black, D.D., LL.D., Rev. W. H. Hubbard, D.D.; *Ruling Elders*—J. Willis Baer, LL.D., Hon. L. P. Padgett.

The action of the Assembly makes these brethren ineligible to réelection for the space of three years. The provisions for the nomination and election of the members of the Executive Commission were adopted by the General Assembly of 1909, and are to be found in the *Manual* of the Assembly, p. 39.

III. SYNODICAL VISITATION AND SUMMER CONFERENCES.

The visitation of the Synods was undertaken by the Commission in the same manner as last year, and a majority of the Synods were addressed by its members. A former member of the Commission, Rev. Robert Watson, D.D., placed himself at the service of the Commission for this work, and we express our appreciation of the service rendered by him. We believe that the visitation of the Synods was profitable in many ways to the Church.

The Commission also arranged for Summer Conferences at Montreat, N. C., with the Permanent Committee on Systematic Beneficence of the Presbyterian Church in the U. S.; at Stony Brook, N. Y., with the Committee on Evangelistic Work; with the Winona Assembly and Summer Schools, at Winona, Ind.; and with similar gatherings at Lebanon, Tenn., and Hollister, Mo. These conferences were attended by the Moderator or by members of the Budget Committee, and were, it is believed, conducive to the welfare of the Church.

IV. REUNION LITIGATION.

The Assembly of 1910 considered the matter of the expenses of the litigation connected with the Union and Reunion of the Cumberland Presbyterian Church with the Presbyterian Church in the U. S. A., and took the following action:

"WHEREAS, By virtue of the Union and Reunion of the Presbyterian Church in the U. S. A. and the Cumberland Presbyterian Church, the Reunited Church has become possessed of property rights and succeeds to the denominational trusts therefrom arising; and,

"WHEREAS, In protection thereof, litigation has been or may become necessary, and the expense of such litigation as may be authorized by our Church is a proper charge on the funds of the General Assembly, to the extent that the rights of the Assembly or of the Reunited Church are involved:

"Resolved, 1. That the litigation authorized by the Executive Commission, by virtue of its power to act in the name of the Assembly in cases of emergency, be approved, and the acts, in that regard, of such Executive Commission or of the Committee on Legal Matters connected with the Reunion, as reported to this Assembly, be and the same hereby are endorsed and ratified.

"Resolved, 2. That it be referred to the Executive Commission, with power, to ascertain and determine what share the Presbyterian Church in the U. S. A. ought to bear in the expenses already incurred and still unpaid in the Church Union suits, and also to audit and order paid the legal expenses of the litigation already authorized by said Commission, or, at their direction, by said Committee on Legal Matters, or which they may hereafter so authorize.

"Resolved, 3. That such share of past expense so determined, and such expenses so to be audited, be paid from the balance, if any, of the Assembly's funds available; provided, always, that, if direct appropriation shall be made to the Committee on Legal Matters connected with the Reunion, such payments be made first out of such appropriation."

By virtue of the authority thus given, the Executive Commission considered at its meeting in Philadelphia, Pa., July 19, 20, 1910, the expense incurred by the Committee on Legal Matters connected with Reunion, for the salary, etc., of John M. Gaut, Esq., general counsel for said Committee. The Budget Committee of the Commission reported fully on this whole subject, and stated that it was quite clear that Judge Gaut had been and was acting as the legal counsel of the whole Church, and that the Church should recognize his salary and the necessary expenses, as a debt to be discharged by the General Assembly out of any funds under its control. The Committee also considered the

question, out of what funds of the Church the debts should be paid, and reported that there was no general fund which may be appropriated for any general purpose at the will of the Assembly, except the surplus that may be in its treasury. This surplus from different sources enters into the Contingent Fund of the Assembly, and it is clearly available for the payment of this debt, when so appropriated by the Assembly, but it happens now not to be sufficient. It was further clear to the Committee on Budget that the Board of Publication might properly appropriate money for a payment of a share of these legal expenses, for they were incurred in the effort to hold, as the property of the Church, the Publication Building in Nashville, as well as other church buildings. The relation of the Board of Church Election to this litigation is not so clear, though the saving of the title of the Presbyterian Church to more than \$2,000,000 worth of the buildings of congregations in the seven States, in which our legal claim has been recognized, involves freedom from the necessity of erecting more than \$2,000,000 worth of new church buildings, toward which our Board of Church Election would have been called upon to contribute to the utmost of its resources.

The Commission, by due action, authorized the Stated Clerk of the Assembly to pay the balance due to John M. Gaut, Esq., on June 1, 1910; said balance to be determined by the Finance Committee of the Commission, after conference with the Committee on Legal Matters, out of money which the Stated Clerk has been authorized by the Assembly to borrow to meet the contingent needs of the Assembly.

In reference to this account of John M. Gaut, the Commission reports that it was paid by the Stated Clerk, after action had by the Committee on Legal Matters connected with Reunion. Said Committee appointed a Committee of Audit. The report of the Committee of Audit was submitted to the Commission, at its meeting in Chicago, Ill., November 15, 16, 1910, and an abstract of the Report will be found in the Report of the Committee on Legal Matters.

The matter of contributions to the expenses of litigation by the Boards of Church Election and Publication was referred to a Committee consisting of the Chairman of the Finance Committee, Mr. Henry B. McCormick, and the Stated Clerk of the General Assembly. This Committee interviewed Committees representative of both Boards. The Board of Church Election declined to contribute, on the ground that under its charter it is not permitted to make such contributions. The Board of Publication requested to be relieved from making contributions because it is conducting, at its own expense, a very important part of the litigation arising out of the Reunion, and that it is liable for

further expenditures for the same purpose. The Commission accepted these replies as sufficient at the present juncture.

The matter of the expenses connected with the suit entitled "*Barkley et al. vs. Hayes et al.*," affecting the title of church properties in the Synod of Missouri, was brought before the Commission by the Rev. S. J. Niccolls, D.D., as representing the Synod and the Advisory Committee of the Synod. This suit was authorized to be brought by the Executive Commission, and report thereupon was made to and approved by the General Assembly of 1910. The following resolution was adopted:

WHEREAS, Suit has been brought in the name of the Church as a whole by Frank Hagerman, Esq., in the United States Court for the Western Circuit for Missouri, known as the case of *Barkley et al. vs. Hayes et al.*, therefore

Resolved, That the sum of \$2,000 be appropriated from money to be borrowed by the Stated Clerk toward the expenses of the said suit; that the Chairman of the Finance Committee countersign the note or notes for such loan, that the bills already incurred to the amount of \$1,514 be paid out of this loan by the Committee on Legal Matters, and that the balance be under the direction of the Finance Committee of this Commission, subject to the order of the said Committee on Legal Matters.

V. FINANCES.

The Commission reports as to financial matters as follows.

1. The General Assembly of 1910, on the recommendation of the Mileage Committee, took the following action:

"The Mileage Committee, in considering the expenses of the Assembly *ad interim*, desires to state that it understands that the Assembly has voted that the expenses of the Executive Commission, during the year, be all paid out of the $\frac{3}{4}$ cent per capita appropriation which was duly voted, and in addition from the \$3,000 to be furnished by the Boards. On this understanding the Mileage Committee asks that payment of mileage bills be authorized to begin." (*Minutes*, 1910, p. 137.)

In view of this action, and as it affected both the status and the finances of the Executive Commission, the following paper was adopted by the Commission, May 16, 1910:

"The Finance Committee presented a Report which was adopted as follows:

"Misapprehension having arisen as to the status of the Assembly's Executive Commission, and as to its relation to certain funds and their expenditure, the Commission hereby respectfully represents:

"1. That it is not a Special Committee, but a constitutional Commission of the Assembly. (*Minutes*, 1908, p. 156.)

"2. That its expenses for meetings and the incidentals of its general work are provided for by action of the General Assembly as follows: 'The necessary expenses of the Commission and of its members shall be paid by the Treasurer of the General Assembly.' And these expenses have hitherto been paid, properly, out of the Contingent Fund of the Assembly; and the payment has been approved by the Assembly.

"3. That a certain fund of ten thousand (\$10,000) dollars appropriated by the General Assembly of 1910 'to meet the necessary expenses of the Commission in carrying out the details of its plans,' viz., 'the plan of the Commission for carrying its financial campaign into every church,' etc., was proposed and recommended to be granted by the said Assembly for the said special uses by this Commission, with such intent as that the Commission might, without embarrassment and delay, prosecute its work without waiting the grants of any other agencies of the Church whatsoever; and, on such proposal and recommendation, the Assembly did make the appropriation with the intent as aforesaid.

"4. That the Commission in interpreting the meaning of the General Assembly is not exercising functions *ultra vires*. It has been called upon previously for such interpretation. It has given such interpretation, and the interpretation has been approved by the General Assembly. (*Minutes, 1910, pp. 79, 80.*)"

2. The General Assembly, on the recommendation of the Mileage Committee, took the following action:

"Because of the increased charges for railroad transportation, and in view of the appropriation of funds by the Assembly for various purposes, there is need for an increase in the apportionment by two cents per capita.

"Further, by reason of the fact that the apportionments are not payable until May 1, 1911, or thereabouts, it is recommended that the Stated Clerk be and he hereby is empowered to borrow sums sufficient to meet any financial emergency, subject to the consent and direction of the Executive Commission."

The Commission reports that it directed the Stated Clerk to borrow moneys from time to time as the need might arise. The total loans up to April 19, 1911, were \$19,000. Of this amount \$3,000 was assigned to the Permanent Finance Committee—\$7,953.54 for litigation expenses, and \$5,974.67 for the field work of the Commission. A detailed statement will be found in the Report of the Stated Clerk to the Assembly on this subject. The Commission respectfully requests the passage of the following resolution:

"*Resolved*, That the Stated Clerk be and hereby is authorized to pay the loans, to the amount of \$19,000, due at the Third National Bank, Philadelphia, Pa., June 5, 1911, out of any funds

in his hands or in the hands of the Permanent Committee on Finance."

3. The Committee also reports that it received from the Boards of the Church, during the year, the sum of \$3,000, in accordance with Resolution No. 6 of the General Assembly, found in the *Minutes* of 1910, p. 98. This money was expended for the printing and distribution of literature in the interest of Systematic Beneficence. In the Report of the Treasurer of the Commission, this item of the business will also be covered.

4. Further, the Commission reports that at its meeting at Chicago, Ill., May 16, 1910, it took the following action:

"*Resolved*, That the Secretary of this Commission be and is authorized to open an account as Treasurer of the Commission, and be and is authorized to secure from the Stated Clerk of the Assembly the sum of \$10,000 as per the resolution of the General Assembly for the general use of the Commission, and also to secure from the Finance Committee of the General Assembly from time to time such sums of money from the Contingent Fund of the General Assembly as may be necessary to pay the traveling expenses of the members of the Commission, and further be it

"*Resolved*, That the Treasurer of this Commission be and hereby is authorized and instructed to pay out of the \$10,000 appropriation by the Assembly, the expenses of the Commission necessary to carry out the details of its financial plans. Said payment shall be paid upon the warrant of the Chairman of the Finance Committee of the Commission."

5. The Commission would also report that in addition to sums already paid in for expenses in litigation, the sum of \$1,250 will be due to John M. Gaut, Esq., general counsel for the Committee on Legal Matters connected with Reunion for six months ending June 1, 1911. There will also be a sum due him for expenses. The following resolution is recommended for adoption:

"*Resolved*, That the Stated Clerk be and hereby is authorized to pay to John M. Gaut, Esq., general counsel, the sum of \$1,250 and also the amount of his expenses; the payment being for his salary and expenses for six months ending June 1, 1911."

6. As already stated, the General Assembly requested the Presbyteries to contribute the sum of $\frac{3}{4}$ cent per capita per communicant for the expenses of the financial campaign to be conducted by the Executive Commission during the year. In view of the fact that a large part of the \$10,000 thus secured must be repaid, the money having been borrowed to meet the demands of the campaign just referred to, and inasmuch as the money was voted and collected for the uses of the Commission, it is respectfully recommended that the following resolution be adopted:

"*Resolved*, That any surplus, over and above the cost of the financial campaign conducted by the Executive Commission

during the past year, remaining from the apportionment of $\frac{3}{4}$ cent per capita voted by the last Assembly to said Executive Commission, be placed to the credit of said Commission by the Stated Clerk of the Assembly and paid to the Treasurer of the Commission."

VI. REDUCED REPRESENTATION.

[This part of the Report was not adopted.]

VII. PUBLICATION OF THE MINUTES OF THE GENERAL ASSEMBLY AND THE REPORTS OF THE BOARD.

The Commission having received from the General Assembly an overture from the Presbytery of Portland, with reference to the subject of more prompt publication of the *Minutes* of the Assembly and the *Reports* of the Boards, offers the following statement, which was submitted by the Stated Clerk:

With reference to the *Overture* of the Presbytery of Portland on the subject of the more prompt publication of the *Minutes*, it is respectfully stated:

1. That the *Minutes* for 1910 contain 1,070 pages, including 364 pages of tabulated figure work, which is exceedingly difficult both for proof-reading and indexing. The volume is larger by far than any other ecclesiastical *Minutes* published. The *Minutes* of the Southern General Assembly for 1910, for instance, cover 285 pages, and the *Minutes* of the United Presbyterian Assembly 302 pages.

2. The copy of the *Minutes* for this General Assembly was delivered in final MS. shape as follows, viz., Journal of Proceedings, June 2, 1910, and the last of the Statistical Reports about June 8, 1910. The last pages of the proofs were read August 2, 1910, and the *Minutes* began to be distributed on August 8. The average proof-reading daily was twenty pages. The total time from first copy to receipt of bound volume was about ten weeks, or, leaving out Sundays, sixty days of actual working time.

I do not like to indulge in comparisons, but the work on the *Minutes* of our Assembly was considerably quicker than the work on other similar volumes.

3. It is to be remembered that there are now nearly 10,000 ministers in the Church and that each of them is entitled to a copy of the *Minutes*, and that the addressing and wrapping necessarily take at least two weeks. The *Minutes* were practically all distributed by August 25.

4. With reference to the Reports of the Boards, it is stated that it has been the desire each year to have them out of the way before the *Minutes* are completed. It has been impossible to accomplish this result, owing to the fact that some one or other

of the Boards has always been late with the revised edition, which is the one issued to the Church after the Assembly. The past year one of the larger Boards was behind with its Report, and I found that to give it the right of way would necessitate a delay on the *Minutes* of from a week to ten days in the bindery. As customary, I gave the order to the binder and printer to give the right of way to the *Minutes*. The distribution of the *Reports* was not completed until early in September, but ought to have been completed before July 5, and would have been had the request made been complied with.

Respectfully submitted,

WM. H. ROBERTS, *Stated Clerk*.

In view of the widespread demand on the part of the ministers and churches that the *Minutes* and the *Reports* of the Boards be more promptly published, the Commission makes the following recommendation:

I. *Resolved*, That all of the Boards and Permanent Committees reporting to this Assembly be and hereby are instructed to prepare abstracts of their Annual Reports for insertion in the Blue Book of each ensuing Assembly, and that these abstracts be delivered not later than April 20, of each year, to the Stated Clerk and by him be printed in the General Assembly's Blue Book.

II. *Resolved*, That each and all of the Boards and Permanent Committees reporting to the Assembly be and hereby are instructed to make final delivery of all Reports to the Assembly in suitable form for binding, on or before June 25 of each year, and that the Stated Clerk of the General Assembly be authorized to proceed immediately thereafter to the binding and distribution of such Reports as may be in his possession at that time.

VIII. INSTITUTIONS FOR STUDENTS.

[This part of the Report was referred to the Committee on Bills and Overtures.]

IX. INTERCHURCH COÖPERATION.

The Assembly referred to this Commission certain Overtures forwarded to it by the Council of the Reformed Churches in America holding the Presbyterian System. The Churches in this Council are six in number. The Presbyterian Church in the U. S. A., the Presbyterian Church in the U. S., the United Presbyterian Church, the Associate Church of the Reformed Synod of the South, the Reformed Church in America, and the Reformed Church in the U. S. The Commission at its meeting, July 19, 1910, adopted the following:

1. That the Overtures submitted by the Council of Reformed

Churches in the United States to the General Assembly and by the Assembly referred to this Commission be approved.

2. That the various agencies of our Church engaged in Foreign Missions, Home Missions, Work among the Colored People, Church Election, Sunday-school Work and Education, be each authorized by this Commission to arrange a conference with the analogous agencies in the bodies constituting the Council of Reformed Churches, that they may together consider closer coöperation in the lines of work in which these several Churches are engaged.

That the Overtures be and are hereby included in the action.

The Executive Commission was informed by the Stated Clerk of the Council of the Reformed Churches in America, that the Council held conferences in Philadelphia, Pa., February 15, 16, 1911, with the Boards and other agencies of the Churches constituting the Council, and that the results were highly satisfactory. The action of the Council on the Conferences will be reported to the General Assembly by its own officers. The Overtures approved will be found in the Appendix to the *Minutes* of this Assembly, for 1910, pp. 300, 301.

X. REARRANGEMENT, ETC., OF THE BOARDS.

For five or six years, through overtures, committees of investigation, public addresses, newspaper articles, and private conversations, the Presbyterian Church has been voicing its desire for simplification, unification and centralization, and also for coöperation, solidarity and mutuality. This question was gone into with great patience by the Committee on Administrative Agencies, and their work resulted in the concentration and consolidation of one phase of the Church's benevolent work, through the organization of the Assembly's Executive Commission, and the subordinate Executive Commissions of Synods and Presbyteries. This resulted in the devising of the Budget System of collections, which is a method of collecting that makes the Kingdom of God paramount, and the administrative agency, of whatever sort, subordinate to the great general cause. It does not ignore the needs of the work represented by these various benevolent agencies, but it unifies them at the collection end of the line into one method of raising funds for the cause of all. But this is only half the work, though the most important half. The next step is the rearrangement of the administrative agencies, so that there will be greater unity and mutuality among the Boards and among those who represent various benevolent interests. Your Executive Commission has been intrusted with this phase of the problem, and it has given two years of careful consideration, involving travel, conferences with the Boards and

Agencies, much correspondence, expert legal advice, and a good deal of work. Whether we shall bring forth anything after our labors worthy of the cause and of the times will be for you to determine. The following language is the expression of the General Assembly's instructions on the subject of consolidation:

Resolved, That the Boards of Home Missions, Church Erection, and Freedmen, if the way be clear, should be either consolidated, merged or so rearranged that their general direction and supervision may be brought under one general control, and that further time be given to the Executive Commission in order to determine, with the advice of expert counsel, what form such proposed rearrangement or consolidation shall take, and also the rearrangement or consolidation of any other Boards or agencies of the Church, if the same should be found feasible, and, when so determined, to report the same to the General Assembly."

In our investigations, for light and principles to govern us, in the effort to find out a satisfactory solution of the problems before us, we have had the earnest coöperation of all the Boards and Permanent Committees of the Church and of the officials of these Boards. The legal counsel of the various Boards and Committees have advised us in most carefully prepared briefs bearing on the subject. This was not only accorded to us as a Committee, but our attorneys, Miller, Shirley, Miller & Thompson, of Indianapolis, Ind., whom we employed under the Assembly's authorization, testify to the uniform courtesy with which they have been received, and the great pains that have been taken to facilitate their work as lawyers.

X-1. REARRANGEMENT OF THE BOARDS.

We feel, in view of the above, that we are able to lay before the General Assembly a fully matured, if not satisfactory plan of rearrangement. It is fully matured because, as we are advised by our attorneys, it is a way by which the unity of the benevolent work of our Church can be secured without endangering the vast holdings now in the possession of these Boards and benevolent agencies. Miller, Shirley, Miller & Thompson say:

"Aside from the question of legal consolidation, it is, we think, possible to secure more compact and uniform administration under the direction of the General Assembly than now exists. This might be accomplished by having the same Board of Trustees selected to administer the affairs of all or any number of the respective corporations; and those Boards of Trustees (all being subject to election by the General Assembly), might be chosen with respect to a certain definite policy dictated by the General Assembly or its Executive Commission, and with

reference to the selection by the Trustees so chosen of the same executive officers, as far as practicable, to administer the affairs of the respective corporations."

It may not be satisfactory, however, because we have found that there are legal barriers in the way of a legal consolidation of the Boards, and that, therefore, the only consolidation which is feasible is a consolidation in the personnel of the Boards' members—through such an intersphering of the membership of the Boards as to make two or three Boards out of one group of persons. This does not interfere with the legal entity known as this or that Board, but it makes the several entities one in the persons of their Directors, and thereby brings them "under one control."

In justice to the views of some of the members of the Executive Commission, it is necessary to state that in their opinion, instead of the above suggested plan to rearrange the Boards, we have a sufficient plan already in the power of the Executive Commission of the General Assembly. Through the coöperation and counsels of the Assembly's Executive Commission, some appearances of competition and of undue overlapping of work have been corrected. With the further development of the Commission's plan, systematic giving on the part of the churches will be more generally practiced than ever before, and we may hope for the approach of the time when representatives of the Boards can tell the churches of the wonderful work they are doing, and leave the securing of funds to the membership of the churches that have adopted systematic giving as an act of worship. Without attempting to exercise any authority, but by sincerely coöperating with the Boards, these Boards have been led to coöperate with one another as perhaps never before, and are devising plans for exhibiting to the whole Church that they are not competitors for favors, but agencies of the Church for doing benevolent and missionary work, in which every church member should be equally interested.

It is for the General Assembly to say whether the methods already in vogue in the Executive Commission are adequate to secure that degree of unity, coöperation, harmony and efficiency which is desired, or whether these ends can be better secured by the intersphering of the membership of the Boards so as to make two or three Boards out of one group of persons, as advised by our legal counsel, and as recommended by the last General Assembly, that they be "so rearranged that their general direction and supervision may be brought under one general control."

The details of the plan of rearranging the Boards so as to federate them in their membership, instead of in their legal entity, and thereby bring them under one general control, is outlined further along in this Report.

X-2. THE BUREAU OF SOCIAL SERVICE.

Concerning the resolution presented to the last Assembly by the Committee on Social Service, and which is found on page 232 of the *Minutes* of the General Assembly of 1910, as follows:

"4. That the General Assembly appoint a Bureau of Social Service, composed of ministers and elders, to serve without salary, whose duty it shall be to coöperate with similar organizations of other Churches, to study social conditions as they are related to the progress of the Kingdom of God, to suggest to the Church practical ways of realizing the social ideals of the Gospel, and to report annually to the General Assembly regarding its work; and that to this Committee there be given also the duties now performed by other agencies of the Church which deal with social and moral questions, such as the Permanent Committees on Temperance and on Sabbath Observance, and the Department of Church and Labor of the Board of Home Missions, so that the whole matter of social righteousness may be treated in its entirety by one agency of the Church. This recommendation was referred to the Executive Commission, to report."

We have considered it to the best of our ability, and have made our recommendation in the light of the Church's expressed desire for a reduction of benevolent agencies, rather than for an increase of the same.

We feel impelled, in view of the very earnest desire of some of our brethren for a separate Bureau of Social Service, independent of any other existing agencies, to say that we do not think anything of great importance will be gained by making it an independent Bureau. With the desire of the Church that there should be a reduction of agencies, we feel that the efficiency of the Bureau of Social Service, and the desire of the Church for simplification and unity, can both be conserved by making the Bureau a department of the Board of Home Missions. There it could be given all the advantages of expert direction through the man chosen as the head of this particular Bureau. It could secure the counsel of eminent specialists on the various branches of its work by correspondence, or by organization of an Advisory Council on Social Service, after the manner of the Advisory Council on Church Extension, without thereby erecting a different administrative Board or Council. Of course, the work of the Home Board involves many and different problems from those of social service, but there is nothing in this work that is incompatible with the main purpose of the Home Board; the building up of the cause of Christ in our own nation.

The objection which has been urged that the Home Board is already overloaded, we feel is not very serious. A university president and board of curators do all the work of the university,

overseeing, unifying and administering all its various functions, though a university comprises many different professional schools and educational agencies. There is no reason, therefore, why the administrative head of the Board of Home Missions should not be as capable, and as versatile, and as efficient as a university president, nor that the Board of Home Missions should not be as capable and as efficient as a board of university curators. We, therefore, make this recommendation with confidence.

X-3. PLANS OF REARRANGEMENT.

SO AS TO BRING RELATED BOARDS, ETC., UNDER ONE GENERAL CONTROL.

The form of consolidation herein outlined is the consolidation of administrations.

“By having the same Board of Trustees selected to administer the affairs of all or any number of the respective corporations; and those Boards of Trustees (all being subject to election by the General Assembly), might be chosen with respect to a certain definite policy dictated by the General Assembly or its Executive Commission with reference to the selection by the Trustees so chosen of the same executive officers, as far as practicable to administer the affairs of the respective corporations.”

In view, therefore, of what is said in the first pages of this Report and of these suggestions of our legal advisers, we submit the following plan by which the Church Boards may be rearranged:

a. Federated Group No. I.

We submit that the management and administration of the Board of Home Missions, and the Board of Church Election, and the Board of Missions for Freedmen may be rearranged and unified in the following manner:

1. Since the membership of the Board of Home Missions is 30; that the Board of Church Election may be increased from 23 to 30; and that the Board of Home Missions for Freedmen may be increased from 15 to 30.

2. That the same persons who are chosen as the members of any one of these Boards may be the same as those who are chosen as the members of the other Boards, so that the Boards, while different as legal entities, will be the same in the personnel of their membership.

3. That the Board of Home Missions, Church Election, and Freedmen so constituted may choose the executive officers or Secretaries of the three Boards so as to secure unity, economy, harmony, coöperation and efficiency in the management and administration of the benevolences thus federated or rearranged.

4. That for the present the executive officers or secretaries

now in office may be continued for one year beginning with the next election, so as to secure the services of men who are thoroughly familiar with the work of these Boards.

5. That the Executive Commission of the General Assembly may be instructed and empowered to do each, any, and all things necessary to effectuate the above plan and purpose as to the Board of Home Missions, the Board of Church Erection, and the Board of Home Missions for Freedmen and to designate the ranking or general secretary of the Group, with the advice and counsel of the said Boards and report to the next General Assembly.

6. That the Board of Home Missions, the Board of Church Erection, and the Board of Freedmen may be instructed to coöperate with the Executive Commission of the General Assembly, that there may be no unnecessary delay or friction in effectuating the above plan and purpose of federation and unification, if same is adopted by the General Assembly.

b. Federated Group No. II.

We submit that the management and administration of the Board of Education and of the College Board may be rearranged and unified in the following manner:

1. Since the number of Trustees of the College Board is 27, that the number of members in the Board of Education may be increased from 18 to 27.

2. That the same 27 persons may be chosen to constitute the membership of the Board of Education and of the College Board.

3. That the members of the Board of Education and of the College Board so chosen may be instructed to select the executive officers or secretaries of the two Boards so federated and unified in such manner as to secure unity, economy, harmony, coöperation and efficiency in the management and administration of these benevolences.

4. That for the present it is recommended that the present secretaries may be continued for one year, beginning with the next election, in order to secure the services of men thoroughly familiar with the work of these Boards.

5. That the Executive Commission of the General Assembly may be instructed and empowered to do each, any and all things necessary to effectuate the above plan and purpose, as to the Board of Education and the College Board, and to designate the ranking or general secretary of this Group with the advice and counsel of the said Boards and report to the next General Assembly.

6. That the Board of Education and the College Board may be instructed to coöperate with the Executive Commission of the

General Assembly that there may be no unnecessary delay or friction in effectuating the above plan and purpose of federation and unification, if same is adopted by the General Assembly.

c. Federated Group No. III.

[This was not adopted.]

d. Bureau of Social Service.

With reference to the recommendation of the last General Assembly, referring the resolution concerning a Bureau of Social Service to the Executive Commission of the General Assembly, we submit the following:

1. That the Board of Home Missions may be instructed to create a Department of Social Service which shall include the present departments of Church and Labor of the Board of Home Missions, the duties of which department of Social Service shall be to study social conditions as related to the Church, and suggest such practical measures through the Home Board to the General Assembly as it may think expedient.

2. That the Board of Home Missions may be directed so to arrange for the administration of this proposed Department as to lose none of the present efficiency of the Departments of Church and Labor, and of Immigration, of the Home Board.

3. That the executive officers of the Home Board be and hereby are authorized, if practicable, to organize an Advisory Council of Social Service so as to secure, through representative men and experts in this field, the benefit of their counsel and experience.

X-4. RECOMMENDATIONS.

AS TO FEDERATED GROUPS.

Should the foregoing suggestions as to the Rearrangement of the Boards be adopted by the General Assembly, then we make the following additional statement and recommendations:

The Executive Commission, in presenting the Plan of Rearrangement of the Boards, accepted without question the legality of the suggestion made by the attorneys who advised the Commission, and they were convinced of the practicability of carrying out the plan in its details; but its members differed in regard to the expediency of putting the plan into operation in all its parts. But after full discussion and consideration of the prudential questions involved, the members of the Commission now present at the Assembly, unanimously recommend the adoption of the following resolutions:

Resolved, 1. That in putting the plan into operation by changing "may" to "shall," this mandatory action shall not apply to

the federation of the Boards of Missions for Freedmen, Home Missions, and Church Erection.

Resolved, 2. That the Board of Church Erection be instructed to revise its Rules under the direction of the Executive Commission.

Resolved, 3. That the mandatory verb "shall" shall not apply to the federation of the College Board and the Board of Education, as outlined in Federated Group No. II.

Resolved, 4. That to secure unity of operation in the Presbyteries in Home Missions, Church Erection, and Sunday-school expansion, it is urgently recommended that all Presbyteries make provision that these three forms of work be under the supervision of one Committee.

10. That the above Report and recommendations be the General Assembly's answer to all the overtures and recommendations from any and every source which have been referred to the Executive Commission on the subject of consolidation or kindred matters.

X-5. ADDITIONAL RECOMMENDATIONS.

Resolved, That in view of the need for a more efficient administration of all our benevolences, whether or no any of the Boards be federated under the foregoing or any other plans, the following recommendations be adopted as the action of the General Assembly, report to be made to the next General Assembly.

1. That the Executive Commission of the General Assembly be instructed to confer with all of the Boards with reference to the propriety of having one general treasurer for all of the benevolences of the Presbyterian Church, which treasurer shall be charged to receive all moneys whatsoever for the varied work of the Boards, and to pay out the same to the Boards in such way as may be prescribed hereafter by the General Assembly.

2. That the executive officers and secretaries of the Board of Publication and Sabbath School Work, have two or more conferences each year with the executive officers or secretaries of the Boards of Home Missions, Church Erection, and Freedmen, in order to mutual understanding and coöperation with reference to missionary work, and in order to prevent duplication and friction in said missionary work.

3. That the Executive Commission of the General Assembly be and is hereby authorized and instructed to elect and employ, after conference with the officers of the General Assembly and of the various permanent administrative agencies of the General Assembly, a Purchasing Agent, whose duty it shall be to contract for, purchase, superintend, and furnish all printing, binding, stationery, blank-books, and office supplies of whatsoever kind, upon requisition of the proper officers, for the use of the General Assembly and its administrative agencies; all contracts, bonds,

purchases, and business of such Purchasing Agent to be subject to the review and control of the Executive Commission of the General Assembly, and subject to such temporary exceptional cases as the Executive Commission may from time to time determine; the salary and bond of such Purchasing Agent to be fixed by the Executive Commission, and the salary to be apportioned upon an equitable basis by the said Executive Commission of the General Assembly, to the General Assembly and its various administrative agencies for payment.

It was ordered that above Resolution 3 be exempted from the action of the preamble, and made immediately operative.

XI. EXECUTIVE COMMISSION—THE BUDGET COMMITTEE.

1. *Undesignated Gifts of the Churches.*

The General Assembly having directed the Executive Commission to consider anew the whole matter of the proper disposition of the undesignated gifts of the churches to the Boards, it is desirable that we present first an account of the action of Assemblies from 1886 to 1910, before endeavoring to reach any conclusion as to what change may be wise.

At the Minneapolis General Assembly, 1886, Rev. Francis A. Horton, D.D., Chairman of the Standing Committee on Benevolence, in his Report brought to the attention of the General Assembly the importance of some definite deliverance on the part of General Assembly for the guidance of the churches in apportioning their undesignated contributions in the following recommendation:

“We recommend that some equitable ratio of contributions be established between the Boards, by this Assembly, for the better guidance of churches in apportioning their *undesignated* contributions.”

The General Assembly approved of this recommendation and appointed as a Committee to adjust the proportion of undesignated contributions of the churches, Ministers John S. McIntosh, D.D., Robert Hunter, D.D., and Ruling Elder George W. Mears.

This Special Committee, appointed to apportion undesignated balances of Sabbath collections, made this Report, on May 31, 1886, which was adopted, and is as follows:

“The Committee on Apportioning the Undesignated Contributions to the Boards of the Church, raised according to the plans and principles of Systematic Beneficence, report that they have carefully examined the whole subject, have had before them the sums raised last year, have conferred with the Secretaries and the Chairmen of the various Standing Committees, and have, after exact computation and full consideration of the features of each distinct scheme, agreed to recommend the following scale of apportionment: Foreign Missions, 33 per cent.; Home Missions, 31 per cent.; Church Erection, 8 per cent.; Publication,

3 per cent.; Freedmen, 5 per cent.; Education, 5 per cent.; Ministerial Relief, 9 per cent.; Aid to Colleges and Academies, 6 per cent.”

Further action of the General Assembly was had at the General Assembly of 1895, at the Third Presbyterian Church of Pittsburg. Rev. H. H. Jessup was Chairman of the Standing Committee on Benevolence, and presented a supplemental Report on May 24, 1895, on the readjustment of the Schedule of Apportionment, which was adopted, and is as follows:

“The Standing Committee on Benevolence respectfully reports on the subject of a readjustment of the schedule which has heretofore fixed the ratio of distribution of undesignated balances in the offerings of the churches.

“After conference with the representatives of several of the Boards of the Church, the Committee recommends:

“1. That the schedule of distribution of the offerings of the churches be hereafter applied to the entire contributions of the Church, and not, as heretofore, be confined to the undesignated balances.

“2. That the schedule be fixed as follows: Foreign Missions, 33 per cent., as before; Home Missions, 31 per cent., as before; and that the remaining 36 per cent. be divided equally among the other six Boards, 6 per cent. to each.

“The changes thus effected will result as follows:

	Old Schedule.	New Schedule.
Church Erection.....	8	6
Sabbath School Work.....	3	6
Freedmen.....	5	6
Education.....	5	6
Ministerial Relief.....	9	6
Colleges.....	6	6

“3. The Committee would state that under this new schedule of equal division among six of the Boards, leaving Home and Foreign Missions as they are at thirty-one and thirty-three per cent., the following will be the result, on a basis of \$3,000,000 to be raised for all the Boards, during the coming year, not including legacies:

	Actual Receipts.	Distribution under New Apportionment.	
Home Missions.....	\$934,260	\$930,000	— \$4,260
Foreign Missions.....	866,378	990,000	+ 123,622
Church Erection.....	199,097	180,000	— 19,097
Sabbath School Work.....	166,547	180,000	+ 13,433
Freedmen.....	187,709	180,000	— 7,709
Education.....	97,301	180,000	+ 82,699
Ministerial Relief.....	222,320	180,000	— 42,320
Colleges.....	119,627	180,000	+ 60,373
	<hr/> \$2,793,239	<hr/> \$3,000,000	
		2,793,239	
			<hr/> + \$206,761”

Further action of General Assembly on the matter of the division of benevolent funds was had at the General Assembly of 1906, which met at Des Moines, Ia. Rev. E. Trumbull Lee, Chairman of the Committee on Temperance, presented a Report, which was adopted, and is as follows:

"Certain funds are sent from churches to the treasurers of our Boards, to be divided by them among the Boards according to the ratio established by a former Assembly. These are called 'Undesignated Funds,' because no particular object is named for their application.

"It is recommended that of these undesignated funds, 1 per cent. shall first be set aside for the Permanent Committee on Temperance, and that the balance, that is 99 per cent., remaining, be divided among the Boards according to the established ratio already referred to."

Further action of the General Assembly on the matter of the division of benevolent funds was taken in 1910, at Atlantic City. Rev. George Alexander, D.D., Chairman of the Home Mission Committee, on May 25, 1910, recommended that the Assembly reaffirm the percentages of undesignated funds of the churches to the various causes of benevolence, which was adopted.

On Saturday morning, May 28, the following resolution was adopted:

"WHEREAS, The ratio for division of undesignated funds, originally adopted in 1886, has not been revised for fifteen years; and

"WHEREAS, The situation at home and abroad has during that period materially changed, and the Church's interest, as indicated by its designated gifts, has been correspondingly modified, therefore, be it

"Resolved, That the Exêcutive Commission be requested to consider the whole matter once more and to weigh well the question whether the time has not come to approximate the ratio as nearly as practicable to the present standard of gifts of the churches, reporting to the next General Assembly."

I. In 1886 there was an attempt to have the undesignated gifts distributed in about the proportion of the designated gifts.

In 1895 there was evidently attempted a radical readjustment, as a general proportion of 33 per cent., 31 per cent. and 6 per cent. was adopted for the distribution of *all* funds, designated and undesignated. It could not, however, have been intended that all church offerings should be gathered together and the aggregate sum divided in the given proportion among the Boards; for no provision was made for a central depository for this purpose, nor did the General Assembly possess the constitutional right to do this. It could only have been intended for a recommendation

to sessions of churches, to which bodies the right belongs. Some church sessions, doubtless, have adopted the recommendation, but from that time to the present the schedule of distribution has been so generally regarded as applicable only to *undesigned* gifts, that many will be surprised to know that the terms "the entire contributions of the church," etc., are employed in the resolutions of 1895.

That it was intended by its authors to bring about a change in the aggregated amounts to be received by the several Boards from churches, is shown by the illustration of its results, if generally adopted, that the Committee submitted at the time. Assuming that the gifts of churches would aggregate \$3,000,000, it was shown that the proposed new schedule would increase the receipts of the following Boards over the receipts of the year just then closed, as follows:

Foreign Missions.....	\$123,622 00	
Sunday School Work.....	13,433 00	
Education.....	82,699 00	
College Aid.....	60,373 00	
	<hr/>	\$280,127 00

But the receipts of the following Boards would be decreased as follows:

Home Missions.....	\$4,260 00	
Church Erection.....	19,097 00	
Freedmen.....	7,709 00	
Ministerial Relief.....	42,320 00	
	<hr/>	\$73,386 00

This would have worked an injustice against the Boards suffering the decrease. Had the scheme been carried out fully, its practical effect would have been to take money, \$73,386, from four Boards, and give it to four Boards that already had as much as in the previous year. However, as the amount of undesigned gifts has been comparatively small, the inequality of the plan has not been felt.

So long as a Board is not receiving in fact the percentage recommended in this scheme and so long as the undesigned funds are not relatively very large, there is no occasion for that Board to complain. But dissatisfaction is apt to arise (1) when the undesigned gifts begin to gain upon the designated, and (2) whenever any Board begins to receive annually from the churches a larger amount than its percentage. Both these conditions now confront us. It is probable that the number of churches that adopt a pledge system and provide a schedule for the distribution of undesigned gifts, will increase; and it is also probable that a larger proportion of individual subscribers in such churches will not care to apportion their gifts among the several Boards, even if the names of all are before them for that

purpose. In this case it will begin to make a material difference to the Boards whether their percentages are higher or lower. Moreover, during the past three years the table of appropriations to the Boards, as approved by the General Assembly, these apportionments being based on the actual giving of the churches, presents a decided departure from the proportion adopted in 1895 and 1896. While the receipts of all Boards have been increased, yet, for various reasons, the receipts of the Board of Foreign Missions have been increased to such a degree that its percentage is $46\frac{1}{2}$ per cent. instead of 33 per cent., of the whole amount. It is quite natural this Board should feel that it is not getting its rightful share of the undesignated funds.

II. The first reading of the resolutions of 1910 may give the impression that a new schedule based on the actual giving of the churches to the Boards would be equitable. But two or three considerations must be kept in view. The first is, that there is really no general standard of giving, as the resolutions seem to assume.

(1) While it is true that the appropriations made by the General Assembly are based upon the aggregates of receipts by the Boards from the churches, yet the proportions of the Boards as shown by this vary in every Presbytery. If the Presbytery apportions to its churches on the basis of their giving, then the proportions vary in every church. There is one proportion in one section of the country and a different proportion in another section of country. There is one proportion among the more liberally giving churches and another among the smaller giving churches. A striking illustration of this is seen in the following tables:

For the year ending March 31, 1910, 1,049 churches contributed \$100 or over through church offerings to Foreign Missions. These churches represented a membership, according to the last *Minutes* of the General Assembly, of 427,903. The contributions of these 1,049 churches to the several Boards are as follows:

* Home Missions.....	\$193,998	20.6 per cent.
Foreign Missions.....	503,284	53.5 per cent.
Education.....	33,558	3.5 per cent.
Sabbath School Work.....	33,685	3.6 per cent.
Church Erection.....	35,893	3.7 per cent.
Ministerial Relief.....	72,712	7.7 per cent.
Freedmen.....	42,080	4.6 per cent.
College Board.....	24,877	2.6 per cent.

\$940,173

* In our analysis of the contributions of the 1,049 churches which contributed \$100 or over to Home Missions, through church offerings, we only include in the exhibit the contributions which went directly to the National Board of Home Missions, and those made to synodical and presbyterial Home Missions were not included. If they should be included, the effect would be to increase the percentage of Home Missions and diminish the percentages to all the other Boards, which illustrates only in another form how specialized giving to the larger Boards, if included in any system of percentages, affects disastrously the percentages of the smaller Boards, which profit very little from specialized giving.

The total number of churches, after taking out the 1,049 that contributed \$100 or over to Foreign Missions, is 8,962, with a membership of 911,097. Their contributions through church offerings were as follows:

Home Missions.....	\$104,838	26.7 per cent.
Foreign Missions.....	108,077	27.5 per cent.
Education.....	25,042	6.4 per cent.
Publication.....	24,887	6.3 per cent.
Church Erection.....	34,293	8.8 per cent.
Ministerial Relief.....	39,649	10.1 per cent.
Freedmen.....	25,737	6.6 per cent.
College Board.....	29,930	7.6 per cent.
	<hr/>	
	\$392,453	

(2) The proportions will vary each year as the giving to one or more Boards may be increased.

(3) While the variations may not be so great that an approximate standard could not be allowed to stand for several years, yet the effect of the adoption of this standard in all churches for the distribution of undesignated gifts will be to reduce the receipts of some Boards in certain churches and to transfer the amounts to other Boards. Thus, if a church has been giving to the Boards for years approximately in the proportions of 1896, and has not secured from its members increased gifts to any of the Boards, the adoption of the proposed new schedule will have the effect of reducing the amounts certain Boards have been receiving from that church, and assigning the amounts of these reductions to other Boards. We are assured that no Board desires to profit at the expense of any other Board.

It should be remembered that under the present arrangements every Board that, by proper means, succeeds in securing larger offerings cannot be deprived of that benefit. So long as appropriations and apportionments are based on the giving of the churches, the increased gifts of one year are necessarily incorporated in the next year's appropriations and apportionments, together with the percentage of increase that may be recommended.

For these reasons we do not think it is wise to do, as suggested by the resolutions of 1910: to recommend a new schedule of distribution, that will more nearly represent the actual giving of the churches, as exhibited by the aggregate giving of all churches, in all sections of the country.

But there remain the questions whether the present scheme should be otherwise modified, should be rescinded, or reaffirmed.

In considering these questions the Commission deems it important to call attention to the fact that it is the constitutional prerogative of the church session to apportion among the Boards all undesignated offerings. The Directory for Worship, Chapter VI, Section 3, states, that "The offerings may be apportioned

among the Boards of the Church and among other benevolent and Christian objects, under the supervision of the church session, in such proportion and on such general plan as may from time to time be determined. But the specific designation by the giver of any offering to any cause or causes shall always be respected and the will of the donor carefully carried out." It is our belief that sessions alone can make the distribution of undesignated gifts conform approximately to the actual standard of giving practiced in their churches, and they can always do this so that the gifts of their respective churches to any Board will not be made less than that Board has been receiving. It is further our belief that, as churches adopt our every-member-pledge system of securing offerings to the Boards, the contributions of these churches will be so increased that if they choose to distribute the undesignated offerings approximately according to the apportionment made to the Presbytery, or by the Presbytery to the church, no injustice will be done to any Board.

Yet we hesitate to recommend the rescinding of the schedule of 1895, even while recognizing the fact that it is not being employed to any great extent, and the additional fact that the designated gifts show a wide departure from its proportions. In at least one case a legacy of \$200,000 is required to be distributed among the Boards in accordance with the proportions of 1895; and there may be other wills so drawn. The repeal of the present schedule will not affect the distribution of bequests, but it is probable that the standing of it will lead others to bequeath money in the same way. It is also possible that it is fairer to the smaller Boards that it should stand until a more definite policy, now in process, may be more generally adopted. We should recognize the fact that it has been by the special agents, that some of the Boards have employed, and the more popular appeal their causes make, that they have been able to increase their receipts beyond the old percentage; and if Boards, that have not these advantages, may derive any benefit from their allotment of 6 per cent., may it not be more equitable to let this schedule stand for the present? We hope that hereafter all special field agents may be employed in extending the practice of systematic giving, and when this becomes general the actual giving of the churches will determine very largely the mode that church sessions will devise for distributing the undesignated gifts. Until this policy is more generally adopted we believe it will be wise to take no radical action.

We therefore recommend the following resolutions:

Resolved, 1. That the attention of church sessions be called to the provisions found in the Directory for Worship, Chapter VI, Section 3, and that in the adoption of methods for securing benevolent and missionary offerings, care be taken to secure to each giver

the right to designate the cause or causes to which his gifts shall be devoted.

Resolved, 2. That we recommend that church sessions, in adopting any mode of disposing of the undesignated offerings that may come under their control, be careful to preserve to each cause its equitable proportion of such gifts, as shown by the past giving of the church, so that no cause may benefit at the expense of other causes, by the mere operation of the rule of distribution.

Resolved, 3. That the Assembly recommends that sessions, having undesignated funds to dispose of, take note of the failure of the congregation to make any contribution to some of the Boards, and endeavor, if possible, to supply the deficiency, if it can be done without lessening the amount other Boards have been receiving.

XI-2. *Non-contributing Churches.*

The last General Assembly made it the duty of the Executive Commission to investigate the causes of delinquency on the part of our churches in making offerings to the permanent agencies of our Church. The Executive Commission in carrying out the duty thus placed upon it by the General Assembly went into a very careful and detailed examination of the facts in the case.

Every church was credited with the number of offerings made during the year, and the fact was also recorded if a church had made no offering to any of our agencies during the year. A special letter was then sent to every Presbytery, including a list of the churches of Presbytery, giving a statement of the number of offerings sent to the Boards of the Church and the Temperance Committee, asking for information concerning any delinquencies of the churches within the bounds of the Presbytery in making offerings to our several causes. This letter called out extended correspondence. At the very outset it emphasized that frequently there would be no blanks in General Assembly *Minutes*, whereas there will be several in the Board Reports. When this was followed up it was found in almost every case that it was due either to the giving of contributions to causes allied to our Boards, but not through our Boards, or to the fact that offerings are sent too late to be credited during the year by the Boards.

It may be of interest to the General Assembly to give merely a sample of the various reasons given for delinquencies in making offerings for the several Boards. The Chairman of one Presbyterial Commission writes: "Many of our churches are very small and some without pastors." Another writes: "All the delinquencies, with the exception of three, may be accounted for by the common failure of church treasurers to send in offerings and get credit during the year in which they were taken." Another: "Sorry that our Presbytery does not measure up to the standard.

The cause of delinquencies in making offerings to the Boards in this Presbytery arises from the fact that many of our churches have been and are facing serious financial problems and are having a struggle to hold their own in the matter of self-support. The churches making no offerings are churches which have been disbanded during the past year." Another: "One church, no presentation of the subject of benevolences. Another, preaching only part of time. No pastor. Carelessness. Overlooked it. Church dissolved. Without excuse, promises to do better in the future. Clear neglect on the part of session. Failure to report gifts. Didn't send in time. Better promises for the future." Another Presbyterian Commission reports as causes: "Neglect. No pastor in church or no pastor to work it out at the right time. One church just recovering from a fire. Methods of church finance and benevolences lame." Another: "Just getting started with a new pastor. Church very small and should be disbanded. Overloaded with debt in building a church." Another reports: "The churches according to your report which failed to send offerings to the Boards are almost in every case churches which are vacant at least a part of the year and very small." Another: "Weak country churches, pastorless for months and years. Emphasis laid on the importance of raising money for the Home Mission Board and all the money raised sent to the Home Board." Another: "The churches credited with giving nothing last year are very weak and get but little preaching. Those contributing to part of the Boards are without pastors and get preaching but part of the time."

After a very extended correspondence with the Presbyteries of the Church, as to the causes of delinquency on the part of our churches in making offerings to the permanent agencies of our Church, they are found to be either without pastors or very weak. We reach the same result by the careful examination of the size of the church and the number of offerings taken.

Three thousand five hundred and sixty-four churches, with an aggregate membership of 776,245 and an average membership of a little over 200, practically contributed to all of our permanent agencies during the past year. This indicates that over half of our churches have an opportunity of contributing to all the Boards of the Church.

A second group of churches having a total membership of 424,088 and representing 3,239 churches, with an average membership of 130, made from three to seven offerings to the Boards of the Church.

A third group of churches, 1,726 in number, with an aggregate membership of 77,249 and an average membership of 44, made one or two offerings to the Boards of the Church, and 1,200 churches, with a membership of 25,875, or an average membership

of less than 25, made no offerings to the Boards of the Church. This indicates that the general disposition of the churches is to recognize plainly the claims of the missionary and benevolent work upon them for their liberal contributions. As the size of a church is increased, the number of offerings is correspondingly increased.

In passing judgment on the delinquencies of non-contributing churches to our missionary and benevolent work, care should be taken to give due consideration to the size of the church and to the serious problem which confronts many of our small churches to keep their church doors open on the Sabbath.

XI-3. Administrative Expenditures of the Board.

Among the duties and powers of the Commission is, one to receive and consider the financial reports of the several Boards and permanent agencies of the Church and such other related information as it may deem desirable and report thereon to the Assembly. The General Assembly has also made it the duty of the Executive Commission to inquire into the methods of work of the Boards and the Permanent Committees of the Assembly of the Church, and to recommend such changes in their methods as it may deem necessary to promote efficient administration of the budget plan. It is further the duty of the Executive Commission to advise the Boards and Permanent Committees of the Assembly of the Church in the adoption of plans for harmonizing and unifying the benevolent and missionary work of the Church, and to recommend to the General Assembly at any of its annual meetings such acts, rules and resolutions as in its judgment will increase the general efficiency of such benevolent and missionary work.

Further, to consider carefully ample abstracts of the Annual Reports of the Boards and Permanent Committees of the Assembly, with a view to presenting to the General Assembly all matters requiring the special attention of the Assembly, and to make such recommendations as it deems important to secure the harmonious coöperation of these agencies and the successful prosecution of our benevolent work.

In accordance with these requirements of the Assembly, the Executive Commission has made a careful examination of the incomes and expenditures of the Boards of our Church, and presents them to this General Assembly in a series of tables. While your Commission was in the midst of its work of gathering together into one exhibit the expenditures of the Boards of our Church, we were pleased to receive a communication from the Executive Council of the Board of Foreign Missions, which has this to say concerning the administrative expenditures of the Boards of the Church as a subject of special inquiry on the part

of the Commission: "We are glad that the Executive Commission is investigating the whole question of administrative expenditures of the Boards. We believe that this is an eminently proper subject of inquiry. The Church is entitled to know the facts and to insist that reasonable economy shall be exercised. We covet such inquiries and frank criticism is always welcome. No one outside of the Board can be more desirous that the money of the Church should be wisely used than we that are in the Board. We know that the contributions to Foreign Missions represent the sympathies and prayers and even the sacrifices of the people of God, and that their expenditure is for the great purpose of making Christ intelligently known to men. We therefore regard our funds as a solemn trust, and we feel that anyone in the Church, and especially the Executive Commission which represents the Church, has a perfect right to look into the matter at any time."

The office expenditures of the Boards of our Church aggregate more than \$400,000 yearly and are steadily increasing. It is a fair subject of most careful inquiry whether an expenditure of so large a sum of money yearly on the part of our Boards is necessary to the wise and efficient management of the work of our Boards; whether the policy of the Boards which requires such an expenditure of money is the best possible policy that can be adopted by the Boards of the Church; whether the policies could be changed so that the same results might be accomplished with a less expenditure of money. This inquiry must be conducted with the greatest of care and with the largest sympathy with the men and the women who are doing the office work of our Boards. The inquiry should be undertaken not in the spirit of criticism, but in the spirit of trying to find out some better way of administrating the affairs of our missionary and benevolent work. The Boards are justified in their expenditure of \$400,000 yearly in their office expenditures unless there is some better way whereby the same work can be done.

One of the Boards justified its large expenditure of money by the rapid increase of the income of the Board, and this position should be fairly considered. Not only is it used by the Board to justify its present expenditure, but as a reason for its still further increasing of expenditure upon the work of increasing the funds of the Board. If this theory is correct, the more paid agents that are placed in the field for the collection of money, the larger the income, and if it is a good policy for one Board to adopt, would it not become a good policy for all the Boards to adopt, and what might be the result in the Church and upon the Church by every Board's attempting by the great increase of paid agents to increase the funds that they should obtain from year to year? If the present policy of every Board working for itself is to be endorsed, and each Board warranted in multiplying the number of men

placed upon the field, we are then upon the edge of another era of still larger increase in office expenditures, which ultimately spells disaster to our missionary and benevolent work. Your Commission is of the opinion that the office expenditures of the Boards have gone as far as they should go, and that there should be some plan or reorganization or rearrangement of work so that the same results can be obtained with a lessened expenditure of money. But we are frank to say at the outset that if the theory upon which the Boards are at present working is correct, then their office expenditures are at the present time reasonable, and an increase in these expenditures will also be reasonable.

There are two theories in reference to the carrying on of our missionary and benevolent work that should be carefully considered before we reach a final conclusion in the matter. One theory places the responsibility for the raising of the funds upon the churches and Presbyteries, and magnifies voluntary and free service. The other theory minimizes the responsibility resting upon the churches and Presbyteries, and magnifies the responsibility resting upon the central office to raise the necessary funds to carry on its work. It depends entirely upon which of these theories is adopted whether the expenditures of the Boards can be considered reasonable or not. If the correct theory be that the responsibility for raising the funds of each of our Boards rests upon the officers of our Boards, and the same methods of work must be adopted that are at present adopted by so many of our independent benevolent agencies, then the Boards are not open to any criticism concerning their expenditures.

XI-4. Increase of Contributions.

The Executive Commission is pleased to report to the General Assembly that the churches, and organizations within the bounds of the churches, have during the past year contributed to the permanent agencies of our Church more money than ever before in the history of the Church. The actual increase of contributions has been \$114,319.69, every agency making a gain over the previous year, with the exception of the Board of Church Election, which was \$1,842.13 less than the previous year. All the Boards and the Temperance Committee report a larger number of contributing churches than ever before.

Your Commission feels that its work during the past year has been an active factor in bringing about such a favorable showing. It has been the aim of the Commission to furnish to each Presbyterial Executive Commission particular information concerning the contributions being made by the churches within its bounds.

In the early summer the Commission printed the report of contributions to the permanent agencies of the Church for the

year ending April 1, 1910, by Synods. Those Synod reports were sent to the clerks of sessions of all the churches within the bounds of the several Synods.

A report was sent to the Executive Commission of each Presbytery of the number of offerings sent to the permanent agencies of the Church by the churches within their bounds, and attention was called to the number of offerings which should have been taken but were not, and the Presbyterial Commission was urged to call the attention of the churches to the importance of an effort being made to send an offering to each one of our presbyterial causes.

Early in February a detailed presbyterial report was made of all contributions made to our permanent agencies by the churches within the bounds of Presbyteries from April 1 to February 1. This report was sent to each church within the bounds of Presbytery. Attention was called to the number of contributions which should be sent forward before the close of the year.

During the year a large amount of literature has been sent on request to the churches on Improved Financial Methods. The Budget Committee has made an effort to coöperate with the churches that desired to introduce a better financial system. Subscription cards have been furnished free to all churches desiring to make an every-member canvass for local church support and for missionary and benevolent offerings. The duplex envelope, numbered and dated, has been furnished to churches desiring to use them for the first time at the rate of \$5 per hundred sets, the Executive Commission representing the Boards of the Church meeting the balance of the expense. A large number of churches have availed themselves of the subscription cards and duplex envelopes furnished by the Executive Commission. During the past few months the Committee has sent out over one million duplex envelopes and thousands of subscription cards.

XI-5. Intention of Apportionment.

In sending the apportionment to the Presbyteries, attention is called to the fact that it is not to be construed as an assessment, but is sent as information. Each Presbytery is cautioned not to apportion the aggregate sum to the churches that is assigned to the Presbytery in any way that might result in a failure to obtain the whole amount, or in such a manner as might prevent the development of liberal giving. For example, to divide the total amount to be raised according to the membership of the several churches would be to ignore the differences in ability and in the development of the spirit of liberality. It is further suggested to Presbytery that in making the apportionment to the churches

a less sum should not be assigned to any church than that which had been given by it the preceding year. Of course, it is true that this method leaves churches that did nothing the preceding year without an apportionment, but the Executive Commission expects that the Presbytery shall apportion to these churches which have done less than they should do or have done nothing, what in their judgment they think they might be able to do, and whatever is thus contributed by the non-contributing churches of the preceding year will be of the nature of an increase over the minimum amount expected from the Presbytery. The attention of the Presbytery is further called to the ultimate intent of the Executive Commission, not merely to obtain enough money during the year to meet the current obligations of our Boards and Temperance Committee, but to steadily improve the methods of securing money both for local church support and for our missionary enterprises.

Because the apportionment to the Presbyteries for the new year is based upon the actual contributions of the preceding year, it involves certain serious difficulties. This manner of apportionment has a tendency to discourage special gifts of individual members of the congregation for certain causes which are given once for all and which the donors do not expect to repeat. Such special gifts are valuable assets to all the Boards of the Church. Because a member of the church feels disposed to make a large contribution one year for a particular cause, it works a hardship and reflection upon the church if such special gifts are made the basis of the apportionment for the succeeding year.

The Executive Commission has no means of knowing about such special yearly gifts, and the Presbyterial Commission must modify the apportionment according to the facts in the case.

Again, where churches have for years made a detailed canvass of their entire constituency, and the church has practically reached its limit of giving, and if during the new year there are deaths or removals of liberal contributors, it has a tendency to seriously affect the benevolences of the church for the succeeding year.

Again, the Presbyterial Commission must modify its ultimate apportionment to the churches according to the known facts. On the other hand, churches that have been careless in reference to their system of benevolences, and no special effort has been made to make the membership of the church feel a sense of their obligation to the causes and contributions are correspondingly small, and apportionments made to such churches on such a basis become correspondingly small; it is within the province of the Presbyterial Executive Commission to increase such apportionments to such churches as in their judgment might be wise. Many of these difficulties and embarrassments which are suggested above will be obviated as soon as each Presbytery from its own

knowledge of its own churches, will make out for the several causes its own budget and send the same to the Executive Commission, to be incorporated in the budget for the new year. This year quite a number of Presbyteries have sent to the Commission the amounts that should be allotted to their Presbyteries, and where we have received such reports from Presbyteries they have been incorporated in the apportionment tables in the last column. The apportionment to the several Presbyteries as made out by the Executive Commission, does not include the amounts which are contributed by the churches through the Women's Societies, but simply the amounts that are expected to go directly from church treasurers to the Boards of the Church.

The Executive Commission, in making apportionment for Home Missions in self-supporting Synods and Presbyteries, has based the apportionment upon the actual amount reported as being contributed the year previous, and where by vote of Synod or Presbytery a larger sum has been apportioned than is found in the budget, the synodical or presbyterial amount will be found in the last column of the apportionment tables, and should be taken in place of the amount apportioned.

XI-6. Sabbath-school Offerings.

According to the direction of the General Assembly, the Executive Commission has given special attention to the question whether the appeals of the several Boards to the Sabbath-schools should continue as they are at present, or each Board be limited to a single appeal each year. After conference with the various Boards which would be affected by this suggestion, your Executive Commission could see no good reason for suggesting any change.

XI-7. The Campaign for Systematic Beneficence.

The Assembly of 1910 apportioned three-quarters of one cent per capita to the Presbyteries to meet an appropriation of \$10,000 from the Contingent Fund (see *Minutes*, p. 98), and placed this sum at the disposal of the Executive Commission, not for the defraying of its ordinary expenses, as some have supposed, but for carrying on a campaign in behalf of the adoption of improved methods for securing from the churches a regular and reliable income for all the Boards and the Permanent Committee on Temperance. The methods had previously been devised and approved by the Assembly, and the Commission had been doing all in its power to secure their adoption by individual churches and to promote favorable action on the part of Synods and Presbyteries. We had also enjoyed a goodly measure of co-operation on the part of the Boards. Many churches in different

sections of the country had adopted the methods recommended and with most gratifying results. Liberal churches in cities, that were supposed to be giving nearly to the limit that could reasonably be drawn, had found their benevolent offerings doubled and trebled in some cases; and weak churches that had despaired of attaining self-support found the new methods had brought them at once to independence.

But it was evident to all that the field to be cultivated was too extensive for such a body as the Executive Commission to do the work needed, or even to supervise that work effectively. Some men were needed whose whole time could be devoted to it, and whose talents fitted them for the kind of work and supervision that were demanded.

The Commission found one such man in the Rev. A. F. McGarrah, who had for a few years, as a representative of the Board of Home Missions, been engaged in promoting improved financial methods, primarily in local support, but also in beneficence. Mr. McGarrah came to us at the same salary he had been receiving, brought his experience with him, and entered with enthusiasm on his work. His first effort was to create a favorable public sentiment, and to stimulate as many other men as possible to enter voluntarily into the campaign in their own Presbyteries. Accordingly he attended as many Summer Schools as would give him a place on their program; such as Lebanon, Tenn., Log College and Grove City, Pa., and Winona, Ind., while members of the Commission visited others for the same purpose. Later the Synods were visited, and conferences on church finances were held in nearly all of them. Mr. McGarrah also visited and addressed over sixty Presbyteries, in many of which a conference was held which served to enlighten and inspire many ministers and elders; and some of these introduced the method in their churches.

Mr. McGarrah spoke to the students in seven theological seminaries, and found the future pastors eager learners.

Another form of effort was directed to securing a number of men to act as agents in a limited section of country. These men could give only temporary service, as they were pastors. Only their expenses, including the supply of their pulpits for a few Sabbaths, were paid by the Commission, and in many cases the churches visited paid about half these expenses. In this way twelve men were employed in twelve sections, and they did very effective service, one minister averaging a church a day while engaged in the work.

Mr. McGarrah also spent one or two days in many congregations, helping the officers to inaugurate the new methods. Many letters have been received from these churches testifying to the great advance made in both local support and benevolences. Mr.

McGarrah received invitations from about ten times as many churches as he could find time to accept, which indicates that there is a growing demand for the introduction of the pledge system.

Another effort that promises to be very helpful has been that to secure the active coöperation of Synods through their Executive Commissions. The Synods of Pennsylvania and Illinois each agreed to employ a special paid agent to promote the cause within their bounds, Mr. McGarrah assisting them in securing the necessary funds by soliciting contributions from individuals. This work has proved to be successful, the money being easily raised. Only temporary agents have as yet been employed, but as soon as efficient men are engaged there will, no doubt, be rapid progress in the introduction of the new methods. Temporary agents were also employed in the Synods of Indiana, Minnesota and Nebraska, and these Synods will probably employ their own agents.

It is not possible to make an accurate statement of the results of all these efforts, as no effort has been made to secure reports from all the churches that have adopted the pledge system. Many churches have adopted these methods without solicitation or assistance, and we have no report about them. But we know enough to report that the increase in the contributions of church members to local support and benevolences has not been less than \$100,000. In most cases the percentage of advance in benevolences has been considerably greater than in local support. The exceptions have been the churches that have not heretofore been self-sustaining. Some of these churches that were regarded as hopeless have surprised themselves and their Presbyteries by raising so much money, after an every-member canvass on the weekly basis, that they have called pastors whom they expect to support without outside assistance.

Several churches report advance in local support of from 25 to 35 per cent., and in benevolence from 80 to 100 per cent., while the churches that simply report the advance in benevolences range from 100 per cent. to 600 per cent. In the Pittsburg Presbytery the increase in benevolences will not be less than \$25,000. The First Church, which has always worked the old methods to the limit and has been most liberal in offerings to all the Boards, increased gifts \$9,000. The East Liberty Church, another liberal giver, increased \$4,000. The First Church of Wilkinsburg, another large giver, increased its benevolences two and a half times. Equally gratifying results could be given concerning other churches, if the information were at hand, but these may suffice to illustrate the beneficial effects of the every-member canvass. All the increases mentioned will not be realized until the present ecclesiastical year, and it is not claimed that the

entire credit is due to any one agency; but however these results have been brought about, they testify to the efficiency of the Pauline method of raising church money.

Another most gratifying fact has been the cordial coöperation of all the Boards when occasions arose. In several of the conferences representatives of both the Home and the Foreign Boards have appeared together and urged the adoption of the pledge system and the raising of the entire budget for all the Boards. The field agent of the Home Board and the field agent of the Foreign Board laboring in the Southwest agreed to go together and give a practical illustration of the common interest of both Boards in the Budget Plan. It was also the Secretary of the Home Department of the Foreign Board and the Secretary of the Home Board who arranged that the pre-Assembly meeting should be a joint meeting in which the speakers should be representatives of both Boards and of the Executive Commission. It is quite evident, we think, that the common cause of all the Boards is looming up above the special interest in any one or two of these Boards. We are, therefore, encouraged to plan for an advance in the work of the Executive Commission that will emphasize still more the essential unity of all the Church's agencies and the responsibility of churches, Presbyteries and Synods for providing these agencies with the money they need for their missionary and benevolent work.

XI-8. The Future Policy.

While the Commission feels that it has accomplished results that, from the financial point of view, have fully justified the Assembly in making its appropriation of \$10,000, as the advance in contributions of at least \$100,000 more than offsets the less than \$10,000 that have thus far been expended, still we are not content to go on with the work by the same methods, especially as we are convinced that more effective methods can be adopted without calling on the churches for an extra assessment. We sympathize with the demand that has found expression in several Presbyteries, that some way should be found whereby administrative expenses may be reduced. We see no reason why a movement that inures directly, in the majority of churches it reaches, and indirectly, in others, to the benefit of the Boards, should not be carried on by the Boards, and its expenses met out of the funds these Boards are now expending, in some cases, and would feel justified in expending in other cases, to secure their incomes from church offerings. We began this work a year ago at the expense of an increased assessment, because the conditions did not then seem propitious for endeavoring to secure the coöperative assistance of the Boards. But the conditions are now more favorable.

On May 13th the Budget Committee met representatives of all the Boards and of the Temperance Committee, except the Freedmen's Board, in conference at New York City, and the following Coöperating Plan was outlined:

Preamble.

The General Assembly of 1908, in constituting its Executive Commission, empowered the Commission, "To confer with the Boards and Permanent Agencies concerning methods of securing moneys"—that should annually be appropriated to the Boards and permanent agencies—"to determine its methods and to have general oversight of the execution of such methods by its own agents in coöperation with the Boards and Permanent Agencies"; and the Executive Commission, after a year's experience, finding it desirable to enlist the active coöperation of the Boards and to utilize their experience, office facilities and agents in carrying on the work it has been doing by its agents; now, therefore, the Executive Commission by its Budget Committee, and the Boards by their selected representatives, hereby agree to the following articles for their joint action:

1. There shall be a Conference of representatives of the Boards and of the Executive Commission, which shall meet at least once a year. This Conference shall be composed of representatives selected by each of the Boards, and the Committee on Temperance, who shall constitute one party, and the Budget Committee of the Executive Commission, or such other Commissioners as the Executive Commission may select, who shall constitute the other party. The number of representatives each shall select is left indefinite for the present. In deliberation, the voting shall be by the representatives present; but when called for, the Boards shall vote as units and the Commission as a unit, or the Boards and the Commission shall vote and agree or disagree as the two parties.

2. The general oversight of the work of the Conference shall be under an Executive Committee of five, two representing the Budget Committee of the Executive Commission, and three representing the Boards; one from the Foreign Board, one from the Home Board, and one from the other Boards.

3. The purposes to be kept in view are: first, the efficient prosecution of efforts to commend the adoption of an every-member-weekly-pledge system of securing benevolent offerings from the churches, and to extend such aid as may be desired and practicable to pastors and church officers who wish to have the system inaugurated; second, to promote the realization of the appropriations annually made by the General Assembly and apportioned to the Presbyteries, by such methods as have here-

tofore been effective and by such other methods as, in the judgment of the Executive Committee, may give promise of effectiveness; and, third, to promote, as far as may be possible, a spirit of the broadest missionary interest, and of such consecrated and courageous giving as shall enable the Church to meet its full missionary duty at home and abroad.

4. In carrying on this campaign, the essential features of the pledge system which shall be adopted shall accord with the provisions of the Directory for Worship, Chapter VI, Section 3, in that it gives to each subscriber to the weekly amounts, the opportunity of designating how his gifts shall be distributed among the Boards of the Church and benevolent causes.

5. It is also understood that each Board is expected to put forth information concerning its own work, and to carry on educational and inspirational work to cultivate interest in its cause as one part of the great work of evangelization that God has committed to our Church, and public addresses in behalf of any one of these causes shall not be regarded as inconsistent with loyalty to this joint effort.

6. The Executive Committee, as soon as appointed, shall devise a plan of carrying out in detail the purpose of this joint action, and report to the Conference to assemble as soon after the Assembly as may be convenient, on such matters as office, agents, forms of work, both with respect to the budget for 1911-'12, and the campaign for improved forms of securing benevolent offerings.

7. Provisions shall be made to continue the work formerly carried on by the Committee on Systematic Beneficence, and for the past three years by the Budget Committee in its special office in Auburn, N. Y., so that there may always be available information concerning the progress of the work and the contributions of the churches, and so that the principles of Systematic Beneficence may be studied in the giving of the churches.

Resolved, 1. That the General Assembly approves of the coöperative plan as outlined by the Conference.

Resolved, 2. That, as the plan outlined by the Conference provides for efforts to promote the adoption by churches of the every-member pledge plan for benevolent offerings only, and makes no provision for the introduction of a similar system for the support of the local church, and as these two objects are often closely related, the Conference be recommended to make provision for combining both objects, in cases where churches do not have an effective and satisfactory method of providing for pastoral support and other current expenses.

Resolved, 3. That the General Assembly approve of the Boards' providing for the expenses of the above campaign, the total amount and the *pro rata* distribution to the several Boards to be

determined by the Executive Commission, after conference with the Boards.

Advantages of New Policy.

The plan we propose differs from that which has been pursued for many years past in two particulars:

1. The agents of the several Boards, so far as their labors relate to money getting, have heretofore been working each for his own Board; hereafter they are to work each for all the Boards. The securing of the entire budget for the year is to be a common end.

2. The principal work to be done by the combined agents of the Boards and the Executive Commission is to transfer as soon as possible, the securing of income from the churches for the uses of the Boards, from the agents of the Boards to the churches and their Presbyteries, so that, when the end is fully accomplished, the Boards shall be relieved of the responsibility of seeking money from church organizations, and can devote their time and energy wholly to their distinctly missionary and benevolent functions. If this should be thought by any to be impossible of attainment, it should relieve their doubts to observe that this very end has been attained by our organizations of women. They are expected for the current year, to collect and to hand over, to three of the Boards, \$881,703, a little more than half as much as will be collected from all the churches to go directly to all the Boards. What our women have done in the way of collecting an increasing amount of money from year to year, the churches and Presbyteries can surely accomplish with proper methods and within a reasonable period of time. Let the work go on of inducing our churches to adopt an every-member weekly pledge system and the end will surely be reached.

It seems proper at this point to direct the attention of the Assembly to the almost inevitable consequences of continuing the former policy. If two or three Boards find the employment of paid field agents to be profitable, they must feel justified in increasing their number. In time all the other Boards must resort to the same agency for securing the money they also need. In this way administrative expenses will be greatly increased. This policy can be defended as long as the expenditure of a thousand dollars brings in additional thousands. But two consequences are almost sure to follow in time. First, there will be complaint about the large aggregate sums that must be taken out of benevolent gifts to secure other gifts, and defense will be called for perennially. But a second and more serious consequence is, the tendency to relieve pastors, churches and Presbyteries of the responsibility that properly belongs to them, and the centering of responsibility on the Boards themselves. As this tendency develops, we shall be confronted with the follow-

ing undesirable conditions: churches relying increasingly on the Board's agents to raise money; the Boards multiplying agents to meet their pressing needs; pastors annoyed by multiplied appeals; the Church's agencies taking the plane now occupied by outside agencies and competing with them for admission to pulpits; and an invincible demand for a reduction of the Church's agencies by any kind of consolidation that will accomplish this end at whatever cost of inefficiency. If this seems to be an imaginary picture not likely to be realized, let us see what has already taken place in England. The Church Missionary Society of the Church of England is the largest of the 349 Boards of Foreign Missions in the world, but it handles only about \$200,000 a year more than our own Board of Foreign Missions. But to secure its income and to care for it in the office, it employs ten Executive Secretaries, fifteen Assistant Secretaries, twenty-five Field Secretaries and one hundred clerks and stenographers. The extent of its territory bears a very small proportion to that of the United States, yet its twenty-five field agents and some of its twenty-five secretaries must devote their time to securing money. Here is a Board of Foreign Missions spending on foreign fields but little more than our own Board, yet employing six times as many Executive Secretaries and four times as many field agents to cover a much smaller field, and accomplishing very little more than our smaller force, because we have still preserved in our churches and Presbyteries a sense of responsibility for the proper support of our Boards.

Let it be understood that we are yet far off from the English model. Let it also be understood that none of the paid agents of our Boards are engaged exclusively in money raising, but are doing educational, inspirational and supervisory work, forms of work that must be carried on, however policies may change. Let it also be clearly recognized that whatever our Boards may have been doing in past years in looking after money-getting, has been due, not to their own initiative, but to the general policy of the Church. For years we have said to our Boards, "Go to the churches and to individuals and get all the money you can to carry on your work." We have no good ground for reflecting on any of our Boards for pursuing about the only policy open to them. Neither do we think any of them have gone too far in developing the present policy. But we do believe it to be of great importance to turn again to earnest effort so to develop church responsibility and so to direct it that we shall feel increasingly confident that all the money needed for our regular missionary and benevolent work will come voluntarily from the churches.

We respectfully present to the General Assembly for its adoption the following recommendations:

1. That the Presbyteries revise the apportionments so that they may more closely represent the giving ability of their churches. The General Assembly commends the work which has already been done in this direction by some of the Presbyteries.

2. That the General Assembly approve of pressing more vigorously the campaign in behalf of the every-member-weekly-pledge system.

3. That a definite policy be inaugurated whereby at as early a date as possible the executive officers of our permanent agencies may occupy endowed positions.

4. That the publicity departments of the Boards should be endowed, thus giving a definite opportunity to many men of wealth, who believe that publicity is the seed corn of large giving, to exercise their liberality in this form of enterprise.

5. That the providing of an adequate income to meet all the expenses of administration and publicity of all our permanent agencies be hastened, to the end that the entire dollar of every contribution may go directly to the carrying on of the distinctive work of our several agencies.

6. That the General Assembly commend every legitimate effort which is put forth to convince the constituency of our churches, that better and larger results can be secured by the giving of their money to be disbursed by our permanent agencies, than in any other possible way.

XI-9. Budget for 1911-1912.

All the agencies of the Church made gains in contributions over the previous year's income save the Board of Church Erection, whose income from church offerings was \$1,843.13 less than the previous year. While the agencies of our Church did not reach within \$28,000 of the total amount apportioned to them the past year, yet the total amount contributed by the churches and organizations within the bounds of the Church is the largest that has ever been reported in any single year.

The National Board of Home Missions made a gain of \$9,133.42; Foreign Missions Board, \$71,314.88; Education, \$3,212.04; Publication and Sabbath School Work, \$9,165.97; Church Erection, loss, \$1,843.13; Ministerial Relief, gain, \$3,935.12; Board of Aid for Freedmen, \$13,382.06; College Board, \$3,361.86, and Temperance Committee, \$2,657.46.

The income of the Boards and Temperance Committee from all sources reached this year the magnificent sum of \$4,754,064.70, a gain of nearly \$1,000,000 over all previous years. The largest gain in any one source of income was that from legacies, which shows an increase of nearly \$900,000 over the previous year.

Your Budget Committee, after a careful study of the whole situation, and conference with the Boards, would recommend to

the General Assembly, for the new year ending March 31, 1912, for the Board of Foreign Missions, \$1,210,000. We have taken into consideration the change of the ecclesiastical year for the Board of Foreign Missions, of one month, between 1910-12. For the year 1910 the income of the Board of Foreign Missions was \$1,110,830.07, from churches and organizations within the bounds of the Church, and we have suggested an increase of practically 10 per cent. on this amount for the two years, making the budget for the new year \$1,210,000.

By the action of the General Assembly the Executive Commission was instructed to have regard, in making out the budget for Home Missions, to the several amounts that were raised for local home missionary work in the various Presbyteries and Synods.

For the other Boards of the Church and the Temperance Committee an advance of 5 per cent. is recommended.

With these preliminary statements the Committee presents to the Assembly the following recommendations:

1. That the Assembly authorize the apportioning to the uses of the following Boards and permanent agencies, the amounts of money set opposite their names respectively, as these amounts may be secured from the churches and several agencies.

National Home Missions.....	\$712,757 49	
Presbyterial and Synodical Home Missions.....	467,659 13	
Total Home Missions.....		\$1,180,416 62

Of the \$3,174,674.40 which is recommended to be apportioned to the churches and the organizations within the bounds of the Church, to be raised during the year 1911-12, the women's organizations of Foreign and Home Missions are expected to raise for Home and Foreign Missions and the Board of Freedmen, \$881,703.01. The Synodical and Presbyterial Committees for local support are expected to raise \$467,659.13, and the Presbyteries and Synods within whose bounds Presbyterian colleges exist are

expected to raise through the coöperation of the College Board, \$109,175.04.

In behalf of the Executive Commission,
CHARLES LITTLE, *Moderator and Chairman.*

The following was approved:

Resolved, That the Executive Commission asks the General Assembly to confirm its election of Rev. W. H. Hubbard, D.D., as Executive Secretary of the Executive Commission, with the same relation to the Executive Commission as is now sustained by the Secretaries of the various Church Boards, on terms to be agreed upon by the Executive Commission and Dr. Hubbard.

The Standing Committee on Bills and Overtures presented the following Reports, which were severally adopted:

1. *Resolved,* That the summaries of the accounts of the Executive Commission be published in the *Minutes.*

2. The Committee also present the following nominations for the Council of the Reformed Churches in the U. S. holding the Presbyterian System.

a. To complete Class of 1910-13, Hon. D. S. Lansden, Justice of the Supreme Court of Tennessee.

b. That the members of Class 1911-14 be elected to succeed themselves, with the following additions: Rev. J. Frank Smith, D.D., Dallas, Tex.; Rev. William Hiram Foulkes, D.D., New York City; Hon. Elisha S. Fraser, Detroit, Mich.

The Committee also recommend the approval of recommendations on pp. 116 and 117 of the Bluebook. [See Report of the Council of the Reformed Churches in the Appendix.]

3. In answer to the Resolution referred to us concerning the Committees on Mileage and Finance, we recommend that the Committees be enlarged, as called for in the Resolution, by the addition to each of eleven ministers, and further recommend that the Chairman of each Committee shall be a ruling elder.

4. Paragraph 8 of the Report of the Executive Commission, dealing with the compliance of the Presbyteries with the deliverances of the Assembly as to approved schools for theological students, was referred to this Committee. The Committee recommends the following: One hundred and eighty-two Presbyteries answer this inquiry as to students for the ministry. One hundred and seventy Presbyteries reply that they observe the deliverances of the Assembly of 1894. Their faithfulness is commended.

Eleven Presbyteries report non-compliance in part for various reasons. They are counseled to comply so far as is possible.

The Presbytery of New York reports a *modus vivendi.* It is instructed to see that this *modus vivendi* be so carried out that

the purity of doctrine shall be maintained and the peace of the Church be not disturbed.

Respectfully submitted,

CHARLES LITTLE, *Chairman.*

The Standing Committee on Theological Seminaries, through its Chairman, Rev. Hugh T. Kerr, D.D., presented its Report, which was accepted, and, after addresses by George M. Lucecock, D.D., and Rev. John M. Davies, D.D., was adopted. It is as follows:

The Report of the Committee on Theological Seminaries is given added emphasis this year, following, as it does, the Assembly's recognition of the One Hundredth Anniversary of the founding of the first Presbyterian Seminary in America.

If we go back, not one hundred years, but three hundred years, we will discover in the early records of New England words to this effect: "After God had carried us safe to New England and we had builded our houses, provided necessaries for our livelihood, reared convenient places for God's worship, and settled the civil government, one of the next things we longed for and looked after was to advance learning and perpetuate it to posterity, dreading to leave an illiterate ministry to the churches when our present ministers shall lie in the dust."

That the passion for a trained ministry still exists in the Church, is evidenced by the fact that the reports of twelve different theological institutions have come into the hands of your Committee.

Princeton in the far East, San Francisco in the far West, Kentucky in the Southland; Auburn in New York, Western in Pennsylvania, and Lane in Ohio; McCormick on the Great Lakes, and Omaha out on the prairies; Newark for the Germans of the East, Dubuque for the Germans of the West; Lincoln and Bidle for the negroes of the Southland.

These are our schools of the prophets, having endowments and equipment of over \$11,000,000, producing an annual income of \$500,000, with libraries in which are stored 300,000 volumes, with a student body of 700 men.

Here is the record as it has come to us concerning the student body:

	Total No. of students.	No. of students graduating this year.
Princeton	164	26
McCormick.....	157	52
Western.....	80	25
Auburn.....	63	28
Lane.....	53	14
Lincoln.....	50	16
Kentucky.....	50	16
Newark.....	30	6
Omaha.....	23	7
San Francisco.....	21	6
Dubuque.....	17	5

In all, 700 students and 194 graduates; more graduates than in any year since 1902, and excepting last year, more students than in any year since 1900.

No report has been received from Biddle University Theological Department. In accordance with the action of the last Assembly advising the Seminary of the South (Lebanon) to seek affiliation with some other theological institution, the following communication has been received from that institution:

"To the General Assembly of the Presbyterian Church, U. S. A.:

FATHERS AND BRETHREN:—Acting under the instruction of your reverend body, the Board of Trustees of the Presbyterian Theological Seminary of the South formed an alliance with Lane Seminary, and during the past year has done its work by means of this Alliance. Two professors from our Seminary became teachers in the allied Seminary, we providing for the salary of one and Lane the other. The Alliance was formed to continue for a period of two years, and the experience of the past year has been so satisfactory that strong hope is entertained that at the close of the next year it will become permanent.

"B. P. FULLERTON, President of the Board."

SOME POINTS OF INTEREST.—It may be interesting to the Assembly to know some of the points of interest which came to the notice of the Committee.

WESTERN SEMINARY is seeking to find a curriculum "sufficiently elastic to meet the changed conditions of the modern educational world." The men on entrance in the Greek department, for example, are graded into elementary, advanced and special-student groups. These men cannot be grouped together, and this necessitates an ample elective system.

This Seminary has introduced a Seminary Extension Lecture Course. Three of the professors last year delivered courses of popular lectures in neighboring churches, the courses being, "The Sacraments," "The Social Teaching of the New Testament" and "The Theology of the Psalter."

In passing we note the election to the Chair of Systematic Theology of Rev. James H. Snowden, D.D., and the erection of a new \$135,000 dormitory.

SAN FRANCISCO, which is the only Seminary in the western half of the United States, presents an urgent demand for men. The Seminary cannot answer the calls of the great Home Mission field of the West. It reports a course in Religious Pedagogy and Sunday-school Work that has been made a "required" course in the middle year. The remarkable statement that, out of twenty-one students enrolled, eleven are pledged to the Foreign Field, indicates the spiritual tone of this institution.

PRINCETON, which enters upon her centennial celebration, is seeking an additional endowment of \$500,000 for increased efficiency. We note the election of Rev. John Henry Jowett, D.D., to the Board of Directors.

We read in the Report submitted to the Assembly that, while asserting that "the Biblical, the Scholastic and the Philosophical are absolutely indispensable to an adequate preparation for the Gospel ministry," a four years' course is outlined, accommodated to students matriculating with inadequate preparation.

In the Department of Practical Theology we note that there has been introduced into the curriculum a course concerning the Church's relation to practical problems. It is stated in the Report that, under supervision of professors, civic and social conditions are studied at first hand by visits to New York and Philadelphia.

In connection with the coming centennial, the following communication has been received:

"The Faculty of Princeton Theological Seminary beg leave hereby to communicate to the Venerable, the General Assembly of the Presbyterian Church in the United States of America, about to convene in Atlantic City, N. J., the intention of the Directors, Trustees and Faculty of this Seminary to celebrate in May, 1912, the completion of one hundred years of service as a school of theology, and the desire of the Directors, Trustees and Faculty to signalize the event by an increase of the Seminary's endowment.

"The Faculty invite the Assembly to appoint a Committee to attend the celebration of the Seminary's Centennial, and ventures to express the hope that the Assembly will be pleased to commend the proposed increase of the Seminary's endowment to the liberality of individuals and churches within the jurisdiction of the Church.

"The Faculty earnestly request that the Assembly will pray for this institution of sacred learning, that in years to come, as in the years past, it may remain steadfast to the faith of the Gospel, that teachers and students may all be taught of God, and be led by His Spirit."

AUBURN.—It is apparent that Auburn Seminary desires to raise the standard of matriculation. Last year eleven students were refused admission because they had not the required entrance qualifications. It proceeds on the assumption that the seminary chooses the man and not the man the seminary.

Three new departments have been created—English Bible, Religious Education, and Missions.

There has been inaugurated in this Seminary a "Minister in Residence" system, which provides for a two weeks' residence in the Seminary, of some distinguished preacher, pastor or Chris-

tian worker, who holds classes and conferences, thus giving to the students the fresh inspiration which comes from contact with first-hand information. This summer, in coöperation with the Board of Home Missions, there is to be held a Seminary Summer School in Theology, to continue for twelve days.

OMAHA is calling for men. She has not men enough to meet the needs of the Middle West, where 60 per cent. of her graduates are working. She is asking for an additional \$125,000 endowment for current expenses.

The report from KENTUCKY SEMINARY is incomplete, and we would suggest that care be taken in filling out accurately the blanks provided by the Assembly.

LANE SEMINARY reports herself well-satisfied with the union of the working force of the Seminary of the South with her own. We commend the union most heartily.

MCCORMICK reports the largest graduating class. The graduating class of this Seminary this year numbered fifty-two, and is the largest graduating class reported by any Seminary since 1900.

We note specially the introduction of a course in Religious Pedagogy and Sunday-school Work. By an arrangement with Chicago Presbytery the students have unusual advantages in studying problems pertaining to city evangelization. The junior students are assigned work in various mission settlements. Evangelistic bands have been organized and a course in applied Christianity and sociology is given. Next year, under the supervision of Mr. G. B. St. John, of the Home Board, a scientific survey of the city is to be made by the student body.

FOREIGN-SPEAKING STUDENTS.—The work done for foreign-speaking students is being performed by three institutions: the German Seminary at Dubuque, the German Seminary at Newark, the Western Theological Seminary.

The work at *Western* is in charge of a special instructor. In the midst of a great foreign-speaking population this work is most urgent and necessary. Twelve students are enrolled. One Ruthenian, two Bohemians, one Slovak, four Hungarians and four Italians.

The Dubuque Seminary reports the best year in its history. It has added \$60,000 to its permanent endowment, and is seeking an additional \$100,000. It presents to this Assembly articles of incorporation, which have been carefully examined by the Committee and are herewith submitted for approval. It is incorporated under the name, "The German Presbyterian Theological School of the Northwest."

COLORED STUDENTS.—Two of our Seminaries are training workers for the negroes of the Southland. Lincoln reports this year fifty students and sixteen graduates. It is significant that

this institution is training men not only for the Presbyterian ministry, but some of her best graduates go into the service of the Baptist and Methodist communions, and not a few of her students find their way to the Zulus on the African continent.

CONFERENCE.—Last year's Assembly took action to the effect that the conference of representatives of the faculties of our theological seminaries be instructed to present a report of their conference to the next Assembly. The conference this year was held in Philadelphia, and reported to this Assembly the following action:

"This meeting respectfully communicates to the General Assembly's Committee on Theological Seminaries, that its organization is such as not to permit it to have any official relation with the General Assembly."

This action is not to be construed as expressing disapproval of the Assembly's instructions. The conference reports through the Board of Directors of each separate institution.

INFERENCE INFORMATION.—A development of the theological seminary along lines of specialization is apparent in the reports. It proceeds along two lines. There is specialization along lines of professional scholarship, which is revealed in the increasing endeavor to standardize a post-graduate course, and the granting of post-graduate degrees. The grading of students who possess varying degrees of scholarship is also a sign pointing in the same direction. On the other hand, there is a specialization along lines of practical efficiency and concerning social and administrative methods. This is revealed in the courses presented, some elective and some required, for the study of methods in church life and work, Sunday-school methods and organization, social service and the scientific study of missions.

Your Committee distinguishes between scholasticism and scholarship, and feels that all true scholarship is for service. "Truth is in order to goodness, and scholarship is in order to character and service. The primary purpose of the Theological Seminary is practical efficiency in the service of the Kingdom of God.

Your Committee is led to emphasize the necessity for thorough and fundamental instruction in the contents and teachings of the Bible. Whether students study the Hebrew Bible or the Greek Bible or the English Bible or the German Bible, whether they study it in one language or in four, the important factor in determining the future of our Church will be as to whether they thoroughly know the Book and understand its relation to the problems of life. Celebrating this year the three hundredth anniversary of the translation known as the Authorized Version of the English Bible, we feel that the time is opportune for added emphasis upon Bible study. Whatever else is introduced into

the curriculum, the Bible must have a place primary and pre-eminent.

It is to be regretted that the forms provided by the Assembly do not make provision for an adequate report concerning the spiritual conditions existing in our seminaries. A narrative such as the churches prepare on Christian Life and Work might, with good results, be submitted to the Directors. We cannot gather from the reports any conception of some of the most important factors bearing upon the training of students for the ministry. We would like to know something about the spiritual life of the institutions, the present passion for the salvation of the lost, the compelling enthusiasm of the missionary enterprise, the heroic claims of the Home Field, the spiritual atmosphere pervading the seminary and dormitory life of students, the methods used to create in the Seminary a spirit of devotion and consecration, so that it may become to the young men who pursue their studies there a fountain of inspiration, a sanctuary where fellowship with the Eternal is the blessing sought, and where each successive study leads into a new discovery of the glory of God. It is certainly true that gratifying spiritual conditions are found in all our Seminaries, but your Committee feels that a report upon this phase of Seminary life would be most welcome to the churches.

Your Committee would recommend:

1. That the General Assembly approve the election of all Trustees and Directors, properly chosen and recorded in the accompanying reports.

2. That the election and transfer of all Presidents and Professors as recorded in the accompanying reports be approved.

3. That the General Assembly instructs the Chairmen of our Presbyterian Committees on Education, the Presidents of our denominational colleges, and the student-pastors at our State Universities, to see that all candidates for the ministry under their care, pursue in preparatory school and college, appropriate courses in Greek and such other studies as will best prepare them for their theological course.

4. That in view of the demand for more men for the Church at home and in the foreign field, the Board of Education cooperate with our theological seminaries in a movement to turn the minds of more of our best young men towards the Gospel ministry.

5. That in view of the inadequate reports concerning the spiritual conditions prevailing in our seminaries, we urge the Directors in their reports to give this phase of their work more careful attention.

6. That the congratulations of the Church, through this General Assembly, be extended to Princeton Theological Seminary, in view of the approaching one hundredth anniversary of the

A supplementary Report on Publication and Sabbath School Work was presented and adopted, and is as follows:

There has been referred to your Committee a memorial from the Presbytery of Tulsa, asking for the elimination of certain material from the graded Sabbath-school lessons. Since it is the purpose of the Board that the material of which complaint is made shall be used only by way of illustrating and enforcing Bible truth, and since the maintenance of the integrity of this course is essential to its highest usefulness, we recommend that the petition be not granted.

The Standing Committee on Benevolence, through its Chairman, Rev. J. H. Boggs, D.D., presented its Report, which was accepted, and after an address by Rev. A. F. McGarrah, was adopted. It is as follows:

Your Committee rejoices in being able to report that the past year has been the banner year for Christian giving—the greatest year in the history of our Church for offerings to the general Boards. The contributions to the permanent agencies has exceeded the record of all past years, to the extent of \$114,000. It is to be noted that every Board of the Church, with a single exception, has shared in this increase, and, further, it is gratifying to learn that this is but the beginning of better things. Only some springs of benevolence have been opened, while the full flow of the fountain is yet to be.

This liberality has been made possible by the introduction of a better system and more business-like methods in securing contributions. Again, greater emphasis has been laid upon proportionate giving and weekly offerings on the Lord's day and in the Lord's house. But, more than these, there has been an awakening to a wider vision of the great field of service to which the Church is called. The rallying cry of the Laymen's Missionary Movement, "The whole world for Christ," has stirred enthusiasm for Missions at home and abroad and aroused a new interest in every agency of the Church. Pastors have been

encouraged in pressing for increase in offerings by the aroused interest in this forward movement. By these and other means, through which the Holy Spirit has been moving in the churches, this gratifying report of enlarged benevolence has been secured. The Executive Commission, recognizing the vital importance of this grace of benevolence, has given much thought and careful consideration to the whole subject. They are organizing a campaign on the lines of systematic giving. They have collected and presented to the Assembly very full and valuable tables of statistics. They have formulated plans for increasing the responsibility of Presbyteries and individual churches in the raising of money for the missionary and benevolent work of the Church. Changes in methods are proposed that it is hoped will bring more economy in administration with greater efficiency of service.

This, if accomplished, will meet a popular demand and encourage larger gifts for our treasuries. In all these things is the promise and hope of a better day of liberal giving.

In reviewing these statistical tables of contributions, there is one thing that we find that causes regret and must be emphasized. It is seen that nine-tenths of all given for benevolence comes from one-tenth of the membership of the Church. A little more than one-half of our membership contributes to all the Boards. We would advise a careful examination of the tables given in the statistical report of the Executive Commission. The last General Assembly ordered an inquiry into the causes of the failure of these delinquent churches. These causes are very fully reported by the Commission.

If this advance movement of increasing benevolence is to continue and go on to its full promise, it will be necessary to bring into line the whole membership of the Church; every one, young and old, rich and poor, coming into the Lord's house and bringing an offering with him. After all our plans and methods there is none more profitable and more efficient for cultivating benevolence and increasing gifts than that commended by the Apostle Paul: the weekly offering on the Lord's day and in the Lord's house, with the emphasis on "let every one of you."

The Apostle does not indicate what proportion of one's income should be given. There are some who insist that the tenth is the Scriptural requirement. It is clearly evident that Christian giving under the New Testament dispensation should far exceed in liberality the older Church, which went far beyond the tenth in multiplied free-will offerings. Give as God has prospered you is the Apostle's rule. It must be confessed that those who conscientiously practice tithing are among the most liberal contributors in the congregation. This proves how far the Christian Church fails to recognize the obligation of Christian giving. If

we would measure our proportion by our greater privileges—as God has prospered us in the rich gift of His Son, Jesus Christ our Saviour—we should bring unto His house a free-will offering that would call down a blessing, “exceeding abundantly above all we could ask or think.”

The duplex envelope has been offered as a feasible plan to secure larger gifts to the Boards and encourage the grace of benevolence. This duplex envelope has been tried in some of our churches with very satisfactory results. While there has been found no decrease in the contributions to local church support, there has been a great gain in the benevolent offerings. It must be remembered that first of all comes the offering for congregational expenses. This must not fail in liberal gifts. All other causes must wait until the current expenses are met. After this remains the imperative obligations to the larger interests of the kingdom which must not be withheld. By the law of the kingdom any congregation able but not willing to give to the benevolent causes will suffer loss both spiritually and financially. Withholding more than is meet tends to poverty. A congregation seeking only to maintain its own life may lose it.

It has been suggested that an increase of contributions to the general cause might be secured by the appointment of a Committee on Benevolence in every congregation, this Committee working in conference with the pastor and trustees. Good men and women can be found in every congregation who feel the obligation of Christian giving and would be helpful factors in stimulating the grace of benevolence. This is a burden the pastor is too often left alone to bear, and the burden is great in these multiplied appeals. He is tempted at times to leave some of these lying on his desk, or to throw them into the waste basket, while he goes on with his preparation of a sermon that he believes will be more helpful to the spiritual life of the people. Our congregations do not relish the begging sermon, as they phrase it. They are weary of it. Yet it must be. Christian giving is a privilege as well as a duty, a grace that must be cultivated as vital to the organization of the Church. No pastor need apologize for his appeals for liberal offerings. It is the King's business, and it is an honor to be a collector or financial agent of the King. This is an honor in which some of the saints should be willing to share with him, leaving him free to teach the principles and enforce the duty, while they go about and stir up the people to make the application. It is told of a pastor who had not only to solicit contributions for his salary, but was compelled to go around and press the payment of the pledges, that in a generous mood the congregation at one meeting resolved to increase his salary \$100. On the following Sabbath he acknowledged the favor, but said he must respectfully decline it. It cost him already so much

time and effort to collect what they had promised that to add another \$100 would be his undoing.

One thing evidently is the duty of the pastor—if he would comply with our Directory for Worship—and that is to insist that the presentation of offerings on the Lord's day and in the Lord's house shall be regarded as a separate and specific act of worship, a service as acceptable to God as prayer and praise. The time of the receiving of the offering is too often regarded by the congregation as a break in the service for the reading of notices and taking the collection. We are instructed to observe it as a solemn act of worship in the presence of God, a service well-pleasing unto Him. This can be impressed upon the congregation by the offering of a brief prayer before or after the offering is received.

In all our giving we should remember that the Master of Assemblies still has His eye upon the treasuries, and observes how the people cast in, either out of their abundance or poverty. Whenever and where he observes the spirit of self-sacrifice, that one is singled out for His commendation. Let us in this service of Christian giving approve ourselves unto Him as those who are not ashamed of our offering.

Your Committee would offer the following recommendations:

That each congregation may have a business-like and Scriptural method and system for raising and administering all church funds, we recommend the following:

I. The adoption of the budget and voluntary subscription system for church support, and of the budget and subscription system for raising benevolent and missionary funds; all pledges to be secured as far as possible on the weekly basis, and weekly payment to be made through envelopes.

II. Pledges should be secured by a personal canvass made annually, both for the Boards and for the church-support budget, and an earnest effort should be made to secure regular gifts from every member for each budget.

III. That duplex envelopes be used not only in order to keep church support and missionary funds distinct, but particularly to emphasize the relative importance of the latter.

IV. That an efficient missionary committee be constituted in each congregation, representing and correlating all the boards and societies, and responsible for educating the entire membership along missionary lines, under the authority of the session.

V. That sessions meet regularly in conference with the trustees, deacons, missionary committee, and other leaders of all other societies of their respective congregations, in order to avoid

friktion and to promote such coöperation as shall secure the greatest unity and efficiency along all financial lines.

In behalf of the Committee,

JOHN H. BOGGS, *Chairman.*

In behalf of the Committee,

JOHN H. HATFIELD, *Chairman*.

The following was adopted:

WHEREAS, The Union Theological Seminary, in the city of New York, was founded by Presbyterians and largely endowed from Presbyterian sources; and

WHEREAS, Some years past there developed a condition which led to the severing of the relations which had existed from the organization of the Seminary, between it and the General Assembly; and

WHEREAS, We are persuaded that there are in the faculty and in the directorate of Union Theological Seminary men who are in accord with evangelical Christianity as expressed in the Standards of the Presbyterian Church in the United States of America, and who are zealous in all good work for the growth of the kingdom of our Lord Jesus Christ in the world; and

WHEREAS, We believe that it would be a signal manifestation of the spirit of our Lord and Saviour Jesus Christ who prayed "that they all may be one," for Christian brethren under the gracious guidance of the Holy Spirit to remove all misunderstandings, alienations and antagonism, and to become vitally and aggressively united in the doctrine of our beloved Church in the work of bringing nations and the world to Christ; therefore, be it

Resolved, That the Assembly hereby authorizes the Moderator to appoint a committee of nine, to consist of five ministers, of whom the Moderator shall be one, and four ruling elders, none of whom shall be connected with the directors and faculty of the said Seminary, with a view to the reestablishment of relations between the Seminary and the General Assembly on the basis of the Standards of the Presbyterian Church in the United States of America; this committee to report at the next Assembly.

The Standing Committee on Ministerial Relief presented a supplementary Report, which was referred to the Executive Commission, with power. The resolution of reference is as follows:

Resolved, That the supplementary Report, involving Section 3 of the Report of the Standing Committee on Ministerial Relief, be referred to the Executive Commission, with power to act, and that the Board of Ministerial Relief and the Board of Sustentation be instructed to appear before the Executive Commission and present their respective claims; and that the Executive Commission be instructed to arrange a plan of campaign, by which there will be no conflict of the two Boards, no clashing of agents in the field, and that the work may be successfully done by both agencies in equity to both, and that peace and harmony may remain.

The Rev. H. C. Minton, D.D., addressed the Assembly in behalf of the Presbyterian Historical Society. The following was adopted:

Resolved, That this Assembly expresses its profound and sympathetic interest in the work of the Presbyterian Historical Society, and urges its churches and ministers to support and assist in the worthy, valuable, and permanent work which the society accomplishes for the common Presbyterianism.

The Moderator announced the appointment of Committees as follows:

Special Committee on an Intermediate Catechism: Additional Members—Henry C. Minton, D.D., Rev. Maitland Alexander, D.D., and, by vote of the Assembly, the Moderator.

Special Committee of Conference with the Directors and Faculty of Union Theological Seminary: Ministers—David G. Wylie, D.D., William H. Foulkes, D.D., John R. Davies, D.D., S. S. Palmer, D.D.; *Ruling Elders*—Louis H. Severance, Hon. Henry D. Freeman, Elisha H. Perkins, and Hon. Warner E. Settle. By order of the Assembly, Rev. John F. Carson, D.D., as *Chairman*.

The Committee on *The Assembly Herald*, through Elder William H. Scott, a member thereof, presented its Report. Recommendation No. 4 was referred back to the Committee. The remainder of the Report of the Committee was adopted, and is as follows:

We submit herewith our Annual Report for *The Assembly Herald*.

The Financial Statement shows a reduction in the deficit, as compared with that for 1910, of \$1,096.47 (deficit for 1909, \$5,076.29; deficit for 1910, \$3,979.82). In accordance with the action of the General Assembly, this deficit has been divided among the different Boards in the usual proportion. The deficits of the last few years were due primarily to the advance in the wages of printers (compositors, pressmen, etc.), and to the shortening of their working hours.

It is the desire of your Committee, representing, as it does, the Boards of the Church, and, we believe, the mind of the General Assembly, that every Presbyterian family should take *The Assembly Herald*. If this magazine is to fulfill completely its mission, it must be in the home of every Presbyterian.

The Assembly Herald is not a secular magazine. Its purpose is to present to the Church the varied work which the Boards are doing for the extension of the Kingdom throughout the world. The best we can do is to present this information as comprehensively and attractively as the nature of the subjects treated will permit.

We believe that no magazine, however efficient, can permanently maintain a large circulation without effective promotion through some distinct agency. The pastors, elders and active workers in the churches are the persons upon whom the Committee of *The Assembly Herald* must rely to obtain subscriptions from every family in the whole Presbyterian Church in the United States of America. The low price at which the magazine is published, 50 cents per year, or 25 cents in clubs, which is less than the cost of production, should make it comparatively easy to secure subscribers.

We most gratefully acknowledge the help received from elders and pastors during the past year. Among the many letters of commendation which have come to the office of *The Assembly Herald* in the last twelve months, we quote the following from the Rev. John Allan Blair, of Chambersburg, Pa.:

"I am glad we have so many subscribers (62 subscriptions, 268 members) and we believe the list could be made as large in hundreds of churches if the pastors would take a little trouble. As to value, I think the January and February numbers of 1911 in particular are great, either being worth much more than the price of the whole year. Let me congratulate the editors. Life and enterprise and splendid ability are displayed on every page. I make it a habit to call attention, now and again, to certain articles, asking whether the people have read them. I think it a good plan."

Are there not others, pastors, elders and laymen in men's

organizations, who will this year aid in placing *The Assembly Herald* in Presbyterian homes? We recommend:

1. That the Assembly commend to pastors the example of the Rev. Mr. Blair, not only in his zeal in securing subscriptions for the *Herald*, but in calling the attention of his people from time to time to articles of special value which appear in the columns of *The Assembly Herald*.

2. That the Assembly urge churches, men's brotherhoods, and men's societies to ask, in connection with "their every member" canvass for benevolences, that one copy of *The Assembly Herald* be taken by each family in the congregation.

3. That in view of the fact that *The Assembly Herald*, at present, carries into over 50,000 Presbyterian homes so much invaluable and inspiring information of the work of the Boards, it is not wise to increase the price, since the deficiency which each Board has to bear is small compared with the large results obtained.

4. That the question of the insertion of miscellaneous advertisements in *The Assembly Herald*, be referred back to the Committee, with discretionary power, after conference with the Boards.

Respectfully submitted,

A. W. HALSEY, JOHN DIXON,
WILLIAM H. SCOTT.

I have audited the business accounts of Horace P. Camden, Business Manager of *The Assembly Herald*, and have found them correct.

JOHN D. MURPHY, *Public Accountant*

The Assembly adjourned until to-morrow at 9 A.M., and was closed with prayer.

FRIDAY, May 26, 8 o'clock P.M.

A popular meeting was held in the interest of Temperance, and was addressed by Hon. William Jennings Bryan.

SATURDAY, May 27, 9 o'clock A M

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The following was adopted:

Resolved, That this General Assembly heartily commends the annual observance of the second Sabbath of May as Mothers' Day, the object of which is to honor motherhood by an expression of love and gratitude, which all good men, women and children, owe to their mothers.

Upon request of the Moderator, the action making him Chairman of the Committee on Conference with the Directors and Faculty of Union Theological Seminary, was unanimously reconsidered, and the Committee was authorized to choose its own Chairman.

The Standing Committee on Education presented a supple-

mentary Report, dealing with the matter of Training Schools and Deaconesses. The Report was approved and ordered to be printed with the main Report.

The Special Committee on Work on the Continent of Europe, through its Chairman, Rev. S. W. Beach, presented its Report, which, after an address by the Chairman, was adopted. It is as follows:

The Special Committee on Work on the Continent of Europe respectfully reports, that it has conducted its affairs during the year mainly by correspondence, and that its business has been handled by an Executive Committee, composed of the members residing in or near Philadelphia.

The Committee, with regret, accepted the resignation of the Rev. L. Y. Graham, D.D., owing to his necessary absence in a distant part of our country, in the interest of the health of his family. The Rev. Sylvester W. Beach, of Princeton, N. J., for so many years in charge of the work for the students in Paris, France, has accepted the Chairmanship.

In accordance with the recommendations of the Assembly of 1910, the Committee has given consideration to the interests committed to it. The fields which have enlisted its interest and effort are as follows:

I. FRANKFORT-ON-THE-MAIN.—This little church, which we have sought to foster, has been in existence for seven years. From the beginning it has maintained a Sunday morning service, without a single omission. A Sunday-school is held in connection with it.

In the permanent American colony in Frankfort there are, all told, not more than fifty men, women and children. But during the tourist season this number is often multiplied tenfold. It happens that the leaders among this colony are substantial Presbyterians, and while several denominations are found among them, Presbyterianism appeals to all as the common basis upon which they can unite.

Of the resident Americans, none are rich. Most of them are well-to-do and prosperous business men. The Session is constituted of two elders, men of high standing and influence in the community. The membership is small, but thoroughly loyal and harmonious. Twelve hundred dollars are raised on the field. In addition to the support of a pastor, other expenses lay burdens upon this feeble folk. They are asking aid, in the amount of \$300 a year. This request is not unreasonable, when we remember that the church at Frankfort was conceived and brought forth by the Assembly's Committee. Americans were induced to join in the enterprise, glad that the hands of their compatriots were reached out to them across the water. They and

their children have been greatly benefited. They have been constant in their devotion, and are extremely anxious to maintain the work whose success and usefulness have proven its wisdom.

Aside from the blessing this church brings to the permanent colony in Frankfort, it stands as an object lesson to the large company of American commercial men and tourists who visit the city every year, and bears witness to the fact that our great Church is following the traveler with the offer of grace and the comforts of our holy religion. Frankfort is a railroad centre, in a region of marvelous beauty, and it is not strange that thousands of Americans are there every year. Frankfort is also a commercial and industrial city of no mean importance, and business interests are calling our people there more and more. It is certainly a great privilege to so many people, far from home, that they may attend a simple religious service of the American Presbyterian sort, and in their own tongue.

The wisdom that inaugurated this little Presbyterian church should lead us to aid and foster it. The conditions that led to its founding still exist. The small body of worshipers there have shown themselves worthy of confidence and encouragement. The work will, undoubtedly, some day become self-supporting. It is nearly so now. Rev. George B. Swinnerton, pastor of the Presbyterian Church at Oneida, N. Y., has been granted a year's leave of absence, and is most efficiently supplying the pulpit of Frankfort.

II. WIESBADEN, NAUHEIM, CARLSBAD.—It has not seemed to your Committee expedient to attempt anything in these fields this year. There is, undoubtedly, a call and opportunity for work in each of these resorts. But our brethren of the Scotch Church hold services during the three best months, and it would be neither wise nor fraternal to invade their time or territory. Our Mr. Banfield, who has stood back of all our efforts, feels that he now needs all his time and strength for his good work among the High School students.

But the greatest obstacle in the way of further effort in these and similar resorts is the lack of funds. It seems to your Committee inexpedient to extend the sphere of activity so long as funds are inadequate to sustain the most fruitful and promising work already in hand.

If at any time there should be a change in the situation, such as to justify a more aggressive policy with regard to these fields, your Committee will stand ready to respond.

III. LATIN QUARTER, PARIS.—It is estimated that there are not less than twenty-five hundred American students in Paris. Art is the chief motive in bringing them there. Paris is the paradise of artists. The schools are far-famed, and the best masters lend their criticism and inspiration. Fees and models

are cheap. The Louvre and Luxembourg galleries are free. The Old Masters are there, and many of the best examples of the art of every age. Architecture presents some chaste and charming types. The very atmosphere of Paris is surcharged with the spirit and genius of the fine arts. It exhales an æsthetic infection; it communicates "the sense and touch divine." And so students come; they throng as birds migrate, they know not why, to where are summer and sunshine. It would be better for them and their country if many of these young men and women had never left America. A majority of them lack both the talent and industry necessary to success in art, and they go to Paris, foredoomed to failure. Why, then, do they go? Some, evidently, because having failed of success at home, they imagine that the superior advantages of Paris will supply what they lack. Others for a quite opposite reason. Attaining local fame in some rural community, village or city, they are impelled by ambition or induced by admirers to launch upon the deep sea of large adventure. Some, comparatively few, succeed. But the Annual Salons demonstrate that Americans are magnificently vindicating the right of our country to dream of a glorious future in art, not less than in the arts.

But whether it be failure or success for our students, it is too late to talk of the expediency of this great and increasing migration of our young men and women to Paris. It is a condition, and not a theory, that confronts the Church; for twenty-five hundred students in Paris are unchurched.

Paris, it need not be said, is not wanting in churches of and for Americans. But none of them are reaching the students to any appreciable extent. It is not for want of interest or faithfulness on the part of pastors. The causes are beyond the control of either the ministers or their churches. One difficulty is that of location. The churches are on the right bank of the Seine; the students, mostly, are on the left bank, and quite remote. The churches are located with reference to the hotels and other rendezvous of the transient population, or of that class of apartments where well-to-do American colonists reside. Thus located, these churches are inaccessible to the students. Moreover, the churches are affected and sustained by well-dressed and dignified people. The students are unconventional in dress, and have no affinity for the atmosphere and environment of a fashionable congregation. As a rule, therefore, the student is conspicuous by his absence from church. The churches lament the fact, but seem powerless to deal with the problem.

Only so much need be said to explain and justify the work we are doing in the Latin Quarter. It is now sixteen years since this enterprise was undertaken. Without interruption, the work has gone forward with ever-increasing influence and usefulness.

For the past five years the work has been carried on under direction of the Rev. Ernest W. Shurtleff, D.D., formerly pastor of the First Congregational Church, Minneapolis, Minn.

The purpose is twofold:

(1) To provide for the hundreds of American students living in studios, pensions, apartments, etc., a sympathetic, uplifting, homelike Sunday evening meeting, or "Reunion." (2) To meet in a practical way, during the week, the manifold needs of this large body of young men and women.

The religious meetings are held in the Atelier of the Ecole Spéciale d'Architecture, 254, Boulevard Raspail, a fine edifice in the heart of the Latin Quarter. The Atelier has a seating capacity of over four hundred, which is taxed to the utmost, the crowd often overflowing into the adjoining room and hall-way.

The programme for the Sunday evening meeting includes the following features:

(a) Singing of the old, familiar Gospel hymns of the home churches.

(b) Responsive readings from the New Testament and Psalms.

(c) An address or sermon upon fundamental Christian truth, direct and pointed, and addressed to the peculiar temptations and problems of the student in Paris.

(d) The best vocal and instrumental music, rendered by professional musicians of Paris and their pupils, and by others who give their invaluable aid to this prominent feature of the meeting.

(e) A concluding prayer, holding in remembrance the kindred ties of the home-land, and the needs of those present; followed by the benediction.

The pastoral side of the work during the week is practical and imperative. Some of its details are as follows:

(a) Assisting students, upon their arrival in Paris, to find suitable studios, pensions and apartments.

(b) Giving advice with reference to schools, teachers, academies, etc., and the detailed counsel so necessary for the safety, comfort and welfare of the stranger in Paris.

(c) Calling upon the sick; recommending physicians; sometimes taking entire charge of students who are alone and ill; seeing that they are cared for while in such condition.

(d) Giving aid, sympathy and advice in times of personal difficulty. Complications frequently arise in which students, so far from home and parents, need special counsel in solving their problems. The pastor's house is always open to such, and hardly a day passes during which young men and women do not come with some problem, moral or physical.

(e) Receptions, afternoon teas, etc., given in the minister's home, where students may be brought together socially.

The work has the enthusiastic approval and interest of many prominent men among the American residents in Paris, among whom may be mentioned Hon. Henry White, formerly American Ambassador to France; His Excellency, Robert Bacon, the present American Ambassador; Consul-General Frank H. Mason; all of whom are not only regular subscribers to the work, but have personally attended the services and made addresses to the students. The work is supported by voluntary contributions made in America and in Paris, and by Sunday evening offerings at the meetings. The entire expense is about \$4,000 a year.

Does any one suggest the question of results? If so, let it be answered that no investment in the name of Christ could possibly yield a larger dividend. Were there nothing more accomplished than to give a rendezvous Sunday evenings for the students, counteracting by pure and wholesome influences the pervading and dominant spirit of a thousand pitfalls, then most alluring—were that all, it would be well worth while. Amusements and companionships, as attractive as they are degrading, are enticing our young men and women at the very hour of our meetings. Shall not the Christian Church seize that psychological moment to lift up Him who has promised to “draw all men unto Him”?

And there are not wanting direct results. Many cases might be cited to show that it is not to little purpose that in a sea of darkness there is shining forth in the Latin Quarter a beacon light of guidance and hope to bewildered and imperiled souls.

It should be added that the work of this Committee has been approved by the World Alliance of the Presbyterian Churches.

In conclusion, your Committee would interpret it as a providential indication of the great need for the work it is doing, that in the ever-growing American colonies in the larger cities of Europe, and in the ever-increasing numbers of American tourists, there are those who hold to and thirst for a pure Christianity. These small groups here and there, encouraged by sympathy and a little material help from home, will do much in the way of keeping the true light burning.

We recommend the following resolutions for adoption by the General Assembly:

Resolved, 1. That the Committee on Work on the Continent of Europe be and is hereby continued, and that the Rev. Leander T. Chamberlain, D.D., of the Presbytery of New York, and Rev. Chauncey W. Goodrich, of the Presbytery of Cleveland, be added as ministerial members.

Resolved, 2. That the Board of Home Missions be and is hereby directed to consider the advisability of appropriating from its funds, for the use of this Committee, for the present fiscal year, the sum of \$1,000 toward the maintenance of preaching stations in Europe for the benefit of American students and tourists.

Resolved, 3. That the Committee is cordially commended to generous individuals for support in connection with its important work.

In behalf of the Committee,
SYLVESTER WOODBRIDGE BEACH, *Chairman.*

Two resolutions presented were referred to the Standing Committee on Temperance.

The Standing Committee on Polity, through its Chairman, Rev. John Dixon, D.D., presented its Report, which was adopted, with the exception of the answer of the Committee to Overture No. 264, which, with a proposed amendment, was referred back to the Committee. The Report as adopted is as follows:

The Committee on Polity reports that 107 Overtures have been placed in its hands and have been considered.

Overture No. 147, from the Presbytery of Rock River, asking that a part of the matter contained in Section 48 of the Book of Discipline be transferred to Section 50. We recommend that this Overture be answered in the negative, for the reason that Overture No. 3, 1910, has been added to Section 51, Book of Discipline, in the 1910 edition of the Constitution of the Presbyterian Church in the United States of America.

Overtures Nos. 148 to 233 and Nos. 307 to 312 and 326, asking for an amendment of the Directory for Worship, Chapter VIII, Section 2. We recommend that these Overtures be answered in the affirmative, and that an Overture be sent down to the Presbyteries in the following terms:

Shall Chapter VIII, Section 3, Directory for Worship, be amended as follows: After the word "head," insert a comma, and add, after the word "head," the phrase, "calling him by name," so that the sentence shall read and be punctuated as follows: "Then the minister shall baptize the candidate by pouring or sprinkling water upon his head, calling him by name, and using these words."

Overture No. 236, from the Presbytery of Clarion, relating to Presbyterial meetings, in the following terms: "The Presbytery of Clarion would overture the General Assembly to provide, by general rule, for such circumstances as would necessitate a change in either the time or place of a stated or adjourned meeting of the Presbytery, or the annulling of a called or adjourned meeting of the Presbytery that has become unnecessary. We recommend that this Overture be answered in the negative.

Overture No. 253, from the Synod of Montana, asking permission of the Assembly for the creation of a new Presbytery within the bounds of said Synod.

We recommend that the following action be taken by the General Assembly:

Resolved, 1. That this General Assembly grants the request of the Synod of Montana, and answers the Overture in the affirmative. The Presbytery of Kalispell is hereby erected, with boundary lines, ministers and churches as in the request made by the Synod of Montana. The new Presbytery of Kalispell shall include the following territory, viz.: The counties of Teton, Flathead, Lincoln, Sanders, and that portion of Missoula County lying north of the 47th degree of latitude, and including the following churches, viz.: Conrad, Cut Bank, Browning, Kalispell, Whitefish, Libby, Polson, and Ronan. The following ministers shall be the members of the new Presbytery of Kalispell: L. J. Hawkins, Henry G. Hanson, George M. Fisher, Thomas A. Stancliffe, Joseph Gaston, Edwin M. Ellis, and George Edwards. The Rev. George M. Fisher is hereby appointed to convene the said Presbytery of Kalispell and to preside until his successor is elected.

Resolved, 2. That the Presbytery of Great Falls shall be the legal successor of the Presbytery of that name, and shall be the custodian of its records. The Presbytery of Great Falls shall include the counties of Valley, Chouteau, Cascade and Fergus, with the following ministers: David Walker, James A. Green, Rees W. Edwards, William B. McMillin, Charles B. Wellborn, Ph.D., David Holford, D.D., Albert Pfaus, Francis W. Pool, Ezra P. Giboney, David C. Cowan, Ernest W. Wright, and Clarence N. Platt; and with the following churches: Chinook, Chester, Harlem, Havre, Great Falls First, Culbertson, Lewistown, Kendall, Buffalo, Fort Benton, Hobson, Stanford, Stockett, Zion, Welsh, and Carter.

Resolved, 3. That the churches of Elliston and Pony be transferred from the Presbytery of Butte to the Presbytery of Helena.

Resolved, 4. That the Stated Clerk of the General Assembly be directed to inform the Synod of Montana of the action of the Assembly.

Overture No. 262, from the Presbytery of Buffalo, asking the Assembly to answer the questions: "(1) Can a regularly ordained Baptist minister, who was serving a Presbyterian Church in the capacity of a stated supply, ordain a Presbyterian elder? (2) And what is the ecclesiastical standing of a person so ordained?"

We recommend that the following answer be given: (1) A Baptist minister cannot ordain a Presbyterian elder. (2) The ecclesiastical standing of a person so ordained is that of "elder-elect."

Overture No. 263, from the Presbytery of Des Moines, asking the Assembly to answer inquiries as to the constitutionality of a

standing rule of said Presbytery, which reads as hereinafter stated:

“WHEREAS, This Presbytery has adopted a Standing Rule, containing the three following sections, to wit:

“1. No minister failing to attend the meetings of Presbytery, or leaving without excuse, shall be eligible to election either as a commissioner to the General Assembly or as a delegate to Synod.

“2. That likewise, ministers and elders of churches failing to pay their General Assembly assessment shall not be eligible for election either as commissioners to the General Assembly or as delegates to Synod.

“3. It is further required that, before the pastor or elder of any church of this Presbytery, shall be eligible for election as commissioner to the General Assembly, the church to which said pastor or elder belongs shall have made a contribution to each and every general Board of the Church during the year immediately preceding.

“Now, therefore, this Presbytery of Des Moines respectfully asks the General Assembly:

“1. Are the said three sections of the Standing Rule or any of them constitutional?

“2. Can a Presbytery by Standing Rule deprive ministers or elders of their constitutional eligibility to be elected as delegates to Synod, or commissioners to the General Assembly, because they or their congregation have failed to do something not required by the Constitution, as in the above cases?

“3. Does infliction of the punishment, above indicated, upon ministers who have no control over the payment of a church’s assessments or its contributions to ‘General Boards,’ constitute a case of judicial discipline, without constitutional warrant?”

We recommend that the answer to this Overture be in the following terms: That the Standing Rule, in its three sections, is unconstitutional.

Overture No. 264, from the Presbytery of Great Falls, was referred back to the Committee.

Overture No. 265, from the Presbytery of Kansas City, asking an answer to certain questions concerning elders and deacons, as follows:

“WHEREAS, Upon the adoption of the rotary system or at the expiration of terms thereunder, some congregations desire to honor certain officers by retaining them in life positions or with the title ‘Emeritus,’ the General Assembly is asked:

“1. Is it possible for a church to have certain of its elders or deacons serving on the life system and others on the rotary system?

“2. What are the duties and privileges of an elder ‘emeritus,’ or that may be assigned to him?

"3. In the statistical reports to the General Assembly, is an officer 'emeritus' to be included in the number of officers reported?"

As to question one (1) we recommend that it be answered in the negative. As to questions two (2) and three (3) we recommend that the answer be that the position of elder "emeritus" is unknown to our Form of Government.

Overture No. 266, from the Presbytery of Chillicothe, asking for the transfer of the church of Bogota, Colombia, S. A., from said Presbytery to the Presbytery of Peoria, Synod of Illinois. We recommend that this transfer be made when the Presbytery of Peoria and the Synod of Illinois shall concur.

Overture No. 294, from the Presbytery of Portland, asking for an amendment to the Directory for Worship, Chapter VIII, Section 2, in the following terms: "Shall the Directory for Worship, Chapter VIII, Section 2, be amended by omitting the words 'by pouring or sprinkling it on the head of the child,' after the word 'water,' and before the word 'without'?" We recommend that this Overture be answered in the negative.

Overture No. 296, from the Presbytery of Seattle, asking for the Assembly's recognition of the Church Extension Association of said Presbytery, in the following terms:

"The Presbytery of Seattle overtures the General Assembly to adopt the following:

"1. That the form of the Articles of Incorporation of the Church Extension Association of the Presbytery of Seattle be published in the *Minutes* of 1911.

"2. That a column be inserted in the records of Presbyteries, in which shall hereafter be entered the sums of money given by the individual churches to this object."

We recommend that this Overture be answered in the negative.

Overture No. 297, from the Presbytery of Milwaukee, in the following terms: "The Presbytery of Milwaukee overtures the General Assembly, so to amend the Form of Government, that it shall not be possible to remove ministers or churches from one Presbytery to another, without the consent of the Presbytery of which they are already members." We recommend that this Overture be answered in the negative.

Overture No. 300, from the Bohemian Church of South Dakota, petitioning the Assembly to transfer said church from the Presbytery of Sioux Falls in the Synod of South Dakota to the Presbytery of Central West, in the Synod of Iowa. We recommend that the transfer be made when the Presbytery of Sioux Falls and the Synod of South Dakota approve.

Overtures 313 and 314, from the Synod of Canadian, as to the boundaries of the Synod. To these Overtures we answer, that these two papers are unsigned, and that there is no evidence to

show that they were approved by the Synod of Canadian. We therefore recommend that no action be taken.

Overture No. 315, from the Presbytery of Kalamazoo, against Presbyterial nominations of Moderator of the General Assembly, as follows: "The Presbytery of Kalamazoo, in session at Niles, Mich., on April 11, 1911, adopted a minute disapproving of the sending, by Presbyteries to other Presbyteries, of communications asking favorable action as to some brother named to occupy the chair of Moderator in the General Assembly, and instructed the Stated Clerk to notify General Assembly of this action." We recommend that no action be taken.

Overture No. 317, from the Synod of Pennsylvania, as to the powers of an Executive Commission, as follows: "WHEREAS, Form of Government, Chapter X, Section 5, provides for the appointment of an Executive Commission, and seems to empower the Presbytery to determine the number of members, powers and duties of the said Commission; and, whereas, this would seem to allow the delegation to a Commission of the right and power of Presbytery to examine and ordain ministers: The Synod of Pennsylvania hereby overtures the General Assembly for a deliverance on this important matter.

We recommend that the following answer be given to this Overture: Presbytery cannot delegate the licensure and ordination of candidates for the ministry to a Commission; and Chapter X, Section 7, of the Form of Government is not to be constructed as authorizing the exercise of these powers by an Executive Commission.

Overture No. 322, being the request of Rev. M. Egbert Koonce, of Cordova, Alaska, asking that he be made a member of the Yukon Presbytery, which request is accompanied by his letter of dismission from the Presbytery of Pittsburgh to the Presbytery of Yukon, together with a letter giving the circumstances in detail. In view of the peculiar circumstances, we recommend that this request be granted.

All of which is respectfully submitted,
JOHN DIXON, *Chairman*.

Rev. James I. Good, D.D., President of the General Synod of the Reformed Church in the United States, was introduced, and made a brief address of greeting, to which the Moderator responded.

The Temperance Committee presented a Report on papers referred to it, which was adopted and is as follows:

WHEREAS, We, as a nation, have abolished the use of intoxicating beverages from both Houses of Congress and our Army and Navy, and

WHEREAS, The example of this nation has a powerful influence over other nations, therefore, be it

Resolved, That this General Assembly hereby petitions the authorities of our Government to discontinue the use of intoxicating beverages at all diplomatic functions, both at home and abroad, and that a copy of this resolution be sent to the Secretary of State.

On the second paper referred to us we recommend that no action be taken.

Respectfully submitted,
CHARLES M. ALFORD, *Chairman*.

The Mileage Committee presented its Report, which was adopted and is as follows:

The Committee on Mileage respectfully presents the following Report:

The Committee has carefully examined, vouched and audited the accounts of each Commissioner, and the same have been approved by the Committee, the checks being countersigned by the Stated Clerk and the Chairman of the Committee, in accordance with the plan adopted by the General Assembly of 1910.

The number of Commissioners on the roll is 851. The whole number of Presbyteries is 291. The number of advisory members is 7, and the number of Presbyteries not represented is 4.

The Foreign Mission Presbyteries are exempt from payment, and the Presbyteries composed of Indian and colored ministers and churches are not in a position ordinarily to pay the apportionments in full.

The receipts and disbursements by the Committee and the Stated Clerk for Mileage are as follows:

RECEIPTS.

From Apportionments, Mileage Fund.....	\$49,081 12
“ “ Entertainment Fund.....	18,324 06
“ “ Contingent Fund.....	38,788 41
“ “ Executive Commission.....	9,283 77
Total.....	\$115,477 36

DISBURSEMENTS.

For Mileage Bills.....	\$47,189 35
Balance on hand, Mileage Fund.....	1,891 77
Entertainment Fund (balance).....	18,324 06
Contingent Fund.....	38,788 41
Executive Commission.....	9,283 77
Total.....	\$115,477 36

The balances of these funds will be paid to the Permanent Committee on Finance of the Assembly in accordance with the plan of the Assembly of 1910.

We make the following recommendations:

1. That the Assembly again urge upon all Presbyteries, including those heretofore exempt, the absolute necessity of their contributing in full to the Mileage, Contingent and Entertainment Funds, and the importance of forwarding these contributions to the Stated Clerk of the Assembly at least ten days prior to its next meeting.

2. That the apportionments for next year be eight (8) cents for each communicant, approved as follows: To the Mileage Fund, $3\frac{1}{2}$ cents; to the Entertainment Fund, $1\frac{1}{2}$ cents; to the Contingent Fund, 3 cents. This is one cent less than last year, but further reduction is not practicable, owing to the extraordinary expenses incurred during the past fiscal year in connection with litigation, and for the financial campaign conducted by the Executive Commission.

3. That should the need arise for borrowing funds for Assembly uses, the Stated Clerk be authorized to borrow the sums needed, by and with the advice and consent of the Permanent Finance Committee.

4. The Assembly approves the payment of these bills of Commissioners from certain Presbyteries that have not paid their apportionments or have paid in part only. This payment was guaranteed by the Commissioners, and it is ordered that said Presbyteries pay the amount due to the Stated Clerk on or before July 1, 1911.

5. That the Stated Clerk, as Treasurer of the Assembly, be empowered at his discretion to pay Commissioners such other and further sums as he may consider justly due to them, by reason of their having underestimated railroad charges and other expenses incurred in returning home.

6. That the thanks of the General Assembly be extended to such railroads and other transportation companies as have carried Commissioners at reduced rates.

All of which is respectfully submitted,

W. M. CAMP, *Chairman.*

The Stated Clerk presented the following Report on loans, which was adopted:

The Stated Clerk respectfully reports to the General Assembly in the matter of the loans which he was authorized to make by a resolution found on p. 252 of the *Minutes* of 1910, as follows:

“By reason of the fact that the apportionments are not payable until May 1, 1911, or thereabouts, it is recommended that the Stated Clerk be and he hereby is empowered to borrow sums sufficient to meet any financial emergency, subject to the consent and direction of the Executive Commission.”

In accordance with this direction the Stated Clerk borrowed

sums o. money, the net total of which amounted to \$19,500. These loans were used for the following purposes:

Expenses of legal matters connected with the Reunion	\$7,953 54
Permanent Committee on Finance.....	3,100 00
The Financial Campaign of the Executive Commission	6,395 16
Other expenses	716 58

The balance, \$1,334.72, is to the credit of the Executive Commission.

It is respectfully requested that the following resolutions be adopted:

1. That the Stated Clerk be authorized to pay the loans due on June 5, 1911, at the Third National Bank, Philadelphia, to the amount of \$19,500, subject to the approval of the Permanent Finance Committee.

The Standing Committee on Narrative, through Rev. Hugh H. Owen, a member of the Committee, presented its Report, which was adopted and is as follows:

We desire most earnestly to call the attention of the Commissioners to the Report of the Permanent Committee on Christian Life and Work found in the Blue Book. By action of the General Assembly, the duty of this Committee on Narrative is to recommend such action thereon as might be deemed useful. Your Committee therefore submits the following recommendations:

Resolved, 1. That the Permanent Committee be commended by this Assembly for this comprehensive and most valuable Report, which shows unusual industry and clear grasp of the spiritual conditions of the country and Church, suggesting practical and vital methods of meeting these conditions.

Resolved, 2. That the following members, viz., John F. Carson, D.D., Rev. A. H. Barr, D.D., and ruling elder Andrew Stevenson, be elected to the Class of 1914.

Resolved, 3. That the request of the Permanent Committee, expressed on p. 94 of the Blue Book, regarding the statistical blanks, dismissal notices and suspended members, be granted, viz.: We respectfully request permission to add to the explanation as to Home Mission contributions, at the close, the word "merchandise"; so that the last sentence will read, "including contributions of societies, value of boxes, merchandise, etc." We find on inquiry that a number of articles, for which cash is expended, and which cannot be regarded as a part of the value of boxes, is better described by the word "merchandise."

The Committee has been informed, from official and private sources, of the desire in many quarters for some changes in the Statistical Report of the Presbyteries to the Assembly, as, for

instance, to place congregations in said Report in an alphabetical order, and relegating ministers not in the service of congregations to a paragraph at the close. These and other suggested changes it is recommended be referred to this Committee to report to the next Assembly. The Committee must give all reasonable suggestions fair and full consideration.

It is also suggested that the Committee be authorized to prepare a blank form of Annual Report for the use of Church Sessions in connection with their Records, the same to be printed in book form, and published by the Board of Publication.

It is earnestly recommended that the Committee be authorized to consider and report to the Assembly on the situation as to Letters and Notices in connection with the Dismissal of Members, and as to the Roll of Suspended Members. The practice of some Sessions of purging the Rolls without regard to the law of the Church, has given rise to peculiar conditions. The use of Notices is also far from general in the churches.

Resolved, 4. That the General Assembly send down to the Presbyteries for adoption a new constitutional rule, to be known as Rule No. 4, which rule is to be found on p. 99 of the Blue Book, as follows:

Overture on Vacancy and Supply.—There being already in existence three constitutional rules, it is proposed that the following Overture be sent down to Presbyteries as Constitutional Rule No. 4, viz.:

The General Assembly, by virtue of its authority under the Form of Government, Chapter XII, Section VI, recommends to the Presbyteries the adoption of the following rule, to be known as Constitutional Rule No. 4:

“The General Assembly shall have power to appoint a Permanent Committee or other agency to supervise the supply of vacant pulpits, and the service of unemployed ministers. The number of members, the officers, and their duties, shall be determined by the Assembly. The powers of the agency shall be as follows: To conduct correspondence with Synods and Presbyteries and their Committees concerning unemployed ministers and vacant congregations; to seek to adjust in coöperation with Synodical and Presbyterial Committees the requirements of vacancy and supply by methods adequate to the given conditions in any Synod or Presbytery; to furnish information to church sessions and ministers; to suggest to the General Assembly plans for administration, and to make an annual report to the Assembly.”

Resolved, 5. We recommend for adoption Resolutions 1, 2 and 3, on p. 99 of the Blue Book, provided the proposed Constitutional Rule No. 4 is approved by the Assembly and sent down to the Presbyteries.

1. That the Presbyteries be directed to answer the Overture

on Constitutional Rule No. 4, by or before December 10, 1911, and to send their answers to the Stated Clerk of the General Assembly, prior to January 1, 1912.

2. That the Committee on Christian Life and Work be authorized to receive from the Stated Clerk of the General Assembly, the returns of the Presbyteries on the Overture known as Constitutional Rule No. 4, and if the said Overture receives a majority vote of the Presbyteries, the Committee shall prepare and submit to the Assembly of 1912, a tentative, comprehensive, and economical plan of Vacancy and Supply.

3. That pending the action of the Presbyteries and of the Assembly of 1912, the Committee on Christian Life and Work be continued in charge of this matter of Vacancy and Supply.

Resolved, 6. That the additional recommendations from 1 to 10, on pp. 99 and 100 of the Blue Book, be adopted, as follows:

1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the Minutes.

4. That the Assembly recognizes with gratitude to God what has been done by various movements conducted by men's organizations for the spiritual welfare of the country and of Christian Churches. It is felt, however, that there should be a closer relation between such movements and the Churches, and the Committee on Christian Life and Work is hereby charged with the duty of conferring with the leaders of such movements, with a view to bringing them into unity with other departments of Church work, report to be made to the next General Assembly.

5. That all the blanks for Reports used in the Reports of churches to Presbytery, and of Presbyteries to the General Assembly, be and are hereby referred to the Committee on Christian Life and Work, with all Overtures as to the same, and all suggestions as to improvement, report to be made to the next Assembly.

6. That the Sections of the Book of Discipline dealing with

the Roll of Suspended Members and Letters of Dismissal be and hereby are referred to the Committee on Christian Life and Work, to report changes or additions to the next Assembly.

7. That our churches in all communities are respectfully requested to consider the advisability of their uniting with the churches of other denominations, when the way is clear, for the formation of Interchurch Federations, with the purpose of carrying on coöperative Christian work, and that when such federations are organized it be in connection with the Federal Council of the Churches of Christ in America, whose office is at the Clarendon Building, New York City.

8. That the Assembly hereby expresses its gratification that one of the ministers upon its roll, the Rev. Hugh B. MacCauley, D.D., of Trenton, N. J., has been chosen as the Secretary of the Federal Council for the Eastern District. Dr. MacCauley is cordially commended to the Churches, and it is urged that he be sustained in his important work, alike by coöperation and by gifts to the cause.

9. That the Committee be authorized and directed to take the necessary steps to secure the appointment of Committees on Interchurch Federation in such Presbyteries and Synods as have not as yet appointed the same, in accordance with the resolution of the Assembly of 1910.

10. That the Committee be and hereby is authorized to consult with the Board of Publication and S. S. Work, with reference to the publication of literature which shall set forth in a popular and definite manner the principles of evangelical religion.

Respectfully submitted,

D. M. McINTOSH, *Chairman.*

The Committee on Polity reported again on *Overture No. 264*, recommending its reference to the Moderator and Stated Clerk, to report to the next Assembly. Rev. John Dixon, D.D., at the suggestion of the Moderator, was added to the Committee as Chairman. Adopted.

The Report submitted by the Committee was as follows:

Overture No. 264, from the Presbytery of Great Falls, asking the Assembly for a ruling on the following points, namely:

“1. When a church has ceased to maintain regular meetings, and there is no specific requirement named in the State statutes, shall a written notice of a congregational meeting, sent through the mails, be deemed a sufficient notice?

“2. When communicants of a church are suspended in accordance with the Book of Discipline (Chapter VII, Section 50) (*Digest*, 1898, p. 665), is it necessary that a formal notice of said action shall be served on the parties suspended, in order that said action shall become effective?

“3. In the above action do suspended members still retain the right to vote in congregational meetings, either before or after the serving of a formal notice of suspension?”

We recommend that the questions be answered in the following terms:

1. A written notice sent through the mails shall be deemed a sufficient notice.

2. It is not necessary that a formal notice be served to make action effective (Book of Discipline, VII, 50).

3. Members suspended according to the Book of Discipline, VII, 50, do not retain the right to vote after suspension.

The necrological list was read, the Assembly being led in prayer by Rev. B. L. Agnew, D.D., and then joined in singing the 123d psalm.

The death was announced of Elder David Tolan, a Commissioner to this Assembly, and the Stated Clerk was authorized to send a letter of sympathy to his family and church.

The Committee on Church Coöperation and Union presented the remainder of its Report (paragraph V having been previously approved*), which was adopted. The Report is as follows:

The Committee on Church Coöperation and Union respectfully reports to the General Assembly of 1911 as follows:

The Committee has held but one general meeting, at New York, N. Y., March 28, 1911. Its work through other portions of the year was conducted by sub-Committees and by correspondence. One member of the Committee, Reuben Tyler, Esq., after faithful service as Secretary, was compelled, by physical infirmities, to resign, and the Moderator appointed Robert S. Fulton, Esq., in his place. Another member of the Committee, Rev. Charles A. Dickey, D.D., was removed by death, June 10, 1910. The Committee places on record its high appreciation of Dr. Dickey's valuable contributions to the cause represented by it, a cause near to his heart, and for whose success he ever prayed and labored.

The Report is presented under several heads arranged thus:

- I. The Federal Council.
- II. The Protestant Episcopal Church.
- III. The Disciples.
- IV. The United Presbyterian Church.
- V. The Reformed Church in the U. S.
- VI. Matters connected with Reunion.

I. THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

This National Organization stands in a notable manner for Christian Unity. Its Executive Committee met at Washington, D. C., in the First Congregational Church, January 24-26, 1911, in its second annual meeting. The reports made at this meeting by the Corresponding Secretary and the District Secretaries showed that the year 1910 was in many ways the most fruitful in the history of the Council. The following are among the things accomplished. More progress has been made in organizing State Federations than in the five previous years. The Home Mission Boards of the Churches federated have secured, under the advice of a Joint Committee composed of members of the Home Mission Committee of the Federal Council and members of the body known as the Home Missions Council, the adoption of a basis of comity and coöperation in Home Mission work west of the Mississippi River. The recommendations contained in this basis have been adopted by Boards representing 5,000 of the 6,066 missionaries engaged in that portion of the country. The Commission on Social Service has also rendered important service, in making clear the sympathetic attitude of the Churches as a whole towards Labor, and their readiness to aid in the solution in effective ways of the many trying and difficult social problems which are inherent in the complex civilization of the twentieth century. The Committees of the Council on Sabbath Observance and Temperance, further, have done excellent work in the lines of service entrusted to them. Inasmuch, however, as the Executive Committee of the Federal Council will report its work in some detail, for the year 1910, directly to the Assembly, it is sufficient for this Committee to note in addition the following matters.

1. The Executive Committee has appointed the Rev. Hugh B. MacCauley, D.D., the Secretary of the Council for the Eastern District, as one of the Corresponding Delegates to this Assembly.

2. The Second General Council of the Federated Churches has been appointed to meet in the city of Chicago, Ill., in December, 1912. This Church is entitled to thirty members in said Council.

3. The following portion of an editorial taken from an influential and widely distributed journal indicates the opinion of the value of the Federal Council held in many quarters:

"The Federal Council of the Churches of Christ in America has supplanted no denomination, it has drawn up no new creed, it has set forth no common organizations, no new organization, nor has it caused one organization to absorb another. It has simply done for the Protestant Churches of America what the Confederation did for the American colonies—it has bound them

together, it has enabled them to work in union. The action thus far taken indicates only a primitive form of federal union. But primitive though it is, it is real. The American States, when they were first federated, were as truly a nation as they are to-day. The Federal Council demonstrates the fact not only that Church union is practicable, but also that it has been achieved."

The following Resolutions are submitted for adoption:

Resolved, 1. That the Committee on Church Coöperation and Union is hereby authorized to report to the next Assembly the delegates to the Second Federal Council of the Churches of Christ in America, to be held in Chicago, Ill., in December, 1912.

Resolved, 2. That the Assembly renews its congratulations to the Federal Council on the progress which is being made in its work of giving practical effect to the real spiritual unity of all who believe in and serve Jesus Christ.

Resolved, 3. That the Assembly urges that the work of the Federal Council be directed, during the present year, specially toward the bringing closer together, in fellowship and unity of purpose, the different Christian denominations of the United States, and that earnest effort be made to secure more complete coöperation between the denominational agencies engaged in Social Service and Evangelization.

Resolved, 4. That there be paid to the Federal Council the sum of \$1,350, as the apportionment of this Church to the expenses of said Council, for the year ending March 31, 1912.

Resolved, 5. That the Committee on Church Coöperation and Union be authorized to fill vacancies in the Executive Committee of the Federal Council, and also to confer with the said Executive Committee and with any of its related Committees, should the need arise.

II. THE PROTESTANT EPISCOPAL CHURCH.

The Committee submits to the Assembly with much interest, a communication from the Commission of the Protestant Episcopal Church, appointed to arrange for a World Conference of Christian Churches on Faith and Order. The letter is as follows:

The Letter from the Commission.

CHICAGO, ILL., March 4, 1911.

Rev. William H. Roberts, D.D., Chairman, Committee on Church Coöperation and Union, Presbyterian Church, Philadelphia, Pa.:

REV. AND DEAR SIR:—At the General Convention of the Protestant Episcopal Church, held last October in Cincinnati, a Joint Commission was appointed with instructions to bring about, if possible, a Conference for the consideration of questions touching

Faith and Order, and to ask all Christian Communion throughout the world which confess Our Lord Jesus Christ as God and Saviour to unite with us in arranging for and conducting such a Conference. On behalf of this Commission, of which I am President, I desire to put myself in communication with your Committee. I am the more encouraged to do this because the General Assembly of the Presbyterian Church has spoken with no uncertain voice on the subject of Christian Unity. In creating your Committee, I understand that the following resolution was adopted by your General Assembly as long ago as 1903:

“WHEREAS, The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him as the only Head of the Church Universal to work together in harmony and love for the extension of His kingdom and the good of the world; and

“WHEREAS, This Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed faith, which are most nearly akin in doctrine and organization; therefore be it

“*Resolved*, That a Committee of seven, four ministers and three elders, be appointed by the Moderator to consider the whole subject of coöperation, confederation and consolidation with other Churches.”

Looking upon this resolution as expressive of the mind of your great Communion, we trust that you will agree with us in thinking that such a Conference as is proposed will conduce to larger knowledge and more complete fellowship; inasmuch as the beginnings of unity are to be found in the clear statement and full consideration of those things in which we differ as well as of those things in which we are at one.

The nature and scope of the Conference are indicated in the report, and resolution unanimously adopted by both Houses of our General Convention. These documents are reprinted in the small leaflet which I enclose herewith as a part of my communication to your Committee.

The specific action of which I respectfully ask your consideration is the appointment by the General Assembly of the Presbyterian Church of a Commission with powers similar to those conferred upon our Commission by our General Convention; or (if such a course should seem more desirable) the delegation of similar powers to an existing Commission; the delegated power to include authority to act conjointly with our Commission and with similar Commissions created in other Communion, and in particular to appoint from its own membership a Committee on

plan, scope and arrangement, with which the similar Committee of our Commission can confer.

Trusting that it will seem meet and right to your Committee to give favorable consideration to our suggestion and to make an affirmative recommendation to the General Assembly in respect to it, I remain,

Faithfully yours,

C. P. ANDERSON,

President Joint Commission of the Protestant Episcopal Church on a World Conference on Faith and Order.

The Action of the General Convention.

At the General Convention of 1910 of the Protestant Episcopal Church in the United States of America, held in Cincinnati, the following report was presented to the House of Clerical and Lay Deputies on October 19, 1910:

“The Joint Committee to which was referred the following resolution offered in the House of Deputies by the Rev. W. T. Manning, D.D., of New York:

“*Resolved*, The House of Bishops concurring, That a Joint Committee, consisting of seven Bishops, seven Presbyters and seven Laymen, be appointed to take under advisement the promotion by this Church of a Conference following the general method of the World Missionary Conference, to be participated in by representatives of all Christian bodies throughout the world which accept our Lord JESUS CHRIST as God and Saviour, for the consideration of questions pertaining to the Faith and Order of the Church of Christ, and that said Committee, if it deem such a Conference feasible, shall report to this Convention;’

have considered the same, and submit the following report, and recommend the immediate consideration and passage of the resolution appended to the report.

“Your Committee is of one mind. We believe that the time has now arrived when representatives of the whole family of Christ, led by the Holy Spirit, may be willing to come together for the consideration of questions of Faith and Order. We believe, further, that all Christian Communion are in accord with us in our desire to lay aside self-will, and to put on the mind which is in Christ Jesus our Lord. We would heed this call of the Spirit of God in all lowliness, and with singleness of purpose. We would place ourselves by the side of our fellow Christians, looking not only on our own things, but also on the things of others, convinced that our one hope of mutual understanding is in taking personal counsel together in the spirit of love and forbearance.

It is our conviction that such a Conference for the purpose of study and discussion, without power to legislate or to adopt resolutions, is the next step toward unity.

“With grief for our aloofness in the past, and for other faults of pride and self-sufficiency, which make for schism; with loyalty to the truth as we see it, and with respect for the convictions of those who differ from us; holding the belief that the beginnings of unity are to be found in the clear statement and full consideration of those things in which we differ, as well as of those things in which we are at one, we respectfully submit the following resolution:

“WHEREAS, There is to-day among all Christian people a growing desire for the fulfillment of Our Lord’s prayer that all His disciples may be one; that the world may believe that God has sent Him:

“Resolved, The House of Bishops concurring, That a Joint Commission be appointed to bring about a Conference for the consideration of questions touching Faith and Order, and that all Christian Communion throughout the world which confess our Lord JESUS CHRIST as God and Saviour be asked to unite with us in arranging for and conducting such a Conference. The Commission shall consist of seven Bishops, appointed by the Chairman of the House of Bishops, and seven Presbyters and seven Laymen, appointed by the President of the House of Deputies, and shall have power to add to its number and to fill any vacancies occurring before the next General Convention.”

On October 19, 1910, the above resolution was adopted unanimously by both the House of Bishops and the House of Clerical and Lay Deputies.

The Episcopal Commission was organized by the choice of the following:

President, Rt. Rev. Charles P. Anderson, D.D.

Treasurer, George Zabriskie.

Secretary, Robert H. Gardiner.

It is important in connection with this new movement to draw attention to certain facts.

The first is that the subject of the World Conference was presented to the Western (American) Section of “The Alliance of the Reformed Churches throughout the World holding the Presbyterian System,” at its meetings in the Second United Presbyterian Church, Philadelphia, Pa., February 8-9, 1911. The representatives of the Protestant Episcopal Church were, the Rev. William T. Manning, D.D., rector of Trinity Church, New York City, and George Wharton Pepper, Esq., of Philadelphia, Pa. The Alliance adopted the following resolutions on the subject:

Resolved, That the Commission cordially approves of the proposed Conference.

Resolved, That the Executive Committee is authorized to act for this Commission in all matters relating to the calling of such Conference."

This action of the Alliance was unanimous.

The second is, that a preliminary conference to consider this proposed World Conference was held in New York City, on March 2, 1911. The following extracts from the Minutes of this preliminary meeting are submitted as explanatory of the situation in part:

"The persons accepting invitations to the Conference were the following:

"For the Protestant Episcopal Church: Bishop Greer, William T. Manning, D.D., F. L. Stetson, Esq., and George Zabriskie, Esq.

"For the Presbyterian Church: The Rev. W. H. Roberts, D.D., and Robert Mackenzie, D.D., with Mr. L. H. Severance.

"For the Congregational Churches: The Rev. Newman Smyth, D.D., and the Rev. William Hayes Ward, D.D.

"For the Disciples of Christ: The Rev. Drs. Ainslie, Garrison, Bowman and Burnham.

"The Conference organized by electing Dr. Manning as Chairman and Dr. Roberts as Secretary.

"The purpose of the Conference was stated by Dr. Manning, and it was fully understood and agreed, that the Conference was informal, and also that no official action could be taken at this or any other future conference, until a sufficient number of Churches had appointed Commissions to make it advisable to proceed officially in connection with the proposed World Conference. It was further distinctly understood that no Churches would be invited to participate in the proposed World Conference, that did not positively declare their faith in and obedience to Jesus Christ as God and Saviour. This was declared to be an indispensable requisite to membership."

In the judgment of the Committee, this General Assembly, as the supreme judicatory of the Presbyterian Church in the U. S. A., should meet in a cordial spirit this proposal of a sister Church. In 1896, this General Assembly terminated the correspondence with the Protestant Episcopal Church, which had been carried on since 1888 by its Commission on Christian Unity and a Committee of the Assembly on the same subject, and on the ground that "the doctrine of recognition and reciprocity" was not accepted by that Church as a principle controlling negotiations looking toward organic union. This action was at once justifiable and self-respecting. Holding with firmness of conviction to its position that the Churches of the Reformed family represent, in their governments, the Church Polity of the New Testament,

the Presbyterian Church also cherishes for all who accept Jesus Christ as God and Saviour fraternal regard, and acknowledges them as members of the Church, visible and universal; when it consents to enter into negotiations with a view to union, with any body of Christians, it must decline to consider the validity of its orders and its character as a Church of Jesus Christ as debatable questions. The present movement, however, raises no question involving organic relationships or the validity of ministerial orders. It is solely a proposal for a Conference to consider the differences as well as the agreements of Christian Churches. Therefore, in the language of the Protestant Episcopal Convention, this Assembly can say: "We believe that the time has now arrived when representatives of the whole family of Christ, led by the Holy Spirit, may be willing to come together for the consideration of questions of Faith and Order." It behooves us as a Church to follow the guidance of that Divine Spirit, by whom "all believers being vitally united to Christ, who is the Head, are thus united one to another in the Church, which is His Body," and by whose almighty power, "the Church will be preserved, increased until it shall cover the earth, purified, and at last made perfectly holy in the presence of God." The Church that in the opening years of this twentieth century added Chapter XXXIV, "Of the Holy Spirit," to the Confession of Faith, should gladly move forward shoulder to shoulder with all Christians, in efforts to make manifest the unity of believers in Christ. "There is one body and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all, who is above all, and through all, and in you all."

The Committee respectfully recommends the adoption of the following resolutions:

Resolved, 1. That the proposal submitted by the Commission of the Protestant Episcopal Church in the U. S., for a World Conference of Christian Churches on Faith and Order, is accepted in the same cordial spirit in which it is presented in the action of the General Convention.

Resolved, 2. That this General Assembly approves emphatically of the requirement that the only Churches invited to participate in the Conference shall be those believing in, obeying, and worshipping, Jesus Christ as God and Saviour.

Resolved, 3. That this General Assembly entrusts, for the present, the negotiations with a view to this proposed World Conference, to the Committee on Church Coöperation and Union, with instructions to decline to discuss as preliminary thereto any questions as to Faith and Order, to adhere firmly to the requirement contained in Resolution No. 2, and to report to the next General Assembly.

III. THE DISCIPLES OF CHRIST.

This body of earnest and aggressive Christians, one of whose principal founders was the Rev. Alexander Campbell, at its last General Convention appointed a Commission on Christian Union, with power to confer with similar bodies of other Christian Churches. The Chairman of the Commission of the Disciples, the Rev. Peter Ainslie, of Baltimore, Md., has entered into correspondence with the Chairman of the Assembly's Committee, and has invited a conference of the two bodies. It is recommended that the following be adopted:

Resolved, That this General Assembly greatly appreciates the action of the General Convention of the Disciples of Christ in appointing a Commission on Christian Unity, and authorizes its Committee on Church Coöperation and Union to confer with said Commission.

IV. UNITED PRESBYTERIAN CHURCH.

The Joint Report of the Committees of this General Assembly and of the General Assembly of the United Presbyterian Church, made in May, 1910, was approved by both the respective supreme judicatories. That Report had chiefly to do with the coöperation of the Churches in their general work, and was careful to avoid all recommendations dealing with organic union. The action of the United Presbyterian General Assembly is herewith submitted in part.

“This Conference and the proposed Closer Relations between these two Churches belong to that general movement between evangelical Churches toward more intimate relations and coöperation in general Christian work. This movement has taken form in the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, in the Council of the Reformed Churches in America holding the Presbyterian System, and in the Federal Council of the Evangelical Churches of America, with each of which the United Presbyterian Church is connected. The United Presbyterian Church is heartily in sympathy with such movement, while adhering firmly to its own distinctive principles and position among evangelical denominations. While maintaining a distinct organization, the General Assembly wishes to be found in the great brotherhood of love and Christian work. Taking its place among these now federated Churches, it is proper that measures be taken to make this federation most effective. It seems that this end would be most satisfactorily accomplished by the appointment of a Permanent Committee, to which shall be referred all questions of closer relations and coöperation with all evangelical Churches, and of union with such Churches as may seek union on satisfactory terms. Therefore,

Resolved, That the General Assembly does hereby appoint and establish a permanent committee to be known as "The Permanent Committee on Church Relations," to which shall be referred all questions of closer relations and coöperation with all evangelical Churches, and of union with such Churches as may seek union on satisfactory terms. This Committee shall consist of the officers of the General Assembly and the Corresponding Secretaries of the Boards of Foreign Missions, Home Missions, Freedmen's Missions, Church Extension, Education and a member of the Board of Publication and Sabbath-schools."

Realizing the importance of the action taken by a sister Church, and esteeming its ministers and members highly in a cordial Christian fellowship, it is recommended that this Assembly adopt the following:

Resolved, 1. That the Committee on Church Coöperation and Union is hereby authorized to confer with the "Permanent Committee on Church Relations" of the United Presbyterian General Assembly, considering any and all questions of closer relations, of coöperation, and, if the way should be clear, of organic union.

Resolved, 2. That the Stated Clerk be directed to transmit the above action to the General Assembly of the United Presbyterian Church.

V. THE REFORMED CHURCH IN THE UNITED STATES.

JOINT REPORT ON UNION.

The Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A., and the Committee on Closer Union with the Presbyterian Church of the Reformed Church in the U. S., beg leave jointly to submit the following Report to the General Assembly of the Presbyterian Church in the U. S. A., and to the General Synod of the Reformed Church in the U. S.

The Committees have met repeatedly either in full session or by sub-committees during the past three years. They rejoice in their cordial fellowship during this period of time, and in the respect and affection which their association together has produced. They have sought earnestly, by meditation and prayer, the welfare of both Churches, and have soberly recognized at all times the important interests affected by their deliberations. Humbly invoking the aid of the Holy Spirit, they submit their joint report, in the hope that it will commend itself to their respective supreme judicatories.

The Report for clearness, as well as convenience, is divided into four parts; I. Concurrent Declarations; II. The Name of

the United Church; III. The proposed Plan of Union; IV. Resolutions looking to further action.

I. CONCURRENT DECLARATIONS.

As steps preliminary to further action in this matter of Closer Relations, the following Concurrent Declarations are submitted for consideration and adoption by both the General Assembly and the General Synod.

1. The Reformed Church in the U. S. and the Presbyterian Church in the U. S. A. represent the same type of evangelical Protestant Christianity, commonly known as Reformed or Calvinistic. The Churches of the Reformation in Europe, to which they are historically related, originated in different lands and passed through different experiences, which differences necessarily appear in the form of the Standards of both Churches. We, therefore, with clear understanding of the nature of such differences, hereby declare our conviction that the Westminster Confession of Faith and Catechisms on the one hand, and the Heidelberg Catechism on the other, are in essential agreement, and are different expressions of one and the same system of doctrine. This doctrinal agreement appears in the recognition, in both symbols, of the fundamental doctrines of evangelical Christianity as held by the Reformed or Calvinistic Churches, and also in the use made of the Apostles' Creed, the Ten Commandments, and the Lord's Prayer, in the Catechisms of the two Churches, for the instruction of the youth of their congregations.

2. In view of this historical kinship and doctrinal agreement, we also declare our conviction that the effort to unite the two Churches in one body should continue, and the General Assembly and the General Synod hereby recommend to the Presbyteries, Classes, and Congregations, to confer in the spirit of comity with reference to the proposed union, and to coöperate with one another during the coming triennium, whenever practicable, with a view to taking definite action for organic union, in the supreme judicatories of the two Churches, in 1914.

II. THE NAME OF THE UNITED CHURCH.

The Joint Committee has been confronted with a serious difficulty in reference to the name of the United Church. With one accord, the members of the two Committees have recognized the importance of conserving the term "Reformed" and the term "Presbyterian." The difficulties which the Committees found in their way resolved themselves under two categories. (1) Traditional attachment. The attachment in both Churches on the part of great masses of the membership to the respective

denominational names is entirely natural, because three and a half centuries of history in Germany, Switzerland, and France, also in Scotland, England and Ireland, are vitally related both to the name "Reformed" and the name "Presbyterian." In the United States also a religious heritage of two centuries is connected with the names. (2) Legal considerations. The developments of many years have shown that the Constitution of the United States and of the several States, and the laws of all the States, so affect the corporate interests of the Churches that it is wise to carefully consider and adjust, prior to a union of Churches, all legal questions. The Committee, accordingly, in Article I, of the Plan of Union, does not offer a name for the United Church; being convinced that it is far more desirable first to determine the feeling of the two Churches as to the general question of an organic union.

III. THE PLAN OF UNION.

I. Preamble.

For the glory of God, the greater good of mankind, and the increased efficiency of the work of the Church of Christ, the Committee appointed on Church Coöperation and Union by the Presbyterian Church in the U. S. A. and the Committee on Closer Union of the Reformed Church in the U. S., propose to the General Assembly of the Presbyterian Church in the U. S. A., and to the General Synod of the Reformed Church in the U. S., the following plan of union between the respective Churches for consideration:

II. Name.

1. The Presbyterian Church in the U. S. A., whose General Assembly met at Atlantic City, N. J., May 19, 1910, and the Reformed Church in the U. S., whose General Synod met at York, Pa., May 19, 1908, shall be united as one Church under a name and style hereafter to be determined. In forming the union it is understood that the terms "Presbyterian" and "Reformed," used in the Constitutions of the two bodies, are equivalent one to the other.

III. Basis.

1. The doctrinal basis of the Union shall be: The Scriptures of the Old and New Testaments acknowledged as the inspired Word of God and the only infallible rule of faith and practice; with the Confession of Faith of the Presbyterian Church in the U. S. A., as revised in 1903, and the Heidelberg Catechism of the Reformed Church in the U. S.

2. The Form of Government and the Book of Discipline of the Presbyterian Church in the U. S. A. are also hereby made a part of the Basis of Union. Licentiate, ministers, elders, and deacons of the United Church may accept, as a term of subscription, either the Heidelberg Catechism or the Westminster Confession, or both, it being understood and agreed that the Confession and the Catechism are different expressions of one and the same system of doctrine.

3. The Directories for Worship of both Churches shall be a part of the Basis of Union, to the extent that each congregation shall have the same freedom in worship, both as to forms and usages, in the United Church as it had before the Union.

IV. Organization.

1. While the Form of Government and the Book of Discipline of the Presbyterian Church in the U. S. A. shall be the administrative standards of the United Church, it is provided and agreed, that the use of the terms "Spiritual Council," "Consistory" and "Classis," also, the relations which exist between the Classis and congregations at present in the Reformed Church in the U. S., and the authority of the Consistories and Spiritual Councils in Reformed congregations, shall have full validity in the United Church, and it is agreed that for a period of five years after the consummation of the Union, all appeals from decisions of Consistories, Classes and Synods, formerly a part of the Reformed Church in the United States, shall be adjudicated in accordance with the Constitution of the said Reformed Church. The General Assembly of the United Church shall be the final court of appeal.

2. All ministers and churches included in the two denominations, shall be admitted to the same standing in the United Church which they may have in their respective connections up to the consummation of the Union, and it is agreed that the congregations of the United Church may retain their present names or titles, subject to the authority of Classes or Presbyteries, and it is further agreed that the Synods and Classes of the Reformed Church may retain the word Reformed in their titles.

3. The official records of the two Churches shall be preserved and held as making up the history of the one and United Church.

4. The corporate interests of the General Assembly of the Presbyterian Church in the U. S. A. and of the General Synod of the Reformed Church in the U. S. and of their Boards and Permanent Committees, as soon as practicable, shall be so readjusted as to carry out their several purposes as defined and permitted by law.

5. In the reconstruction and election of the various Boards of the two Churches by the General Assembly of the United

Church, an impartial representation of the membership and views of the two bodies constituting the United Church shall be observed and maintained. Until such readjustment of the several Boards has been completed, each of the Boards shall continue in the full performance of its functions, shall report annually to the General Assembly of the United Church, and the members of each of the Boards shall be chosen from the ministry and membership of the respective Churches with which they were connected prior to the Union. The status of the Boards of Publication in the Reformed Church under the control of one or more Synods shall continue as it is, until they are prepared to unite with the Board of Publication of the General Assembly of the United Church.

6. The boundaries of the several Classes and Synods of the Reformed Church in the U. S. shall remain in the United Church as they now are, provided, however, that the boundaries of any Classis or Synod may be changed by the General Assembly of the United Church, upon petition from the majority of the members of the judicatory interested, duly adopted in regular session.

7. The Presbyteries or Classes of the United Church occupying to any extent the same territory shall organize new congregations under the following regulations: In towns and rural districts no new congregations shall be organized by either the Presbytery or Classis interested, without the consent of both judicatories, and without such consent a new congregation in a city shall not be located within five squares of an existing congregation of the United Church.

8. This Plan of Union shall not necessarily effect any change in the relations now existing between institutions of learning and any ecclesiastical organization of either Church, but these institutions and ecclesiastical organizations shall be free to effect such changes as may be permitted by law, and as circumstances may hereafter require.

RESOLUTIONS.

The Committee, furthermore, submits the following resolutions to be adopted, provided the concurrent declarations be approved.

Resolved, 1. That the Plan of Union contained in this Report is hereby submitted by the General Assembly and the General Synod to the subordinate judicatories, for information and discussion, as an acceptable plan for future action, subject to such modifications as conditions may require.

Resolved, 2. That the Committee on Church Coöperation and Union is hereby directed and empowered to confer with the Committee on Closer Union of the Reformed Church in the U. S., and on the basis of such information as may be received by both

Committees, to make final report to the respective Supreme Judicatories in 1914.

Resolved, 3. That the following papers, prepared by the Joint Committees, be published by the Boards of Publication of the respective Churches, and distributed in the discretion of the Committee, viz.: (a) The Historical Statement as to the Relations of the Presbyterian and the Reformed Church. (b) The Present Status of the Reformed Church in the U. S., Doctrine, Cultus, Polity and Usages; and (c) the similar statement for the Presbyterian Church in the U. S. A.

VI. MATTERS CONNECTED WITH REUNION.

The Committee, having had submitted to it certain statements and requests, felt that it was advisable to set forth clearly and with some fullness the fundamental principles connected with two matters involved in the Cumberland Presbyterian Church litigation, and requested the Chairman to put them into form as a part of this Report. These matters are: (I) The conditions of admission to church membership; (II) the authority of superior judicatories over congregations.

I. The Conditions of Admission to Church Membership.

The Presbyterian Church in the U. S. A. has always held and acted upon the conviction that it is a part of the visible and universal Church of Christ, and that persons received by it into membership are received into the Church of Christ as a whole. This position is involved in the definition of the universal Church as set forth in Chapter II, Section 2, of the Form of Government, which reads: "The universal Church consists of all those persons, in every nation, together with their children, who make profession of the holy religion of Christ, and of submission to His laws." This position is further sustained by the teaching that, "Baptism is a sacrament of the New Testament, ordained by Jesus Christ, for the solemn admission of the party baptized into the visible Church" (Confession of Faith, Chapter XXVIII, Section 1). It is to be clearly understood, that the doctrines of the universality and unity of the Church are acknowledged and maintained by the Presbyterian Church alike by its definition of the nature of the Church of Christ, and by its view of baptism as the sign and seal of membership therein.

Into this universal Church, the Presbyterian Church holds that admission is secured by a profession of faith in Christ and obedience to Him. In the Confession of Faith, Chapter XXVIII, Section 4, the statement is made, "Not only those who do actually *profess faith in and obedience unto Christ*, but also the infants of one or both believing parents are to be baptized."

In the Larger Catechism, Question 166, it is said, "Baptism is not to be administered to any that are out of the visible Church, till they profess their faith in Christ, and obedience to Him." The Shorter Catechism, Question 95, makes the same declaration.

The three steps, therefore, by which a person enters the Christian Church are by the Standards of this Church: (1) A profession of faith in Jesus Christ; (2) A profession of obedience to Jesus Christ; (3) Baptism in the name of the Father, and of the Son, and of the Holy Ghost. These conditions of membership are based upon such Biblical passages as Matt. xxviii. 19; Acts ii. 38, xvi. 31-33; Rom. x. 8-10.

That the Presbyterian Church is entitled to judge through its proper officers of the credibility of the professions made by applicants for membership, with a view to their baptism, is evident from Holy Scripture, and so likewise is the duty of the Church to teach, counsel and judge its members both as to truth and life. Admission involves instruction and development.

The Committee recommends the following declaration:

The Presbyterian Church in the U. S. A., gathered in General Assembly, hereby solemnly declares and reaffirms, in loyalty to the Great Head of the Church universal, that the only conditions of admission to the Church are, a profession of faith in Christ and obedience to Him, followed by baptism in the name of the Father, and of the Son, and of the Holy Ghost.

II. Authority of Superior Judicatories.

The question has been raised as to the authority over congregations of the superior judicatories in the Presbyterian system of government, and its answer is regarded as important in connection with the litigation instituted in Missouri and elsewhere, for the determination of the validity of the Reunion in 1906, of the Cumberland Presbyterian Church with the Presbyterian Church in the U. S. A. In the answer to this question, the statement of principles as to government held by this Church is first given.

General Principles.—"The radical principles of Presbyterian church government and discipline are: That the several different congregations of believers, taken collectively, constitute one Church of Christ, called emphatically the Church; that a larger part of the Church, or a representation of it, should govern a smaller, or determine matters of controversy which arise therein; that, in like manner, a representation of the whole should govern and determine in regard to every part, and to all the parts united; that is, that a majority shall govern, and consequently that appeals may be carried from lower to higher judicatories, till they be finally decided by the collected wisdom and united voice

of the whole Church. For these principles and this procedure, the example of the apostles, and the practice of the primitive Church, are considered as authority. See Acts xv. 1-29, and the proofs adduced under the last three chapters." [Form of Government, note to Chapter XII, "Of the General Assembly."]

The subordination of congregations to the authority of superior judicatories as based upon the New Testament warrant, finds in so far as the Presbytery is concerned, the judicatory immediately in control of congregations, legal form in Chapter X, Section 8, of the Form of Government, in the clause which empowers the Presbytery "To visit particular churches, for the purpose of inquiring into their state and redressing the evils that may have arisen in them," and also in the clause which reads, "and in general to order whatever pertains to the spiritual welfare of the churches under their care." It will be helpful to trace historically the rise and development of these principles.

Scotland.—Historically, in Reformation times, the principle of supervision and control in the government of the Church, first appears in legal form in Great Britain, in the Second Book of Discipline of the Church of Scotland, agreed to by the General Assembly of that Church in 1578, and sworn to in the National Covenant. Chapter VII of said Book of Discipline is entitled, "Of the elderships, and assemblies, and discipline." By elderships and assemblies are meant the several judicatories of the Church. For these terms, therefore, we are to read, Presbytery, Synod, General Assembly, and General Council. The following sections are quoted:

Section 5. "Every assembly (presbytery) has power to send forth from them of their own number, one or more visitors to see how all things be ruled in the bounds of their jurisdiction. Visitation of the churches is no ordinary office ecclesiastic in the person of one man, neither may the name of a bishop be attributed to the visitor only, neither is it necessary to abide always in one man's person, but it is the opportunity of the eldership to send out qualified persons to visit *pro re nata.*"

Section 12. "It pertains to the eldership to take heed that the Word of God be purely preached within their bounds, the sacraments rightly ministered, the discipline rightly maintained, and the ecclesiastical goods uncorruptly distributed."

The Book in the Church of Scotland which corresponds to the "Presbyterian Digest" of this American Church is entitled "Collections and Observations Methodized, concerning the Worship, Discipline and Government of the Church of Scotland. In four books. By Walter Steuart, Esq., of Pardovan." In Book First, Title 12, "Of Presbyteries," Section 4, reads in part: "The Presbytery treats of such matters as concern the particular churches within their bounds, the appointing of visitation of churches as occasions

offers, or the perambulation of parishes in order to their uniting and disjoining.”

The General Assembly of the Church of Scotland made from time to time deliverances in this matter, two of which are given as follows:

“That visitation of particular kirks within Presbyteries be made every year” (1638). “It is seriously recommended to, and enjoined on Presbyteries, to be more frequent and conscientious in visiting parishes, conformed to acts of former General Assemblies thereanent, and the Commission is appointed to draw up and prepare a directory for ministerial visitation of families, and present the same to the next General Assembly” (1706). The authority of superior judicatories over congregations in Scotland is undebatable.

Westminster Assembly.—Passing to England, it is to be noted that the Westminster Assembly long debated over church government, and adopted, in 1646, a document entitled, “The humble advice of the Assembly of Divines now sitting by ordinance of Parliament at Westminster, concerning Church Government.” In this document one chapter is headed, “Of Classical Assemblies,” in which appears the statement, “The Scripture does hold forth that many particular congregations may be under one Presbyterian government.” This proposition is then proved by instances from Holy Scripture. The document also declares that “it is lawful and agreeable to the Word of God that there be a subordination of congregational, classical, synodical, and national assemblies, for the government of the Church. Notice that the name assembly is generic, covering all judicatories.

The view of Church government adopted by the Westminster Assembly is set forth in part in the Confession of Faith, Chapter XXXI, entitled, “Of Synods and Councils,” where it is said: “For the better government and further edification of the Church, there ought to be such assemblies as are commonly called Synods or Councils: and it belongeth to the overseers and other rulers of the particular churehes, by virtue of their office, and the power which Christ hath given them for edification and not for destruction, to appoint such assemblies; and to convene together in them, as often as they shall judge it expedient for the good of the Church.”

Section 2 of the same Chapter declares, “that it belongeth to Synods and Councils . . . to set down rules and directions for the better ordering of the public worship of God, and government of his Church, . . . which decrees and determinations, if consonant to the Word of God, are to be received with reverence and submission, not only for their agreement with the Word,

but also for the power whereby they are made, as being an ordinance of God, appointed thereunto in his Word."

The Westminster Assembly believed in a Government in which congregations are under the control of superior judicatories, and also in which inferior judicatories are subject to the supreme judicatory.

The United States.—When the Presbyterian Church in the U. S. A. was organized in Philadelphia, in 1706, it was as a Church accepting the Presbyterian government. It early acknowledged its relations to the Church of Scotland, and to other Churches holding the Presbyterian Polity, as appears in the Minutes of the Synod for 1722, where it is said, "We have been for many years in the exercise of Presbyterian government and church discipline as exercised by the Presbyterians in the best Reformed Churches." In 1729 the Synod unanimously acknowledged and declared "the Directory for Worship, Discipline and Government of the Church commonly annexed to the Westminster Confession, to be agreeable in substance to the Word of God and founded thereupon, and therefore do earnestly recommend the same to all their members." Again, in 1786, the volume already referred to as authoritative in the Church of Scotland, "Pardovan's Collections," was declared to contain the "rules of our discipline and form of process in our Church judicatures," and the Synod further declared that "Our Church judicatures, like those in the Church of Scotland, from which we derive our origin, are Church Sessions, Presbyteries and Synods, to which it is now in contemplation to add the National and General Assembly."

In 1786 the General Synod appointed a Committee to prepare for this National Presbyterian Church, a Book of Discipline and Government, and in 1788 adopted the same as the Constitution of the Presbyterian Church in America, adding thereto by formal action the Confession of Faith, the Larger and Shorter Catechisms, and the Directory for Worship.

From 1788 onward, the Presbyterian Church in the U. S. A. has maintained steadily the Presbyterian system of Church government, as it finds expression in Chapter VIII, Section 1, of the Form of Government, viz.: "It is absolutely necessary that the government of the Church be exercised under some certain and definite form. And we hold it to be expedient and agreeable to Scripture and the practice of the primitive Christians, that the Church be governed by congregational, presbyterial, and synodical assemblies."

In view of all these considerations the Committee therefore recommends the adoption of the following resolution:

Resolved, That this General Assembly declares and reaffirms, that the authority of superior judicatories in the Presbyterian system of government over congregations, is an authority based upon

New Testament warrant, has also been acknowledged for centuries as an integral principle of government by the Presbyterian Churches of Great Britain and the continent of Europe, and has always been from 1706 down to the present time a cardinal feature of the government of the Presbyterian Church in the U. S. A.

We submit this Report, as a whole, with hope for a future which shall be bright with the faith and the work of a united Christian Church, so led by the spirit of Christ, that its several parts shall be in reality one, "as Thou Father art in me, and I in Thee, that the world may believe that Thou hast sent me."

In behalf of the Committee,

WM. H. ROBERTS, *Chairman.*

The Special Committee on Legal Matters connected with Reunion presented its Report, which was adopted and is as follows:

The Special Committee on Legal Matters connected with Reunion presents the following Report to the General Assembly:

By action of the General Assembly, at its last meeting, this Committee was continued, "with the same powers as heretofore." During the year, the Committee's policy, duties, and methods have been of the same general character as in the past. The work has been done by an Executive Committee, with headquarters in Philadelphia, and by correspondence.

The membership and organization of the Committee remain unchanged, John M. Gaut, Esq., being continued as General Counsel for the Committee, and he is entitled to the warmest commendation for his diligence, faithfulness and efficiency. Rev. J. M. Hubbert still serves as the Committee's Secretary and Agent.

Litigation.—Within the past year, the Supreme Courts of Arkansas and Alabama have delivered opinions maintaining the validity of the union. A rehearing was petitioned in Alabama and was denied. Up to the present time, therefore, the courts of highest resort in the eight following States have rendered decisions in favor of the union, decreeing property in litigation to those adhering to the Reunited Church, the decisions having been handed down in the order in which the names appear, viz.: Georgia, Kentucky, Texas, California, Indiana, Illinois, Arkansas, and Alabama. In two States the Supreme Courts have rendered adverse decisions, first in Tennessee and then in Missouri.

A case at Colorado Springs, Colo., was decided by the lower court in favor of the union, and although an appeal was granted the other party failed to perfect it. We assume that there will be no further litigation in that State.

Cases tried and decided in the lower courts of Mississippi and

Oklahoma, resulting favorably to the union in Mississippi and adversely in Oklahoma, have been appealed to the Supreme Courts in said States. In Mississippi a hearing has been had, but no decision has yet been rendered.

The cases in the Federal Courts both in Missouri and Tennessee are still pending.

The case in the State Court at Marshall, Mo., has been postponed until the present month, and the Nashville (Grace Church) and Greenfield, Tenn., cases, are before the Supreme Court of that State.

Finances.—The account of John M. Gaut, General Counsel, as directed by the last Assembly, was paid by the Stated Clerk, after action had by the Committee, upon the report of a Committee of Audit. The report of said Committee of Audit was submitted to the Executive Commission at its meeting in Chicago, Ill., November 15, 16, 1910, and approved. An abstract of the Report is as follows: "The total amount received by Dr. Roberts, as Chairman, on account of the Committee, from the Boards of the Church and private individuals, as shown by the accounts, was \$4,828. There was paid out by him, as shown by the vouchers, \$4,577.34, leaving a balance in the Real Estate Trust Company, to his credit, of \$250.66, as appears by the certificate to that effect. In addition to the \$4,200 paid by Dr. Roberts to Mr. Gaut, there was paid to him \$975.38, at Nashville, Tenn., by various persons. There was also paid to Mr. Gaut, by the General Assembly, from a loan made by the Stated Clerk, \$5,055.50, making a grand total of \$10,230.88. Of this amount \$8,125 was on account of yearly retainer, and \$2,105.88 on account of traveling and legal expenses, including printing." The settlement thus made was for salary and expenses up to June 1, 1910, and for interest up to August 31, 1910. At the Chicago meeting of the Commission, in view of the fact that Mr. Gaut had been employed as General Counsel up to June 1, 1911, it was

Resolved, That the loan of the sum of \$3,000, or so much thereof as may be necessary, be approved to pay the salary and expenses of John M. Gaut, Esq., General Counsel of the Committee on Legal Matters connected with Reunion, the same to be paid on orders of the said Committee on Legal Matters.

There has been paid to Mr. Gaut under the preceding resolution the sum of \$1,250, as salary to December 1, 1910, and \$133.85 for expenses. There will be due him on June 1, 1911, \$1,250 for salary, and also a sum for expenses. It is the opinion of the Committee that Mr. Gaut should be continued as General Counsel, for such time and in such manner as may be deemed wise, the decision, as hitherto, to be left with the Committee.

The matter of the expenses connected with the suit brought

in the name of the Church as a whole, by Frank Hagerman, Esq., in the United States Court for the Western District of Missouri, was submitted by the Committee to the Executive Commission. The suit in this case was in the first place authorized by the Executive Commission, and thereafter the step was approved by the General Assembly of 1910. The Executive Commission authorized the payment of bills in this case, submitted by the Rev. Dr. S. J. Nicolls, as Chairman of the Committee of the Synod of Missouri, to the amount of \$1,514.19.

Presbyterial Apportionments.—The General Assembly of 1910 voted an increase in the apportionment for the Contingent Fund, to the extent of one and one-half cents. A large part of this increase was for litigation expenses, as authorized by that Assembly in resolutions found on pages 68, 72 and 81, of its *Minutes*. It is the opinion of the Committee that provision should be made from this fund for the payment of the loans made by the Stated Clerk for litigation expenses, and that a balance should be placed at the disposal of this Committee.

After careful consideration the following resolutions are submitted for adoption:

Resolved, 1. That the Committee be continued with power as to all litigation now in progress in connection with the Reunion of 1906, but that no new suits be approved, except after consent given by the Executive Commission of the General Assembly.

Resolved, 2. That the Committee be empowered, in its discretion, to continue the employment of John M. Gaut, Esq., as General Counsel, and in such manner and for such time, as it may deem wise.

Resolved, 3. That a sum equal to one cent per capita be and hereby is set apart from the presbyterial apportionments for the Contingent Fund of the Assembly, as a Legal Fund, and that out of such fund the loans made by the Stated Clerk for litigation expenses be paid, any surplus left over to be subject to the orders of this Committee.

Resolved, 4. That no sums of money shall be applied by the Committee on Legal Matters, or by the Executive Commission, for the expenses of local litigation, and that in cases of general litigation, the joint action of the Committee and of the Executive Commission, shall be necessary to authorize payments.

Resolved, 5. That the General Assembly hereby places on record its appreciation of the generosity, at times amounting to sacrifice, of the congregations, Boards, and persons, involved in litigation suits in thirteen States, a generosity which has contributed the greater part of the expenses thus far incurred.

Respectfully submitted, in behalf of the Committee,

WM. H. ROBERTS, *Chairman.*

The Committee on the Constitution, etc., presented its Report, which was adopted and is as follows:

The Committees on New Editions of the Constitution, the Digest and the Reprinting of the Minutes, consisting of the Stated and Permanent Clerks, respectfully present in one, their reports as follows:

1. The Committee on Editions of the Constitution respectfully reports that the Board of Publication and Sabbath School Work has issued, under the editorship of the Committee, an edition of the Constitution, which is accurate and complete to date. The matter of printing a German edition of the Administrative Standards has progressed to the extent that a translation of the same has been made, and is in the hands of the Board of Publication and Sabbath School Work.

2. The arrangements for a new edition of the Digest are progressing, the larger part of the copy being already in shape. It is understood, that the Digest will be issued, under the editorship of the Stated Clerk, some time before the meeting of the next Assembly.

3. The material for the reprinting of the *Minutes* of the Cumberland Presbyterian General Assembly is making progress and awaits developments.

The following Resolutions are submitted:

Resolved, 1. That the Committee on Editions of the Constitution be increased by the addition thereto of the Rev. Alexander Henry, D.D., Secretary of the Board of Publication and Sabbath School Work.

Resolved, 2. That the proposal to issue the new edition of the Digest, during the present fiscal year, be and hereby is approved.

Resolved, 3. That the Committee on the Reprinting of the *Minutes* report definitely to the next General Assembly on the subject of the Reprinting of the *Minutes* of the Cumberland Presbyterian General Assembly.

WM. H. ROBERTS,
WM. B. NOBLE.

The Minutes of the following Synods were approved without exception: Arkansas, Atlantic, Baltimore, California, Catawba, Colorado, East Tennessee, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Mississippi, Missouri, Montana, New Jersey, New Mexico, New York, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Utah, Washington, West Virginia and Wisconsin.

The Committee on the Records of the Synod of Nebraska reported approval with the following exceptions:

1. Sessions of said Synod held on Thursday evening and

Friday evening, respectively, were opened, it appears, with a sacred concert. This implies a prayer may have been included, but it is not so stated.

2. On p. 39, a typewritten page is inserted, which mars the neatness of the Minutes. As this was an error of the publisher, and not of the Stated Clerk, we would offer no criticism, but would recommend that a more careful oversight be given to the publication, and that the Minutes be prepared at a date sufficiently early to allow careful proof-reading.

The Report was approved.

The Committee on the Records of the Synod of North Dakota reported approval with the following suggestion: In the aggregate of ninety-nine (99) members comprising the seventeen (17) Permanent Committees of the Synod, there are found only three (3) elders. The Assembly recommends that the Synod take steps to remedy this defect.

The Report was approved.

The Committee on the Records of the Synod of Tennessee reported, recommending approval, with the following exception: Attention is called to the fact that there is no record of the Thursday morning's session being closed with prayer (p. 34).

The Report was approved.

The Committee on the Records of the Synod of Texas reported approval, with the following additional recommendation, viz.: That the action of the Synod of Texas in the readjustment of Presbyterial lines, including the consolidation of the Presbyteries of Austin and San Antonio, under the name of the Presbytery of Austin, and the erection of the new Presbytery of El Paso, be approved by the Assembly.

The Report was approved.

The Synods of Alabama and Canadian have not presented their records for review.

The following was adopted:

Resolved, That the Moderator is authorized to name the seven members of the Special Committee to raise \$10,000,000 in five years, at his convenience, after the Executive Commission shall have approved the recommendations of the Special Committee on Ministerial Relief.

Rev. William P. Fulton, D.D., Temporary Clerk, was authorized to cast the ballot for the following persons as members of the Board of the Church Election Fund and they were declared duly

elected: *Ministers*—Frederick Campbell, F. C. Ottman, D.D., William W. Whitaker, D.D., Charles P. Young, D.D.; *Ruling Elders*—Richard H. Green, E. J. Esselstyn and James E. Ware.

The Committee on the Next Place of Meeting presented the following Report, which was adopted:

The Committee on the Next Place of Meeting respectfully reports the following recommendations as to the meeting at Louisville, Ky.:

1. That the General Assembly hereby appoints the Rev. Aquilla Webb, D.D., Rev. William H. Roberts, D.D., Stated Clerk, and the elders of the session of the Warren Memorial Church, as the local Committee of Arrangements, with power to add to their number.

2. That the General Assembly accepts with thanks the offers of the Louisville brethren as to local expenses and the entertainment of the officers of the Assembly.

Respectfully submitted,

JOHN F. CARSON, *Chairman*.

The following was adopted:

Resolved, That hereafter the popular temperance meeting in connection with the Assembly be held on the second Thursday evening, instead of the second Friday as at present.

The following, presented by the Stated Clerk, was adopted:

The Stated Clerk respectfully reports to the General Assembly, in the matter of the binding and distributing of the *Reports* of the Boards, that the same has been attended to, in accordance with the directions of the Assembly of 1910, and that the accounts for the same have been duly audited. These accounts will be printed in the Appendix of the *Minutes*.

It is recommended that the following resolutions be adopted:

Resolved, 1. That the Assembly authorize the binding and distribution of 7,500 copies of the *Reports* of the Boards and Permanent Committees for the ecclesiastical year 1910-11. The expenses of the same to be borne by the Boards.

Resolved, 2. That the Boards be requested to deliver the printed sheets of the *Reports* to the Stated Clerk on or before June 25, 1911.

The following Resolutions were adopted:

Resolved, That the Stated Clerk be directed, as usual, to publish the *Minutes* of the General Assembly.

Resolved, That the General Assembly is responsible only for the expenses of its Commissioners and officers in connection with its annual meetings.

Resolved, That the Stated Clerk be authorized to furnish the *Minutes* to such Presbyteries only as have paid in their full quotas to the Contingent Fund.

Resolved, That the Stated Clerk forward a copy of the *Minutes* and *Reports* to the ruling elders who are Commissioners to this Assembly; provided, that the ruling elders forward to the Clerk their post-office address, and that the Presbyteries which they represent have paid their full quotas to the Mileage and Contingent Funds; also, that he be authorized to furnish the *Minutes* to the lay members of the Boards.

Resolved, That the Stated Clerk prepare a new edition of the *Manual* for the use of the next Assembly.

Resolved, That the Moderator be authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees.

Resolved, That the Stated Clerk be authorized to pay the usual bills and salaries, subject to the provisions of the financial plan of 1910.

Resolved, That, as customary, all matters connected with railroad rates and arrangements for the next meeting of the Assembly be committed solely to the Stated Clerk.

Resolved, That the Stated Clerk be authorized to pay the actual traveling and entertainment expenses of the members of Special Committees, appointed or continued by this General Assembly, and of the Executive Commission, incurred by attendance upon the regular meetings, said expenses to be kept within as low a limit as possible; all subject to the approval of the Permanent Finance Committee, in accordance with the financial plan of 1910 and other regulations of the Assembly.

Resolved, That the Stated Clerk be authorized to contract and pay for the usual printing of the *Minutes* and the *Manual* of the Assembly, List of Commissioners, List of Overtures, Committee Reports and all blanks and papers connected with the current annual work of the General Assembly, until the Executive Commission puts into effect the provisions adopted by the Assembly for a Purchasing Agent.

The Stated Clerk was authorized to renumber the Standing Committees as may be necessary.

The Hospitality Committee was authorized to pay the entertainment of Commissioners obliged to remain in Atlantic City over Sabbath, and to submit its Report to the Assembly's Committee on Entertainment for audit.

The Moderator and Rev. Charles Little, D.D., were appointed, on request of the Chairman, members of the Committee on Church Coöperation and Union.

The Committee on Resolutions and Thanks, through its Chairman, Edward H. Curtis, D.D., presented the following resolutions, which were adopted:

The One Hundred and Twenty-third General Assembly of the Presbyterian Church in the U. S. A. desires to give hearty expression of thanks to all who have helped to make this a notable meeting of the Supreme Judicatory of our Church, through their kindly and thoughtful ministry to the needs, the pleasure and the convenience of its Commissioners.

1. To the Moderator. This General Assembly is under great obligations to the Moderator, the Rev. John F. Carson, D.D., for the patience, ability, fairness and wisdom with which he has presided over the deliberations of this venerable body.

2. To the Vice-Moderator. This General Assembly also desires to acknowledge its grateful appreciation of the dignity and courtesy of the Hon. Hugh H. Hanna in the discharge of the high duties of his position.

3. The Clerks. The Assembly is again desirous of making suitable acknowledgment of the signal ability and courtesy of our Stated Clerk, the Rev. W. H. Roberts, D.D., in devoting the

rich stores of his knowledge and experience to the prompt and efficient advancement of the business of the Assembly. Expression is also given of our appreciation of the valuable services of our Permanent Clerk, Rev. William B. Noble, D.D.; of the Assistant Clerk, Rev. J. M. Hubbert, D.D.; the Temporary Clerks, Rev. William P. Fulton, D.D., Rev. William B. Preston, Rev. John S. Eakin, and Ruling Elder Theodore M. Wright, and of all who as clerks and stenographers have helped in the quick and orderly dispatch of the work committed to our hands.

4. To the Local Committees. We also extend our thanks to the various Committees of this city and vicinity, who have given themselves so unreservedly to the promotion of the comfort and convenience of their guests, making special mention of the patient and untiring service of the Rev. Herbert R. Rundall, of the Chelsea Presbyterian Church, Acting Chairman; Mr. George W. Stone, Mr. George W. Kite, Miss Edna Baier and Miss Tysen.

5. The Assembly furthermore expresses its thanks to the pastors and officers of the various churches of Atlantic City, both of our denomination and of other denominations, for their courtesies to the members of this Assembly.

6. We put on record also our grateful recognition of the favors extended us by the U. S. Postmaster, the proprietors and employés of the Steel Pier, and the various Atlantic City organizations, which have joined in making our visit so delightful.

7. We acknowledge a debt of gratitude to the City Press, the Press of Philadelphia and of other cities for the uniform courtesy and consideration of their reporters, who have given such wide and favorable publicity to the doings of this Assembly.

For all their ministries of kindness and helpfulness and for all services, which cannot be given particular mention, we express our hearty thanks with this, as our hope, that should the General Assembly come again to this delightful and hospitable City by the Sea, our successors may be treated with the same generous hospitality which has been accorded us.

The Commissioners present handed their names to the Permanent Clerk to be checked upon the roll, and about 400 were found present. The Stated Clerk was authorized to correspond with reported absentees in order to correct the list to be published in the *Minutes*. The following were finally found absent without leave:

APPENDIX.

I. Narrative, Necrology, Correspondence, etc.

REPORT OF THE SPECIAL COMMITTEE ON CHRISTIAN LIFE AND WORK.

The Special Committee on Christian Life and Work respectfully makes to the General Assembly its fourth Annual Report.

1. MEETINGS.—The Committee held during the year one meeting at Philadelphia, Pa., on April 26, 1911, which was attended by a majority of the members, and approved the Report which is herewith submitted. For the careful consideration of all subjects entrusted to the Committee, an Executive Committee was organized, composed of members residing in and near Philadelphia and New York. This Executive Committee met on January 5 and February 1, 1911, and in each case has been a full day in the discussion of the various topics which are hereby reported upon in numerical order.

2. MEMBERSHIP.—The classification of the Committee is as follows: *Term expiring 1911*, John F. Carson, D.D., John F. Hendy, D.D., Andrew Stevenson. *Term expiring 1912*, Stephen A. Hunter, D.D., James A. Worden, D.D., Henry B. F. McFarland. *Term expiring 1913*, H. B. MacCauley, D.D., William K. Guthrie, D.D., William H. Scott. In addition, the Moderator, for the time being, is the Chairman, and the Stated Clerk is *ex officio* a member and Secretary.

The Assembly is requested to elect persons in place of the class whose term expires in 1911, with a view to their ability to attend meetings. In the judgment of the members who were present at the meeting in Philadelphia, April 26, it is expedient for the Assembly to decline to incur expense in connection with the meetings of the Committee, by the appointment of brethren who reside at a great distance from the city of Philadelphia. It is also to be remembered that the time, both of ministers and elders, is a valuable asset to them, and that the meetings of Assembly Committees are solely for business purposes.

The Committee, following the example of the Boards and other Permanent Committees, and having in mind the considerations just stated, respectfully suggests, by way of nomination, the names of Rev. John F. Carson, D.D., of Brooklyn, N. Y., the Rev. A. H. Barr, D.D., of Baltimore, Md., and Mr. Andrew Stevenson, of Chicago, Ill., as members.

3. SYNODICAL NARRATIVES.—The following Synods have either supplied no official information as to the condition of Christian Life and Work within their bounds, or do not appoint Committees to report upon the subject: Alabama, Atlantic, California, Canadian, Catawba, East Tennessee, Idaho, Kansas, New York, Oklahoma, Oregon, Texas, Utah. It is respectfully suggested that the General Assembly recommend to these Synods attention to this all-important subject. In order to true spiritual progress, it is necessary to know from year to year exactly where the work of the churches is, as to conditions and prospects. Just as a business firm ascertains steadily the condition of its affairs, in order that it may adopt proper measures for the care and development of its business, so with the Church of Jesus Christ, and among our judicatories there are none upon which the duty of annual investigation, report, and planning for future work is more imperative than the Synods. Each of them covers a large territory, represents a large aggregation of ministers and churches, and each should give due thought to spiritual conditions and seek to secure spiritual

progress by methods adequate to existing conditions and honorable to the Church of Christ.

In some cases the lack of Synodical Reports has been supplied from other official or private sources. If the Presbyterian Narratives could be handed in a month earlier a better and fuller Report could be made by the Committee.

The following concise statements for the Synods are submitted:

1. *Alabama*.—No Minutes received. Fresh interest and hopefulness in all Churches of the Synod, since the Supreme Court of the State recently ended litigation in favor of the Reunion.

2. *Arkansas*.—Congregations have taken on new life and are entering more earnestly into the work than ever before. Family worship is being maintained on a larger scale than ever before, and more attention is shown to the training of children in home instruction and in the Sabbath-school, and in teaching the Catechism. More importance is being attached to the matter of contributions. Much interest is being awakened in the matter of Presbyterian unity. Much manifestation of the Spirit's power in conversions and in quickening the activities of churches and Sunday-schools.

3. *Atlantic*.—(No report.)

4. *Baltimore*.—Substantial progress throughout the Synod, special mention being made of additions to the churches, mostly from the Sabbath-schools, also of encouraging work on the part of Missionary Societies. Discouraging report as to prayer meetings. Interest shown in Laymen's Missionary Movement, amounting to enthusiasm. Budget system widely adopted by the churches. Some attention given to Brotherhood Work. Interest manifested in Interchurch Federation.

5. *California*.—The Stated Clerk of Synod reports that California Synod abolished its Narrative Committee two years ago. Sacramento Presbytery reports unusual activity in religious work during the past year. San Joaquin Presbytery reports large additions to church membership. The Lay Missionary Movement is bearing good fruit and the Brotherhood Movement is gaining ground.

6. *Canadian*.—(No report.)

7. *Catwaba*.—Drift and tendency away from family religion. In 90 per cent. of the churches the weekly prayer meeting is either dead or a drag. Strong tendency in the pulpit toward sensationalism. No unusual spiritual manifestations, but constancy in proclaiming the Word. Manifest interest in Interchurch Federation and Interdenominational Sunday-school labors.

8. *Colorado*.—Encouraging report as to increase in number of communicants and larger contributions to benevolence. Family prayer and the family altar surely becoming extinct. A growing sentiment in favor of spiritual things. The Temperance cause is being vigorously pushed. Strong sentiment in favor of Church Federation.

9. *East Tennessee*.—(No report.)

10. *Idaho*.—Moral and spiritual conditions fairly good. Some interest in Laymen's Missionary meetings and Brotherhood Work. Mormon influences make progress in Christian concerns very difficult.

11. *Illinois*.—Almost one-fourth of the pulpits vacant. Attendance upon church services by about one-half or three-fourths of the membership, with a dearth on the part of the young people. Additions to the Church, one for every sixteen members. About 80 per cent. of the accessions come from the Sunday-schools. Adult classes and teacher-training classes growing in favor, and increasing in number and efficiency. Churches generally well-organized in the various societies, with Brotherhoods in many churches. Discouraging reports concerning prayer meetings, only 15 to 20 per cent. of the membership attending this service. When the churches fail to get right ministers or are vacant, they run down. Children generally presented for baptism, but neglect of family worship and home instruction. Cause of thankfulness in larger contributions. Financial obligations promptly met.

12. *Indiana*.—Narrative meagre and absence appears of the revival spirit. A dearth of revivals, decadence of family worship, lack of conviction in the pulpit, loss of personal piety in the pew, and absence of sessional discipline and oversight. There is, however, systematic and increased giving to the Boards, and coöperation in the Budget Plan. Efforts are being made to increase interest in country and village church conditions. Some progress made in

Interdenominational Comity and Church Federation. The Laymen's Missionary Movement progresses

13. *Iowa*.—One-fifth of churches vacant. Low average attendance at divine worship, and only half of the children and youth attend at all. The prayer meeting not wanted. General conditions in Sabbath-schools rather hopeful, but the Shorter Catechism has been shelved. Unusual religious interest reported in several of the Presbyteries, but this is not general in the Synod. Parents generally faithful in having children baptized, but family altar becoming obsolete. Creditable showing as to the number of churches contributing to all the Boards. Conditions have been affected by the decline in population, since this has weakened rural churches and reduced Sunday-school rolls. Likewise the change in the character of the population, from Protestant to Roman Catholic. There is a pressing demand for the occupancy of fields in great cities. There is marked progress in the German Presbyteries.

14. *Kansas*.—[The Synod for two years past has neglected to provide for a suitable Narrative.] Larned Presbytery reports perceptible advance in spiritual conditions. Neosho Presbytery reports lack of loyalty in church attendance. Benevolences good and well directed, with intelligent, proportionate giving. Topeka Presbytery reports all pulpits supplied. Brotherhood and Laymen's Missionary Movements gaining strength and influence. Wichita Presbytery reports that its church membership is decreasing. The problem is how to save the Church as well as how to save the world. Financial conditions good. Worldly amusements antagonize spirituality. About 65 per cent. of church members attend religious services. Children attend preaching services well in the country but not in the town. Family religion at low ebb.

15. *Kentucky*.—Creditable gains numerically. Fair church attendance, 35 per cent. being children and young people. The prayer meeting seems to be reviving. The churches generally show a quiet but steady activity. Laudable progress in the Sunday-schools, both as to increase of members and in the better equipment of the official and teaching forces. Women's Missionary Societies accomplishing much. Progress and promise among men in adult Bible classes, Brotherhood Societies, and the Laymen's Missionary Movement. Much encouragement on account of deeper consecration of life and means. Decadence of the family altar constitutes a sad blemish on Church life. No denomination in Kentucky equals ours in offerings. We give to the Boards \$2.45 per capita, and for all Church expenses \$14.57 per capita. Throughout the Synod there is conscientiousness in meeting financial obligations.

16. *Michigan*.—Discouragements enough to confirm the pessimist, and encouragements enough to make the optimist cheerful. Decrease in number of members, elders, candidates, and infant baptisms; but slight increase in communicants. Six times as many members suspended as restored. Promising signs of more activity and virility in Men's Societies. Nothing encouraging in spiritual conditions. In one-third of the churches there have been no conversions. A few gracious revivals; but no wide prevalence of revival spirit. Increasing efforts for civic righteousness. The tide of Temperance is rising. Conditions discouraging as to infant baptism, family prayer, and the family pew. Churches well-manned by ministers, able and devoted. Chronic condition of vacant pulpits, one-third of the churches being unsupplied. Brotherhood movements being pressed vigorously.

17. *Minnesota*.—Fairly good attendance on morning services, but poor attendance in the evening, and in many churches the night service given up entirely. Average attendance on the part of young people better than that of the older people. Prayer meeting entirely omitted in large number of churches, and are poorly supported in most of the others. Through removal and purging of the church rolls, more members have been lost than gained during the past year. Number of converts from the ranks of the Sabbath-schools is pitifully small, when the number of workers and the class among whom the work is done are taken into consideration. Shorter Catechism almost universally neglected. While Brotherhoods and Laymen's Missionary Movements have meant much to the Church, it is an unsolved problem how these organizations can be adapted to the rural congregations, for they have not as yet touched many of the country churches. Little unusual religious interest in the churches of the Synod. Many of the small churches are vacant. For the most part, family worship is sadly neglected. In most of the churches there has been

some growth in gifts for benevolent objects. The stronger churches have adopted the Budget Plan.

18. *Mississippi*.—Conditions in the Synod are decidedly above the normal, notwithstanding many disturbing and untoward surroundings.

19. *Missouri*.—Fair attendance at church services, and this holds good of the children. Gain in membership has been commendable. Small proportion of church members attend prayer meetings. Nearly all active churches have Sabbath-schools. It is an exception to find the Shorter Catechism taught. Nearly all Sunday-schools use our own literature. Teachers' meetings few. But few churches have Brotherhoods, but a very good showing of Women's Societies. Evidences of spiritual growth apparent. Few families hold worship regularly. Developments along the line of liberal giving.

20. *Montana*.—Fair gain in congregations and communicants. Attendance upon public services good, and from 20 to 30 per cent. are young people from the Sunday-schools. Thirty per cent. of the church members attend prayer meetings. Westminster Helps generally used in the Sunday-schools. Shorter Catechism taught in few schools. Young People's Societies in the Synod make a goodly showing of Missionary and Aid Societies. No increase in Men's Societies during the past year. More evidence of material advancement than of spiritual growth, considerable having been done in the way of building and dedicating churches. In many instances the family altar has never been erected. The Presbyteries generally show an increase in gifts.

21. *Nebraska*.—Good average attendance at Sabbath services, a large per cent. being the youth of the congregations. Very small attendance at prayer meetings, except in Omaha. Sabbath-schools are active, progressive, and quite well-equipped. Some have libraries, a few have teachers' meetings, most of the schools use Westminster Helps. Catechism taught in but few schools. The churches are greatly strengthened numerically from the ranks of the Sunday-schools. But few Men's Bible Classes, and not many Brotherhood organizations, but more encouraging conditions with Ladies' and Young People's Societies. Nothing noteworthy in the way of special religious interests. But little family religion and instruction. Parents generally faithful in presenting children for baptism. Gratifying increase in Church benevolences. Conditions encouraging in matters of church building and meeting financial obligations.

22. *New Jersey*.—Morning services well attended, with a fair proportion of children and young people present. Prayer meetings pitifully small. Sabbath-schools are generally efficient, but the Shorter Catechism is fading out, and there is a lamentable falling away of scholars. Women's Societies in good condition, but Men's Societies not reported on encouragingly. Spiritual conditions have been little out of the ordinary. All Presbyterian Narratives give gloomy picture of family worship. In a large number of churches there has been effort to meet the requirements of the Assembly's Budget Plan, and these efforts tell happily upon the returns. Rather discouraging reports concerning Sabbath observance and temperance.

23. *New Mexico*.—Attendance on preaching services good, but midweek services poor. Excellent attendance in Sunday-schools. Men poorly organized for church work, but women and young people well-organized. No unusual religious awakening, but steady growth all along the line.

24. *New York*.—[Stated Clerk says Synod has no satisfactory report.]

Boston Presbytery: This year there has been no special religious awakening; however, the religious interest is good. The following lines of activity have served as objects of Christian work during the winter: The World in Boston, foreign mission exhibit; the Jubilee of the Women's Societies, and the organization of a local Federation of Churches.

Brooklyn Presbytery: One person in nine of membership attends prayer meetings. The Evangelistic Campaign did not reach the unchurched in great numbers. Average attendance at communion about one-half of membership. Spiritual condition of the churches in the Presbytery is healthful and good. Decided decrease in the membership of Sunday-schools. Goodly number of societies for men, women and youth, but out of forty-one men's societies, only two make contributions to the Church Boards.

Chemung Presbytery: No gain in church membership worth mentioning. Attendance of children at public services fairly good; of non-church members

from 10 to 30 per cent. of the congregations. Increase in offerings for benevolence. Financial obligations met promptly.

25. *North Dakota*.—[No report.] The Stated Clerk of the Synod reports, "a general heartening all along the line, and great things hoped for in the future." Spring meetings of Presbyteries characterized by a general spirit of confidence as to development. A lively interest in Missions.

26. *Ohio*.—While the Church has grown somewhat extensively, it has been more strengthened intensively. Midweek prayer meetings generally sustained with good attendance and interest. In most Sabbath-schools the Shorter Catechism is taught. A large per cent. of the converts come from the ranks of the scholars. Not many Brotherhoods or Men's Societies of any description, but Women's Missionary and other societies in about all the churches. Some notable revivals, with many conversions. Church active in moral reform, home mission work, and in work for students at Ohio State University. Nothing of special interest as to family religion. A lamentable falling off in offerings to the Boards.

27. *Oklahoma*.—[No Narrative from Synod.] Muskogee Presbytery: Few Brotherhoods reported, but are doing a noble work. Christians are secularizing the Sabbath and the sanctuary, and marriage vows are laxly regarded. Serious decay of family religion. Poor attendance of adults in Sabbath-school and of young people at the preaching services. The present tendencies toward worldliness have brought a crisis in church life.

28. *Oregon*.—[No Narrative from Synod.] Southern Oregon Presbytery reports: Some remarkable work being done in the Sabbath-schools of the Presbytery, especially among adults. Spiritual conditions generally good. Comparatively few churches report baptisms of children. Revival services and family worship reported in about half the churches. Several churches report an increase in offerings. Churches are generally faithful in giving notices of removals.

Willamette Presbytery reports: Excellent attendance on the part of the church membership at morning services, and fairly good in the evening. Prayer meetings maintained in twenty-three out of thirty-six churches, with average attendance of one-fifth of the membership. Steady decline of family religion. Increased offerings for the Boards.

29. *Pennsylvania*.—The Synod has 171 vacant pulpits and many unemployed ministers. These vacancies are chiefly in rural Presbyteries. Average attendance at preaching services is 50 per cent. of the membership at the morning service and less in the evening; some country churches, however, have audiences exceeding in number the membership. Weekly prayer meetings have an attendance of only 10 per cent. of the membership. Sunday-schools show much efficiency and faithfulness in work. The organized Adult Bible Class seems to be sweeping the State. The schools generally are well-equipped with officers and teachers. But few teachers' meetings reported. Shorter Catechism is neglected in two-thirds of the Presbyteries, and in the other third it is taught with regularity in about one-half the schools. Practically all the Presbyteries report some form of men's organizations. There are at least 288 organized Men's Societies in the Synod, which stand for Christian Fraternity, Distribution of Responsibility, Bible Study, Missions, Evangelism, Civic Righteousness, Boys' Work, and other objects. The Brotherhood Movement has made commendable progress. In spiritual conditions, there is nothing of unusual interest. There is an apparent passing of the family altar. Much encouragement in the benevolent record of the Synod. Large gains having been made in contributions to the Boards. The Budget Plan, with duplex weekly envelopes, is coming into use, resulting in large increase of gifts.

30. *Philippines*.—[Foreign Mission Synod.]

31. *South Dakota*.—Small gains in church membership. Encouraging report for benevolences, with gains in contributions to the Boards. Decrease in infant baptisms. Decline in family worship. Decline in midweek prayer meeting. Sabbath-schools gaining in esteem and efficiency. Little interest in public worship. Diminishing number giving attention to the Catechism in the Sunday-schools. Westminster Lesson Helps and Board papers well patronized. Graded lessons on the increase. Little interest in Brotherhoods, but more in Laymen's Missionary Movement. Notwithstanding the drought, benevolent contributions have not been reduced. Increasing interest in

systematic beneficence and more effective church financing. Women's organizations, Missionary and Aid Societies faithful and effective throughout the Synod.

32. *Tennessee*.—The past year one of progress, in the main. Attendance on Sabbath-schools generally reported good. Family altar neglected. Home instruction and the Catechisms declining. Reports as to pastors' salaries are encouraging.

33. *Texas*.—Abilene Presbytery reports: Laymen's Missionary Movement a potent factor in arousing missionary interest. Special need for work in behalf of Temperance and Sabbath observance.

Dallas Presbytery reports: Reasonably good growth of numbers. The Brotherhood and the Forward Movement are taking deep hold. Encouraging increase of offerings in churches. Need for grappling with the problems of the country church and vacant pulpits.

34. *Utah*.—[No report from Synod.] The Stated Clerk writes somewhat discouragingly on account of the influence of Mormonism. Pastors making strenuous effort to reestablish the family altar and family religion, and they are succeeding beyond their expectations. Spiritual standards generally low.

35. *Washington*.—Attendance on Sunday services gratifying, with marked growth in number in attendance upon the evening services. Increasing number of young people in attendance upon the preaching services. Endeavorers in some instances taking large part in the evening service. Weekly prayer meeting not well attended in some localities, but the interest is increasing. Sunday-schools in the Synod are in a flourishing condition in most respects, but only small proportion of the schools use Presbyterian literature or teach the Shorter Catechism. Presbyterian Narratives report many and varied societies, such as Brotherhoods, Boys' Clubs, Ladies' Aids, and Missionary Societies, all of which are working encouragingly and hopefully. Marked signs of unusual religious interest in many of the Presbyteries. Presbyterian reports afford small encouragement in the matter of family religion, though parents are generally faithful in presenting their children for baptism. Large gains in contributions to the Boards.

36. *West Virginia*.—Taking the whole Synod, there has been a decline in membership, the decrease being not in the matter of additions by examination, but in the number received by letter. The past five years in the Synod have been a period of preparation for future work. Attention is called to the recent developments toward synodical self-support, new methods of finance, the Forward Movement in Foreign Missions, and Church Federation. The Synod regards itself as wide-awake and progressive.

37. *Wisconsin*.—Evening services not well-attended and same conditions as to the prayer meeting. An exceptionally large number of smaller churches vacant most of the time. Reasonable increase in benevolent offerings. Small reduction in total membership. Westminster Helps used in nearly all Sunday-schools, and the Shorter Catechism taught in a majority of schools.

INTERCHURCH FEDERATION.—It is pleasant to report that the Presbyteries have very generally given attention to the recommendation of the last Assembly that they appoint Committees on Interchurch Federation, or empower existing Committees to attend to the important matter of the relationship of the Evangelical Churches one to another. About two-thirds of the Presbyteries and Synods have now acted in this matter. Further, in connection with this subject we draw attention to the fact that the Federal Council of the Church of Christ in America has defined an Interchurch Federation in the following manner, and has recommended that each Interchurch Federation establish a Council, which has also been defined. The two definitions read:

"1. An Interchurch Federation is a voluntary association of two churches contiguously located in any State, county, city or other locality, connected with the denominations which are in the Federal Council, and organized under a code of by-laws adopted by them as a local branch of the Federal Council, for the purpose of working together in behalf of the social, moral and spiritual betterment of their communities.

"2. The Council for an Interchurch Federation is a committee, consisting of pastors and lay delegates chosen by the churches of a Federation for the purpose of representing them, and, as their executive agent, for promoting their coöperation in carrying out the purposes of the Federation."

These definitions indicate the recognition by the National Federal Council of the advisability of organization by the evangelical Churches, in communities of different sizes throughout our country, such as towns, cities, counties, and States, federations of a local nature, which shall give immediate effectiveness to the plans and forces which are represented by the Federal Council. This is a decided forward step. It will need tact in the initiation of organizations and in their conduct, and the results without question will be greatly to the advantage of Christian fellowship. It is hoped that the Assembly will lend its potent influence once more to the effort to give visibility to the real spiritual unity of the Churches of Jesus Christ in this land.

Examples of Interchurch Federation of a local character are, for a State, the Interchurch Federation of New Jersey; for a county, the Interchurch Federations of Mifflin County, Pa., and of Essex County, N. J.; and for a city, Baltimore, Md., or Philadelphia, Pa. We note, with pleasure, the appointment of Rev. H. B. MacCauley, D.D., one of our ministers, as Secretary of the Federal Council for the Eastern District, including New England, New York, New Jersey, Pennsylvania, Maryland, Delaware and West Virginia.

MEN AND RELIGION.—The Secretary of this Committee, as long ago as 1892, drew attention to the large proportion of adult males in the country who were not members of any church claiming the name of Christian, either Protestant or Roman Catholic, and then published statistics based upon the United States census of 1890. He has now prepared certain tables compiled from the United States Religious Census of 1906, confirming the conclusions of 1892, and setting forth the number of church members and non-church members in the total population of the United States.

In connection with these tables it is worthy of remark that throughout the country, as a whole, the total number of non-church members is 60.9 per cent. Even if a reduction of 10 per cent. be made from the population for persons under the age of discretion, it still remains true that 50 per cent. of our people are not in the communicant membership of any church. There are, of course, many adherents who are not communicants.

We note further, that in the following States, Arkansas, Kansas, Oklahoma, Oregon, West Virginia and Wyoming, the percentage of non-church members in the population is 70 per cent. and upward, and that the States in which the percentage is under 50 per cent. are Louisiana, Massachusetts, New Mexico, Rhode Island, and Utah. In Utah, the reason for the large proportion of church membership is the strength of the church of the Latter Day Saints, commonly called Mormons. In the other States having a large percentage of church members, Roman Catholics, in great numbers, are of the population.

The situation as concisely outlined above is a sufficient reason for the campaign which is being undertaken under the name of "Men and Religion," by voluntary agencies, on a nation-wide scale. The thorough Christianization of the United States is a subject for the activities of all Christian persons. It is urged that the Presbyterian Church should come into full and official relations with the movement either through the Presbyterian Brotherhood or through the Evangelistic Committee, or perhaps through both these agencies. It is the Church which is the pillar and ground of the truth, and which is commissioned by the Church's Lord to seek and to save the lost. The duty of our Church, is the duty of every Church worthy of the Christian name within the bounds of our country. Our Church has a history in the past from its very beginning, as a Church filled with the missionary spirit. The doctrines, commonly known as Calvinistic, recognize the unconditioned sovereignty of God in His Universe as a fundamental principle and this involves, as a logical inference, the idea of prompt, implicit and thorough-going obedience to God in Jesus Christ, on the part of all who profess His name. His command to His people is, to teach all nations, beginning at Jerusalem. With the majority of the adults of the country making no profession of faith in Jesus Christ, the duty of our own and other Christian Churches, in relation to every movement connected with evangelization, is emphasized in a striking manner.

PROTESTANTISM.—The United States Religious Census of 1906 furnishes material for other statistics which are of far-reaching interest. Below are given tables as to the two great divisions in Church membership of Protestants and Roman Catholics. They reveal a concentration of Roman Catholics in twenty-six States among them notably, California, Connecticut, Louisiana, Massachusetts, Michigan, Montana, Nevada, New Hampshire, New Jersey, New Mexico, New York, Ohio, Pennsylvania, Rhode Island and Vermont. In these States named the Roman Catholic population is anywhere from 20 to 56 per cent. of the total. In the Southern States, with the exception of Louisiana, it is notable how small a proportion acknowledge the authority of the Roman Pontiff. In North Carolina, for instance, out of a population of 2,000,000, only 2,981, in the year 1906, were Roman Catholics. The total adult church membership in the Protestant Churches footed up, in 1906, 20,287,742 and the total Roman Catholic population was 12,078,142. These figures do not include Protestant children under fifteen, or Roman Catholic under nine years of age.

It is also noticeable that there are more males proportionately in the Roman Catholic than in the Protestant Churches, the figures showing in the Roman Churches, 6,643,528 females to 5,435,614 males, or 51 and 49 per cent., respectively; and in the Protestant Churches, 11,543,725 females to 8,744,017 males, or 56.9 and 43.1 per cent., on which basis the statistics for each State were estimated.

It is urged upon the General Assembly that the religious situation in our nation at the present time is such, that it requires that the Protestant Churches through the organization known as the Federal Council, should make their influence felt in many directions for the national welfare, and emphasizes the duty of each Church to teach in its own way, and by every possible instrumentality, the fundamental principles which bear the name of Protestant, and which have been prime factors in the progress of mankind for the past four centuries. Certain of these principles may be stated as follows and in language which to us is familiar:

1. The Bible only as the infallible rule of faith and practice.
2. Every man directly responsible to God in matters of religion.
3. Faith in Jesus Christ the sole condition of salvation.
4. The only terms of church membership, faith in and obedience to Jesus Christ.

These principles are fundamental to modern civilization, to the success of the present social order, to the spiritual power of the Church, and to the universal welfare of mankind. It is felt that more attention should be given to these great principles in the religious press and in publications of Church Boards, not as a summons to controversy, but as a call for a true and stimulating educational process, which shall hold the Christian Churches to the New Testament doctrine, and thus secure to the nation the inevitable blessings of pure and undefiled religion.

The tables which follow merit study.

ON MARRIAGE AND DIVORCE.—This important topic was handled for years by the Interchurch Conference on Marriage and Divorce, representing fourteen different Christian denominations. In 1909 the subject was transferred to the Federal Council of the Churches of Christ in America, and placed under the care of its Committee on the Family Life.

The situation as to the marriage relation is serious in the U. S., and whatever may be urged as to the appropriateness of divorce under certain circumstances, it is nevertheless true that further attention needs to be given both in legislation and public opinion to the bringing about of better conditions of affairs.

To illustrate what is meant. In the year 1906, 853,290 marriages are reported by the U. S. Census Bureau as having been celebrated in the United States. During the same year 72,062 divorces were granted. There is but one State in the Union which grants no divorces, South Carolina. New York grants divorces only for statutory reasons. In other States a great variety of causes for divorce are warranted by law. In Nevada the situation is such as to be deplored by all moral persons. The condition is certainly alarming when the divorces in a given year in our country are over 8 per cent. of the marriages. In certain States, like Arkansas, Illinois, Indiana, Iowa, Ohio, Oklahoma and Washington, the proportion is 10 per cent. and over of divorces to marriages.

The need is great for continued, strong and practical action, to rouse the Christian conscience of America to a realization of the grave conditions which exist now among us as a people.

All Christians should bestir themselves for the formation of such public opinion and such religious convictions as will check and arrest the dangerous, downward tendencies which so threaten the most sacred institutions of humanity. We quote an impressive declaration by one of our great national leaders, that if the nation shall "solve every other problem in the wisest possible way, it shall profit us nothing if we shall have lost our own national soul; and we will have lost it, if we do not have the questions of the relations of the family put upon the proper basis." To emphasize the situation, by the argument of statistics, the table given below is submitted to the Assembly. Its figures are based upon the two splendid volumes, upon the subject of Marriage and Divorce, issued by the United States Census Bureau. It is proper to state in connection with these volumes that for thoroughness and for substance, they are unequalled by any reports on the subjects with which they deal, by any other national government. Copies of them, at the request of the Secretary of the Commission, were forwarded by the United States Government to the Commission on Divorce of the Parliament of Great Britain, and they were acknowledged to be of great value to that body. The United States Government deserves the thanks of the Churches for the important service it has rendered to the cause of morals. The table is as follows:

STATISTICAL BLANKS.—All the Statistical Blanks used in connection with the work of the General Assembly were referred to this Committee by the Assembly of 1909, for consideration. The resolution of that Assembly reads: "That the Forms of the Narratives of Christian Life and Work, and of the Statistical Reports, for the congregations and for the Presbyteries, be and hereby are referred to the Committee on Christian Life and Work, with power, report to be made to the Assembly."

Report was made in part to the Assembly of 1910. The Committee further considered the blanks as a whole, and having been empowered so to do, issued an amended Narrative to the Churches, which has been used for the report on Christian Life and Work for the present Assembly.

The Annual Report of the Churches to Presbytery was issued unaltered. We respectfully request permission to add to the explanation as to Home Mission contributions, at the close, the word "merchandise"; so that the last sentence will read, "including contributions of societies, value of boxes, merchandise, etc." We find on inquiry that a number of articles, for which cash is expended, and which cannot be regarded as a part of the value of boxes, is better described by the word "merchandise."

The Committee has been informed from official and private sources, of the desire in many quarters for some changes in the Statistical Report of the Presbyteries to the Assembly, as, for instance, to place congregations in said Report in an alphabetical order, and relegating ministers not in the service of congregations to a paragraph at the close. These and other suggested changes, it is recommended be referred to this Committee to report to the next Assembly. The Committee must give all reasonable suggestions fair and full consideration.

It is also suggested that the Committee be authorized to prepare a blank form of Annual Report for the use of Church Sessions in connection with their Records, the same to be printed in book form, and published by the Board of Publication.

DISMISSAL NOTICES AND SUSPENDED MEMBERS.—It is earnestly recommended that the Committee be authorized to consider and report to the Assembly on the situation as to Letters and Notices in connection with the Dismissal of Members, and as to the Roll of Suspended Members. The practice of some Sessions of purging the Rolls without regard to the law of the Church, has given rise to peculiar conditions. The use of Notices is also far from general in the Churches.

3. VACANCY AND SUPPLY.—The matter of Vacancy and Supply was again referred to this Committee for report to the present Assembly. This problem, so difficult and delicate, has received very careful attention.

To make clear and definite the situation as to ministerial employment and vacant churches, the Secretary of the Committee has prepared certain statistics in tabular form (a) of the membership of the churches by size; (b) of ministerial employment, and (c) of the status of the churches as to the supply of ministers, all for the year 1910. It is to be understood, in connection with each table, that the foreign Presbyteries are not included. The figures, therefore, are applicable only to the continental United States.

We greatly regret to call attention to the fact that the number of vacant churches has increased as between 1909 and 1910, from 1,886 to 2,167. This is a result greatly to be deplored, and suggests the need of most careful attention as to causes. In order to give light upon this matter and upon others, the Committee publishes the tables by Synods, so that inferences of a local as well as of a national character may be drawn. The figures, it is certain, speak for themselves, and are an argument for an Overture on Vacancy and Supply, and also a suggestion to Synods and Presbyteries to bestir themselves as to the care of weak churches, and the building up of a strong home missionary sentiment and effort within their bounds. Small and weak congregations are a necessary incident to home mission work, but the evangelistic spirit can by right methods bring strength out of weakness. The tables are as follows:

The conditions shown as existing by the above tables, can be concisely put. They are:

As to size, 6,134 congregations out of 9,853, or 62 per cent. of the total have one hundred members and less.

As to ministerial employment, 5,924 out of 8,932 ministers are in the service of the congregations, on the Home Field; 162 are Foreign Missionaries; 161 are *in transitu*, and 2,685 are not in the service of congregations.

As to church supply, 2,167 vacant congregations are reported.

One cheering feature of the above returns appears in the fact that 7,613 congregations are served by 5,924 ministers. When the smallness of many of the congregations is considered, and the inevitably inadequate salaries, the devotion of our ministers to the work of Christ is emphasized. There is also shown the urgent need of strengthening the things that are weak, by prayer, by gifts, and by a united effort in all home mission work.

We believe that the time has come for the Presbyteries to speak definitely upon the proposal to give to the General Assembly a supervisory authority in this important line of church activity. Plan after plan, year after year, has been submitted to the Assembly, and approved by it. Every effort has been made to put these plans into operation, only to realize that it was impossible to secure action on the part of Presbyteries and other parties interested, in a united and effective manner. It would appear that there must be established some central agency, which can furnish information, and in an advisory way bring about such coöperation, as will result in benefit alike to churches and ministers. To secure this object in an effective manner, a constitutional provision is necessary. The Committee, however, feel that no amendment should be made to the Form of Government, Chapter XXI, entitled, "Of Vacant Congregations Assembling for Public Worship." It appears to the Committee better to act under Form of Government, Chapter XII, Section VI, which provides for "rules regulating the constitutional powers of Presbyteries and Synods." This Section as a whole reads, "Before any overtures or enactments proposed by the Assembly to be established as rules regulative of the constitutional powers of Presbyteries and Synods, shall be obligatory upon the Church, it shall be necessary to transmit them to all the presbyteries, and to receive the returns of at least a majority of them, in writing, approving thereof, and such rules, when approved, shall be appended to the Constitution of the Church."

Overture on Vacancy and Supply.

There being already in existence three constitutional rules, it is proposed that the following Overture be sent down to Presbyteries as Constitutional Rule No. 4, viz.:

The General Assembly, by virtue of its authority under the Form of Govern-

ment, Chapter XII, Section VI, recommends to the Presbyteries the adoption of the following rule to be known as Constitutional Rule, No. 4;

"The General Assembly shall have power to appoint a Permanent Committee or other agency to supervise the supply of vacant pulpits, and the service of unemployed ministers. The number of members, the officers, and their duties, shall be determined by the Assembly. The powers of the agency shall be as follows: To conduct correspondence with Synods and Presbyteries and their Committees concerning unemployed ministers and vacant congregations; to seek to adjust in cooperation with Synodical and Presbyterian Committees the requirements of vacancy and supply by methods adequate to the given conditions in any Synod or Presbytery; to furnish information to church sessions and ministers; to suggest to the General Assembly plans for administration, and to make an annual report to the Assembly."

The following resolutions are recommended for adoption should Constitutional Rule, No. 4, be approved by the Assembly and sent down to the Presbyteries:

Resolved, 1. That the Presbyteries be directed to answer the Overture on Constitutional Rule, No. 4, by or before December 10, 1911, and to send their answers to the Stated Clerk of the General Assembly, prior to January 1, 1912.

Resolved, 2. That the Committee on Christian Life and Work be authorized to receive from the Stated Clerk of the General Assembly, the returns of the Presbyteries on the Overture known as Constitutional Rule, No. 4, and if the said Overture receives a majority vote of the Presbyteries, the Committee shall prepare and submit to the Assembly of 1912, a tentative, comprehensive, and economical plan of Vacancy and Supply.

Resolved, 3. That pending the action of the Presbyteries and of the Assembly of 1912, the Committee on Christian Life and Work be continued in charge of this matter of Vacancy and Supply.

Additional Recommendations.

Resolved, 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

Resolved, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to cooperate with the Committee in the preparation of the Narrative for the Assembly.

Resolved, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the Minutes.

Resolved, 4. That the Assembly recognizes with gratitude to God what has been done by various movements conducted by men's organizations for the spiritual welfare of the country and of Christian Churches. It is felt, however, that there should be a closer relation between such movements and the Churches, and the Committee on Christian Life and Work is hereby charged with the duty of conferring with the leaders of such movements, with a view to bringing them into unity with other departments of Church work, report to be made to the next General Assembly.

Resolved, 5. That all the blanks for Reports used in the Reports of churches to Presbytery, and of Presbyteries to the General Assembly, be and are hereby referred to the Committee on Christian Life and Work, with all Overtures as to the same, and all suggestions as to improvement, report to be made to the next Assembly.

Resolved, 6. That the Sections of the Book of Discipline dealing with the Roll of Suspended Members and Letters of Dismissal be and hereby are referred to the Committee on Christian Life and Work to report changes or additions to the next Assembly.

Resolved, 7. That our churches in all communities are respectfully requested to consider the advisability of their uniting with the churches of other denominations, when the way is clear, for the formation of Interchurch Federations,

with the purpose of carrying on coöperative Christian work, and that when such federations are organized it be in connection with the Federal Council of the Churches of Christ in America, whose office is at 82 Bible House, New York City.

Resolved, 8. That the Assembly hereby expresses its gratification that one of the ministers upon its roll, the Rev. Hugh B. MacCauley, D.D., of Trenton, N. J., has been chosen as the Secretary of the Federal Council for the Eastern District. Dr. MacCauley is cordially commended to the Churches, and it is urged that he be sustained in his important work, alike by coöperation and by gifts to the cause.

Resolved, 9. That the Committee be authorized and directed to take the necessary steps to secure the appointment of Committees on Interchurch Federation in such Presbyteries and Synods as have not as yet appointed the same, in accordance with the resolution of the Assembly of 1910.

Resolved, 10. That the Committee be and hereby is authorized to consult with the Board of Publication and S. S. Work, with reference to the publication of literature which shall set forth in a popular and definite manner the principles of evangelical religion.

CHARLES LITTLE, *Moderator and Chairman;*
WILLIAM H. ROBERTS, *Stated Clerk.*

WM. HENRY ROBERTS, *Stated Clerk.*

CORRESPONDENCE

I. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE
OF THE REFORMED CHURCHES THROUGHOUT THE
WORLD HOLDING THE PRESBYTERIAN SYSTEM.

To the General Assembly of the Presbyterian Church in the U. S. A.

DEAR BRETHREN:—The Western (American) Section of the Alliance of Reformed Churches throughout the world holding the Presbyterian System respectfully presents its Annual Report for the year 1910-11. It is proper to state that under many heads the language used is that of the Reports of Committees.

1. MEETING.—The Commission, during the year 1910-11, has held one meeting, the place being the Second United Presbyterian Church, Philadelphia, Pa., and the time, February 7 and 8, 1911. In addition to the business sessions, the Commission was honored by a banquet given to it by the United Presbyterian Social Union of Philadelphia, at the Hotel Walton, on the evening of February 7. A large and distinguished company was present at the banquet, and addresses were made by the President of the Union, Rev. M. G. Kyle, D.D., Rev. William H. Roberts, D.D., Rev. B. S. Stern, D.D., Rev. E. D. Warfield, D.D., Walter Paul, Esq., and Hon. J. Hoge Tyler.

2. OFFICERS.—The officers for the present year are: Rev. James I. Good, D.D., of the Reformed Church in the U. S., *Chairman*; Rev. J. Preston Searle, D.D., of the Reformed Church in America, and Walter Paul, Esq., of the Presbyterian Church in Canada, *Vice Chairmen*; Rev. William H. Roberts, D.D., *Secretary*; Rev. J. C. Scouller, D.D., *Recording Secretary*; Mr. Philip E. Howard, *Treasurer*, and Gen. R. E. Prime, *Chairman Executive Committee*.

3. NECROLOGY.—During the year the only death in the membership of the Commission was that of John H. Converse, LL.D., who passed from earth, May 3, 1910. The Church of Christ in many ways was richly blessed by the life and work of this servant of God.

4. WORLD EVANGELISTIC MOVEMENT.—One of the movements with which Mr. Converse was vitally connected, and to which he gave cordial support, was the movement for a world-wide revival of religion. The death of Mr. Converse necessitated in this matter, a temporary halt in the work of organization, but the movement, it is believed, will go forward toward realization, under the blessing of God. Mr. Louis H. Severance has been chosen as Chairman of the Committee of the Western Section in place of Mr. Converse, and Drs. William H. Roberts, T. W. Anderson, and J. Addison Jones have been appointed as constituent members.

Dr. Minton, representing the Western Section and also the General Assembly of the Presbyterian Church of the U. S. A., visited and addressed in 1910, the three Scottish Assemblies, the Irish Assembly and the Synod of the Belgian Evangelical Church. He also conferred with the Franco-American Evangelistic Committee in Paris, and with the Moderator and some members of the Waldensian Church. In every case there was a cordial response to the proposed movement.

Dr. Roberts presented the subject to a Conference of Representatives of European churches at the World Missionary Conference, Edinburgh, Scotland, and other places, and the approval given was unanimous and cordial.

Dr. Good went to the continent where he had conferences at Berlin with a number of evangelical ministers, and at the Pfingst (Whitsunday) conference at Wernigerode in May. He presented the subject of World-wide Evangelization to the President of the Conference, also, through the kindness of Domine Thompson, of the English Reformed Church at Amsterdam, had a delightful meeting with two representatives of the Classis of that name, who appeared

favorable to such an effort. At both conferences a visit from Dr. Chapman to their missionary and evangelistic conferences in the fall was deemed important. It is felt that the continent of Europe is ready for a great evangelistic movement.

Dr. Chapman, who continues as Director, writing to Dr. Roberts, in February last, said:

"The services rendered by Presbyterian pastors in Europe has been most acceptable to the individuals and the Church Bodies approached. My own experiences abroad have cheered me beyond measure, and I am absolutely confident that the World-wide Movement is feasible, and would have the approval of God and of man. I have just had a report from the Presbyterian Evangelistic Committee of New Zealand, which says that the Assembly cordially approves and expresses its willingness to join the World-wide Movement inaugurated by the Presbyterian Church in U. S. A. Somehow, more and more my heart is turning to the Presbyterian Church as a whole to lead in this evangelistic effort."

Recently, Church judicatories and Councils in England, Wales, and Ireland, have united in the support of the movement, and in recognizing Dr. Chapman as the person eminently qualified for leadership in this great work.

5. WORK IN EUROPE.—*Germany.*—The past year has been one of religious excitement in Europe. First came the denial of Jesus as a historic personage, relegating him to myth, by Prof. Drewes, of Carlsruhe, Germany, who was aided in his propaganda by a number of extreme rationalistic professors. Probably not since the days of the 400th celebration of the Reformation in 1817, at the Wartburg, was there so large a religious demonstration as at a meeting in one of the squares in Berlin in the spring of 1910 to protest against Drewes' attack on Christ. The square was not large enough to hold the Christian people, and the crowds drifted down to the cathedral, which the Emperor opened, and addresses were delivered by court preacher Dryander and others in defense of the faith. Similar meetings of protest were held elsewhere in Germany.

Hardly had this assault on evangelical religion been made than an assault came from a different direction. The Pope issued an encyclical in which he denounced the Protestant Princes of the Reformation. This produced a tremendous excitement among the Protestants, even threatening to involve the Pope in political complications, as Germany demanded an explanation. Mass meetings were held by Protestants in different cities to protest against the encyclical. The most surprising result of it came, however, not in Protestant, but in Catholic lands, through the revulsion of feeling against it in Spain, and the erection of a republic in Portugal.

There is one significant movement quietly pressing forward, namely, disestablishment—the separation of the Church from the State. The French-speaking Protestant churches are now all disestablished except Neuchatel and Vaud. Last year a beginning was made, that may be the entering wedge for disestablishment among the German churches, for the city of Basle decided on disestablishment. A very significant religious movement that is rapidly spreading in Germany is the "Gemeinschaftliche Bewegung" (the communion or society movement), in which the evangelical elements in the various congregations are virtually forming congregations within the State congregations, with their own places of worship and their own paid evangelists. This movement now numbers many thousands in many parts of Germany. If it continues, then when disestablishment of the Church comes, here are the self-reliant active congregations ready to take hold of the work, and put disestablishment on a permanent basis.

Summer Services.—English summer services were opened at Zurich last summer during July and August. There were attendants from all denominations of the British Islands and America. Thus another attempt has been begun to supply our members traveling in Europe with services in their own language. Are there not other denominations in this Alliance that will aid in this work, by assuming the support and supply of an English summer station? Two hundred and fifty dollars will cover all expenses. Munich, Carlsbad, Wiesbaden, and other places are in need of such services. We trust that other Churches will aid in this work. The continent of Europe is the only part of our work not cared for by the individual Churches of this Alliance.

Italy.—This oldest of the Protestant Churches was visited by a number of members of the Alliance during the past year. It is well to remember that the

Form of Government of the Waldenses is presbyterial, and that their mode of worship represents the plain type of Geneva. Numerically, the Waldensian Church is not strong, but it is a growing body. Their churches and mission stations cover the entire territory of Italy, including the islands of Corsica and Sardinia.

The total statistics for 1910 show: Pastors, 71; church members, 20,519; Sabbath-school scholars, 7,119; church contributions, francs, 172,418.

Italy needs the Waldenses, for religiously that country is in a most deplorable condition. The papacy is constantly and fast losing power. But evangelical Protestantism is not gaining much from the break with Romanism. True, there is in Italy an ever-increasing number of persons who protest in various ways against the papacy. But all these "protestants" together, who form the great majority of the 24,000,000 of Italians, have unhappily underlying their protestations no true religious motives. They become non-professors or unbelievers, but still nominally and for social convenience, cling to the name of Roman Catholic. Hence their impotence in effecting any reformation. The Vatican is not afraid of them, and mocks their feeble protests. There is in Italy a large field, ripe, for the Waldensian Church.

Bohemia.—The Reformed Church of Bohemia and Moravia has initiated plans for the erection of a House at Prague, to commemorate the 500th anniversary of the martyrdom of the patriot, the reformer, and the faithful preacher of God's Word, John Huss. The delegate of the Bohemian Church, Rev. F. Zilka, is cordially commended to the Churches, as also the effort to erect the Huss House. In September, 1911, a Conference under the auspices of the Alliance is to be held at Prague, Bohemia, and it is requested that one or two delegates be appointed to be present.

Lithuania.—This ancient Church of the Reformation, has passed during the centuries through severe trials, but is now taking on new life. It recently observed the 350th anniversary of the death of John à Lasco, the Polish reformer. The Synod of the Church met at Wilna, June 15-23, and the Western Section was gratified to receive its Minutes, and to learn that it had become in all respects Presbyterian.

France.—The Western Section was favored with a visit from the Rev. Director Boegner, of the Paris Missionary Society, whose field of work is in South Africa. The work of the Society is being prospered of God.

The following resolutions are submitted for adoption:

Resolved, 1. That the effort to erect a Huss House, at Prague, Bohemia, in memory of John Huss, reformer and martyr, is hereby commended to the generosity of the Churches.

Resolved, 2. That the movement to appoint a National Committee to raise \$100,000 for the Waldensian Churches is approved.

6. FOREIGN MISSIONS.—The event which overshadowed all others during 1910, was the World Missionary Conference, which was held in Edinburgh, Scotland, in June. This Conference was the first one to represent all parts of the world, and all Protestant communions. It has been well said that the first Council of the Church at Jerusalem was composed of a handful of Jews, who debated among other things how the Gospel should be given to the Gentiles; but that the last Council at Edinburgh, in the twentieth century, was composed of a vast concourse of Gentiles, who considered among other things how the Gospel could be given to the Jews.

The Conference appointed a Continuation Committee. It was constituted, because there was a general feeling that the Conference should not dissolve, without creating some organization which could perpetuate and adequately deal with the powerful forces, which the Conference had set in motion or re-enforced.

The Committee consists of thirty-five members, of whom ten are from the continent of Europe, ten from Great Britain, ten from North America, and one each from India, China, Japan, South Africa and Australasia. The Committee organized by electing Dr. John R. Mott, Chairman, Mr. J. H. Oldham, Secretary, and by appointing an Executive Committee and several sub-Committees.

The Continuation Committee is outlining its work on a large scale. It proposes to carry on the main investigations begun by the eight Commissions of the Edinburgh Conference; to collect information and make it available for all the Boards and societies of the world; to make a special study of unoccupied

and underoccupied fields, and how they can be most effectively manned; to deal with the great question of Christian education on the Mission field, and particularly in Asia where the new intellectual conditions are causing such startling transformations; to call attention to defects and to formulate policies and methods so that the great work of world evangelization may be more efficiently conducted; to deal with the broad and yet complicated relations of Missions to Governments; to aid in the formation of boards of missionary studies in Great Britain and North America; to promote uniformity in statistics; to consider the preparation of literature of an interdenominational character, and, in general, to study the whole missionary enterprise in the light of the new world conditions of the modern era.

Your special interest is invited in the work of the Continuation Committee.

7. RESIDENTS IN FOREIGN SEAPORTS.—The work of providing the Gospel for American and European residents in foreign seaports in pagan lands is making progress. A handsome church building has been erected in Yokohama, Japan, costing over \$40,000, of which only \$7,000 remains to be secured. A pastor, Rev. T. R. Good, has been serving this church with great efficiency and success. A church building has also been provided and a congregation gathered at Kobe, Japan, which has been served during the past year by Rev. Mr. Thornton, who had previously worked for several years in an English-speaking church in Poona, India. During the recent visit of the U. S. Fleet, many young men came out for Christ, and we have since heard that they now hold a Sunday-school on board as a result of their experiences while in Kobe.

The Rev. A. W. Henderson, of St. Joseph, Mo., was secured during the year as pastor for the Union Church in Mexico City, the church undertaking his entire support. Mr. Henderson began his ministry with great prospects of usefulness, but found that his wife was unable to live in the high altitude of Mexico City, and has had to give up the work on that account. There is no single station in Mexico that is in a position to wield as large an influence for the evangelization of the country.

There is also a call for a pastor for a church in Colombo, Ceylon. This is a self-supporting church with a congregation of about 1,000 adult members, offering a salary of \$1,300 a year, with a year's furlough after six years of service. The need and the opportunity are both great in this field.

We believe that it is worth while for the members of the Western Section, and the Churches representing it, to encourage this work in every possible way, and to see to it that it is amply provided with funds with which to carry it on.

Another point that needs to be emphasized in this connection is the importance of the business houses of America being represented in non-Christian lands by men whose lives do not belie the message of the missionaries. There is urgent need also that some influence should be brought to bear on foreign tourists professing to be Christian men and women, to make them appreciate the responsibility that is upon them, to be more instead of less careful in maintaining their Christian standards of living, while they are away from home.

Mr. Dwight H. Day, Treasurer of the Presbyterian Foreign Missions Board in New York, generously acts as Treasurer of the Committee having this matter in charge, and will be glad to receive and account for any contributions of money which any of the friends of this work may wish to make for its support.

8. HOME MISSIONS.—The Home Mission problems which the Churches of the Presbyterian family have to face are very much the same on both sides of the national boundary of the United States and Canada. The problems are exceedingly complex and every denomination is, in its own way, seeking to solve them to the extent of its willingness, if not of its ability.

Some of the problems the Home Mission Committees of the Churches have to face are specified as follows:

a. Sparsely Settled Districts.—In the Eastern States of the United States, especially, and in the older parts of Canada, people gravitate to the cities or to the newer West, leaving the congregations in the country districts weakened. In Canada, English settlers are leaving the French Province of Quebec, and the diminishing band of evangelical people has difficulty in maintaining schools and churches.

b. The City Problem.—In the great cities there is the problem of the lapsed people and the lapsing. Not many years ago also the slum was unheard of in all but a few of the larger cities of North America.

c. The Problem of the Immigrant.—Over 1,000,000 people came to the United States, and over 300,000 to Canada, during the past year. Of these, fully half a million could not write, and a very large number could not read. How to reach these, with education and the Gospel, so as to fit them for intelligent citizenship, is a serious problem. These people represent at least sixty different nationalities each year. The Orientals who come are setting up their pagan forms of worship. In New York, the Moslem call is sounded in Union Square. Joss houses dot the country from the Atlantic to the Pacific; some of them open, some of them secret. Buddhist temples are found on the Pacific coast, in San Francisco and in Vancouver, and doubtless elsewhere. Worse than that, the representatives of anarchy and atheism from the old world are organizing schools where their views are taught to their children. They combine together to root up every Christian and religious element from our educational system, and many of the Jewish population are joining with them to help them to bring about this result.

d. The Lumbermen form another problem. These men are scattered in the woods in the winter. In the spring they run their logs down the rivers, and in the summer are scattered among the different mills, and so they are a class very difficult to follow. Steam launches are used along the Pacific coast to carry missionaries. In some cases the boat serves as home for the missionary and a hospital for the injured. The advent of the missionary, in many cases, has revolutionized the life in the lumber camp.

e. The Problem of the Mining Camp.—This is one of the most difficult problems which the Church has to face, because the mining camp always attracts a large number of men who are unscrupulous in every respect. The invariable adjuncts are the saloon and the brothel. The missionary may succeed in closing the one and driving out the inmates of the other, but frequently they simply move to another camp. Rescue work has been begun in connection with some of the Churches, but not systematically nor so extensively as it should be.

f. The Mormon Problem.—This is common both to the United States and Canada. The Salt Lake Tribune, December 5, 1910, published a list of 220 Mormon leaders who are now polygamists, and says the list is being daily added to. There is a close association between the Mormons in Utah and those in Alberta. In Raymond, Alta., they are erecting a college at a cost of \$45,000. A deputation of Mormons interviewed the government of Alberta, and they went back to their people, and reported that they were received with great consideration.

g. The Problem of Overlapping.—The Presbyterian and other Churches in the United States have made an attempt, through the Home Missions Council, to cope with this problem. The Council endeavors, as far as possible, to eliminate waste, both as to men and money. This plan of coöperation has not been in existence long enough to show very definite results, but much is hoped for from it in due time.

Too much emphasis cannot be laid upon the duty of all the Churches to evangelize North America, and the supreme judicatories of the Churches of the Alliance are earnestly entreated to take action with a view to promote coöperative work by the agencies of the Churches having Home Mission work in charge.

9. THE SUNDAY-SCHOOL.—So rapid is the evolution of the Sunday-school that if any one ten years ago gave up vital touch with it, and to-day essayed to renew that touch, he would find it difficult, because of the changes. These changes have been all in the line of advancement, and are suggested in the following statement in part:

a. The organization and work of the Sunday-school Council of Evangelical Denominations in the U. S. A., demonstrating the earnest purpose and combined efforts of these Christian Churches, to meet their responsibility for directing and developing their Sabbath-schools.

b. The efforts made to elevate the work of Sabbath-schools, by the presentation of standards of excellence; by the adoption and use, wherever practicable, of the International Graded System of Lessons, especially in the elementary departments; by the success of the new Adult Bible Class Movement; by the proposed standardization of organized Bible Classes, and particularly by the great progress in Teacher Training, evidenced not only by the great increase in the number of classes, but by the thorough standardization of the courses of study, and by the thoroughness of instruction of competent teachers.

c. By the universal recognition of the fact that instruction and training in Bible principles and methods of missions, home and world-wide, is a vital part of all Sabbath-school work, and that the missionaries and missionary supporters of to-morrow are the Sabbath-school scholars of to-day.

Despite these and other advances, the Western Section is deeply concerned over the fact that over one-half of all the pupils in the schools, so far as human knowledge goes, are never led to accept or confess Jesus Christ, and asks the Churches of the Alliance affectionately to urge all superintendents, officers, teachers and Christian pupils, to still more earnest and definite personal and public prayer and effort, to bring into the Christian life all the unsaved pupils of our Sabbath-schools. We need not only improved methods of instruction and organization, but also more Christians.

10. TRAINING SCHOOLS.—The Western Section received from its Committee on Education, through the Rev. Henry C. Minton, D.D., Chairman, a Report containing a full discussion of the subject of Training Schools for Lay Workers. This Report has been published as a separate document by the Presbyterian Board of Education, Witherspoon Building, Philadelphia, Pa., and can be had on application. The Report states, among other things, that the training of laymen and women for definite Christian activity raises a number of very important questions which future developments must answer, some of which are stated as follows:

a. That the social conditions to-day in many places are calling for the trained but unordained Christian worker. The multifarious duties of a city pastor make it impossible for him, in person, to attend to all of his homiletic and parochial tasks.

b. That there are differences among these conditions so great that it is almost impossible to classify them together in even the most general way. There is, obviously, not much in common in the training that is required to fit a deaconess for her work among the poor, a pastor's assistant for his work as general utility man in the congregation, and the young man who intends to go down among the slums.

c. That the training offered should be such as will hold those who receive it not only true to the evangelical principles of Christianity, but also loyal to the denominational standards of their own Churches.

d. That the Church should hold firmly to the dignity of the Christian ministry. And, against all comers, she should hold to the primacy of her own mission, in the midst of all the different agencies and organizations for religious work in these modern times.

e. The Church should give herself heartily, sympathetically and actively, to all the practical work which the spirit and service of Jesus Christ find ample opportunity to do, in bettering the condition of the people in the life that now is.

f. That the call for trained lay workers in our churches and Sunday-schools, should not be so misunderstood or misconstrued as to imply that those who have not been thus trained are incapable of service, and, therefore, may be excused. This would be a serious error.

g. As a question of administration, our churches must soon be called upon to decide whether these training schools shall be controlled and developed under the care of the Educational or the Evangelistic and Missionary Departments of their work.

11. WORLD CONFERENCE ON FAITH AND ORDER.—The Rev. W. T. Manning, D.D., and George Wharton Pepper, Esq., representing the Joint Commission appointed by the General Convention of the Protestant Episcopal Church in the U. S., to arrange for a World Conference on Faith and Order, submitted a formal invitation from said Commission to the Western Section at its Philadelphia meeting. This matter was acted upon in the following resolutions:

Resolved, 1. That the Commission cordially approves of the proposed Conference.

Resolved, 2. That the Executive Committee is authorized to act for this Commission on all matters relating to the calling of such conference.

Resolved, 3. That the American Secretary, in behalf of this Western Section, communicate to its constituent Churches, and to the Eastern Section, the action of this Section.

In submitting this matter to the several Churches connected with the Western Section, it is proper to state that as yet no formal call has been issued for the

Conference, nor any arrangements made in connection with it. Neither will any such call or arrangements be made until a sufficient number of Churches have appointed Commissions or Committees to act with the Commission of the Protestant Episcopal General Convention. It is further to be understood that no Church will be invited to the Conference that does not positively accept, obey and worship Jesus Christ as God and Saviour. It is to be emphasized that in adopting the proposal for this Conference, the Episcopal General Convention approved the following statement:

"We believe that the time has now arrived when representatives of the whole family of Christ, led by the Holy Spirit, may be willing to come together for the consideration of questions of Faith and Order. We believe, further, that all Christian Communions are in accord with us in our desire to lay aside self-will, and to put on the mind which is in Christ Jesus our Lord. We would heed this call of the Spirit of God in all lowliness, and with singleness of purpose. We would place ourselves by the side of our fellow Christians, looking not only on our own things, but also on the things of others, convinced that our one hope of mutual understanding is in taking personal counsel together in the spirit of love and forbearance. It is our conviction that such a Conference for the purpose of study and discussion, without power to legislate or to adopt resolutions, is the next step toward unity.

"With grief for our aloofness in the past, and for other faults of pride and self-sufficiency, which make for schism; with loyalty to the truth as we see it, and with respect for the convictions of those who differ from us; holding the belief that the beginnings of unity are to be found in the clear statement and full consideration of those things in which we differ, as well as of those things in which we are at one, we respectfully submit the following resolution:

"WHEREAS, There is to-day among all Christian people a growing desire for the fulfillment of Our Lord's prayer that all His disciples may be one; that the world may believe that God has sent Him:

"Resolved, That a Joint Commission be appointed to bring about a Conference for the consideration of questions touching Faith and Order, and that all Christian Communions throughout the world which confess our Lord Jesus Christ as God and Saviour, be asked to unite with us in arranging for and conducting such a Conference."

12. **APPORTIONMENTS.**—The following table shows the number of representatives in the General Council to which each Church in the Western Section of the Alliance is entitled, and also the amount which each Church is requested to contribute towards the expenses of the world-wide work of the Alliance, based upon the number of Council delegates:

	Representatives in Council.	Annual Payments.
Presbyterian Church in Canada.....	19	\$380 00
Presbyterian Church in U. S. A.....	97	1,940 00
Presbyterian Church in U. S.....	19	380 00
Reformed Church in America.....	11	220 00
Reformed Church in U. S.....	21	420 00
United Presbyterian Church.....	16	320 00
Reformed Presbyterian Church, Synod.....	2	40 00
Reformed Presbyterian Church, General Synod.....	2	40 00
Associate Reformed Presbyterian Church.....	2	40 00
Presbyterian Church of Brazil.....	2	40 00
Presbyterian Church of Mexico.....	2	40 00

It is respectfully requested that the apportionment of your Church for the annual expenses of the Alliance be forwarded not later than October 1, 1911, to the American Treasurer, Mr. Philip E. Howard, 1031 Walnut Street, Philadelphia, Pa. The financial needs of the Alliance for the coming year will be about the same as the past year, and the portion of the expenses to be provided for by the Western Section will amount to about \$4,800 for the year. It is to be remembered that the general expenses include the salary of the General Secretary, Rev. George D. Matthews, D.D., \$2,500 per annum. The American Secretary continues to serve without salary.

13. **FRATERNAL DELEGATES.**—The Commission has appointed delegates

to carry to your venerable body fraternal greetings, and their names have been sent to the Stated Clerk in another communication.

14. THE TENTH COUNCIL.—This Council has been appointed for the summer of 1913, at Aberdeen, Scotland. The hope is expressed that early steps will be taken by the supreme judicatories of the Churches in the Western Section, for the appointment of full delegations of ministers and ruling elders. The number of delegates to which each Church is entitled is given in another division (12) of this Report.

The Churches of The Alliance, both in America and in other parts of the world, are to be congratulated upon the evident increase of coöperation between them, and upon the blessing of God which rests upon their labors. Increasing numbers and enlarged resources are of decided value in their work, but, above all other things, the need is for the outpouring upon the Churches of the power from on high. United work should be rooted in and sustained by united prayer. Invoking upon the Churches the baptism of the Holy Ghost, we are, in behalf of the Alliance.

WM. H. ROBERTS, *Secretary*.

As a result of the conferences between the representatives of the Boards and Agencies of the Churches themselves, and also of the conferences with the Council, the following recommendations are submitted to the several Supreme Judicatories for consideration and, if the way be clear, for adoption.*

I. AS TO WORK AMONG THE COLORED PEOPLE.

The Council of the Reformed Churches holding the Presbyterian System recommends to the Supreme Judicatories of the constituent Churches, for their adoption, the following:

1. That the constituent Churches of this Council should unify, through existing Agencies or Agencies to be established by the Supreme Judicatories, their work for the colored people of the United States of America.

2. That, to this end, a Permanent Committee shall be formed, to be composed of the Secretary and two members of each Board or Agency, already at work among the colored people, together with three representatives to be elected from the Reformed Church in the United States and three from the Reformed Church in America; the representatives to be chosen by the Boards or other Agencies designated by the Supreme Judicatories of the constituent Churches.

3. That this Permanent Committee shall have power to plan the coöperative work and to put plans into operation, when approved by the Boards and other Agencies appointing the Committees, subject to the supervisory power of the Supreme Judicatories.

II. AS TO HOME MISSION WORK.

a. Among Foreign-speaking Peoples.

The Council recommends, as the results of conference, that the following be adopted by the Supreme Judicatories anent work among Foreign-speaking Peoples.

That, in view of the possibility of duplicating work in certain districts and of overlooking other important fields among the aliens of our country, it is recommended:

* See for action, p. 183.

1. That the several Churches represented in the Council shall make work among foreign-speaking people a special department in Home Mission work.

2. That the Supreme Judicatories of the Churches, in furtherance of coöperation in this work, establish a Permanent Committee, in which each Church shall be represented, this Committee to have general supervision of all work among foreign-speaking people, subject to the approval of the Boards or other Agencies interested, and of the Supreme Judicatories.

b. Basis of Coöperation in Home Missions.

The Council also recommends the following basis of coöperation in Home Missions, among the Churches of the Council, for adoption, as follows:

1. Where Presbyteries or Classes, belonging to the General Assemblies or General Synods, cover the same ground, they are advised to endeavor, either as Presbyteries or Classes, or through their Committees, to agree, as brethren, to have the efforts of one Church expended in certain fields and the efforts of the other Churches expended in certain other fields, within their common bounds, so as to prevent hurtful rivalry or antagonism.

2. Where there are weak churches which, standing each alone, cannot support a minister, but which can be grouped with churches connected with some other Assembly or Synod, so as to form one ministerial charge, the Presbyteries or Classes having jurisdiction are advised to allow such churches to be grouped under a minister from either body, to whom their respective Presbyteries or Classes are willing to give them in charge, the contributions of such churches to the general benevolent funds to pass through the channel appointed by their respective Assemblies or Synods.

3. In towns of less than 5,000 inhabitants, where any Church is already at work, the others shall not enter without conference and agreement with the Church occupying the field.

4. In a community where any one of the constituent Churches has a church, and the community is not capable of supporting more than one church of the Reformed faith, the people of the community should be encouraged to connect themselves with the existing church, with the understanding that a fair exchange will be encouraged in other communities.

5. That the Supreme Judicatories of the several Churches recommend their church members, when moving into new communities in which there are no congregations of their own Church, to unite for the time being with some other Presbyterian or Reformed Church, if such there be.

III. AS TO THE WORK OF EDUCATION AND PUBLICATION.

a. Text-books for Academies and Colleges.

The following is recommended by the Council for adoption by the Supreme Judicatories in the matter of text-books for academies and colleges:

1. The first and chief text-book should be the Bible itself, and preferably the American Standard Version, with References, a Bible dictionary and concordance and subject index.

2. A manual of Biblical geography, with maps, and references to books on orientalisms in the Bible.

3. A series of constructive text-books on a graded basis, for use in academies, and a series for the first and second years of the college course.

4. The use of teacher-training courses, as a required or optional part of the curriculum in church academies and colleges.

5. That each constituent body authorize each of its publishing and educational agencies, commissions and committees to appoint one or two representatives to form a joint committee which shall secure the preparation and publication of the series of text-books on Bible study, for use in academies and colleges.

b. The Work of Publication.

The Council recommends that the Supreme Judicatories adopt the following: *Resolved*, That the Publishing Agency of this Church is hereby authorized to coöperate with the Publishing Agencies of the other Churches of the Council of Reformed Churches in the publishing, purchasing and distributing of literature and supplies.

IV. CONFERENCE IN 1912.

The Council, on the recommendation of the representatives of the Church Agencies present at its meeting, submits the following, earnestly asking affirmative action:

Resolved, That the Supreme Judicatories be asked to authorize the appointment of representatives of the Executive Agencies, for conference with the Council, in connection with the next regular meeting of the Council in 1912.

The Supreme Judicatories are respectfully requested to elect the members to represent them in the Council, the total membership being as follows:

Reformed Church in America.....	8
Presbyterian Church in the U. S. A.....	32
United Presbyterian Church.....	8
Presbyterian Church in the U. S.....	12
Reformed Church in the U. S.....	12
	72

The Supreme Judicatories are also requested to pay apportionments for the current expenses of Council in the following amounts:

Reformed Church in America.....	\$55.00
Presbyterian Church in the U. S. A.....	224.00
United Presbyterian Church.....	55.00
Presbyterian Church in the U. S.....	83.00
Reformed Church in the U. S.....	83.00
	\$500.00

The Minutes of the Council are herewith transmitted, as required by the regulations.

The Council, with due respect, urges upon the Supreme Judicatories its value as a medium of communication, a bond of confidence, and a joint executive agency, in all work which can be rightly regarded as requiring united action by the constituent Churches. Upon foreign mission fields a unity of spirit, purpose and work has been attained which should be a standard for coöperative work in the United States. It was evident at the Philadelphia meeting that all who participated were deeply impressed with the greatness of the tasks summoning the Churches in the home land. Especially was it felt that there was need for earnest, strenuous, united effort in providing for the spiritual needs of the foreign-speaking peoples who are thronging to American shores. These people should be dealt with as units. The Protestant Hungarians furnish a concrete illustration. They speak one language, they have common traditions, and a solidarity of feeling, which appears to require united work on the part of our Churches, if anything adequate to the demands of the situation is to be done for them. What work has been accomplished among them emphasizes their desire to be dealt with as one body, and this attitude, in the opinion of many of their leaders, can be justified.

The work among the colored people of this country also needs unification, if it is to attain to effective and far-reaching results. What methods shall be employed to secure greater efficiency, should be matters of careful consideration on the part of all the Churches, and we believe that the appointment of the Permanent Committee upon Work among the Colored People, recommended in this Report, will go far towards the solution of this perplexing but commanding problem.

The adoption of the Basis of Coöperation in Home Missions, also suggested by the Council, will be of great value to the work of the Church of Christ in our land. It will aid in lessening the waste involved in the separate endeavors of the Churches, will concentrate resources increasingly for the spiritual good of new and rural communities, and will add largely to the fraternal spirit which of late years has been a marked feature of their relationship.

The work of Education and Publication is, further, one in which there is a field which grows more important from year to year, in view of the increased

support given by many of the States of the Union to the higher education, and also in view of the largely increased demand for improved Sabbath-school literature. The Boards and Agencies of the Churches engaged in Publication and Sabbath-school Work are, to a certain extent, now coöperating, and it is believed that action by the Supreme Judicatories, as recommended by the Council, will open a way for larger coöperation, resulting in economy along financial lines and great progress in the quality as well as quantity of the literature issued. In connection with Education, also, there should be effective coöperation in the location of new educational institutions, in providing courses of Christian instruction in State universities, and in furnishing, both for academies and colleges, text-books of a higher character and dealing directly with Biblical and religious instruction.

In the hope that the Churches may coöperate with increasing effectiveness in all their work for Christ, we are, in behalf of the Council,

JAMES R. HOWERTON, *President*.
WILLIAM H. ROBERTS, *Stated Clerk*.

III. REPORT OF THE EXECUTIVE COMMITTEE OF THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

To the General Assembly of the Presbyterian Church in the U. S. A.:

BRETHREN:—We send our greetings to you as one of the Church bodies constitutionally federated in the fellowship and coöperation of the Federal Council of the Churches of Christ in America, and herewith submit to you a Report in behalf of the Executive Committee concerning a few items of the work of the Council.

The Federal Council is the federal union of thirty-two Church bodies, having together 100,000 Christian ministers and 16,000,000 communicants. If attendants and adherents are considered, this represents a constituency equal to half the population of the United States. The Council is composed of 400 officially appointed delegates from the thirty-two denominations federated. It holds its general meetings every fourth year. In the interim its activities are in charge of an Executive Committee of sixty, with a sub-Committee of eleven as a permanent Business Committee. Meetings of the Executive Committee are held annually and of the Business Committee on the second Wednesday of each month. During 1910 more progress was made toward the solution of the problems of denominational coöperation than in any previous half-decade.

The budget of the Federal Council for 1911 is larger than that of 1910 because of the necessity of an increased amount of field work in promoting State and local Interchurch Federations by the District Secretaries, and because of the pressing demand to provide for the enlarged programme of the Commission on the Church and Social Service.

To meet the budget of expenses for 1911, the constituent denominations of the Federal Council will pay apportionments amounting to \$12,000. This rate is at present \$1 per 1,000 enrolled communicants. This leaves \$13,000 to be secured from other sources to take care of this year's budget.

We bespeak for the success of this financial effort now in progress the hearty interest and sympathy of the pastors and churches of your great and strong Church. Certainly \$13,000 is not a large sum of money to be given by the friends of Christian unity and Church coöperation in the thirty-two constituent Church bodies.

The officers and Secretaries of the Federal Council are as follows:

President, Rev. E. R. Hendrix, D.D., LL.D., Bishop of the Methodist Episcopal Church (South), Kansas City, Mo.

Corresponding Secretary, Rev. E. B. Sanford, D.D., New York City.

Chairman of the Executive Committee, Rev. William Henry Roberts, D.D., LL.D., Philadelphia.

Secretary of the Eastern Districts, Rev. Hugh B. MacCauley, D.D., Trenton, N. J.

Secretary of the Central District, Rev. Charles E. Bacon, D.D., Chicago, Ill.

Research Secretary, Rev. G. Frederick Wells, New York City.
 Recording Secretary, Rev. Rivington D. Lord, D.D., Brooklyn, N. Y.
 Treasurer, Alfred R. Kimball, New York City.

It will help to a better understanding of the movement to quote here several definitions lately authorized by the Executive Committee of the Council, to wit:

(1) "The Federal Council of the Churches of Christ in America is a body of clerical and lay delegates, chosen by the National Assemblies of the Christian Churches federated, and acts as the central Congress of such Churches under a Constitution duly adopted, and thus manifests their essential oneness in Jesus Christ as their divine Lord and Saviour, and brings them into united service for Christ and the world."

(2) "An Interchurch Federation is a voluntary association of two or more churches, contiguously situated in any State, county, city or other locality, and connected with the denominations which are in the Federal Council, and organized under a code of by-laws adopted by them as a local branch of the Federal Council, for the purpose of working together in behalf of the social, moral and spiritual betterment of their communities."

(3) "The Council of an Interchurch Federation is a committee, consisting of pastors and lay delegates chosen by the churches of a Federation, for the purpose of representing them, and as their executive agent, for securing their coöperation in carrying out the purposes of the Federation."

One purpose of the Federal Council is to organize State and local Interchurch Federations as the agents of the Council, in effecting local betterment. This work is now being carried on vigorously by the District Secretaries and much progress is being made. If the Churches are to wield a dominant moral influence in their community, they must combine and act together as a unit, in behalf of the great moral interests that concern them all.

Another purpose of the Federal Council is to promote the coöperation of the Church Boards and agencies so as to prevent overlapping, overlooking and waste. This can be done by the Federation of such agencies into Councils, to be in joint relation with the Federal Council. This has already been accomplished in the department of Home Missions, and other Committees have the plan under consideration.

The Federal Council is in a position also to render effective aid in the matter of international relations. An instance of this was the message recently sent out from the National Office regarding the proposed Arbitration Treaty between the United States and Great Britain. The occasion of this message was a cablegram sent by the National Council of Evangelical Free Churches of England to the Federal Council as follows:

"Organizing national demonstration, English Churches, on Peace Proposals, April 2. Can you arrange simultaneously?" The Peace Message of the Federal Council was as follows:

"Officially representing Churches having a membership of over 15,000,000, the Federal Council of the Churches of Christ in America at its last meeting unanimously declared "its conviction that war is evil and that Christian nations should determine by obligatory arbitration the international differences which cannot be settled by diplomacy. For Christian States in the twentieth century to refuse to arbitrate and to insist on war will be to bring reproach on the Christian name."

In the Providence of God, an opportunity has come for the Churches in our country to voice through this declaration their united approval of proposals looking to a general arbitration treaty between the United States, Great Britain and other nations.

In behalf, therefore, of the Federal Council and in harmony with action taken by the National Council of Churches in England, we urge that April 2 be observed as Arbitration Sunday by all our American Churches.

This message was published in religious newspapers having a circulation of over a million and a half copies and was widely noticed by the secular press. The world at large learned, as would otherwise have been impossible, of the action and leadership of the Church of Christ in the cause of Peace. In this and other matters we recognize with reverent gratitude that "gracious operation of the Spirit of God" that has knit together Christian bodies representing by far the larger part of the Protestant Church membership of these United States

in such a bond of fellowship that they can coöperate and give their support "in the prosecution of work that can be better done in union than separation."

We cannot close our Report without an appeal to all the ministers and elders in attendance upon your great Assembly, to return to their various communities with the determination to gather together the brethren of the other churches of the neighborhood for the organization of a local Interchurch Federation in behalf of Church coöperation and community betterment. It is our earnest prayer that all the churches and Interchurch Federations, "speaking the truth in love, may grow up into him in all things, which is the head, even Christ, from whom the whole body, fitly joined together and compacted by that which every joint supplieth, according to the working in the measure of every part, maketh increase of the body unto the edifying of itself in love."

Respectfully submitted in behalf of the Executive Committee of the Federal Council of the Churches of Christ in America.

WILLIAM H. ROBERTS, *Chairman.*

E. B. SANFORD, *Corresponding Secretary.*

IV. WORLD MISSIONARY CONFERENCE, 1910—LETTER OF ACKNOWLEDGMENT OF THE GREETINGS OF THE GENERAL ASSEMBLY THROUGH ITS DELEGATE, THE STATED CLERK.

The Rev. W. H. Roberts, D.D., LL.D., Stated Clerk, Presbyterian Church in the U. S. A.:

DEAR SIR:—The resolution of the General Assembly of the Presbyterian Church in the U. S. V. FRATERNAL LETTERS AS TO EVANGELISTIC WORK.

1. FROM MINISTERS OF THE PRESBYTERIAN CHURCH IN IRELAND.

To the Venerable the General Assembly of the Presbyterian Church, America:

DEAR BRETHREN:—On behalf of a large meeting of the Presbyterian ministers laboring chiefly in Belfast and neighborhood, we beg to approach your Venerable Assembly, with the assurance of our sincere fraternal regard and our warmest wishes for the Divine Blessing to rest increasingly upon the great work you have been doing for the evangelization of America.

In the providence of God, one of your ministers (Rev. Dr. J. Willbur Chapman)

has paid us a brief visit, on which occasion he delivered a very inspiring and suggestive address, bearing chiefly upon the attitude of the Presbyterian Churches of the world toward the evangelization of the masses. Our meeting was so struck with the earnestness and Christian statesmanship displayed in Dr. Chapman's message, that they felt that they should express to you their deep sense of his value, and of the blessing that you have been conferring upon the Presbyterian Churches in other parts of the world, by setting him free to devote his many gifts toward the propagating of these lofty ideals, and to do, as he is so well-fitted by his outstanding gifts of head and heart, the work of an evangelist.

We feel that we owe the General Assembly of the Presbyterian Church in America a deep debt of gratitude for setting this gifted member of their communion free, not only to do aggressive work beyond the bounds of American Presbyterianism, but to suggest to his brethren in the ministry, better methods of carrying on the great evangelistic work which the Presbyterian Churches, through the Divine blessing, are calculated to carry on.

Again assuring you of our deep interest in the work which the great King and Head of our Church is enabling you to accomplish,

We are, on behalf of the above meeting,

Yours fraternally,

J. McILVEEN, D.D.,

Chairman and Ex-Moderator of General Assembly.

SAMUEL LINDSAY, M.A.,

Convener of Assembly's Committee on the State of Religion and Evangelization.

A. J. WILSON,

Clerk of Presbytery of Belfast.

HENRY MONTGOMERY, M.A.,

Secretary for Rev. Dr. Chapman.

General Assembly's Offices, Belfast, Ireland, 20th day of April, 1911.

2. FROM THE SYNOD OF SOUTH WALES OF THE CALVINISTIC METHODIST OR PRESBYTERIAN CHURCH OF WALES.

BRONWYDD, MOLD, FLINTSHIRE, WALES,
April 21, 1911.

Rev. W. H. Roberts, D.D., Secretary of the General Assembly of the Presbyterian Church in U. S. A.:

DEAR AND REV. SIR:—At the Quarterly Synod of the Calvinistic Methodists of South Wales, held at Nantymoel, in the County of Glamorgan, April 4, 5 and 6, 1911, the following resolution in appreciation of the valuable services rendered by Dr. Chapman, Mr. Alexander and party, to religion in Wales was passed:

"The Synod of the Calvinistic Methodists, held at Nantymoel, Glamorgan, April 4-6, 1911, the Rev. Rhys Morgan being Moderator, extends a cordial welcome to Dr. Chapman, Mr. Alexander and their fellow-laborers, and expresses its deep gratitude for their visit.

"The Synod further acknowledges the grace of God in the great success of their mission to Wales, as well as the Apostolic purity of Dr. Chapman's ministry, his unflinching fidelity to the ministers, with his intense passion for exalting the Church, and making it the instrument of the Holy Ghost to win the world to our Lord and Saviour, Jesus Christ.

"The Synod further desires to record its thanks to the General Assembly of the Presbyterian Church in the United States of America for allowing Dr. Chapman, and Mr. Alexander and their fellow-laborers, to visit Wales.

"It also expresses the hope that they may be permitted in the near future to visit many other centres in the United Kingdom."

On behalf of the Synod, I have the honor and privilege of forwarding you the above resolution, which I trust you will be good enough to convey to your Assembly.

Yours, in the Master's service,

G. PARRY WILLIAMS, *Secretary of Synod.*

VI. FRATERNAL LETTER FROM THE GENERAL SYNOD OF THE REFORMED CHURCH IN AMERICA.

CHICAGO, ILL., May 3, 1911.

To the General Assembly of the Presbyterian Church in the United States of America:

FATHERS AND BRETHREN:—The pleasant duty devolves upon me to extend to your august body the fraternal greetings of a sister denomination, the Reformed Church in America. I regret that the great distance prevents me from being present, and compels me to put in writing what otherwise I would gladly convey to you by word of mouth.

In greeting your Assembly, the Reformed Church in America does not come before strangers. We have learned to respect and esteem each other for the work's sake. We feel quite at ease and at home in your company. There are perhaps no other two denominations more closely related to each other in the fundamentals of the Christian faith and in the government of the churches in their care. We feel toward you as brethren of the same household.

Numerically you are, of course, much stronger than we. You, we consider, our brother, strong, active and vigorous. Where our strength fails, we always feel relieved and assured of success if you step in. We feel confident that whatever we must leave undone, or only partially done, will be well done, if done by you. Our confidence in your consecration and ability is even greater to-day than ever before. Where you win a victory, we rejoice. Where the banner of Presbyterianism is unfurled, we gladly unite with you in praises to God. Your victories are considered by us the conquests of a friend and ally.

You as well as we have the same lofty objects in view—the glory of God, the extension of His Kingdom and the welfare of immortal souls. In our day, there is a sore need of emphasizing the great underlying truths of revelation. There is a spirit of unrest, indifference and apathy in the world to-day. Various attempts are being made in high stations to find substitutes for the simplicity of the Gospel. The foolishness of preaching Christ and Him crucified is indeed foolish to many filled with merely worldly wisdom, many seem to think that they have outgrown the wisdom of God.

Our task is indeed a hard one. The current of the times runs swiftly the other way. Many falter and stumble by the wayside. But the call rings loud and clear, "Ye that are men now serve Him." We rejoice that the Presbyterian Church in the United States is still loyal to the faith once delivered to the saints. May she ever remain a bulwark of strength for the armies of the Lord. In our conviction of and loyalty to the Bible as the inspired Word of God lies our strength. The world may have but a dim conception of our exalted mission. But the privilege is yours and ours to make known to a lost world the crucified and risen Saviour. We have the oracles of God entrusted to us in which the mystery of the faith is unfolded to dying men.

In the performance of this sacred mission, we feel that there is a tie of fellowship binding us together in Christian love. Instead of rivalry, there is co-operation; instead of envy, there is manifested a spirit of brotherly love in different parts of our land.

We trust that the present meeting of your General Assembly may be fruitful in abiding results. May your sessions be instructive and inspiring to all the delegates. May the Spirit of the Master be with you in all your deliberations, guiding and directing you in all your decisions. May all the activities of your Assembly be felt far and wide from shore to shore in consecrated zeal and earnest endeavor.

We extend most heartily to you our fraternal greetings of love and fellowship. We are not divided, all one body we, governed by one exalted Head, our Lord and Saviour Jesus Christ, whose we are and whom we serve.

Cordially yours,

JOHN STEUNENBERG.

VI. CURRICULA.

Certain significant enrichments and modifications in our curriculum have been made. There have been erected three new departments, viz., English Bible, Religious Education, and Missions. In the Department of English Bible there are eight courses; in Religious Education, seven; in Missions, four. Instruction in Elocution and Music has also been increased. There are now over one hundred courses offered to our students.

Further enrichment has been made by the addition of "Ministers in Residence." Once a month some distinguished minister is "in residence" for a number of days. During this time he preaches in the chapel, lectures in the class-room, meets the students informally for conference, and has office hours for personal interviews. Thus, our students have the advantage not merely of hearing preachers of one metropolis, but of hearing and becoming personally acquainted with distinguished and successful ministers from all parts of the world.

For a third year, the Seminary has offered, during the winter, courses for lay students, which have been favorably received. Four courses were given, covering fourteen weeks.

This summer the Seminary will hold a Summer School in Theology, for the

first time. It will continue through twelve days, and there will be eight courses, of ten class-room exercises each. The Board of Home Missions is cooperating with this Summer School.

On behalf of Board of Directors,

GEORGE B. STEWART, *President*.

VI. CURRICULA.

New Curriculum.—The new curriculum, authorized by the Board of Directors, went into operation at the opening of the present term, and so far the results are most satisfactory. The changes have made our course sufficiently elastic to meet the changed conditions of the modern educational world. For example, two members of the Junior Class entered the Seminary with a year's Hebrew. Instead of being placed with beginners, they were admitted to an advanced course, and have finished, in their Junior year, all the Hebrew required for graduation. On examining the matriculants of the year in Greek, it was discovered that there were three groups of men: first, those who had about a year's Greek or even less; second, men who had taken the average course; third, a number who had specialized in classical and New Testament Greek. The last group have done special research work on the Synoptic Problem under Dr. Farmer; the second group have studied the Gospel of Luke and New Testament Greek with Mr. Culley; while a student instructor, whose salary is provided for by a friend of the Seminary, conducted the elementary class. These two illustrations, one taken from the Department of Old Testament Exegesis and the other from the New Testament, indicate the problem which the Seminary faces. These different classes of men can never be grouped together in these subjects during their Seminary course, and necessitate an ample elective system. The new course of study has also attracted a number of pastors of other denominations as well as our own, and indicates how the full development of the system will lead to the Western Theological Seminary becoming a greater force in this community.

Music Department.—For the term 1911-12 it is proposed to increase the efficiency of the Music Department by organizing a mixed chorus of twelve voices, under the supervision of Mr. Boyd. This choir is to take part in the regular preaching service of the Seminary, to illustrate Church Music and to cultivate the students' tastes for classical Church Music. The expense of this choir will be about \$350. Dr. Breed has kindly made himself responsible for the financial side of this undertaking for one year.

Foreign Department.—Rev. D. E. Culley, assisted by Messrs. G. A. Frantz and J. N. Hunter, has continued to conduct special classes for foreign-speaking students, in addition to the regular curriculum of the Seminary. These special classes have taken up the following subjects: English, Elementary Greek, Old Testament History. The following nationalities have been represented: Ruthenian (1), Bohemian (2), Slovak (1), Hungarian (4), Italian (4).

Post-Graduate Department.—This department continues to grow and indicates that it is meeting a real demand. During the past year fourteen graduate students have been enrolled, most of them being candidates for the degree of Bachelor of Divinity. The most popular courses with graduate students have been those in Old and New Testament Theology; and next to them, those in Homiletics and Church History. We believe that the Western Theological Seminary has a great field for graduate work open to ministers of all denominations in this city, within whose territory there are more than 100 Protestant ministers.

Lectures.—The following lectures have been given in the chapel in connection with the weekly Conferences which have been conducted by the Faculty:

Rev. W. H. Claggett, "Ministerial Sustentation."

Mr. Charles F. Weller, "Associated Charities."

Rev. R. M. Donaldson, D.D., "Home Mission Work."

Rev. Herbert E. House, "New Education in China."

Rev. F. Zilka and Rev. Benjamin Kossuth, "The Bohemian Church."

Rev. W. O. Elerich, Ph.D., "The Awakening in China."

Rev. S. Hall Young, "Home Mission Work in Alaska."

Rev. A. F. McGarrah, "Church Finances."

Rev. J. D. Nutting, "Work Among the Mormons."

Seminary Extension Lectures.—A new departure in the work of the Seminary during the current year was the organization of Seminary Extension Lecture Courses. Three courses of lectures were given on successive Wednesday evenings in three different churches of the city.

(1) "The Sacraments," four lectures, by Rev. D. R. Breed, in the East Liberty Presbyterian Church.

(2) "Social Teaching of the New Testament," six lectures, by Rev. W. R. Farmer, in the Shadyside Presbyterian Church.

(3) "Theology of the Psalter," four lectures, by President Kelso, in the Third Presbyterian Church.

Unusual interest was aroused in many of these lectures, and in one case, Shadyside Presbyterian Church, the lecture room was crowded. All these facts indicate that the Seminary is meeting a deeply felt want in providing such lectures.

Rev. James H. Snowden, D.D., was elected Associate Professor of Systematic Theology.

VII. GENERAL.

New Building.—Late in December, the Board of Trustees let the contract for the new building, the corner-stone of which was laid in connection with the Commencement Exercises on May 4, 1911, and it is expected that it will be ready for occupancy early in October. This building is to be known as Memorial Hall, to preserve the associations with Rev. Charles Beatty, whose generosity gave the Institution a former dormitory.

VI. GENERAL.

Seminary Alliance.—In accordance with the action of the last General Assembly, advising the Board of Directors of the Theological Seminary of the South, “until the Church be prepared to establish a Seminary in the South-west,” “to enter into such arrangements with some existing Seminary of our Church as will secure for the students from that section a proper training,” an alliance has been entered into between the Seminary of the South and the Lane Seminary, for two years, to secure this end. The alliance thus far has proved eminently satisfactory, and has been characterized by a rare degree of concord among the students and faculty, and it is hoped that the present arrangement will issue in a more permanent one.

With a view to give effect to this arrangement, Rev. John V. Stephens, D.D., and Rev. Finis K. Farr, D.D., were elected teachers.

Rev. Selby Frame Vance, D.D., was transferred, at his own request, from the chair of Church History to that of English Bible.

Dr. Stephens was assigned to the department of Homiletics and Pastoral Theology, and Dr. Farr to the department of Church History.

The Commencement Exercises were graced by the presence, and an address, of Rev. Edward D. Morris, D.D., LL.D., *Professor Emeritus*, so long identified with Lane Seminary, and so fruitful a factor in its usefulness. Although eighty-five years have passed over his head, and time has touched somewhat his physical vigor, his mind retains its unweakened strength, and his heart beats strong with loyalty to the Master and His kingdom, and with affectionate interest towards the institution in which he has invested so much of his life.

VIII. THE SAN FRANCISCO THEOLOGICAL SEMINARY.

[SAN ANSELMO, CAL.]

ANNUAL REPORT.

THE Board of Directors of the San Francisco Theological Seminary presents to the General Assembly its Fortieth Annual Report. In doing so we recognize with profound gratitude to God the manifold blessings that have rested upon our beloved institution through the last twelve months. Above all, we have had impressed upon us the magnitude of our field. It should be remembered that this is the only Presbyterian institution of the kind in a territory that stretches nearly two thousand miles east and west, and nearly as many miles north and south. Some of the Directors travel over a thousand miles to attend the meetings of our Board. If a north and south line were drawn through the geographical centre of the United States, the San Francisco Theological Seminary would be the only Presbyterian institution of the kind in the western half.

This great region is growing rapidly. Cities and towns are springing up like mushrooms, while immense areas of land are being brought under higher cultivation. The most urgent appeals have come from churches and Presbyteries. Had our graduating class been three times as large as it was, its numbers would not have sufficed to meet the demand.

Scarcely anywhere else in the world to-day is there a field so full of potentialities for the Christian minister. The whole Church should unite in the prayer that the Lord of the harvest may send forth men, who, as ministers of the Gospel, shall mold the life and shape the institutions of this vast region.

VI. CURRICULA.

The College and Academy standard has been raised to meet the needs of the Seminary.

VII. NEEDS.

There is a need of \$100,000 for our Endowment Fund, which is very pressing.

VIII. GENERAL.

We can report the most prosperous year in the history of the School. The General Assembly should be reminded that this School must prepare all her own graduates for the ministry. The other Seminaries draw students from colleges in connection with the Church; we train our students from the foreign-speaking peoples in this and other countries. Our students arrive at Dubuque in all stages of preparation. The total number of students who attended the

three departments during the year was 119. The report for the year's work is, therefore, misleading, especially when the number of students taking college work is taken into consideration. The net annual expense of the Theological Department, if the whole amount of salaries and maintenance is divided by three, is \$9,361.56.

We also present for your approval the Articles of Re-incorporation which were unanimously adopted at the meeting of the Board of Directors.

We are grateful to God for being able to report a year of blessed progress. The School has stimulated Home Missionary activity and increased Foreign Missionary benevolence. We are represented in India, China, and among the Pima Indians in Arizona. A still larger outlook in new church organizations in the Western States gives added zeal to the Faculty to put forth its best efforts. Our loyal President, Rev. Cornelius M. Steffens, D.D., has labored unceasingly, giving the best of his life for the Institution.

We are now able to report the completed Endowment Fund. Hon. Smith Ely, of New York City, offered, on January 29, 1911, a gift of \$30,000, provided the friends of the School would give an equal amount. The canvass was completed on April 20, and the Board, at its last meeting, established the "Smith Ely Foundation" of \$60,000. We shall still need the assistance of the Church for \$100,000 additional endowment to meet the current expenses of the School.

Respectfully submitted,

WILLIAM GRAHAM, *Secretary.*

Besides the addition above mentioned, a most notable addition, both on account of its intrinsic value and its sacred associations, was the gift of Mrs.

Stephen W. Dana, consisting of the book cases and the entire library of the late Rev. Stephen W. Dana, D.D., for so many years one of our most honored Trustees.

VI. NEEDS.

In accordance with the plan of the General Assembly of the Presbyterian Church, for the government of Theological Seminaries, the Board of Trustees has put the Theological Department of the University under the control of the General Assembly of the Presbyterian Church in the United States of America.

This change of our Charter, requiring the funds of the University held for theological education to be under the control of the General Assembly, and to be exclusively used for theological purposes, necessitates the full and separate endowment of the Theological Department.

The separate and adequate endowment and equipment of the Theological Department would require about \$250,000. A beginning could be made with any contribution to the Professorship Fund or the Building Fund.

Lincoln University is a living, growing institution. It is a mistake to think that because her resources are increasing her needs are becoming less. Our needs are as the needs of the people for whom we are working. The need of Christian teachers and ministers is only just beginning to be felt, and is by no means overtaken.

VII. GENERAL.

The last and most distinct gain to the Institution has been the introduction of electric light in all the dormitories and public buildings, and in professors' homes and on the campus. The risks of fire are less, the strain on the eyes of the students is diminished, and the short winter days are no longer the handicap they once were. The amount needed for engines and dynamos and wiring was secured from generous friends, and our efficient engineer says that it does not take a pound more of coal, as the steam passes into the heating mains, and heats the buildings as well or even better than if it went directly from the boilers.

Lincoln University, in a special sense, is a contribution of the Presbyterian Church towards Negro Evangelization. It must be remembered that historically by far the largest number of this race are members and adherents of Methodist and Baptist Churches. They are thousands to the Presbyterians hundreds. Some of the richest contributions to their ministry and educational force have issued from here. This is true this year. The outgoing class is nearly equally divided between our own denomination and the Methodists and Baptists. One of the strongest men we have had for years goes into the Methodist ministry, and they are placing him in line for an important educational position. One of the Presbyterian graduates from the English Theological course has unusual evangelistic gifts. For the last four years, he has spent his summers, under the direction of the Evangelistic Committee, in the slum and tent work of New York City.

As in days of old, the diversities of gifts continue. Some, pastors; some, teachers; some, evangelists; and, thank God, some hear the far-away call to the ends of the earth.

In this tercentenary year of that matchless Book known as the Authorized Version of the English Bible, we glory in the Primacy of Lincoln University in establishing, twenty-five years ago, a distinct and separate chair of "Instruction in the Authorized Version of the English Bible." It was endowed by the liberality of Mrs. Susan D. Brown. Ever since, this instruction in the Bible has been not an optional, but a required course for every class, both in the College and Theological Seminary. We believe that every one of the men going out this year into the harvest field loves this Book, and believes it from lid to lid. The whole Book is firmly believed and reverently taught here, and we believe the Presbyterian Church can make no greater contribution to the Negro Race than is done by this Institution through the teaching of this Book of Books.

IV. SPECIAL LECTURES AND ADDRESSES.

The following lectures and addresses were delivered in the institution during the year:

One evangelistic address, by Rev. William J. Darby, D.D., Associate Secre-

tary of the Presbyterian Board of Education; six lectures on Sunday-school Management, by Rev. E. Morris Fergusson, Educational Superintendent of Sunday-school Missions; and six evangelistic and two educational addresses, by Rev. J. Ross Stevenson, D.D., pastor of Brown Memorial Church, Baltimore, Md.

V. GENERAL REMARKS.

The enrollment of students in the School of Theology is not as large as usual, but it will most likely be larger next year. While there are only twelve students in the Theological Department, there are thirty-four candidates for the ministry in the various departments of the University; seven of whom are in the present graduating class of the School of Arts and Sciences.

The \$12,500 endowment fund required to meet the condition on which Mr. Andrew Carnegie promised \$12,500, for the erection of a library building, has been raised, and the building is now in course of erection. The Library will be owned jointly by the Theological Department and the other departments of the University.

The Theological Department is in urgent need of funds with which to employ another teacher to give special instruction in the English Bible and in the work of Missions. An endowment fund of \$25,000 would meet this demand.

Respectfully submitted,

H. L. McCROREY, *President*.

VI. GENERAL STATEMENT.

The Seminary year opened with every member of the Faculty, including the new President, Rev. Albert B. Marshall, D.D., in his place, and the regular work of the institution has continued through the year without interruption.

There has been a small increase in the number of students enrolled, but not sufficient to meet the demand for ministers made upon the Seminary by fields in the Middle West. The calls extended to the members of the graduating class this year far outnumbered the membership of the class.

Every year demonstrates more fully the importance and value of this Seminary in its relation to the Home Mission field, where more than 60 per cent. of its graduates are now at work, and in which the majority of the students now enrolled have been reared.

The urgent need of the Seminary is additional endowment. At the present time the income from the invested funds of the institution is sufficient to meet but half of its necessary expenses. Debt has been avoided only by soliciting contributions from churches and individuals, from year to year. Something more permanent in the way of support is very important. We therefore ask the General Assembly to commend the Seminary to the Church and to individual givers, for contributions to its interest-bearing funds, in the amount of at least \$125,000.

Respectfully submitted, in behalf of the Board of Directors.

ALBERT B. MARSHALL, *President.*

THE GENERAL ASSEMBLY AND THE BEGINNINGS OF THE THEOLOGICAL SEMINARIES.

AN HISTORICAL STATEMENT.

By Rev. William H. Roberts, D.D.

The first theological education given under the auspices of the Presbyterian Church in America was provided by the Log College, at Neshaminy, Pa., and by the trustees of Princeton College. Among the professors of divinity of the latter institution was the Rev. John Witherspoon, D.D., signer of the American Declaration of Independence, and first Moderator of the General Assembly. In connection with this Princeton professorship of divinity, the General Synod of the Presbyterian Church in 1768 and 1769 recommended collections in the churches towards its support.

The first action for the establishment of a distinctively theological school for the education of candidates was taken by the General Assembly of 1809, upon an Overture from the Presbytery of Philadelphia. The Assembly asked the Presbyteries to consider three modes of securing the important object in view; namely, to establish a great school near the centre of the Church; second,

to establish two such schools, one in the northern and the other in the southern division of the Church; the third, to establish a school within the bounds of each of the Synods.

In 1810 the action of the Presbyteries was reported to the Assembly. The report showed an equal number of Presbyteries in favor of a single school, and also in favor of the erection of a school in each Synod. Laying to one side the division of opinion in the Presbyteries as to mode, the Assembly feeling that the judgment of the Church was unanimous in favor of a theological school, appointed a Committee to carry out the first plan, which appeared to the Assembly to have on the whole the greatest share of public sentiment in its favor. The Assembly declared that there was a demand upon "the collected wisdom, piety and zeal of the Presbyterian Church to furnish a large supply of able and faithful ministers," and that with that object in view it would "establish a seminary for securing to candidates for the ministry more extensive and efficient theological instruction than they have heretofore enjoyed." The Rev. Drs. Green, Woodhull, Romeyn and Miller, with Rev. Messrs. Archibald Alexander, James Richards and Amzi Armstrong, were appointed a Committee to "digest and prepare a plan of a Theological Seminary," to report to the next General Assembly.

The Committee reported to the Assembly of 1811, and the Assembly adopted its recommendation for the establishment of a seminary, and also the plan submitted by the Committee. In the preamble to the plan the statements are made: (1) "That the founders of the Presbyterian Church in the U. S. A. did, from its very origin, exert themselves with peculiar zeal, to establish and endow Colleges, Academies and Schools for the education of youth for the Gospel Ministry," and (2) That the General Assembly, after mature deliberation, "*Resolved*, in reliance on the patronage of the great Head of the Church, to establish a new institution, consecrated solely to the education of men for the Gospel Ministry, and to be denominated 'The Theological Seminary of the Presbyterian Church in the United States of America.'"

Such in brief is the history. The important point developed is this: that the Assembly decided in 1811 to establish a theological seminary, and adopted a plan for its management. The Committee to carry out the plan were authorized to locate the institution, and it was placed at Princeton, N. J. But the fundamental fact to be emphasized is the new departure taken by the Assembly, establishing an institution solely for the education of ministers, so that to-day we celebrate not the centennial of Princeton (that takes place in 1912), but of all the Theological Seminaries connected with the Presbyterian Church. All the Seminaries stand together upon the action taken by the General Assembly of 1811.

ABSTRACT OF THE ONE HUNDRED AND NINTH ANNUAL REPORT.

With gratitude to the great Head of the Church for signal favors during the year, the Board of Home Missions presents to the General Assembly the abstract of its One Hundred and Ninth Annual Report. The Board sorrowfully records the death, during the year, of three of its members: Mr. T. H. Perrin, who died July 25, 1910; Mr. H. Edwards Rowland, who died January 9, 1911; Mr. Calvin B. Oreutt, who died January 30, 1911.

Mr. Perrin was one of the Cumberland Presbyterian representatives on this Board; living in the West, he was seldom able to be present, but always manifested a deep interest in our work.

Mr. Rowland was for many years a member of the House Committee and Chairman of the Auditing Committee.

Mr. Orcutt was a member of the Finance Committee and Chairman of the Committee on Church and Labor.

They were faithful and beloved, and the Board records its grateful appreciation of the services they rendered.

Also during the year the following missionaries have been called to their reward:

Rev. A. S. Blackwood.....	Stephenville, Texas.
Rev. L. J. Braswell.....	Dyer, Tennessee.
Rev. John Cairns Cram.....	St. Thomas, North Dakota.
Rev. Joseph S. Gibb.....	Waltham, Massachusetts.
Rev. Angus McKenzie.....	Vancouver, Washington.
Rev. Tomas V. Martinez.....	Toa Alta, Porto Rico.
Rev. Andrew N. Moore.....	Purcell, North Dakota.
Rev. Jedidiah S. Onion.....	Minnewaukan, North Dakota.

FINANCES.—The total receipts of the year were \$1,192,859.59. There has not been much increase in the income from the churches and societies, due in large measure, perhaps entirely, to the urgent calls for local work made necessary by the tides of immigration that have invaded so many of our Eastern communities. Our income from legacies, aside from the great Kennedy gift, has been \$180,101.88. During the year the Board received \$2,099,000 of the munificent legacy from Mr. Kennedy, announced in our last Report. The Church has the right to know the use to which the Board will put this fund. It has adopted the following paper expressive of its purpose, which we hope will meet the commendation of the Church at large.

THE KENNEDY FUND.—The Board of Home Missions has given much serious thought to the wisest and most efficient use of the large bequest made to it by the late Mr. John S. Kennedy. Upon the recommendation of the Finance Committee at the meeting of the Board, held in May, 1910, certain general principles as to the handling and use of the bequest were adopted by the Board. As the Board has just been put in receipt of the larger portion of this bequest, it is proper that it should consider more in detail a plan for the conserving and use of this large amount of money.

With great heartiness and devout gratitude the Board again puts on record its deepest appreciation not only of the largeness of the gift which Mr. Kennedy has made to the Board of Home Missions, but also of the true-hearted spirit of stewardship which influenced Mr. Kennedy in disposing of his estate.

The Board would also make mention of its deep appreciation of the fact that Mr. Kennedy saw fit to give his money to the Board not for an endowment nor in any way conditioned. Undoubtedly this broad-mindedness was due to the fact that Mr. Kennedy was for many years a member of this Board and learned by experience the wisdom of committing even large sums of money to the Board without condition, in the fullest confidence that the Board and the Church would make the best use of it according to the time and need. The Board of Home Missions would endeavor fully to merit this confidence and desires the needed wisdom to enable it adequately to meet the great expectations which Mr. Kennedy so warmly cherished.

Care is to be taken in the handling of this large bequest so as to stimulate the Church to a similar vision of duty and opportunity which Mr. Kennedy had to so marked a degree. The Board should avoid such an administration of it as would encourage on the part of needy churches an undue dependence upon the aid of the Board; rather should such churches be persuaded to do larger things for themselves.

Since the wiping out of the heavy debt a dozen years ago, under which the Board struggled so long, it has followed a policy of economy which has compelled it to pay salaries wholly insufficient for the missionaries to live upon. The Board has also been compelled to decline entering upon many new and promising fields lest either the salaries of missionaries now employed should be further reduced, or a heavy and cumbersome debt incurred which would not be approved by the Church.

The following facts have claimed attention. An amount of work has recently come on the Board far in excess of its normal income. It appears in four principal directions:

1. The inflow of immigrants, imposing an instant and large obligation upon

the Church of Christ, an obligation which must be promptly met. The budget for this item for 1911-1912 is \$65,000. This is a wholly inadequate provision. It may properly be increased, however, indefinitely as competent ministers are secured for this particular work.

2. The rapid extension of Western work. The last census shows marvelous increase in population in the far West, in three of the States exceeding 100 per cent. Conditions for weal or woe are crystallizing with a rapidity never known before in nearly all the West, the Northwest and the Southwest. Calls for help this year far surpass those of any preceding year, being \$140,000 in excess of a year ago. The old rate of missionary advance, therefore, will not match the new conditions. Religious destitution in many sections is alarming. In Colorado there are a hundred villages and settlements of from 150 to 1,000 population without any Christian ministrations—Protestant or Catholic. In greater or less measure this doubtless holds in a dozen other States.

3. The city problem must be faced. It involves large expenditure. The scope and methods of past missionary enterprise must be succeeded by a comprehensive scientific study of the problem, and an outlay of money and a use of men commensurate with the grave issues at stake. It is said that in San Francisco in a population of one-half million there are only 12,000 Protestant church members. In New York City, where a positive proportionate decrease of Protestant church members in the past decade is revealed, the present percentage of church members is 8.55 in a population of 4,447,883.

Other departments of the Board's activity not included in the above schedule, such as that of Church and Labor, Church and Country Life and the Indian Department, also call for greatly increased expenditure.

4. The present salaries of missionaries are a discredit to the Church and a hindrance to the increase of the ministry. There are 443 home missionaries whose total salary does not exceed \$800 each per annum. If these salaries were at once raised to \$800 it would be necessary for the Board of Home Missions to grant \$185,844 in addition to the amount raised on the field. Missionary service calls for the best men. We cannot hope to call or hold them on salaries below the plainest living. Therefore the Board proposes as one line of advance to seek such increase of salaries as present business conditions demand, as the dignity of the ministry and the honor of the Church require, and the ability of the Board may permit.

With these main ends in view the Board will need for several years to come an annual income of at least \$330,000 in excess of the average of the past five years.

The Board therefore proposes as follows:

We have received \$2,250,000, and further payments will increase the total sum by an amount not now known, but probably less than a quarter of a million. The income from this total will be something over \$100,000 a year.

The Board has decided to use in current work, first, the interest income from the legacy; and, second, in a series of years so much of the principal as the meeting of this important responsibility of our Church may require.

It is the purpose of the Board to devote this money in the following directions, indicated above, subject to such changes of proportion as circumstances may, in the judgment of the Board, require, as follows:

1. It is likely \$100,000 may be required annually for advance work in the newer regions of the country and in the cities.

2. An indefinite sum annually for the increase of missionaries' salaries. As it is proposed to increase salaries only as the Presbyteries and churches concerned shall cooperate, the churches assuming a proportion of the additional amount, this sum cannot be definitely determined. It will be a process of education. Less will be called for during the first years; more afterward, as the need for it and the feasibility of it shall come to be realized by the churches.

3. A further sum is to be used in hospital, school and church equipment, as the judgment of the Board may from time to time determine. There is an increasing call for such buildings largely in excess of the Home Board's and the Woman's Board's treasuries to provide, and these Boards have not been able to keep in proper repair the buildings now owned, because the current funds were more than exhausted before the item of repairs was adequately provided for. In no case, however, would the Board think of making a bulk appropriation for any new property. Its policy is to get the largest local subscriptions

possible; then to make general and special appeals to the Church, and after that to make a grant out of its funds. But \$50,000 per year for new buildings and for repairs would be a moderate estimate of need.

The Board is deeply sensible of the increased responsibility it assumes in the administration of this sacred fund; but it humbly believes that the Providence which has enabled it thus to provide for an expansion of work forced upon it by an almost sudden convergence of opportunities, will guide it to the best ways of discharging its duty to the Church and to the memory of the man who had vision to see what Israel ought to do.

This partial meeting of immediate issues is rendered possible by the insight and devotion of one man. These issues are only enlarged and rendered more definite by his munificence. The foundations thus laid must be built upon by those with similar devotion.

KANSAS CITY CONFERENCE.—In February the Secretaries of the Board, with the field secretaries, synodical missionaries and pastor-evangelists, held a two days' conference in Kansas City, Mo., in the consideration of home mission problems, and especially of the plan of pastor-evangelists inaugurated a few years ago. Varying opinions from different parts of the field made it necessary that there should be a careful induction of facts, study of conditions and formulation of such policy as facts and conditions should indicate. The conclusions reached by the conference may be summarized as follows:

The plan of pastor-evangelists has developed so much success and gives such definite promise that it will be wise to continue it as a policy of the Board.

The general field administration by large districts, and secretaries in charge of them directly responsible to the Board, is also increasingly justified.

A general demand for synodical organization appeared justified and required by the increasing volume and variety of home mission work throughout the country.

In view of the policy thus announced, the Board is this year continuing, and in somewhat stronger force, its work and service of pastor-evangelists. In some parts of the field they are presbyterial—recommended by the Presbyteries and commissioned by the Home Board for presbyterial service under the direction of the Home Mission Committee. In other Synods where a synodical organization has become effective they are synodical officers under the direction of the synodical Home Mission Committee.

The plan has now been in operation long enough and is sufficiently well organized to justify the expectation that it will result in the quickening of churches, in the ingathering of people, and in more effective organization of the entire missionary work of Presbyteries and Synods.

HOME MISSIONS COUNCIL.—The Home Missions Council, now in the third year of its history, represents the fifteen principal denominations of the country. It is trying to make a careful and systematic study of church conditions throughout all the missionary field with a view to reducing waste and friction and securing coöperation in missionary efforts and federation in social and moral reforms. It coöperates thus with the Federal Council of the Churches of Christ in America in advancing on missionary ground the large ends for which that Council was organized.

One of the fields of operation of the Council during the year has been its coöperation with many other religious bodies in projecting or carrying out plans for a great missionary exhibit, in Boston, under the title, "The World in Boston," different denominations to take different objects of the home mission propaganda for their exhibit. That given to the Presbyterian Board of Home Missions was the Indian work of all the Protestant bodies. The Rev. Thomas C. Moffett, D.D., Superintendent of our Indian Department, with the assistance of the Rev. W. B. Humphrey, has prepared an exhibit of Indian curios, life and mission work, which it is believed will constitute one of the most attractive features of the great exhibition.

THE ADVISORY COUNCIL ON CHURCH EXTENSION.—The interest of the Board of Home Missions in the Assembly's Advisory Council on Church Extension continues peculiarly strong. The Council held its annual meeting of 1910, in November, the sessions convening in the offices of the Home Board. A full report of the action taken by the Council is presented directly to the General Assembly through the President, the Rev. W. T. Jaquess, D.D., of Michigan. The question of immigration, affecting particularly the Board's special Depart-

ment of Immigration, is always alive in the discussions of the Council. Special attention is called to the action of the Council under this head as given in their report.

The question of a more adequate salary standard was earnestly discussed. The Council put on record its hope that the system of supplementing salaries through missionary boxes may be discontinued as speedily as possible, the salaries being brought to a proper standard independent of this method of supplement. A committee was appointed to consider the whole question of vacancy and supply, with the hope that through a thorough study of the question some plan might be evolved by which the great shortage of adequately equipped men on the home mission field might be made up.

DISTRICT OF THE SOUTH AND SOUTHWEST.—For this section the Rev. B. P. Fullerton, D.D., LL.D., presents the following statement:

The District of the South and Southwest covers that section of the country in which the Presbyterian Church in the United States is located. Immediately succeeding the union of the Presbyterian Church in the United States of America, and the Cumberland Presbyterian Church, there were those in the Presbyterian Church in the United States who felt that there was serious overlapping and that the territory properly belonged to them. It is noticeable that this position is being abandoned and a better understanding with the latter Church has been reached. An effort is being made to come to an agreement upon a comity basis whereby we can work side by side in Christian fellowship.

The sincere efforts of the best men in both Churches are directed, first of all, toward the prevention of overlapping in new territory, and, in the second place, to exchanges of churches, when possible, in places where there are two churches and one is sufficient. Two Presbyteries in the two Churches in Texas have come to an understanding and some exchanges have already been made, and there has been as a result a saving to both Churches in the expenditure of money and in the economy of men. In Florida, which is now a part of the Synod of Alabama, there is no place where the two Churches exist side by side. This is the result of an agreement made some years ago between the two Churches in Florida.

Gifts from the district for home mission evangelization are not as large and as widely distributed as is desirable or as they should be, but almost the entire district has been under heavy expense, created in part by the readjustment incident to the union of the two Churches. Then these past few years have been a time of reorganization and it has been difficult for the people to find themselves and their strength and to give direction thereto. It is manifest, however, by the desire on the part of the people in this district to know the latest and best methods in the organization and life of the Church, that a better day is not far in the future.

DISTRICT OF THE NORTHWEST.—For this section the Rev. Robert N. Adams, D.D., presents the following statement:

The District of the Northwest is composed of four Synods, North and South Dakota, Nebraska and Minnesota, containing twenty-six Presbyteries and 832 churches. Less than one-third of these churches are self-supporting. Many of the aid-receiving churches can do little more than hold their own, and so come to the Board each year asking for about the same amount. It is believed that the Home Mission Board can work in cooperation with the Brotherhood to a very great advantage. Better organization in the churches is a fundamental factor in the development of the home mission work. Something has been done during the past year in organizing Brotherhoods in the churches of this district and the encouragement in this work has been beyond expectation. Three of the States, namely, the Dakotas and a part of Minnesota, have suffered very much from drought during the past year; therefore in many regions of the States named, especially in North Dakota, the crop failure has affected Church work very seriously. If we are to maintain our work in this region larger grants on the part of the Board will be called for. The pastor-evangelists located men in vacant fields to the number of over one hundred and used students from various seminaries to the number of about fifty. They also report having organized fifty-one churches. We have one synodical evangelist and twenty-two pastor-evangelists, and the latter have each served a Presbytery, and in two cases two Presbyteries. The work done by these men, with very few exceptions, is to be highly commended.

ROCKY MOUNTAIN DISTRICT.—For this section the Rev. Robert M. Donaldson, D.D., presents the following statement:

Prior to 1870 there was no organized Presbyterian Church in Montana, Idaho, Utah, Arizona or New Mexico. Three churches in Wyoming had a membership of six each. Ten churches in Colorado had an average membership of twelve. This "handful of corn upon the top of the mountains" has yielded marvelous increase. Five Synods and twenty-two Presbyteries with approximately 400 churches and 36,000 members are on this territory to-day. During the first decade of the twentieth century we have organized 175 churches, which have a present membership of 6,272. Since the date of their organization we have received into them a total membership of 7,536 by examination and certificate. More than sixty new houses of worship have been erected within the last four years. Many of these are the only sanctuary in their respective communities.

PACIFIC COAST DISTRICT.—For this section the Rev. William Sylvester Holt, D.D., presents the following statement:

The outlook for the entire Pacific Coast District is most hopeful. We are trying to realize our relations to the United States and also to get a vision of our world relations. The absolute necessity of pressing the work of home missions for ourselves we already appreciate. But God has given us a world vision also, and we are praying the words of the Sixty-seventh Psalm, with all their latter-day meaning pressed into them: "God be merciful unto us, and bless us, and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations."

DEPARTMENT OF CHURCH AND LABOR.—This department continues under the care of the Rev. Charles Stelzle, who is assisted in the survey work by Mr. G. B. St. John.

The problem of the city has been given the most prominent place during the past year in the work of the department. For eight years it has been advocating certain methods of work through which the alienated workman might be brought within the church door. Usually when these methods have been persistently and aggressively followed the ministers and churches adopting them have been more or less successful. It was felt, however, that the department should itself work out the plans which were being presented to the workers in the Church. The most difficult field in New York, and perhaps in the entire country, was, therefore, selected, and on a prominent corner on the lower east side of New York, where a church building became available because the congregation had united with another church, a demonstration is being made with regard to the practicability of securing the attendance of workmen. The Labor Temple, by which name it has become known, has attracted much attention from the very outset. The main auditorium is open every night for popular meetings, although thirty-three meetings are held each week. Frequently people are turned away, especially at the Sunday night meeting, which is distinctively evangelical. Nine-tenths of the audiences consist of men and 50 per cent. are Jews. There is probably no church in America which has a larger attendance of Hebrews. The interest aroused in this enterprise of the Board has been nation-wide and it is being watched not only by the leaders in the Presbyterian Church, but by those of other denominations.

During the month of February the department conducted, in eight different cities, a series of "One-day Conferences on the Downtown Church." These meetings were held in Schenectady, Buffalo, Cleveland, Columbus, Chicago, St. Louis, Louisville and Pittsburgh. In Chicago, Louisville and Pittsburgh the afternoon meetings were held in the theological seminaries and were attended by practically the entire student body and faculty. Mass meetings were held in almost all of the cities at night. It is felt that this was the beginning of constructive work with reference to the downtown city problem, which will be of value particularly in industrial communities. A series of leaflets on the city have been issued by the department presenting illustrations of conditions and suggesting methods whereby these conditions may be met.

DEPARTMENT OF IMMIGRATION.—In the spring of 1908 the Rev. Charles Stelzle, in addition to the superintendency of the Department of Church and Labor, was appointed superintendent of the Department of Immigration. By reason of the growth of the work of both these departments it was deemed best to divide them, and on November 1, 1910, the Rev. William Payne Shriver,

who had served for ten months as assistant in the Department of Immigration, was made superintendent.

The sum of \$50,120.89 was expended by the Department of Immigration, during the year ending March 31, for superintendence, education, survey work, and grants to the field. (The Department of Immigration does not include in its budget of reported expenditures the grants made to the German churches and Spanish-speaking peoples in Cuba, Porto Rico and among the Mexicans. For the year ending March 31, 1911, disbursements by the Home Board for such work totaled \$89,500.)

DEPARTMENT OF CHURCH AND COUNTRY LIFE.—The interest of the country churches was studied for a full year in the Department of Church and Labor, before the new Department of Church and Country Life was formed by the Board in November, 1910. By reason of the growth of the work it seemed wise to erect it into a separate department. The superintendent of the department, the Rev. Warren H. Wilson, Ph.D., had during the time of his connection with the Church and Labor Department held numerous local conferences in which the ministers of a given region discussed together the interest of the country community under the leadership of agriculturists, educators, ministers in the city and in the country who serve among the poor.

DEPARTMENT OF INDIAN MISSIONS.—The Rev. Thomas C. Moffett, D.D., Superintendent of the Department of Indian Missions, presents the following statement:

This has been a year of greater effort and of larger development in the work of Indian missions than any year preceding, and during the year visits have been made by the superintendent to the Synod of New Mexico, to the Presbytery of Tulsa and to the missions of Kansas and Nebraska as well as to the Iroquois mission in New York State.

The record of last year shows ninety-eight missionaries and helpers now under appointment by the Board. Four additional workers recommended by the presbyterial committees are ready to engage in the work as soon as their appointments are determined by the Board. With the securing of five suitable missionaries for fields that are vacant and new fields about to be entered, every station will be supplied, and it is the gratifying prospect that within a month after the opening of the new fiscal year the ranks will be fully provided with men devoted to the service of the evangelization and Christian nurture of these Indian populations for whom the Presbyterian Church has a special obligation and responsibility.

ALASKA.—The full statement of conditions in Alaska, presented in the 1910 Report, may still be accepted as revealing the situation at present with the following supplementary facts recorded:

At Skagway the commercial demoralization has profoundly affected the Church life. A city which once numbered perhaps eight or ten thousand has now a population of a thousand or less. Many vacant houses and other buildings help to add to the general atmosphere of depression. Methodist, Baptist, Presbyterian and Episcopal churches once manifested each a degree of life. The Presbyterian church was for a time self-supporting. The Baptist church has now been abandoned; part time service is maintained in the Methodist church; the Episcopal church recently has been in charge of a lay reader; for a year past the Presbyterian pulpit has been vacant and the ministry of chance supplies has been desultory. It is acknowledged on the part of all that there is now no room for both a Methodist and a Presbyterian church. Negotiations are on for the consolidation of these two under some mutually satisfactory plan.

The hospital at Haines, under the support of the Woman's Board, still continues, though with inadequate equipment. The medical need is very great in that centre and does not become less so as the Chilkat Valley develops mineral resources. The railroad is now projected up this valley, reaching several mines already opened and other points where ore is known to exist. The efficient Miss Wilderson, the nurse in charge of the hospital work, has discontinued her service under the Board and has left Alaska. Dr. and Mrs. C. W. Presnell are temporarily commissioned in charge of this work. Our missionary, the Rev. Allen F. McLean, gives special attention to the hospital in addition to his other duties.

At Hoonah the native work was in charge of the Rev. and Mrs. A. J. Whippley.

After their leaving the field the work was committed to the Rev. and Mrs. George E. Good, who previously were in charge of the white church at Skagway. During the summer Mr. Good was active in reaching fishing camps and canneries to which the population of Hoonah resorted for the fishing season.

Years ago a Presbyterian work was maintained at Killisnoo, an important fishing centre where herring are converted into high-grade fertilizer. The work was discontinued, following a disastrous fire. Natives have expressed a desire to have this work resumed. The village has the nominal ministry of a Russian-Greek church. Active work on the part of that church has not been pressed here, however. Negotiations are in process looking to the reestablishment of active Presbyterian work, but no steps are to be taken which will duplicate missionary agencies.

Our work at Sitka has continued as usual during the past year, and promises large advancement in the near future because of the fine equipment the Woman's Board is putting in there, which is more fully recorded elsewhere in this Report. The Rev. Eugene E. Bromley continues as pastor.

For several years appeals have been made for the establishment of a church at Petersburg. Within the past few months this hope of years has been realized. A church and a manse have been erected. The plant is devoted to the use of the white congregation, though there is a native work at Petersburg of growing importance which will be prosecuted at the same time.

Reference is again made to the full statement presented in the 1910 Report of the Board. The special change during the past year has been the relinquishment of his post at Cordova by the Rev. S. Hall Young, D.D. It is especially fortunate that his place could be taken at once by the Rev. M. Edgar Koonce, Ph.D., formerly missionary at Rampart and more recently in pastoral work in the East. Dr. Young has spent the winter in a campaign among the churches and has been searching for suitable men for four important posts in the two Presbyteries.

The Iditarod region has called for the special concern of Dr. Young. Unable to find a man to enter that remote and needy field, Dr. Young, with fine heroic spirit, has himself undertaken the work.

There has been little change during the year in the Fairbanks region, where the Rev. James H. Condit is in charge, as heretofore. Mr. Condit has not only ministered to the church in Fairbanks, but has done considerable itinerating along the adjacent creeks where discoveries of mineral have called in miners.

Point Barrow, our northernmost station, continues in charge of the Rev. Horatio R. Marsh, M.D., who, in addition to his pastoral work, continues to give medical care to the natives as may be needed.

PORTO RICO.—Our work in Porto Rico is grouped around five centres constituting five districts, all but one being in the western end of the island. By an arrangement among the denominations entering Porto Rico twelve years ago the territory of the island was so divided that there should be no denominational overlapping. The western part was given to the Presbyterians. The two principal cities, however, San Juan and Ponce, were left free for all the denominations.

CUBA.—The Rev. J. Milton Greene, D.D., Superintendent of our work in Cuba, sends us the following report:

We have now completed ten years of organized work in Cuba. We entered the field during the first American Intervention while the memory and results of the Spanish War were yet fresh in the minds of the people. Since that time we have had two presidential administrations, a revolution and a second American Intervention. It will thus be seen that the political conditions have been far from favorable for our missionary operations. During the last two years the situation has been made more difficult by a relaxed moral policy on the part of the government, under which the lottery and cock-fighting have been formally sanctioned and grossly immoral spectacles have been permitted in places of public resort. Our force at the beginning consisted of three American missionaries and we were joined by a fourth already on the ground. Two of us were almost wholly ignorant of the Spanish. Among the natives only two or three men could be found to cooperate with us in preaching the Gospel. Racial prejudice was intense. Annexation was feared. Romish opposition was fierce. Religious indifference was well-nigh universal.

WOMAN'S BOARD.—Throughout thirty-three synodical societies with 258

Presbyterian organizations, and 5,794 women's auxiliaries with a membership of over 140,000, the effort to interest all Presbyterian women in the support of the special home mission work committed to them by the General Assembly has gone steadily forward. The aim to double membership is popular, and in many Synods campaigns were inaugurated and special days designated when some women were personally seeking new members, while others were gathered in little groups praying for God's blessing on the undertaking. Full reports of doubling membership will be made at the synodical meetings in the fall.

YOUNG PEOPLE'S DEPARTMENT.—The following report from the Young People's Department, presented by its Secretary, Miss M. Josephine Petrie, has been approved:

The Secretary of this department presents her thirteenth annual report, which shows steady progression. The printed leaflets, letters, mission study supplies and helps for missionary meetings are in very great demand, as they are attractive in form and valuable for general as well as specific information. Study classes have more than doubled during the past year; over 40,000 letters from mission fields, stations, or individuals have been furnished, special objects assigned, methods of work suggested, speakers and study class leaders provided for institutes and conferences, and a multitude of other details which show that the department is keeping this particular business of the Church before our Presbyterian young people.

A gain of over one hundred chapters of the Westminster Guild is reported. The membership of this comparatively new organization is pledged to divide their study and gifts equally between home and foreign missions, and also follow a course of Bible study.

These are but a few of the encouragements of the year. Contributions from the organizations of young people are as follows:

Sunday-schools.....	\$48,964 27
Young People's Societies.....	30,955 96
Young Ladies and Bands.....	27,756 03

CONCLUSION.—In closing this report it is proper to call attention to that rapid expansion of our work in every department, which can be adequately met only by a new conception of the world-wide scope and bearing of home missions and a deeper consecration of the Church to meet her vast responsibilities. The advance called for and met last year is called for again with louder emphasis. We dare not rest with present resources or be content with present progress. A measureless opportunity awaits us. What has been done for us during the past year by men who have had vision should be a mighty stimulus to all God's stewards to give to the evangelization of America the place to which the logic of events and the Providence of God so plainly point.

The Rev. George L. Spining, D.D., for many years a useful and valued member of this Board, has presented his resignation on account of taking up his residence in California. The Board has accepted it with regret.

The term of service of the following members expires with this meeting of the Assembly:

 Rev. Wilton Merle Smith, D.D.
 Rev. George Louis Curtis, D.D.
 Rev. John Douglas Adam, D.D.

SELF-SUPPORTING SYNODS.

SYNOD OF BALTIMORE.—Owing to the peculiar geographical conditions, no synodical organization for home missions is maintained, each Presbytery being a self-supporting unit and conducting its home mission work independently.

SYNOD OF ILLINOIS.—This Synod contains the second largest city in the country, and several of its other cities have increased from 50 to 75 per cent. in population within the last ten years. Immigrants from central and southern Europe are crowding into its cities and mining regions. The conditions complicate the work of home missions and add greatly to its difficulties.

Not only is the Synod of Illinois confronted with the difficulties attending home missionary work in Chicago, but owing to its proximity to St. Louis it faces similar problems in connection with that great city. An immense population has gathered along the eastern bank of the Mississippi, made up largely of industrial classes employed in manufacturing establishments located there because nearer the supply of fuel. East St. Louis has grown more rapidly than any other city in Illinois.

Full statistical information to the close of the year ending March 31, 1911, was not at hand when this Report was prepared, but the figures will not vary greatly from those reported to the synod in October, 1910, which showed that 136 churches and missions had received grants of aid. Four new mission churches and two self-sustained churches had been organized. Nine churches formerly assisted had become self-sustaining. In the assisted churches and missions one hundred ordained ministers and thirty-seven other workers were employed. The additions to the membership were 1,045 by profession of faith and 528 by certificate, the total membership being 10,301. There were 139 Sabbath-schools, with a total membership of 12,447. The assisted churches raised \$86,083 for their own support and \$9,310 for beneficence.

SYNOD OF INDIANA.—The home mission contributions from the churches of Indiana have steadily increased, the last three years, rising from \$13,184.35 reported at Synod in 1908, to \$16,153.66 reported last fall. Of these church contributions the Presbyteries use 75 per cent. within their own boundaries, send 10 per cent. to the Home Board in New York, and use 15 per cent. for the synodical home mission work.

For the year ending October, 1910, above the \$16,153.66 given by the churches for home missions, the women's societies of the State gave \$10,561.13, and \$653.70 for the mission at Gary among the foreign-speaking peoples. The Home Board reported \$1,514.35 received from legacies, \$569.92 directly from churches, and \$57.10 from Sunday-schools, above the 10 per cent. before referred to.

SYNOD OF IOWA.—Home mission work in the Synod of Iowa is administered somewhat differently from other self-supporting Synods. Instead of the customary synodical committee, is "The Board of Iowa Presbyterian Home Missions," which seems to offer some advantages in administration. By its charter the Board is composed of the presbyterial home mission committee chairmen, with an executive committee composed of the president, the secretary, and the treasurer, and two elders not presbyterial representatives. The officers may or may not be representatives of Presbyteries. Two stated meetings are held annually: one in connection with the Synod, when the annual report is made and policies of the year decided; the other in advance of the spring Presbyteries, when grants are made to the Presbyteries, limited to the assured receipts of the Board for the year.

SYNOD OF MICHIGAN.—Nine years ago the Synod of Michigan decided to assume self-support. The success of this independent movement was viewed with doubt by a majority of members of Synod, and there was some justification for their lack of faith. During the preceding year the Home Board had expended in Michigan \$13,913.91, of which amount the Presbyterians of Michigan had furnished but \$5,570.74—a loss to the Board of \$8,342.27. Would the Synod be able to make up this deficit in the future, was the question given to the home mission committee to answer. Synod met the problem by raising, during the first year of self-support, \$11,362.34, and all doubt as to the success of the plan disappeared. The average amount raised under self-support annually has been \$12,194.90. The most fruitful year was 1909, which furnished a total of \$14,474.47. In nine years Synod has raised for self-support \$97,559.23. An average of sixty-seven ministers have received assistance annually through the committee. From five to ten students have been employed each summer. Because of self-support in Synod some eighty to ninety

churches have been able to have a minister during the past nine years, which would have been unsupplied without synodical assistance.

SYNOD OF NEW JERSEY.—The old and small State of New Jersey has recently become one of the greatest and most rapidly growing home mission fields by reason of its new population. New Jersey's net increase of population between 1900 and 1910 was 653,496—a gain of more than 34 per cent.

Aid was given from the synodical and presbyterial funds to 108 fields, of which 77 are organized churches and 31 missions not yet organized as churches. The communicants thus ministered to numbered about 6,000 and the Sunday-school membership 7,500. There were added upon profession of faith 654 and by certificate 387. These fields contributed over \$50,000 toward their own support and almost \$7,000 for beneficence. Five churches reached self-support, and in nine others the amount of aid has been reduced.

SYNOD OF NEW YORK.—One phase of the work of synodical home missions in the State of New York upon which we feel that we should lay particular emphasis this year is that of the larger opportunities constantly opening before us for effective service in reaching not only those of our own blood and speech, but in reaching large numbers of those who are foreign to us in blood, of different languages, and who have been trained to other manner of thought and expression than that to which we are accustomed.

SYNOD OF OHIO.—We are now in our fifteenth year as a self-supporting Synod, and commendable progress has been made, especially in recent years, along all lines of our work.

The Ohio plan, placing upon the presbyterial committee responsibility for the making of grants to individual churches and delegating to the synodical committee the larger and more general supervision of the work, has been found to be an effective method of administering modern home missions in a Synod such as this.

There has been a steady growth in the size of the offerings received from the churches in recent years. During the past year a total of over \$31,000 was contributed by churches for Ohio work alone.

SYNOD OF PENNSYLVANIA.—With September 30, 1910, this Synod closed its twenty-fourth year under its plan of self-support. The report of the Synodical Home Mission Committee may be briefly summarized as follows:

Total number of ministers and other workers employed.....	221
Total number of churches and missions receiving aid.....	278
Total number of additions to Church membership.....	2,344
Total communicant membership of aided churches.....	21,326
Total Sunday-school membership of aided churches.....	23,714
Total expended for home missions within the Synod.....	\$181,499

This phase of home mission effort in the Synod of Pennsylvania has gone beyond the experimental stage and is growing rapidly. From a few feeble beginnings almost twenty years ago, the work has grown until at present fourteen Presbyteries of this Synod are engaged in giving the Gospel to our foreign-speaking people. During the last synodical year the total sum reported as expended in this work was \$101,038, of which \$92,488 was raised and expended by the several Presbyteries, while \$8,550 was appropriated by the synodical committee from its funds to supplement those raised by the Presbyteries. A large part of these presbyterial funds is contributed by individuals and corporations employing foreign labor, who are willing to assist in the work of evangelizing their own employés, many of them testifying to the good results of these missions as seen in the improved social and moral conditions of those thus reached by the Gospel. Wherever possible, these missions are placed under the care of the session of the local church.

SYNOD OF WEST VIRGINIA.—This Synod is one of the youngest and smallest of the whole group of Synods. It was organized in October, 1904, with three Presbyteries and sixty-nine churches, and from that time to the present it has had a steady and healthy growth. Prior to their organization as a separate

Synod the churches in West Virginia were connected with the Synod of Pennsylvania. After a separation of five and one-half years our aid-receiving churches were dependent on the Board of Home Missions in New York. In October, 1909, Synod unanimously decided to assume self-support, beginning April 1, 1910.

SYNOD OF WISCONSIN.—The seventh year of Wisconsin home mission self-support closed with great hopefulness for the future. The churches gave within \$35.02 of the amount contributed the previous year, which, while it may seem a step backward, was more than our most sanguine hope. The total amount contributed was \$13,253.52.

At the close of Synod's year we had thirty missionaries at work in the State. Included in this number were the superintendent and three field workers. One of our most efficient field workers, the Rev. Moses Breeze, has been secured by the Board as a special representative.

Respectfully submitted,

CHARLES L. THOMPSON, *Secretary.*

ABSTRACT OF THE SEVENTY-FOURTH ANNUAL REPORT.

Abroad, the year has been marked by a continuance of the stupendous movements which have been reported to the General Assembly in recent years. It is increasingly evident that the old order in Asia is rapidly passing away and that the Foreign Mission work of the Church is confronting conditions which are not only new, but startling in their magnitude and significance. These new conditions involve some important changes in missionary policies and methods, involve a largely increased responsibility, and imperatively call for reinforcements and expenditures on a larger scale than the Church has yet contemplated.

GROWTH OF THE WORK.—In 1837 the General Assembly took over the work of the Western Foreign Missionary Society, which had been active for six years

Revised rolls and incomplete returns show net additions, last year, of 18,174, a gain of 12 per cent. The year's statistics for the Church at home are not yet available, but for the preceding year, in a membership of 1,339,000, the net gain was 17,614, or 1½ per cent.—about one-twelfth of the gain on the foreign field that year. The rapid progress of Foreign Missionary work during the last decade appears from the following table:

The increase from home sources is 72 per cent.; the increase in receipts on the foreign field is 447 per cent., an increase from a per capita gift of 2.34 in 1901 to a per capita gift of 4.25 in 1911.

The increase in American missionaries is only 44 per cent.; in organized churches on the foreign field, 98 per cent.; in native force, 136 per cent.; in communicants, 175 per cent. The expenditure of a few million dollars in the next five years in properly equipping the native church and training a native ministry would bring returns out of all proportion to the amount invested.

The increase in schools is 129 per cent. and in pupils 136 per cent. There is a vast surge of non-Christian races toward a universal education. We are confronted by the fact that the children of far more than half of the human race may, within the next generation, be educated without any reference to those spiritual truths which are the only real and permanent support of social order and personal morality. We have now more than 1,600 schools, colleges and universities, located in the midst of teeming millions eager for knowledge.

AFRICA.—The only Mission of the Presbyterian Church in this mighty continent is the West Africa Mission, on the west coast, near the Equator. It covers, however, an extensive region and includes several of the most virile tribes of the whole country. The work is prosecuted under some peculiar perplexities, for we are under not less than three different governments: French in the Gaboon region, Spanish in the Benito district, and German in the Kameruns, where most of our stations are located. The year has been one of remarkable progress in missionary work, particularly at the interior stations in the Kameruns.

CHINA.—It would be difficult to overestimate the stupendous significance of the transformation which is taking place in this the vastest country of the non-Christian world. Two great calamities have come upon the people during the year. One was the outbreak of the pneumonic plague, one of the most deadly forms of that always serious disease. The other great calamity that has come upon China during the year is the famine. Fortunately, both of these sorrows are not in the same region, the famine being farther south, chiefly in the provinces of Ngan-hewi and Kiang-su, where, owing to the failure of the crops through floods, nearly 3,000,000 persons are in utter destitution, entirely dependent upon outside help and without hope of relief from the soil for at least six months.

The story of the triumphs of the Cross in China during the last year is an inspiring one. Churches and chapels are filled with eager listeners, and on every side there is a readiness to hear what the apostles of Christ have to teach. The missionaries who itinerate far into the interior and among the outlying villages travel in comparative safety and find attentive hearers.

JAPAN.—The annexation of Korea was the most conspicuous event in the affairs of Japan for the year 1910. A second point of importance to be noted here is the Anglo-Japanese Exposition and the visit of many Japanese to England and other western lands. These men have now returned and are giving their impressions of western life and civilization.

Something which is not peculiar to 1910, but which affected the work of the year very seriously, is the persistent pernicious war-talk in America. If Christianity were not already so firmly grounded and become indigenous in Japan it is certain that the hands of the missionaries would be seriously crippled. Further, for the sake of evangelizing Japan, a first-class Christian university, where Christian men for all walks of life may be trained, is an imperative necessity.

KOREA.—The two outstanding conditions in Korea continue to be the political and economic changes taking place as the result of Japanese annexation and occupation and the rapid development of the Korean church. The Japanese authorities are showing themselves friendly to our missionaries and there is as much freedom in preaching the Gospel in Korea as there is in America.

It has been computed that an average of one adult Korean has confessed Christ for every hour during the twenty-six years since the beginning of Protestant Missions in Korea.

INDIA.—The situation in India the past year has been distinctly more favorable than during the year preceding. The movement of the low-caste peoples toward Christianity continues, and the success of the Christian propaganda has incited the Arya Somaj and other Hindu organizations to take an interest in these peoples, cast out and spurned by Hinduism until Christianity had asserted and demonstrated their humanity. The Missions most urgently need reinforcements in order that the thousands of village people who have been

received into the Church may be adequately trained and that advantage may be taken of the limitless opportunity for evangelization in the districts. The educational work of the Missions has been continued with its accustomed power.

PERSIA.—In Persia the political situation has been and continues unsatisfactory. It seems remarkable that this unsettled state of political affairs has interfered so little with the regular work of the Mission during the past year. From time to time rumors of impending trouble were in the air, but they only caused a temporary flutter of anxiety and excitement.

In northwestern Persia comparative peace has followed the turmoil and civil war of the previous year. Perhaps the most remarkable development of the year has been the in-rush of Mohammedan students to the Mission schools. Every station in Persia has felt the effect of this eager desire on the part of the Mohammedans for education.

PHILIPPINES.—Though one of the youngest of our Missions, the Philippine Mission has achieved notable development. We now have nine stations in the archipelago and a tenth has just been opened. The oldest station, Manila, is less than a dozen years old, and the youngest, the Canarines, is mentioned this year for the first time as a separate station. The evangelistic work at all the stations is as vigorously pushed as the number of missionaries and Filipino workers will permit, while our educational institutions, the Ellinwood Seminary and Ellinwood Girls' School in Manila and Silliman Institute at Dumaguete, are widely recognized as among the most influential institutions in the Philippines. The Silliman Institute had 560 students last year, and every department is full to overflowing. The government has given it the power to confer degrees, and competent observers, not connected with the Mission, have recently characterized it as the best and most successful educational institution in the Philippine Islands.

SIAM AND LAOS.—These two Missions are usually considered together, as they are both in the kingdom of Siam, although, as is well known, the Laos people of the north speak a different language. The death of His Majesty the King during the year aroused widespread sympathy and sorrow. Services in memory of the late monarch were held in many of our churches in Siam and Laos, to which all local officials were especially invited. Many who had never entered our churches before did so on this occasion, and expressed themselves as pleased to understand that loyalty and obedience to rulers were an essential part of our teaching and that prayers for the King and his officers were a regular part of our services. His Majesty Vajiravudh, the present King, was so pleased at the honor thus shown to his father that he has made gifts to each church in which such services were held, and to each of our schools and dispensaries, as permanent tokens of his good will. Thus once more the friendly feeling between the authorities of Siam and our missionaries is manifested and strengthened.

The work of the Siam Mission has not been characterized by any extraordinary development during the year, but has gone steadily on along the usual lines.

SYRIA.—The year in this Mission has been marked not only by spiritual growth, but also by deep earnestness in facing the problems which have arisen as a result of the changing conditions in the Turkish empire. This year has been the banner year in the work done by our great Mission Press at Beirut. Forty million pages were printed, of which 95 per cent. were in Arabic, 75 per cent. were religious, and more than 70 per cent. were the Arabic Bible. To those who believe that the Word of God shall not return unto Him void, such figures are of vital interest.

LATIN AMERICA.—The work of the past year in Mexico has been quiet and fruitful. It can be said truly that the native men have attempted more direct hand-to-hand personal evangelism than ever before, and are touching many people whom they thought out of reach. More attention has been given to the study of plans and methods, and many have shown a willingness to learn something new who before were well-satisfied with their own old way.

With Guatemala's share of the appropriation under the Kennedy legacy and the Board's regular grant, the Mission will be able to carry out the permission given it by the Board some time ago to change the location of the Mission property at Quezaltenango and build a new chapel and residences;

will be able to re-establish the educational work of the Mission, and also to equip more adequately the hospital at Guatemala City.

The Missions in Brazil have had one of their most encouraging years. They have been strongly reinforced. They have found open doors on every side, and the life and work of the land in the past year have been eventful. There has been a wonderful material advance along all lines.

In Colombia and Chili the year has witnessed great progress. The Colombia Mission, whose force had been greatly reduced, has been doubled in its missionary staff, and the work feels the thrill of a new hope and purpose. The Mission is on a better foundation than ever before in its history, with new equipment of churches and Mission residences, with its schools full, and with the need of the country more clearly discerned than ever.

CHINESE, JAPANESE AND KOREANS IN THE UNITED STATES.—Work among the Chinese is carried on by the Board at San Francisco, Los Angeles, Oakland, Alameda and Santa Rosa. Contributions from the Church from all sources, for the year, were \$12,707.66.

The main work for Koreans is confined to a few towns in southern California. The Christian membership is 183, less than 10 of whom are women.

The Japanese work on the Pacific coast has shown marked increase during the year. Sixty-five adults have received baptism; two mission chapels and a manse have been erected by the Japanese residents, and a preaching hall and class-room have been opened in the Japanese section of Los Angeles. Work for the Japanese is carried on at Watsonville, Salinas, San Francisco, Hanford, Stockton, Visalia, Wintersburg and Los Angeles. The total membership is 449 and the Japanese raised \$1,190 during the year.

DEATHS AMONG MISSIONARIES.—Death claimed eleven beloved missionaries during the year. The death roll includes some of the most highly honored and beloved missionaries, as the following list will show.

The Rev. Henry H. Jessup, D.D., LL.D.; appointed 1855.

Mrs. Eliza S. Wilder, widow of the Rev. R. S. Wilder, D.D.; appointed 1845.

Mrs. Helen Nevius, widow of the Rev. John L. Nevius, D.D.; appointed 1852.

Mrs. Phoebe Ogden, widow of the Rev. T. Spencer Ogden; appointed 1858.

The Rev. Thomas F. Wallace, D.D.; appointed 1861.

The Rev. E. Allen Enders; appointed 1903.

Miss Emily C. Bird; appointed 1879.

Mrs. Annie Boyce, wife of the Rev. Isaac Boyce; appointed 1884.

Miss Kate Youngman; appointed 1873.

Mrs. Lucy Crouch Leaman, wife of the Rev. Charles Leaman; appointed 1873.

Miss Grace E. Wilder; appointed 1887.

It is difficult to cover the enormous, complicated and widely extended work of the Board of Foreign Missions within the few pages to which this abstract must be confined.

The detailed financial statement will appear in the Report of the Treasurer. We merely note here that the total income of the Board during the year, exclusive of the Kennedy bequest, but including certain credits from gains in exchange, etc., was \$1,718,526.46, an increase of \$260,856.66 over that of the preceding year. The total expenditures were \$1,698,523.02, leaving a surplus of \$20,003.44.

The outstanding financial fact of the year has been the payment of the generous bequest of the late Mr. John Stewart Kennedy, February 23, 1911. The Board has given long and careful consideration to the wise use of this great gift. This study began as soon as the fact of the bequest became known, a year and a half ago. No advance expenditures were made on account of the bequest, except in a very few instances, chiefly where devoted missionaries were suffering for want of proper accommodations. The Board felt that the greatest possible care should be devoted to the expenditure of such a sum of money, a sum which the Board regards as a sacred trust to be administered under a special sense of responsibility to the Church, to the missionaries, and to God.

Manifestly the first thing to be done was to ascertain how much would be required to put our present plants into proper condition.

The sum allotted, about \$800,000, provides for housing the missionary force at present on the field or under assignment, in a plain and frugal but healthful way, and supplies a greatly improved equipment for the evangelistic and educa-

tional and medical work, though it leaves unmet far more needs than it has been possible, in accordance with the principles laid down, to meet out of this bequest.

The remainder of the bequest was divided into seven parts. Three-sevenths were set aside for an Evangelistic Expansion Fund, three-sevenths for an Educational Equipment and Endowment Fund, and one-seventh was added to the reserve and banking funds of the Board. The two former funds, namely, the Evangelistic Expansion Fund and the Educational Equipment and Endowment Fund, and the Property Fund as above indicated, have been entered as separate funds upon the Treasurer's books and will be handled as distinct accounts.

The Property Fund will be exhausted by the expenditures authorized within one or two years.

The Evangelistic Expansion Fund will be used, capital and interest, at such rate per annum as the development of the work may require.

The Educational Equipment and Endowment Fund is to be made the basis of a larger fund to bear this name and be used for these purposes, this sum to be sought by special gifts from individuals. Five million dollars should be provided for such an Educational Equipment and Endowment Fund. This should be held and administered by the Board, with freedom to apply it for equipment or maintenance of Christian education on the foreign field.

Among the further reasons for the establishment of such a fund are the following:

(a) The desirability of providing for our educational work on a more permanent basis.

(b) That the Board may administer directly and adequately all the educational institutions in our foreign missions without the creation of independent boards of trustees.

(c) The support of educational work can be moved from field to field as conditions alter and will remain in the control of the Home Church.

(d) To exempt the Home Church from special appeals on behalf of our educational institutions abroad.

(e) To enable the Board to hold all higher education true to the direct missionary purpose and in integral connection with the evangelistic spirit and aim of all missionary work.

God is summoning the Church to conduct this world enterprise on a world scale. The magnitude and difficulties of the enterprise are not reasons for discouragement. Rather do they challenge us to correspondingly greater effort.

Shall we work for our own enrichment on a vast scale, and work for God and our fellowmen on a small one? Shall not our great Church grapple adequately with this world enterprise, take a world vision of it, and solemnly determine that in the name and by the help of the Omnipotent Jehovah the task shall be performed?

Respectfully submitted,

GEORGE ALEXANDER, *President.*

REPORT OF THE TREASURER.

The financial operations of the Board of Foreign Missions show a surplus on the year's account of \$20,903.44. For the third year in succession, the Board has been able to meet its current obligations and has not added to the old deficit, which at the end of 1908-09 stood at \$105,000. Indeed, this deficit at the beginning of 1910-11 had been reduced to \$58,665.93. Applying the surplus of the year just closed, the books show a net deficit of \$38,662.49. Thus, greatly enlarged appropriations have been met each year since the close of the fiscal year 1907-08, and approximately \$67,000 of former obligations have been liquidated.

In September, 1909, one would by natural and normal laws have estimated the Foreign Board's increase during the year to be somewhere between 5 and 10 per cent. In October, one month later, it became known to the world that there was to be an increase of receipts within a very brief period of more than 150 per cent. The bequest of Mr. John S. Kennedy, to the Foreign Board, of three sixty-fourths of his residuary estate, this share thus far having realized \$2,250,000, was paid over to the Board on February 24, 1911. There will be a small supplementary payment.

The Board recognized in this gift a peculiar responsibility and opportunity, and, after much deliberation and weighing many considerations, voted to devote the entire sum received to particularly designated purposes. It was divided into four Funds, named in accordance with the purposes they are to serve, and these Funds were established on the Treasurer's books. The Funds are as follows:

Property and Building Fund.....	\$800,000 00
Evangelistic Expansion Fund.....	621,428 57
Educational Equipment and Endowment Fund.....	621,428 57
Reserve Fund for Banking Purposes.....	207,142 86

Turning to a comparison of regular receipts, exclusive of amounts received through legacies and miscellaneous gifts, it would manifestly be futile to compare the past year with the preceding one, inasmuch as that year had but eleven months. Comparing the year just closed with the fiscal year 1908-09 (two years ago), we find the church contributions have increased \$81,269.84, an advance of 13.2 per cent.; Sunday-schools show a small decrease, or \$1,759.50 less than two years ago—probably due to the fact that the Easter offerings were included at that time and could not be included this year; the total contributions from the Women's Boards decreased \$5,540.62, but the decrease has been in legacies, not in contributions from living sources. Receipts from miscellaneous givers, those that were not contributed through any church organization, amounted this year to \$228,308.71. Receipts from legacies were \$222,837.25. These two sources of income together show a 19 per cent. increase over two years ago. If we take all these sources together, we find receipts have increased 9.7 per cent. in two years.

The Board finds itself in a far better financial position than that of a year ago. The new year starts with the encouragement of an increase in appropriations, supplemented by Funds with which the regular work is to be splendidly fortified and advanced. The general assets of the Board have been much strengthened, and this entirely outside and in addition to the Kennedy bequest.

The Board has been glad to enter into Special Gift Agreements with a number of givers during the year, paying a fair rate of interest on amounts given, during the lifetime of the donors. The agreements now in force with the Board amount to \$304,502.56, approximately \$96,000 having been added during 1910-11.

A number of friends have taken advantage this year of the opportunity to establish endowment funds for the benefit of some special part of the work abroad, or they have erected buildings, in connection with mission plants, as memorials.

ABSTRACT OF NINETY-SECOND ANNUAL REPORT.

We gratefully record the fact that the number of candidates under the Board's care last year has been increased. Eight hundred and forty-three men were aided in 1909-'10, and 855 in 1910-'11. Our receipts from churches, Sabbath-schools and societies have increased \$6,566.93 over last year, our total income being \$31,573.68 larger than appeared by our last Report.

FINANCIAL CONDITIONS.—We have pleasure in stating that the banner year of 1891-'92 has been surpassed this year, the amount received from churches, Sabbath-schools, and societies, being \$65,164.60. In addition thereto we have received from legacies, \$44,783.61; from individual givers, \$10,592.51; from refunders, \$1,380.37; from investments, \$16,787.98; and from other sources, \$8,863.50, making total receipts of \$147,572.57.

We are persuaded that this increase is due to several causes, as follows: special efforts put forth by the Board through correspondence; literature; personal appeals to individual givers; the success attending the efforts of the Board's Secretaries in the prosecution of the newer work committed to the Board; and the general increase in benevolences during the present year, throughout the entire Church, owing to the adoption of better systems of finance.

We record with gratification the fact that a larger number of churches have contributed to our Board than ever before, the number being 5,085, as against 4,923 non-contributing churches, a net increase of 176 churches over last year.

An increasing number of Sabbath-schools and Young People's Societies are contributing to the Board's work, while a number of churches are educating their people to take personal interest in the Board's activities by assuming the cost of scholarships for particular ministerial candidates.

The services of the Secretary for University Work have been freely given to several Synods cooperating in work at State University centers. Likewise, the Assistant Secretary has devoted considerable time to the financing of the

Lane-Lebanon Seminary Alliance, with the understanding that money for this purpose should be raised upon the field.

MINISTERIAL CANDIDATES AIDED.—Of the \$55 candidates aided, at a cost to the Church per capita of \$95, there are 239 "New Men" and 616 "Renewals," an increase of two "New Men" and ten "Renewals." Twenty-three candidates were regretfully declined this year, as against nineteen the year previous. This Board has sent out comprehensive questionnaire to every pastor, asking for names of young men who might be led to consider the call to the ministry. Several thousand names are now on file, a system of correspondence having been inaugurated, which has already produced gratifying results.

FOREIGN-SPEAKING CANDIDATES.—The Board has continued its special relations with the two Seminaries caring especially for ministerial candidates of foreign speech. One hundred and thirty-eight foreign-speaking candidates have been aided, as follows: 46 Germans, 3 Spanish, 3 Cubans, 16 Porto Ricans, 16 Bohemians, 11 Hungarians, 11 Italians, 6 Hebrews, 10 Ruthenians, 5 Mexicans, 2 Syrians, 3 Slovaks, 1 Russian, 1 Moravian, 1 Hollander, 2 Japanese, 1 from Republic of Monaco. Fifty-five colored candidates have also received the usual aid.

PRIZE SCHOLARSHIPS.—The Newberry Scholarship has been offered to Lane Seminary, and competitive examinations for the same will be held in the fall of the present year. This scholarship permits of graduate study abroad, and yields \$900.

The winner of the Secretary's Scholarship, Mr. William Harberts, will complete his course by a year of graduate study in a European university approved by the Board.

The Mutchmore Scholarship has been offered to the members of the Middle Class of Kentucky Seminary. Competitive examinations will be held the coming fall. This scholarship is granted every three years, and yields \$525, permitting the successful candidate a year of post-graduate study either in this country or abroad.

The David Stewart Banks Scholarship, assigned in 1907-'08 to H. H. Bergen, of the Presbytery of Huntingdon, yielding \$125 per year, will be open for assignment in 1912-'13, after Mr. Bergen's completion of his seminary course.

NEW FEATURES OF THE BOARD'S WORK.—The card catalogue of possible candidates creates an extensive field for cultivation. This catalogue is being constantly refreshed by the addition of new names and information.

Prize Essays.—Last year the Board offered four prizes for the four best sermons or addresses on "The Claims and Attractions of the Gospel Ministry upon Young Men of Strength with Especial Reference to the Needs of our Times." The Rev. Hugh T. Kerr, D.D., pastor of the Fullerton Avenue Church, of Chicago, Ill., was awarded the first prize for his contribution, "Manhood and the Ministry." The Rev. James Beveridge Lee, D.D., pastor of St. Paul's Church, Philadelphia, who submitted a sermon on "The College Man and the Ministry," was awarded second prize. "Spiritual Leadership for the New Age," by the Rev. Samuel Sharp, of Exeter, Ontario, was given third place, while the Rev. J. W. Harvey, of California, Pa., received the fourth prize for his sermon, entitled, "The Need, the Call, and the Opportunity of the Christian Ministry."

College Visitation Plan.—The joint arrangement between the Board and the Assembly's Evangelistic Committee, whereby a comprehensive scheme of visitation to our Presbyterian colleges was put into operation during the year, proved to be not only a feasible measure, but, under the blessing of God, achieved results far exceeding the most sanguine expectations. The object of the campaign was to bring every student face to face with the claims of Christ as Saviour and Lord, and secure commitment to His service; to present the claims and opportunities of the ministry and the missionary life; to counsel students with respect to the life calling for which they are best fitted, according to the wisest methods. No statistics can tell the story of this remarkable movement. The colleges have, however, reported very fully, as far as reports can set forth the facts.

Aid for Medical Students.—From time to time, the attention of the Board has been directed to the fact that the Church does not appear to encourage the enlisting of her youth for service as medical missionaries by granting them aid similar to that granted to candidates for the ministry. The Board has

taken the position that, whenever the Board of Foreign Missions should be inclined to recommend the aiding of medical students preparing for mission fields, we would consider the matter sympathetically and endeavor to meet the demand. We are now in receipt of assurances from the Board of Foreign Missions to the effect that the need for maintaining the supply of medical missionaries is so great, that a conservative plan for assisting them while in a medical college might be a most desirable method of stimulating the supply. While this Board has no special funds for inaugurating such a policy, it will receive and aid, through loan or grant, as may be agreed upon, certain medical students pursuing a course of preparation for service under the Board of Foreign Missions of the Presbyterian Church in the U. S. A., according to conditions stated in the rules of the Board of Education.

WORK FOR PRESBYTERIAN STUDENTS AT STATE EDUCATIONAL INSTITUTIONS.—The Board, in coöperation with the several Synods, is now maintaining religious work in twelve State Universities. New work was begun during the past year in the five Universities of Ohio, Iowa, Washington, Oklahoma and Kentucky. There are, in addition to the above twelve, sixteen Universities, each of which is large enough to warrant the employment of a University pastor. It is found by actual experience that students heartily welcome the counsel and help of the University pastors; and the results in conversions, in strengthening of the Christian life, and in training for Christian service have been highly satisfactory. The Secretary for University Work, during the past year, reached five Synods, three Presbyteries, forty-one churches, sixteen universities and colleges, and gave eighty addresses upon subjects related to the religious life of students. He also gave many weeks to the solution of the financial situation in the Synod of Iowa, the Synods of Nebraska, Ohio and Wisconsin, considerable attention being needed in the matter of raising the salaries of the University pastors. The Board has entered into special relations with certain Synods, having agreed to act as trustee and treasurer for all funds raised for University work.

WORK IN THE SOUTH AND SOUTHWEST.—Early in the year the Rev. Dr. Darby entered upon a vigorous campaign for the purpose of giving necessary attention to the Lebanon side of the arrangement known as the Lane-Lebanon Seminary Alliance. Fourteen candidates were provided for, through contributions from churches and individuals.

The Assistant Secretary has spent considerable time in studying the problem of a trained ministry for Presbyterian negroes in the three branches of the Church (the Church in the U. S. A., the Church in the U. S., and the Colored Cumberland Presbyterian Church). Various considerations prompt the Board to question the advisability of aiding a work that falls beyond the bounds of our branch of the Presbyterian Church. It further submits that the Board of Freedmen appears to be the more logical agency for the prosecution of this particular task.

SCHOOLS FOR TRAINING OF LAY WORKERS.—The imperative need of developing a trained force of Church workers outside the ranks of the ordained ministry, has resulted in the establishing of a number of Training Schools for Women, located in or contiguous to the great cities of our country. Training Schools more or less closely related to the Presbyterian Church are located in Philadelphia, Pa., Baltimore, Md., Chicago, Ill., Coraopolis, Pa., and Nashville, Tenn.

A number of our colleges have established Bible departments which are, to a certain extent, training schools for lay workers. Most of the young people, however, in attendance upon these departments either do not intend to spend their lives in church work, or, if they do, anticipate going elsewhere for a more thorough training in Church work. One school, however, the Florence H. Severance Bible and Missionary Training School, a department of Wooster University, Wooster, Ohio, is so thoroughly organized and well-equipped as to fall into the class of Training Schools for Lay Workers. It is open to both men and women.

In view also of the action by the Assembly of 1910, calling the attention of the Board of Publication and Sabbath School Work to the need of proper training of Lay Workers for Church and Sabbath-school, the two Boards called a conference of their representatives, on December 29 and 30, 1910, at Philadelphia.

The representatives of Theological Seminaries were also invited to be present, in view of the agitation relative to the establishing of training courses for Lay Workers in Theological Seminaries.

Five Training Schools, five Theological Seminaries, and three Boards were represented. The discussion was confined to three main lines of thought:

- I. The Training School in its Individual Life.
- II. Training Schools as related to each other.
- III. Training Schools as related to the Church at large.

Respectfully submitted,

JOSEPH W. COCHRAN, *Secretary.*

ABSTRACT OF THE SEVENTY-THIRD ANNUAL REPORT.

April 1, 1910, to March 31, 1911.

I. GENERAL.

The Board of Publication and Sabbath School Work presents to the General Assembly its Seventy-third Annual Report.

The past year has been a year of progress and prosperity. The volume of business has been \$100,000 greater than during the previous year.

Special attention has been given to educational work. Efforts have been made to help all our Sabbath-schools, both mission and church schools, and to be of service to our young people.

SUNDAY-SCHOOL EXTENSION AND DEVELOPMENT.—The Standing Committee on Publication and Sabbath School Work, reporting to the last General Assembly, said: "The aim should be, more and better Sunday-schools in all parts of the country." During the year just closed, we have made gratifying progress in our efforts to secure these ends, by the preparation of literature, the suggestions of plans and the holding of conferences and institutes. The training of Sabbath-school teachers has been kept before the Church, and encouraging response has been received.

YOUNG PEOPLE'S WORK.—Marked progress has been made in the work of the Young People's Department. Mr. Gelston, who was partially laid aside for a year by illness, has been able to return to the office and take up his work with renewed vigor. Rev. W. R. Hall was elected to assist Mr. Gelston, in view of the enlarging work of the department.

GRADED LESSONS.—The demand for the new Graded Lessons continues to increase. A year ago the Board had 225,500 subscriptions for the Graded Lessons; to-day the total subscriptions are 291,000.

In view of the many questions that have arisen in reference to these lessons, the Editorial Department has prepared a special report, which will be found in the regular Report.

WORK ON THE HYMNALS.—In the report of the Board made to the last General Assembly, full information was given in regard to the revision of The Hymnal, then in progress. The book is now on the press and will be ready for the market within a few weeks. It may also be stated that a large

amount of work has been done in the preparation of a new hymnal for Sabbath-schools. It will be published at as early a date as is possible.

In addition to the standard musical edition, it is proposed to publish an edition of The Hymnal, with the tunes, in a smaller size, identical in contents and paging, and of clear and legible type, for the use of those who prefer a hymnal of comparatively light weight. It is believed that this arrangement will be appreciated by many in our congregations.

The Westminster Hymnal is now on sale. This hymnal has been prepared to meet the wants of such churches as desire to use one book of praise in all their services.

THE DEBT ON THE WITHERSPOON BUILDING.—When the Witherspoon Building was erected, in 1897, it cost, together with the land, \$1,080,000. The Board was able to pay \$480,000 of the total cost, leaving \$600,000 to be provided for by a mortgage placed upon the building. During the twelve years, from the time of the erection of the building until 1909, \$300,000 had been paid upon the mortgage, leaving \$300,000 then to be paid. Two years ago the Board, with the approval of the General Assembly, inaugurated a plan whereby this remaining indebtedness could be speedily removed. Annuity bonds are issued in denominations of \$500, \$1,000 and \$5,000, paying interest at the rate of from 5 to 10 per cent., according to the age of the annuitant. Immediately upon receipt of subscriptions for these bonds, the principal is applied to the reduction of the Witherspoon Building mortgage. So successful has been the sale of these bonds (\$120,000 having been subscribed), that from their proceeds, together with other available funds, the mortgage indebtedness on May 1, 1911, will be reduced to \$95,000.

TEMPERANCE LITERATURE.—During the year the Board has printed for the Permanent Committee on Temperance, literature to the value of \$1,000, for free distribution among our churches and Sunday-schools. The Board proposes, with the approval of the General Assembly, to publish an equal amount of temperance literature for the same purpose during the coming year.

II. DEPARTMENT OF SABBATH-SCHOOL AND MISSIONARY WORK.

THE FIELD AND THE WORKERS.—Our Sabbath-school missionary and colporteur work has been nation-wide during the past year. Every State has shared in the labors of these men. The number of Sabbath-school missionaries in the field, for longer or shorter periods, has been 122, besides 21 colporteurs whose attention was given entirely to the visitation of foreign settlements.

SABBATH-SCHOOL EXTENSION.—Following the missionary policy of their respective Presbyteries, our Sabbath-school missionaries have organized 730 new Sabbath-schools and revived 180, making a total of 910, into which they have gathered 31,778 persons, of whom 3,133 were officers and teachers and 28,645 were pupils. During the year, 62 Sabbath-schools have come into existence, under the Board's offer of free equipment, in localities not reached by Sabbath-school missionaries. More than 1,000 mission Sabbath-schools not yet self-supporting, have been aided during the year by donations of lesson helps, papers, hymnals, libraries and other supplies. Our Sabbath-school missionaries have 2,447 Sabbath-schools under their care, with a membership of 111,701. By frequent visitation, they encourage and develop these schools, thus holding strategic points for our Church until the arrival of the home missionary. In many other cases where churches cannot be maintained, these Sabbath-schools represent the only religious service in the community.

HOUSE-TO-HOUSE VISITATION.—In their wayside ministry, our Sabbath-school missionaries have visited 97,647 families in rural districts.

EVANGELISTIC SERVICES.—In some parts of the field these workers are called upon to hold evangelistic services as a means of interesting the parents, and stimulating the spiritual life of the community. They held 952 evangelistic services last year, 2,735 conversions being reported. During the year 22,429 volumes and 9,394,139 pages of religious tracts were distributed; besides 5,566 Bibles and Testaments, of which 1,772 were in foreign languages.

CHURCHES DEVELOPED.—Reports from the field show that 116 new churches have developed from mission Sabbath-schools organized by our Sabbath-school missionaries during previous years. Of these churches 113 are Presbyterian and 3 are of other denominations.

PREBYTERIAN CHAPEL BUILDINGS.—Our missionaries have assisted in the erection of 73 Presbyterian chapels to house their new organizations. The value of these buildings is \$156,715, representing a return of 93 per cent. of the entire cost of this work.

CLOTHING DISTRIBUTED.—Clothing, valued at \$5,543.16, was donated by Women's Societies, Mission Bands, and Sabbath-schools, and distributed by our Sabbath-school missionaries.

REVIEW OF TWENTY-FOUR YEARS' WORK.—Fourteen hundred and thirty-seven Presbyterian churches have grown from mission Sabbath-schools, organized by missionaries of this Board, an average of nearly 60 new Presbyterian churches each year since the inception of the work. Other denominations also have shared in the results of these labors, having gathered 581 churches, making a total of 2,016 churches established; an average of 84 each year.

SYNODICAL AND PREBYTERIAL SABBATH-SCHOOL COMMITTEES.—Never before has our Board experienced such helpful coöperation from Synodical and Presbyterial Committees as has been given during the past year. With but few exceptions they have seen a vision of the impulse that may be given, through intelligent and persistent effort, to the work of the Sabbath-schools under their care. Campaigns of visitation have been successfully carried out, in certain Synods and Presbyteries, by means of which they have come into closer touch with their Sabbath-school problems. The plan of holding a Presbyterial Sabbath-school Institute at least once a year has been adopted for the first time by many of the Presbyteries. The Synodical Sabbath-school Institutes continue to exercise a helpful influence upon the Sabbath-school work of the Synods in which they are held.

GRANTS.—Grants to the value of \$12,041.72 were made. Contributions to the amount of \$1,964.68 were made through our Board to aid in erecting chapels for mission Sabbath-schools, and to other special objects as designated by the donors.

CHILDREN'S DAY AND RALLY DAY.—There was an increase of about 20 per cent., compared with the preceding year, in the number of schools using our Children's Day supplies. There was an increase of nearly 50 per cent. in the number of Sabbath-schools using our Rally Day Programmes last fall. The total offerings received from Sabbath-schools amounted to \$93,772.23, an increase of \$6,924.37 over the previous year. This is the largest amount ever received in a single year from Sabbath-school offerings.

FOREIGN COLPORTEUR WORK.—The insufficiency of our funds to support additional colporteurs accounts for the fact that this part of our missionary force has not been substantially increased during the year. There have been 21 colporteurs at work among Italians, Hungarians (Magyars), Bohemians, Ruthenians, Russians, Poles, Slovaks, Roumanians and others of foreign speech, in Delaware, Maryland, New Jersey, New York, Ohio, Pennsylvania and Texas. They have visited 30,709 families, distributed 6,502 religious books, and 93,632 pages of tracts, by sale and gift; besides 1,722 Bibles, Testaments and portions of Scripture, in at least 20 different languages. The total sales amounted to \$1,438.10.

FOREIGN PERIODICALS.—For nearly five years our Board has been publishing *Krestanske Listy* (*The Christian Journal*), a Bohemian weekly religious paper. Its circulation has grown to 3,000 copies weekly, and numerous reports are received testifying to the good which has been wrought through its faithful presentation of Gospel truth. The Hungarian weekly, *Reformatusok Lapja* (*The Reformed Sentinel*), and the Hungarian monthly Sabbath-school magazine, *Orombir* (*The Evangel*), were published separately until September of last year, when it was found necessary to transfer the office of publication to New York. The Ruthenian weekly paper, *Sojuz* (*Union*), now has a circulation of about 2,000 weekly, including an imprint edition which we are furnishing to the Presbyterian Church in Canada for its Ruthenian work. This paper has done much to encourage and foster the movement of the Ruthenians in America toward Protestantism. The first Ruthenian Protestant church in the United States has just been dedicated in Newark, N. J., and is the direct outgrowth of the seed sown and nourished by our Ruthenian publications, and the personal work of our Ruthenian editor. The Italian weekly paper, *L'Araldo* (*The Herald*), while the newest, is one of the most encouraging of our foreign publications. Its present circulation numbers 2,500 copies weekly. It is receiving

the support of Italian missions in our own as well as in other denominations, and we look for its circulation to continue to grow during the coming year. The Rev. Arthur di Pietro is the editor and business manager, through whose aggressive and efficient methods these good results have been achieved. The net cost of this paper during the year was \$1,561.54. The popularity of our Bible Picture Cards in various languages is seen in the increasing demand for them. We are now publishing 13,000 weekly, in Bohemian, Polish, Hungarian (Magyar), Italian, Spanish and Ruthenian, and they are being used in missionary work in all parts of the world. The net cost of publishing these cards last year was \$185.46.

The entire cost of our foreign work last year was \$23,103.47, an increase of \$2,793.87 over the previous year. The Rally Day contributions, all of which are applied to this work, approximated \$16,000.

SHORTER CATECHISM.—Under the Board's offer of a Bible for memorizing the Shorter Catechism, 413 such rewards were given last year. Either the Authorized or the American Revised edition may now be had by those qualifying for this reward.

FINANCIAL.—We are able to record a substantial increase in contributions. The amount received this year exceeds the highest amount received in any previous year by \$11,777.75. The proportion of profit (two-thirds) transferred to the Missionary Fund from the Business Department of the Board was increased \$1,611.35 over the amount transferred the previous year. These additions to our income enabled us to meet all the expenses of the year's work, closing the year with a balance of \$6,539.33 in the treasury. The cost of administration last year was \$9,329.85, or 4.4 per cent. This was entirely covered by the proportion of profit received from the Business Department, \$25,134.65, leaving a substantial balance to be applied to the general work.

SABBATH-SCHOOL INSTITUTES.—The table shown in the report indicates one phase of the educational work of our Sabbath-school missionaries, during the past year. They have held 915 Sabbath-school Institutes and Conferences. The benefits of such Institutes are so marked that the Board urges every Presbytery and Synod to adopt the plan. Our Synodical and District and Educational Superintendents have conducted successful tours in the Synods of Alabama, Arkansas, Indiana, Iowa, Kansas, Minnesota, Missouri, North Dakota, Ohio, Oregon, Pennsylvania, Texas, West Virginia and Wisconsin.

EDUCATIONAL SABBATH-SCHOOL WORK.

This Board understands that it is the desire of the General Assembly that it shall be the educational leader of all the Sabbath-schools of the Church. To this end all departments and lines of work are coöperating; and the Board is keeping in close touch with all other agencies whose activities aid in any way the work of educational uplift.

THE STANDARD OF EXCELLENCE.—The Board has prepared and widely circulated a leaflet announcing ten points of excellence for Presbyterian Sabbath-schools, with the following requirements:

(1) *A Cradle Roll*; (2) *a Home Department*; (3) at least one *Organized Adult Bible Class*; (4) *a Teacher-training Class*, enrolled and pursuing a standard course; (5) *Graded Lessons* in at least three grades; (6) distinct *Instruction* on how to become a Christian, and the duties of Church members; (7) definite *Invitation* to the pupils to accept and confess *Jesus Christ* as Saviour and Lord; (8) systematic *Missionary Instruction*, and some form of local *Missionary Work*; (9) offerings each year to at least *Three Boards* of the Presbyterian Church; (10) the use of *Westminster Lesson Helps*.

OTHER ACTIVITIES.—The publication and improvement of the Board's Helps for the study of the Uniform Lessons have continued. Through the Sabbath-school Supply Department, each of the many special lines of modern Sabbath-school work has been carefully studied and its wants met by the offer of the best possible equipment at the lowest possible cost. Progress has been made in the important work of training the teachers and officers of our Sabbath-schools. The Superintendent of Sabbath-school Training has continued to enroll, examine and grant diplomas to pupils. A Correspondence Course for Sabbath-school officers has also been announced. The recognition and encouragement of organized adult Bible classes have been continued. The Board's representatives last fall attended 30 of the Synods, making educational addresses

as well as those in exposition of its own work. A number of the Synods already hold Institutes in connection with their annual meetings, in which the Board's district and field representatives are usually leading factors. The Board is planning to join with the Boards of Home and Foreign Missions in a system of joint Synodical Institutes. Numerous lectures have been given and local Institutes held, wherever it was possible to supply the speakers to meet the demand. The Young People's Department has held its usual series of summer conferences, with great profit to the churches participating. The Board has succeeded in supplying a portion of its field with educational field superintendents, especially qualified to take the lead in institute services, the promotion of teacher-training and the general educational uplift of the Sabbath-schools.

COÖPERATION.—In order to promote closer relations among all the Sabbath-school forces within the field of the Presbyterian Church, steps were taken, in which this Board had a leading part, to form a "Sunday-school Council of Evangelical Denominations," bringing together the official Sabbath-school representatives of all the great denominations for mutual counsel, the exchange of plans, and a closer concert in measures for Sabbath-school improvement. The meeting for organization was held in the Witherspoon Building, June 30 and July 1, 1910; an adjourned meeting was held at the same place October 27 and 28, 1910; and a third meeting convened at Nashville, Tenn., January 24 and 25, 1911. The result of these meetings has been distinctly helpful; the brethren engaged in like work in the various boards and committees, north and south, have been led into closer harmony and fellowship than prevailed before; and better relations have been established between denominational Sabbath-school work and that of the International Association. The Sabbath-school is a national as well as a religious enterprise, and no policy that is not national and continental in its scope can expect to meet either the difficulties or the possibilities of to-day.

TRAINING SCHOOLS FOR SABBATH-SCHOOL WORKERS.

The last Assembly recommended that the Board of Publication confer with the Board of Education on the subject of training schools for Sabbath-school workers. Under the joint auspices of the two Boards, there was held a conference of the representatives of Presbyterian Training Schools for Lay Workers, and it was agreed that the Board of Education should make full report of the results of said conference.

III. DEPARTMENT OF YOUNG PEOPLE'S WORK.

The operations of the Department of Young People's Work have continued during the past twelve months along lines marked out in preceding years.

The last Assembly directed that this Report contain a brief survey of the educational work undertaken among our young people by other agencies. There are eight agencies which have a part in this task. They are as follows:

1. The Assembly's Board of Foreign Missions, through its Educational Department. The sole work of this Department is to promote study classes on foreign missions.

2. The six Women's Boards of Foreign Missions. Each one deals directly with the young people and young people's societies in its territory, with a view not only to collecting missionary funds from all such, but also in order to do a work of education.

3. The Women's Board of Home Missions. What the six Women's Boards of Foreign Missions attempt for young people by way of instructing them concerning the foreign field, the Women's Board of Home Missions duplicates with reference to the home field.

4. The Assembly's Board of Home Missions, through its Young People's Department. Mission study classes are promoted, using the Home Mission text-books published by the Young People's Missionary Movement.

5. The Board for Freedmen. This Board, chiefly through its Ladies' Auxiliary Board, attempts to educate the young people with reference to Freedmen.

6. The Assembly's Permanent Committee on Temperance. Through this Committee the organization of Loyal Temperance Legions among the youth of the Church is promoted.

7. The Board of Education, through its Department of University Work, by securing and helping to support student pastors in connection with Presbyterian churches situated near the State universities. The work of the Board of Education in educating young men looking to the ministry is well known.

8. The College Board. The religious educational work done by the colleges aided by this Board is of a high character. Courses of study on the Bible and kindred themes are provided by all.

IV. EDITORIAL DEPARTMENT.

THE GRADED LESSONS.—The Graded Lessons were adopted by the International Sunday-school Association, at the earnest request of teachers and workers in all parts of the country. There had been a growing feeling among elementary workers for a number of years that lessons adapted to younger children should be chosen for these departments instead of those selected for the whole school. At length this desire prevailed, and the arrangement for Graded Lessons for all departments, so far as might be desired, was adopted by the International Association. These lessons were begun October 1, 1909. The lessons for the Primary and Junior Departments were then introduced, and a great many of the Sabbath-schools of the Presbyterian Church adopted them. Many, however, still continued to use the Uniform Lessons, which are published as heretofore; and our Sabbath-schools are at liberty to use either course.

The General Assembly of 1909 expressed its appreciation of the results of the work of the International Sunday-school Association's Lesson Committee in the Graded Lessons, so far as published, and commended them to the favorable consideration of pastors, sessions and Sunday-schools. The Assembly of 1910 again commended the Graded Lessons, and the helps on the same, published by the Board of Publication and Sabbath School Work, and advised the pastors, sessions and Sunday-schools to use them, so far as practicable.

It is impossible to state precisely the extent to which the Graded Lessons are now used, but it is probably safe to say that in the elementary grades one-third of our schools have adopted them. The reception of these lessons has been more than cordial—it has been enthusiastic. Few complaints have been heard; at least the commendations have far exceeded the criticisms. Among the advantages reported are: an increased interest on the part of pupils, an enlarged attendance, larger use of the Bible and more home study. In a few cases, schools have returned to the use of the Uniform Lessons, after trying the Graded Lessons, but such a course has usually been accounted for on the ground of economy or some other like reason.

In October of 1910, Graded Lessons for the Intermediate Department were issued. There was at once a demand for them from perhaps one-third of the schools in the Presbyterian Church. There were some criticisms on the lessons for the first and second quarters in this department, but these lessons have been carefully revised, and the objectionable features have been removed, so that we believe they will prove satisfactory.

One of the principal difficulties in preparing and planning for the publication of these Graded Lessons was the necessary cost of such preparation. If undertaken by our Board alone, the lesson helps would have been too expensive for popular use, the necessary prices being, in many instances, prohibitive. This led to an arrangement by the publication departments of several of the larger Churches, including the Methodist Episcopal Church, North and South, the Congregational Church, and the Presbyterian Church, U. S. A., for uniting in their publication. This syndication has made it possible to bring the cost of the lessons down to a figure which will not be burdensome to most of the schools.

PERIODICALS.—The following periodicals, not including those in foreign languages, have been published during the year: *The Westminster Teacher*, *The Westminster Adult Bible Class*, *The Westminster Primary Quarterly*, *Teachers' Edition*, *The Westminster Senior Quarterly*, *The Westminster Intermediate Quarterly*, *The Westminster Junior Quarterly*, *The Westminster Primary Quarterly*, *The Westminster Home Department Quarterly*, *The Westminster Normal Quarterly*, *The Westminster Lesson Leaf*, *The Westminster Lesson Card*, *The*

Westminster Bible Roll, The Westminster Beginners' Graded Series, The Westminster Primary Graded Series, The Westminster Junior Graded Series, Forward, The Comrade, The Morning Star, The Sunbeam.

THE LESSON HELPS.—The following is a brief description of the character and purpose of the periodicals published by the Board:

The Westminster Primary Quarterly, Teachers' Edition, exclusively for teachers.

The Westminster Senior Quarterly, used in senior and adult classes.

The Westminster Junior Quarterly, designed for younger children in the junior department.

The Westminster Primary Quarterly, for the little folks of the primary grade.

The Westminster Home Department Quarterly, for the use of home students who, while unable to attend the sessions of the Sabbath-school, yet desire to study the lesson, week by week.

The Westminster Normal Quarterly, to cover a two years' course of lessons for use in advanced and normal classes.

The Westminster Lesson Leaf, for intermediate and younger scholars, but may be used in any grade.

The Westminster Lesson Card, adapted in grade to younger children and to primary classes.

The Bible Roll. Lesson pictures.

The Westminster Beginners' Graded Series, new Two Years' International Course for young children of the kindergarten age.

THE WESTMINSTER GRADED SABBATH-SCHOOL LESSONS.—INTERNATIONAL COURSE.—The first of the courses for the elementary grades began with October, 1909.

The Primary Graded Series (course complete in three years). Single subscriptions, 25 cents a year. School subscriptions, 20 cents a year, 5 cents a quarter.

The Junior Graded Series (course complete in four years).

ILLUSTRATED PAPERS.—*Forward* continues to grow in interest. Its circulation increases every year, now exceeding three hundred thousand. It is freely conceded that no paper in the country for young people surpasses *Forward* in interest and popularity.

The Comrade, taking the place of the *Sabbath School Visitor*, and adapted to a younger class of readers than *Forward*.

The Morning Star, issued to meet the demand in some schools for a paper at small cost.

The Sunbeam, a four-page weekly illustrated paper for very little people.

Sex Instruction for Boys. By John L. Alexander.

ABSTRACT OF THE FORTY-FIRST ANNUAL REPORT.

THE YEAR'S WORK.—In the administration of this great trust the Board has felt the constant stress and strain of an ever-increasing work. The normal growth of the Church, its constant extension into new fields, the expansion of villages into the proportion of cities, and the swelling population of cities account, in a measure, for the large number of applications and the unprecedented increase of the amounts applied for. A number of applications have been received from former Cumberland Presbyterian Churches, action upon which has been postponed, awaiting the result of litigation involving the question of the legality of the reunion. Under these conditions the most careful discrimination has been required.

APPLICATIONS, 1909-10 AND 1910-11.

From this table it appears that the total number of applications is 7 per cent. greater than last year, and the total amount is an advance of 10 per cent. Moreover, it is worthy of note that the increase in total amount asked since 1900 is 94 per cent.

This great increase is but partially accounted for by the facts above stated. The main explanation is found in the fact that the population of our country is rapidly tending to the cities, where the missionary operations of the Church are chiefly concentrated. The country churches are fading away.

The original purpose of our Board, "to aid feeble congregations on the frontier to erect inexpensive buildings." has come to occupy a subordinate place. Its work is fast shifting to the cities. This fact tells the story. We must expect a constant increase of expenditures as well as a widening expansion of our field of operations.

These facts are set forth more clearly and succinctly in the following table:

The slight falling off in both number and aggregate amount of appropriations is explained by two facts: (1) There were no appropriations from the Buell, the Van Meter, the Gilchrist and the Hoyt Funds. The receipts for several years from these Funds were appropriated last year. (2) Payments of appropriations amounting to \$18,000 were necessarily deferred. Receipts came in slowly until the month of March.

Taking the country by general districts, we find that 71 of the appropriations were made to the district east of the Mississippi River, an average of one to 1,072 square miles; 109 among the States of the plains between the Mississippi and the Rocky Mountains, one to 8,316 square miles; 93 to the Rocky Mountain district, one to 13,494 square miles. In the Atlantic coast States there were 24, and in the States lying on the Pacific coast (omitting Alaska) there were 49—nearly an equal distribution of appropriations in proportion to areas. In California, in which four of the trans-continental railroads terminate, there were 27. In Oklahoma and Texas there were 49.

It is an interesting fact that the average amount appropriated in the States east of the Mississippi River was \$829, between the Mississippi and the Rocky Mountains \$877, and in the Rocky Mountain States and Territories it was \$829—exactly equal to the eastern district.

It therefore appears that in all the States, old and new, East and West, the Board of the Church Erection Fund has a permanent and growing business.

THE FUNDS.—The Funds of the Board are fourteen in number:

1. *The General Fund.* Into this Fund go all contributions not otherwise designated and old grants recovered from the sale of the properties of defunct churches. From this Fund grants and small loans without interest are made.
2. *The Permanent Fund.* Of this Fund the interest only is available for the work of the Board.
3. *Sara A. Palmer Memorial Fund.* This is an invested Fund, the income from which is used under the rules of the General Fund.
4. *The Gilchrist Fund.* The interest from this invested Fund is used exclusively within the Presbytery of Boston.
5. *The Buell Fund.* A small legacy, the use of which is limited to churches west of the Mississippi and by will restricted to communities in which there is no other church.
6. *Van Meter Fund.* An invested Fund, the interest of which is used exclusively within the Presbytery of West Jersey.
7. *Barber Fund.* This Fund is held by the Trustees of the General Assembly. The apportionment of interest which falls to this Board is used exclusively for negro churches not under the care of the Freedmen's Board.
8. *Stuart Fund.* A small supplemental Fund to be used in exceptional cases which do not come under the rules of the Board.
9. *Manse Fund.* From this Fund small loans without interest (and small grants in exceptional cases) are made to churches erecting inexpensive manses.
10. *The Henry R. Wilson Memorial Fund.* A small Fund administered same as the Manse Fund.
11. *Raynolds Fund.* Loans at a low rate of interest to churches building more expensive manses.
12. *Hoyt Fund.* A small Fund used much as the Raynolds Fund, but for weaker churches and at a still lower rate of interest.
13. *The Kennedy Fund.* Under the direction of the General Assembly, only the income from this Fund is to be used. The income is to be distributed among the other Funds at the discretion of the Board.
14. *Life Interest Funds.* These Funds are available only after the death of the donors.

THE KENNEDY BEQUEST.—In February the Board received from the executors of the estate of the late John S. Kennedy securities of the value of \$1,722,375 and \$527,625 in cash, amounting in the total to \$2,250,000. The securities for the present are held as received. The cash is being invested in bonds and mortgages in accordance with the instructions of the General Assembly of 1910.

THE TENNESSEE CHURCHES.—For the relief of forty-five of the evicted churches in Tennessee, the Board, under authority given by the General Assembly, advanced during the year \$64,000, which, by the instructions of the Assembly, is a charge upon the income to be derived from the investments of the Kennedy Fund.

CHURCH EXTENSION.—In response to certain suggestions made by the Advisory Council on Church Extension, the Board assured the Council, of its desire and purpose to cooperate heartily in the effort "to inaugurate a general forward movement for Church Extension by a campaign in places where such movement is needed."

Nine Presbyteries have signified their willingness to enter into this arrangement. Twenty Presbyteries approve the plan, but are not prepared to enter upon it.

The Advisory Council also suggests that the Board, in view of the rapidly expanding work of Church Erection, increase the executive force of the Board by the appointment of "a field secretary for the raising of funds, for the enlargement of the work, and for the conserving of property interests."

The Board recognizes the wisdom of this suggestion, and inclines to the opinion that, in addition to the functions above stated, such an agent, by bringing the Board into closer contact with the churches, would give the latter a larger and more accurate insight as to its real work. From a lack of a more intimate acquaintance, the Board is regarded by many as a merely receiving and disbursing agency. It is popularly styled, "The Business Board of the Church." It is at once a legal, banking, architectural and insurance corpora-

tion. In these things it may be unique among the Boards of the Church, but as long as we live in the flesh, and have to do with the people and the affairs of this material world, these things are necessarily and vitally connected with the organization and progress of the Kingdom.

THE PROSPECT.—It does not require a seer's vision to foretell the teeming populations of our immense West. Nor must we think twice to foresee the multitude of churches which we must build if our country is to be saved for Christ. Our present and immediately prospective income will go but a little way toward meeting the demands which will be made upon our Board. Even if the older States would let up a little in their demands upon us, we shall still be unable to cope with the problem. But they cannot let up. Like the poor, we shall always have them with us. Their problems of church expansion and church building from the nature of things must be perpetual.

SIXTY-FIFTH ANNUAL REPORT.

With deep sorrow we report the fact that the Board has been called upon to mourn the loss of its honored and beloved President, Mr. Thomas H. Perrin, who for more than a quarter of a century was a most active and efficient member of the Board. His life has been woven into the very fibre of the missionary history of this Church. He died July 25, 1910, but to those who knew him he will ever be an inspiration and guide.

The Board has confined its efforts entirely to collecting outstanding loans due the Church Erection Fund, and to the disposition of some real estate properties.

The following claims have been settled in full since our last Report: San Antonio, Tex., Texarkana, Tex., and Rockwall, Tex. Others are in process of settlement.

We have transferred \$2,204 of the Church Erection Fund to the Board of Church Erection of the Presbyterian Church, U. S. A.

DENVER PROPERTY.—The Peoples Presbyterian Church (Colored), backed by the Presbytery and the Denver Brotherhoods, has agreed to make full settlement for this property during the ensuing year.

ABSTRACT OF THE FIFTY-SIXTH ANNUAL REPORT.

THE ROLL.—The Board had upon its roll for the year ending March 31, 1911, 1,197 names: 491 ministers, 628 widows, 35 orphan families, 13 women missionaries, 19 guests in The Merriam Home at Newton, N. J., and 11 guests at The Thornton Home, under the care of the Board, at Evansville, Ind. This is the largest number the Board has ever had upon its roll.

During the year 151 new names were added to the roll. This is the largest number of new names ever added to the roll in any year of the history of the Board. These comprised 77 ministers, 71 widows, 2 orphans and 1 guest at The Merriam Home.

There have been 226 ministers on the Roll of Honor during the past year. Their average age is over 77 years, and the average time they have been in the ministry has been 49 years. Twenty-seven of these have been added during the year just closed, and 34 of these venerable men have died.

Since the Rule of 1889, relating to Honorably Retired Ministers, was adopted, 525 ministers have availed themselves of its privileges.

The appropriations to men on the Roll of Honor during the year was \$76,250, being an average of \$337, as all of the Honorably Retired Ministers did not ask for the maximum amount of \$350.

APPROPRIATIONS FOR THE YEAR: \$245,493.73.

RECEIPTS FOR THE ENDOWMENT FUND.—During the past year the Board received for the Endowment Fund \$34,843.01. In addition to this amount, the sum of \$6,000 more is now available for the Endowment Fund, by the death of one who was receiving an annuity from the Board on that amount. Thus \$40,843.01 have been added to the Endowment Fund.

By the death of Mrs. A. Schenck during the past year, the sum of \$4,344.50, which she had given to the Board, on which an annuity had been paid her for several years, has been transferred to the Permanent Fund of the Board. This gives a total credit to that Fund, during the year, of \$45,187.51.

COST OF ADMINISTRATION.—The average cost of administration of the Board of Relief for several years has been only 4 per cent. of its receipts. The Board has always tried to administer the sacred trust committed to its hands with all possible efficiency, without incurring any unnecessary expense.

WORTHY CLAIMANTS.—Our disabled ministers who have been faithful in preaching the gospel of Christ have just claims upon the Church for a decent and comfortable living.

From the early days of the work of relief, the General Assembly has asserted that all ministers' families in need have "claims" upon the Church to the end of life.

The General Assembly of 1905 said:

"The adequate maintenance of the aged and disabled ministers of the Presbyterian Church and the dependent families of the same, is to be regarded as much a moral obligation upon the Presbyterian Church at large as the payment of salaries by particular churches. (*Minutes of 1905, p. 134.*)

THE BOARD WILL BE ALWAYS NEEDED.—The number of persons receiving aid from the Board is constantly increasing. We had 151 new names added to the roll last year, and there are substantial reasons for this constant increase in the number of annuitants:

1. The number of ministers in the Church is steadily increasing.
2. Less than half of our 9,073 ministers are settled pastors of churches, and many of these who are pastors are receiving very small salaries.
3. One-fifth of all our ministers have no reported ecclesiastical employment. The changes in the pastorate take place, on the average, every four and a half years.
4. Experience has taught us that only 5,000 of our ministers are able to carry any life insurance, leaving 4,000 ministers who are unable to buy any insurance whatever.
5. About 4,000 churches have an average membership of only about fifty. It is more than they can do to maintain their own organizations. These churches contribute very little to the Board of Relief, and they pay such small salaries that their pastors or stated supplies are utterly unable to make provision for old age or disability.

Of 9,073 ministers in our Church, only about 2,500 have salaries of \$1,000 and upwards. Over 6,000 ministers either have no salaries at all, or, where they do have salaries, they get less than \$1,000 a year, and many of them have salaries less than \$500 a year.

6. One-half of the people die before they are thirty-three years of age, and many ministers die before that age, and leave young widows, with little children, to be cared for by the Board of Relief.

7. Women missionaries on the home field and women and medical missionaries on the foreign fields are constantly increasing.

From all these considerations it is perfectly evident that the Board of Relief will be needed for all time.

THE ENCOURAGING OUTLOOK.—Too many churches (over 4,000) are still asleep, and they need to be awakened to a sense of their responsibility and to the delightful privilege of contributing to the hallowed cause of Ministerial Relief. But the morning dawns on a more generous provision for our disabled ministers and the needy widows and orphans of our ministers. It is gratifying that the Church is more and more awakening to a sense of her responsibility and to the duty of providing a living to such families as are found to be in need through no fault of their own. Churches are contributing to our Relief Fund more generously than ever before, and we hear of more persons writing bequests to the Board as they make their wills, and the Board is greatly encouraged in its work by this ever-deepening interest in the hearts of the people generally in the sacred cause committed to its trust.

THE THIRTIETH ANNUAL REPORT.

INSURANCE, THORNTON HOME.—At the date of this Board's report to the Assembly of 1910 a suit was pending in the Circuit Court of the United States, for the district of Indiana, brought by the Board claiming under authority of the dissenters from the union, against the Insurance Company, impleading the members of this Board. The Company paid the amount of the insurance into the registry of the court, which, pursuant to its judgment, was paid over to this Board. The amount realized was applied to the payment of obligations of the Board incurred in construction of the new Home.

THORNTON HOME.—There have been sixteen persons as guests in the Home during the year. Rev. Robert T. Armstrong, D.D., passed to the Home beyond, at the age of ninety-one years, on the 31st day of December, 1910. Every room in the Home is now occupied, or engaged by guests, whose applications have been approved by the Board.

Messrs. Stark Bros. (Presbyterians), of Louisiana, Mo., owners of the Stark Nurseries, proffered the donation of a large number of rare fruit trees to the Board. After careful examination of the adaptability of the ground and of the result of fruit-growing in this territory, the Board reached the conclusion that by adding somewhat to the proffered donation, an orchard could be planted, capable of producing a sufficient amount of fruit to defray a considerable portion of the expense of operating the Home. Experience convinces this Board not only of the wisdom, but of the necessity of maintaining and enlarging this Home.

During the year Mr. Robert Smith, owing to ill health, tendered his resignation as a member of the Board. The vacancy was filled by the election of Mr. George S. Clifford. Mr. Smith has since died and this Board gratefully records its high appreciation of his faithful service in this cause.

STATE OF LITIGATION.—Since the printing of the foregoing report, the Supreme Court of Indiana has decided the case of *Bentle vs. Ulay*, again affirming the legality of the union. This decision definitely and finally settles the question of the legality of the union in the State of Indiana.

ABSTRACT OF THE FORTY-SIXTH ANNUAL REPORT.

We are thankful to be able to say that we have again closed our fiscal year without any outstanding financial obligations. We have received more money and expended more money this year than in any other year in the whole history of the work.

During the past year the annual congregational collections from the churches was \$6,577.81 more than the year before.

The Sunday-schools increased their gifts to the Board's work by \$836.20.

The Young People's Societies made a gain of \$2,526.66; and the Women's Societies went ahead of last year by \$1,529.94.

The receipts from miscellaneous sources increased \$3,670.99, and the interest from invested funds advanced \$2,125.31. There was a decrease from legacies of \$12,550.55.

Leaving out the item of legacies, which is not a very dependable source of income, our receipts from regular sources exceeded last year by \$14,141.60. This last item is the measure of the increased interest of the living in our work.

The number of churches that helped us in one way was 5,952, an increase of 279.

The number of churches that helped us by congregational collections was 4,950, an increase of 229.

The number of Sunday-schools that contributed to the Board directly was 356, a decrease of 7, and the number contributing through the Woman's Board was 541, an increase of 72. The total increase was 65.

The number of Young People's Societies contributing directly to the Board was 45, against 47 last year. The number contributing through the Woman's Board was 1,095, an increase of 177, the total increase being 179.

The total receipts from all sources were \$214,377.24, being an increase over last year of \$6,577.81.

The amount of money given to the work by the colored people on the field, as reported to us by the ministers, was \$65,109.01. This included expenses for church buildings, repairs, contingent expenses, and ministerial support.

The amount given by patrons and friends of our schools, as reported from

the field, was \$80,380.47. None of this money went through our treasury, or is in any way included in our statement of receipts and expenditures for the year.

The colored people under our care gave to the work of the Freedmen's Board \$1,113.13. They gave to the other Boards of the Church \$2,465.72.

The Board has this year set apart \$15,000 of funds available for general purposes, in order to carry out a long contemplated Farm Homes Scheme, and has purchased nearly 1,000 acres to be divided up into small farms, of from ten to forty acres each, to be sold on reasonable terms to worthy and industrious families in the neighborhood of Boggs Academy, near Keyesville, Ga.

The Board has also succeeded in obtaining the \$12,500 endowment necessary to secure the gift of a similar amount from Mr. Andrew Carnegie, with which to erect a Library Building, in connection with Biddle University.

Mr. John A. Simpson, of Covington, Ky., having offered \$5,000 toward the enlargement of the school work at Camp Nelson, Ky., on condition that the churches of Kentucky contribute \$1,500 more, promptly forwarded his check for the full amount of his offer, the Kentucky churches having met the conditions.

It has been decided by the Board to locate Harbison College at Irmo, S. C., a small town about ten miles from Columbia, S. C. The Harbison Estate will contribute \$10,000 toward the cost of this initial building. The Institution will be distinctly an Agricultural College.

ABSTRACT OF THE TWENTY-EIGHTH ANNUAL REPORT.

The Board has held all its regularly appointed meetings throughout the year, with good attendance of its members.

The Rev. E. C. Ray, D.D., so long the Secretary of the Board, and later its Office Secretary and Assistant Treasurer, retired from the duties of the office, on account of his health, on November 1, 1910. The Board records its appreciation of his long and useful service, his high character as a Christian gentleman and as a brother beloved by his fellow Secretaries. The Board elected as his successor the Rev. George Rutger Brauer, pastor of our church in Setauket, N. Y., who assumed the duties of the office on November 1, 1910.

The Assembly of 1904 reorganized the Board with the intention that it should serve two purposes: First, that it should be the agency of the Church in collecting and disbursing the moneys that come to its own treasury from churches and individuals; and, second, that it should be the agency of the Church for collecting information and reporting to the Assembly what the churches and individuals are doing for the cause of Christian education by direct gifts to our institutions in cooperation with the Board. The reports made by this Board to the Assembly through the past seven years have aimed to show the result of this twofold purpose.

It was the desire of the Board that the Secretary should personally visit as many of the colleges as possible. It has proved impossible to cover the whole field within the year. The Secretary has now visited 46 out of the 68 institutions on our list, and traveled over 37,000 miles in doing so. There are problems arising in each college peculiar to itself, which cannot be satisfactorily solved by correspondence and which require repeated conferences between the governing board of the college and the Secretary of The College Board.

CONSTITUTION AMENDMENTS.—It is important that the changes made in the Constitution of the Board by the Assembly of 1909 should be repeated in this place, that all concerned may know exactly what constitutes a Presbyterian college. The Assembly of 1909 amended the 5th section of the Constitution to read as follows:

"5. The College Board shall be the agency of the Church for the following purposes:

"(a) To secure and receive moneys and other property for the benefit of any needy college or university which is (1) organically connected with the Presbyterian Church in the United States of America, or (2) required by its charter to have at least two-thirds of its Board of Control members of said Church, or (3) actually under Presbyterian approval at the time of receiving assistance." (The words "Presbyterian approval" in the above mean that a Synod or Presbytery may send a committee of visitation to any such college to learn the quality of the work done by it, and to report thereon; or it may receive a written or an oral report, by the president or other appointed officer of the college, on the quality of the work done, and express its approval or disapproval accordingly, and transmit its findings to this Board for the adjustment of its relations to said college.)

"(b) To coöperate with such institutions as it is authorized to assist as promote and maintain high educational standards, spiritual culture and thorough Bible teaching, to the end that persons contributing funds for such institutions may be assured that their students will be under positive Christian influence.

"(c) To awaken interest, diffuse information and stimulate prayer, in behalf of the institutions which it is authorized to assist.

"(d) To coöperate with the institutions which it is authorized to aid, and assist in securing endowments for them.

"(e) To coöperate with local agencies in determining sites for such new institutions as it is authorized to assist, and in consolidating weak institutions.

"(f) To decide for which of the institutions it is authorized to assist it will seek endowments, and to which of them it will make grants for current expenses; and, for this purpose,

"(g) To secure an annual offering from the churches."

FINANCIAL SUMMARY.—The Board is happy to report that contributions have been made by 4,966 churches, an increase of 700 churches over last year. Their total contributions were \$162,145.89. Of this amount, \$58,169.66 was received by the Board toward the appropriations for current expenses made by the Board to the colleges not yet adequately endowed. The Budget Committee advised the Board last year to solicit and expect a 10 per cent. increase of gifts from the churches for this purpose. As the amount received last year was \$54,807.80, the increase this year closely approaches that expectation. The amount of church collections going directly to our colleges, by arrangement with the Board, is \$103,976.23, so far as reports have been made to the Board, up to March 31. There has been an increase in the number of Sunday-schools, Young People's Societies and Women's Societies contributing to this cause, and we are pleased to notice the beginning of contributions from Men's Societies.

LEGACIES.—The Board reported last year that it had been notified that the late Mr. John Stewart Kennedy, of New York, had bequeathed to it an amount which was conservatively estimated at \$750,000. The Board would now report that on February 23 it received from the executors the sum of \$750,000, in advance of final accounting by the executors, and as a matter of convenience to legatees.

With earnest gratitude the Board would repeat, on its record, its most earnest appreciation of the largeness of the bequest and the liberal Christian spirit in which Mr. Kennedy made it, and of the most prompt and sympathetic manner in which the executors of the estate have dealt with this Board.

The need of aid for current expenses on the part of the smaller colleges and those not yet adequately endowed is constant and increasing. The Board has therefore decided to keep the John Stewart Kennedy Fund intact, that the income of it may enable the Board to meet the emergency needs of such institutions, as they shall present themselves from time to time, and as the Board may determine.

COLLEGE CHARTER CONDITIONS.—The Board has secured copies of the charters of most of our colleges and has made an abstract of the conditions on which the college trustees must be elected, which will be found in the full Report. In this schedule the charters are reported according to the three divisions into which the Assembly of 1909 classified our colleges: (1) those organically connected with the Presbyterian Church in the United States of America, or (2) required by charter to have at least two-thirds of their Boards of Control members of said Church, or (3) actually under Presbyterian approval as to their work.

GIFTS OF INDIVIDUALS TO COLLEGES.—It has been the custom of the Board to publish an alphabetical list of the names of the individuals contributing to our college work. It is discovered, however, that such a list was largely used by unauthorized solicitors not representing our colleges, to the annoyance of the benevolent patrons of our work, and for this reason the Board does not publish the names this year. The Board recognizes and appreciates the constant liberality of these individual friends of Christian education and their courteous treatment of our presidents as they present the needs of their colleges.

ABSTRACT OF THE SECOND ANNUAL REPORT.

The Board of Directors feels that the increased interest awakened in this agency of our Church on the part of congregations and individuals during the past year, as well as the amount of cash and time subscriptions secured, is a pledge of its ultimate and complete success.

Judging from the many letters received at the office of the Fund, there can be no question as to the favor with which it is regarded by the membership of our churches.

The pastor of one of the most prominent Presbyterian churches in Brooklyn says, that, after the Field Representative of the Fund presented the Sustentation cause in his church, many of his people came to him and thanked him for the privilege of hearing about it, and the opportunity of contributing toward it. He further says, "People will give money for this Fund, which you can't get for anything else."

No agency the Church has ever established has been, in its first two years, better supported than the Ministerial Sustentation Fund. It appeals strongly to business men who have studied its object and provisions, from the fact that the ministers themselves who are entitled to its benefits are required to bear a proportion of the cost. Non-contributing pensions is not feasible in the case of voluntarily supported churches.

There is already in the Treasury of the Fund \$103,149.91 in cash, and over \$113,500.00 in good time subscriptions, making a total of \$216,649.91. A full financial statement is given at the close of the Report.

We especially call attention to the fact that during the year we have received in cash \$37,387.33 in the form of donations, contributions from churches and individuals, and increased our outstanding time subscription notes by \$53,937.00 at a cost to the Fund averaging 17.3 per cent. This is a considerable reduction as compared with the cost of last year.

The larger proportion of the money so far secured has been contributed by churches of average membership, and by individuals of comparatively moderate circumstances.

Up to the present time, 640 ministers, of whom 36 are foreign missionaries, have united with the Fund. The Fund is already paying annuities to eleven widows of deceased members and to six disabled ministers.

The percentage of the actual benefits has been increased from 20 to 25 per cent., and it is believed that the percentage can be materially increased by the close of the ecclesiastical year.

As the provisions of the plans in successful operation in the Established and United Free Churches of Scotland are not generally known, the following facts, taken from the official reports of said Churches, are submitted:

I. The Established Church has a Widows' and Orphans' Fund which has been in existence for 164 years, and has now a capital of about \$2,000,000. It is compulsory upon all ministers to unite with this Fund, although they have a choice of annual rates as follows: \$14.53, \$20.27, \$30.35, or \$40.22. But over and above the rate which the minister is required to pay, there is an entrance fee of \$48.50. There is, also, a marriage tax equal in amount to one year's annual rate. This tax is repeated on each subsequent marriage, unless the bride be a minister's widow who is already on the Fund.

II. In the United Free Church, there is the Widows' and Orphans' Fund. Contributions on the part of ministers to this Fund are compulsory on the following terms: (a) An entrance fee of \$48.50, payable in two annual installments; (b) an annual payment of \$33.95; (c) a marriage tax payable on entry of married members, and on marriage of those who enter the Fund unmarried a tax of \$24.25, if the age at marriage, or admission of the newly married member, is under 45, or \$48.50 if the age is greater than 45.

The Presbyterian Churches of Ireland, Canada and Australia combine the features and provisions of the two Scotch agencies, as the Sustentation Fund of our Church does. It is generally admitted, however, that the plan adopted by our General Assembly, and now in operation, is superior to either of the others just named.

In formulating the Sustentation plan adopted by our Church, the Assembly's Committee had the advantage of having before it the plans in operation in the Presbyterian Churches of the countries referred to.

The object of the Fund is to make suitable provision for the ministers of the Presbyterian Church in their old age or prior disability, and for the families of deceased ministers, in such a way as to be definite, certain and dependable.

From the fact that the Fund is not operated for profit, the total rates, that is to say, the Church's proportion and that of the minister, is from 20 to 25 per cent. less than those of any insurance or annuity company.

The Legislature of the State of New York, which has the most stringent insurance laws of any State in the Union, adopted, in June, 1910, an amendment to said laws legalizing all beneficial societies organized and established by churches, for the protection and support of their priests and ministers. This amendment was introduced and adopted by the Legislature at the suggestion of those connected with the management of the Sustentation Fund.

The following resolutions are submitted for adoption:

Resolved, 1. That the Report of the Board of Directors of the Ministerial Sustentation Fund be and hereby is approved.

Resolved, 2. That one page in each issue of the *Assembly Herald* be allowed the Fund on the same conditions as apply to the other agencies of our Church.

Resolved, 3. That the Stated Clerk be instructed to present the following names to the annual meeting of the Ministerial Sustentation Fund, to be held on the third Tuesday in June, 1911, as the names approved by this Assembly for members of the Board of Directors of said Fund, for the term expiring June, 1914:

Robert Hugh Morris, D.D.,
Rev. John Calhoun, D.D.,

Justice W. P. Potter,
Mr. I. Layton Register,

Mr. F. M. Braselmann.

In behalf of the Board,

ROBERT HUNTER, *President*.

JOHN R. SUTHERLAND, *Secretary*.

ABSTRACT OF THIRTIETH ANNUAL REPORT.

With profound gratitude to God, and in humble dependence upon his continued favor, the Permanent Committee on Temperance respectfully presents its Thirtieth Annual Report to the General Assembly.

OFFICE WORK.—The rapidly increasing constituency of the Committee and the more general recognition of the value and reliability of the information which it supplies has largely increased the office work.

FIELD WORK.—The requests for the service of our lecturers are so numerous and cordial that we could profitably use many in addition to those we have, if the Church would supply the funds to pay them and persons could be secured who would maintain the high standard of our present staff.

FINANCE.—The budget plan, while in some instance reducing the amount received from individual churches, has largely increased the number of contributing churches, so that the total amount received was larger than that of any former year.

THE AMETHYST.—*The Amethyst* has a circulation of 75,000 copies and is growing rapidly. By furnishing fresh, reliable information in convenient form to Sunday-school teachers, pastors and others, it supplies a need generally felt.

PLEDGE CARDS.—The large demand for the art pledge cards, which are furnished upon application, indicates a revival of interest in this branch of temperance effort. There would seem to be no valid reasons why our pastors or Sunday-school superintendents should look to outside organizations for supplies, when our own Church furnishes the best that can be had, without charge.

THE FEDERATION.—The National Inter-Church Temperance Federation, of which your Committee is a part, held its annual meeting in Washington, D. C., December last. The Federation maintains a Bureau of Information at the National Capital, which, among other things, secured an appropriation by Congress of \$4,500 to pay the expense of representatives of the Government to the Thirteenth International Congress on Alcoholism, to be held at The Hague, September of this year.

TEMPERANCE AND INSURANCE.—The Church Temperance Federation, during the past year, investigated the relation of temperance to life insurance, and

found that the experience of both European and American companies is that the use of alcohol in any form or in any quantity tends to shorten life, and that, other things being equal, abstainers, between the ages of twenty-five and sixty years, are, on an average, from 30 per cent. to 40 per cent. better risks than non-abstainers. The Federation discovered but two old-line (legal reserve) companies in North America which maintain a separate classification for abstainers. The Federation petitions the several denominations, through their governing bodies, to ask insurance companies to establish separate classes for abstaining policy-holders, to the end that they may receive the lower rate of premium or the higher rate of dividend to which the experience of the department may entitle them.

NEW PHASES OF WORK.—Temperance slides for use in stereopticons are furnished our churches upon payment of transportation charges. A prize of twenty-five dollars (\$25) each was offered in several of our colleges and theological seminaries for the best oration on some phase of the temperance question. Lectures were delivered in our theological seminaries by representatives of the Committee.

A NEW ERA.—The General Assembly of 1811, in response to a communication from Benjamin Rush, M.D., appointed a Committee to confer with other religious bodies "in preventing some of the numerous and threatening mischiefs which are experienced throughout our country by the excessive and intemperate use of spirituous liquors." This action was so influential that Rev. Daniel Dorchester, D.D., says: "The General Assembly set in motion a ball whose onward progress was destined never to cease. The result of this action can be traced through certain definite links to the present time."

CONGRESSIONAL LEGISLATION.—During the year, Congress appropriated \$75,000 to continue the work of suppressing the liquor traffic among the Indians of the United States, and \$12,000 for the protection of native Alaskans against the same evil. The prohibition of the sale of intoxicants in National Soldiers' Homes was again provided for.

INTERSTATE TRAFFIC.—The shipment of liquor, by one device or another, into territory where its sale is legally forbidden, continues to be a source of annoyance, and Congress should enact legislation to prohibit the same.

INCREASED CONSUMPTION OF LIQUOR.—The per capita consumption of alcoholic liquors of all kinds has increased 4.23 gallons in the past ten years. One thing which should be made clear to the public and emphasized, is, that the increase in per capita consumption of alcoholic liquors in the United States is due to the great increase in license States, in spite of the decrease in prohibition States.

FACING THE FACTS.—Florida, Missouri, and Oregon tried, but failed to secure State-wide prohibition during the past year. Alabama lost her State-wide law and went back to the county unit. Indiana lost her county unit, in favor of a township and municipal law, under which saloons have returned to many large towns. The bright spots of the year are the election of a reform governor in Tennessee, and the vote, by an increased majority, to retain prohibition in the constitution of Oklahoma.

WHAT IS THE REMEDY?—Laws, honestly and ably enforced, are efficient, but of themselves are not sufficient. Both law enactment and law enforcement depend upon fundamental education, which declares frankly and everywhere for total abstinence and prohibition. In spite of the efforts of outside organizations, this monster continues to wreck and destroy and devour with increased sway. While the Presbyterian Church leads every other denomination in the world in the scope of her temperance activity, she has only begun to exercise her power. "When the world is wanting and waiting for help, and the Church fails to give it, she squanders opportunity, and trades an offered respect for an earned contempt. She not only disappoints God, but betrays humanity." The Church can and should and will overthrow this iniquity.

XV. REPORT OF THE PRESBYTERIAN BROTHERHOOD.

The Council of the Presbyterian Brotherhood of America presents its Annual Report to the General Assembly:

THE SECRETARYSHIP.—The vacancy caused by the lamented death of Mr. Rosevear not having been filled, and preparations for the Convention demanding immediate care, the Council secured, as Convention Secretary, Mr. Walter Getty, a graduate of 1910 from the Theological Seminary of the United Presbyterian Church at Allegheny, Pa., and a Student Volunteer, providentially hindered from going at once to the foreign field. In his service as Convention Secretary, Mr. Getty displayed unusual qualities of organization and leadership, and won the love and admiration of all who came in contact with him; so that the Council cordially and unanimously invited him to undertake the permanent work of the Secretaryship. Still feeling the constraint of the call to service abroad, Mr. Getty has been led to the decision that, at least for the coming year, during the progress of the Men and Religion Forward Movement, his largest opportunity for usefulness lies in the Brotherhood work; and family circumstances still concurring to detain him in America, he has accepted the appointment of the Council to the office of Secretary. While he does not commit himself beyond the coming year, yet he does not occupy a merely temporary or acting relation, but will give his best efforts to develop broad and permanent policies to be carried out either by himself or by his successors. Mr. Getty's connection with the Brotherhood work from the beginning, so clearly indicates the divine guidance as to give new assurance for the future.

THE ST. LOUIS CONVENTION.—A very cordial invitation was received from the Brotherhoods of St. Louis to hold the National Convention in that city. For local as well as national reasons, it was found advisable to postpone the date from November, 1910, to February 21–23, 1911, at which time the Convention was successfully held in the Washington and Compton Avenue Church. It would not be easy to overstate the obligation of the Brotherhood to the men and churches of St. Louis for their generous hospitality, unwearied devotion, and thoughtful provision for all the needs of the Convention. The attendance was somewhat smaller than at Pittsburgh in 1909, largely by reason of the refusal of the railroads (in pursuance of a general policy) to grant reduced rates. Notwithstanding this and the requirement for the first time of a registration fee of \$1, 975 delegates were registered, representing twenty-eight States. The Convention opened with a deeply impressive communion service conducted by the Moderator, Rev. Dr. Charles Little, assisted by ex-Moderators resident in St. Louis (Drs. Nicolls and Fullerton, of our own Church, and Cannon, of the Southern Church), and the elements were distributed by the Presbyterian ministers of the city. During the two days and three evenings that followed, every announced speaker fulfilled his engagement, and the earnestness and spiritual power of the meetings grew deeper at every session. It was the unanimous feeling of the Council and of others who had attended previous conventions, that St. Louis marked the highest point yet reached in these respects. The Convention theme was "The Brotherhood and the Gospel"; and from beginning to end emphasis was laid upon the Church as the divinely appointed agency through which the Brotherhood is to do its part in carrying the Gospel message to the world. The evening of Washington's Birthday was marked by a gathering of about 7,000 in the Coliseum, where Hon. William Jennings Bryan made a powerful appeal for Christian life and service, under the title "The Fruits of the Tree."

COUNCIL MEMBERSHIP.—The Council, in common with the Brotherhood and

the Church at large, mourns the loss, since the last Annual Report, of that prince of Christian laymen, John H. Converse, of Philadelphia; also of Mr. James W. Axtell, of Nashville, a man of no less fidelity and devotion to the service of the Church and the Brotherhood.

To fill these vacancies and others caused by expiration of terms of office, the Convention reelected Messrs. Hugh H. Hanna, Ralph W. Harbison, A. B. T. Moore and Charles S. Holt, and chose the following new members: Charles L. Brokaw, of Kansas City, Kans.; Hon. William Jennings Bryan, of Lincoln, Neb.; Foster Copeland, of Columbus, Ohio (who, however, has felt constrained by reasons of health to decline the election); Henry P. Crowell and Livingston P. Moore, of Chicago.

PROGRESS; OBJECTIVE; METHOD.—In spite of all disappointments and drawbacks, there has been unmistakable progress during the past two years, especially in a deeper and wider conviction of the value of the Brotherhood idea, and a truer and more general understanding of what that idea is, and also of what it is not. In former Reports, the Council has endeavored to express its conception of the true function of the Brotherhood, viz., to promote and stimulate men's loyalty to the Church, and to every organized activity in and through the Church, for the doing of all the things that the Church ought to do. This conception we see no reason to modify; and while it obtains it forbids the national organization to shut itself up to any special enterprise or activity as its sole or primary "objective." By as much as local interests, opportunities, and abilities vary, by so much will the objective of the national Brotherhood vary, as it tries to help forward one thing, or another, or another, according to time, place and circumstances. Some things, like prayer, Bible study and church attendance, are needed everywhere and always; other things, like Big Brother Work or Civic and Social Reform, may be practicable at one time and place, and not at another. Uniting all Presbyterian men on the broad platform of loyalty to Christ through the Church, the National Brotherhood seeks to help each local Brotherhood, to find avenues of usefulness and pursue them; to caution against mistakes, cheer in discouragement, conserve the results of successful effort, and stimulate the discovery and pursuit of new lines of endeavor.

It will often happen that in a city, a Presbytery or a larger territory, opportunities will arise for special service on a scale broader than that of the local Church, yet not of national proportions; for example, a city evangelistic campaign or an anti-saloon movement in a county or State. In such cases, it is the purpose of the National Council to work, through synodical or presbyterial Brotherhoods, or through other available channels, so that the force of the national body shall be felt behind the more local enterprise.

MEN AND RELIGION FORWARD MOVEMENT.—Occasionally some great nationwide movement will arise in which the national Brotherhood ought to enlist, so far as possible, the interest and enthusiasm of every Brotherhood and every Brotherhood man. Such was the Laymen's Missionary Movement of 1909-1910, though the Brotherhood, with its crippled forces, was able only partially to meet the opportunity. Such is the impending Men and Religion Forward Movement, which occupied a very large place at the St. Louis Convention—a colossal attempt by wise and thorough methods to challenge and command the attention of the men and boys of America, in and out of the churches, to the claims of Christianity upon them for salvation and service. This movement, proposed originally by the International Committee of the Young Men's Christian Association, has enlisted with the Association forces, in a common promotion and control, the Brotherhoods of the various denominations, together with the Gideons and the International Sunday-school Association. Our own Brotherhood is most deeply committed to this enterprise; our Treasurer is the Vice-Chairman of the General Committee of Ninety-seven; five members of the Council and the Editorial Secretary are members of that Committee, along with many other Presbyterian Brotherhood men. It will be the aim of the Council to relate the Brotherhood to this mighty effort so broadly and closely, that every Presbyterian man will have a definite part and receive personal stimulus and inspiration.

It is interesting to notice that, while the Forward Movement seeks to reach men outside the Kingdom and bring them in, its primary function is to do broadly and intensely, for a limited time, what the Presbyterian Brotherhood

aims to do continuously in its narrower field, viz., to make men more loyal to the Church in all her varied activities, and so to make her more helpful and attractive to the men of this and coming generations.

ORGANIZATION AND STATISTICS.—The records now show 890 societies directly affiliated with the national organization, reporting 45,550 members. These figures continue to be misleading because of the double relationship of the Presbyterian Brotherhoods referred to in the last Annual Report. There are also still many local organizations which are not affiliated directly or indirectly. This is a source not only of regret to the Council, but of serious concern with reference to the welfare and usefulness of the Brotherhoods themselves. While the Council has never thought it wise to adopt any prescribed form of local organization or to insist upon uniformity of name or of declared purposes among the local organizations, it will not do to overlook or underestimate the value of conscious corporate unity on the platform of Church loyalty and service. Emphasizing, as we do, the necessity of local initiative and variety in work, we emphasize no less earnestly the importance to each local organization of close touch with others interested in the same object. It is well for men to fight the battles of the Kingdom, even separately or in small and scattered detachments; but it is better if, like a mighty army, they move forward under a common leadership and control.

Synodical, presbyterial and other group organizations have continued and to some extent enlarged their activities. Most of the Eastern and Central Synods are giving attention to Brotherhood work through strong committees. Very successful synodical conferences have been held in New York, at Rochester, on the evening and day before the regular meeting of Synod, and in Ohio, at Lima, on an independent date covering a day and two evenings. The Synodical Committee of Pennsylvania is planning for an early conference of a similar character. A considerable number of new Presbyterian Brotherhoods have been organized along various lines. The Brotherhood of the Presbytery of New York, after a year of effective service, has offered itself as the host of the next national convention, and it is hoped that arrangements may be completed for holding such a convention, probably in April, 1912.

FINANCE.—The interruption caused by the vacant Secretaryship has again hindered the development of a permanent financial plan. The amounts received on pledges made at the Pittsburgh Convention were supplemented by individual gifts, so as to cover the reduced budget, down to the St. Louis Convention. With the employment of a Secretary and the enlargement of activities which must take place, Brotherhood and individual subscriptions must be largely increased. The St. Louis Convention by resolution urged all affiliated Brotherhoods to make an annual contribution of 25 cents per member to the national work. If this request could be carried out, it would be helpful, but still insufficient.

The Brotherhood magazine, under the editorial management of Rev. Dr. Ira Landrith, has again proved most helpful in spreading intelligence and stimulating activity among the Brotherhoods. Plans are in mind for more frequent publication, and for an increase in the subscription price, which will at least cover cost of publication.

PASTORS AND THE BROTHERHOOD.—It is worthy of consideration, whether all pastors have caught the full conception of the Brotherhood, as an instrument in their hands for setting their men at work at the particular thing that needs to be done in their particular circumstances. Church loyalty, which is the foundation of the Brotherhood idea, implies loyalty to the pastor and a willingness to render the service which, in the nature of the case, he is often best able to plan. Many pastors have borne grateful testimony to the help and support they have received from the Brotherhood organization, and to its enlistment, in united service, of men who as individuals held back from the things that needed to be done. It would be a blessing to the pastors and to the Brotherhood alike, if all would learn to make use of this engine of service, and by such use develop the "Spirit within the wheels," without which all the machinery, of Church and Brotherhood alike, is vain.

INTER-BROTHERHOOD RELATIONS.—The cordial though informal relations with other Church Brotherhoods, mentioned in the last Report, have been continued and strengthened. Conferences were held at Pittsburgh, just after the Convention of February, 1909, and at Chicago in connection with the

Laymen's Missionary Congress of May, 1910. The most concrete expression of this Inter-Brotherhood fellowship is the joint observance of a world-wide week of prayer for men. At present, for special reasons, it has seemed necessary for the Young Men's Christian Association to continue its special Week of Prayer in November, and for the Brotherhoods, cordially cooperating in this observance, to unite in their own service at another date. This year the Brotherhood Week of Prayer is appointed for the week preceding and including Easter, April 9-16, and the general topic is "Sanctification for Service." A singularly rich and helpful series of sub-topics and meditations thereon, was prepared and published in a leaflet which has found some circulation among the men of our Brotherhood.

By order of the Executive Committee,

CHARLES S. HOLT, *President.*

The above statement shows, in general, the financial condition of the General Assembly from year to year for twenty-seven Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Ore., in 1892, and Los Angeles, Cal., without calling for additional funds from the Presbyteries, and also to reduce the apportionments from 1896 to 1905. The interest earned during the period amounted to \$34,495.92.

The Advisory Committee of the Stated Clerk respectfully reports that it has performed the duties assigned to it by the General Assembly up to and including September 30, 1910, the date at which it was directed to terminate its work.

The accounts of the Stated Clerk were approved by the Committee for the six months ending September 30, showing receipts of \$99,821.37; disbursements of \$86,764.35, and a balance of \$13,057.02. The said balance of \$13,057.02 was turned over to the Permanent Finance Committee.

We further report that the accounts of the Stated Clerk were audited by a sub-Committee consisting of Messrs. S. Spencer Chapman and William M. Longstreth, and examined and vouched by Messrs. Vollum, Fernley, Vollum & Rorer, certified public accountants.

Respectfully submitted,

GEORGE W. BAILEY, JOSEPH W. COCHRAN,
S. SPENCER CHAPMAN, WILLIAM H. OXTOBY,

Audited and found correct, October 8, 1910, the balance on hand being \$13,057.02.

VI. REPORT OF THE PERMANENT FINANCE COMMITTEE.*

The Permanent Finance Committee, consisting of Hon. William P. Potter, Swarthmore, Pa.; Hon. William M. Lanning, Trenton, N. J.; Mr. Henry L. Davis, Germantown, Philadelphia; Mr. J. H. Jefferis, Wayne, Pa., and T. Elliott Patterson, Esq., Philadelphia, appointed by the General Assembly of 1910 (see *Minutes* thereof, pp. 110, 111, 112 in particular) reports as follows:

In compliance with the Committee's interpretation of its duties as laid down in the *Minutes* above referred to, limiting it to the strict and narrow lines of examining, verifying and vouching the payment of bills forwarded to the Stated Clerk of the Assembly, it met and organized September 21, 1910, by electing T. Elliott Patterson, Chairman, and J. H. Jefferis, Secretary.

Your Committee received from the Stated Clerk the balance of the General Assembly's funds in his hands as of October 1, 1910, amounting to \$13,057.02, as certified by the Advisory Committee, and Vollum, Fernley, Vollum & Rorer, public accountants. The Committee designated the Girard National Bank and the Pennsylvania Company for Insurance on Lives and Granting Annuities (a Trust Company), which are among the strongest financial institutions in Philadelphia, as depositories for the General Assembly's funds. Accounts in these institutions have been opened in the name of the General Assembly of the Presbyterian Church in the U. S. A. Mr. T. Elliott Patterson, Chairman, and Mr. J. H. Jefferis, Secretary, were authorized by the Committee to countersign voucher checks on the above depositories.

The Committee adopted the Voucher Record System of Bookkeeping, and had a specially prepared Voucher Record Book made for this accounting, which has resulted in simplifying the work and saving considerable labor over the old method without sacrificing details.

Your Committee has held fourteen meetings.

The total receipts for the six months covering the term of service of the Committee for the fiscal year ending April 1, 1911, were \$13,391.11; the amount borrowed by the Stated Clerk for this Committee on authority of the Executive Commission was \$3,000; the total expenditures were \$13,808.10; the balance on deposit with the above depositories was \$2,683.01.

The books and vouchers of the Committee, which accompany this Report, will give any further details about the accounts that may be desired.

The Committee would respectfully call the attention of the General Assembly to the acts of the last General Assembly in regard to its finances, whereby the sphere of the Permanent Finance Committee was defined.

1. In the resolution creating the Committee, the Committee was given jurisdiction over only a part of the Assembly's funds, viz., the unexpended balance in hand at the close of the Assembly. It was provided that the presbyterial

* See this volume, p. 130.

apportionments shall be paid to the Stated Clerk before the meeting of the Assembly, and that "the Stated Clerk shall each year deposit the amounts, when and as received from the Presbyteries, in a special account in the name of the Assembly, in the depository bank or trust company, to be known as the 'Mileage Account.' The expenses of each Assembly and of its Commissioners shall be paid therefrom as at present, except that moneys shall be drawn from this special account upon warrants signed by the Stated Clerk and also by the Chairman of the Assembly's Standing Committee on Mileage. At the close of each Assembly the balance of such *special account* shall be drawn by warrant signed by the Chairman of the Mileage Committee, by the Stated Clerk, and also by the Chairman of the Standing Committee on Finance, and be forthwith deposited in the general account and become a part of the Assembly's general fund."

By this action the Permanent Finance Committee has no oversight whatever over the receipt and custody of this large amount (about \$100,000), except to name the depository bank, and no power to know that the expenditures (which amount to two-thirds of the total expenditures of the Assembly) are correct, or to audit the accounts afterward.

The burden of the proper payment of these expenses of the Assembly and its Commissioners rests jointly on the Stated Clerk and the Chairman of the Mileage Committee, the former of whom is at the time of the Assembly's meeting heavily burdened with important and exacting duties, while the latter is suddenly called to this responsible service, and must perform it along with whatever other duties he may have on the floor of the Assembly. He and his Committee may or may not have had training in accounting. But by them between \$60,000 and \$70,000 is passed upon and disbursed within a few days. Can a satisfactory audit be made under such conditions?

2. In the report of the Mileage Committee (p. 252, *Minutes*, 1910) is the following action of the Assembly:

"Further, by reason of the fact that the apportionments are not payable until May 1, 1911, or thereabouts, it is recommended that the Stated Clerk be and he hereby is empowered to borrow sums sufficient to meet any financial emergency, subject to the consent and direction of the Executive Commission."

By this it will be seen that the Permanent Finance Committee has no control of the loans of the Church.

3. In the report of the Committee on Finance (pp. 186 and 187, *Minutes*, 1910) it is provided:

"That the Stated Clerk be authorized to expend from time to time during the ensuing year, and on and after October 1, 1910, under the direction of the Permanent Finance Committee, such sums of money as may be necessary for the ordinary expenses of the maintaining and operating of his office."

Again, in miscellaneous resolutions (p. 268, *Minutes*, 1910) appear the following:

"*Resolved*, That the Stated Clerk be authorized to pay the usual salaries and the actual traveling and entertainment expenses of members of special committees appointed or continued by this General Assembly, incurred by attendance upon the regular meetings of the Committee. Said expenses to be kept within as low a limit as possible, all subject to the approval of the Permanent Finance Committee after October 1, 1910, and that he be also authorized to contract for the printing of Committee Reports for the next Assembly and pay the bills for the same.

"*Resolved*, That the Stated Clerk be authorized to contract and pay for the usual printing of the *Manual* of the General Assembly, Lists of Commissioners, Lists of Overtures and all blanks and papers connected with the current work of the Assembly."

The authority of the Permanent Finance Committee is not clearly defined in these acts, but it would seem that it is given little power save to see that the amount of the warrant agreed with the bills presented. And in order to define more clearly the sphere of the Committee and to simplify and strengthen the financial system of the Assembly, the Committee would recommend:

(1) That the Permanent Finance Committee be given authority over the receiving, disbursing, and accounting of all funds received by the General Assembly (not within the jurisdiction of the Trustees of the General Assembly), and including the payment by the Presbyteries on assessments.

Notices of presbyterial apportionments shall be sent to the Presbyteries by the Stated Clerk, and all payments by Presbyteries shall be made direct to the Permanent Finance Committee.

(2) That warrants shall be drawn for amounts ordered by the General Assembly for salaries and necessary expenses of the Assembly in session and *ad interim*.

(3) That the Permanent Finance Committee be authorized to employ a competent accountant of standing as Treasurer of the Committee, for a period of one year, at a cost not to exceed \$1,500 per annum, including the keeping of the books. He shall give bond for \$25,000, the premium for said bond to be paid out of the General Assembly's funds.

(4) Each warrant shall be approved as correct by the Stated Clerk, and the check for payment of same shall be signed by the Treasurer of the Committee, and countersigned by a duly authorized member of the Committee.

(5) That the Permanent Finance Committee be empowered to borrow sums sufficient to meet any financial emergency, subject to the consent and direction of the Executive Commission.

(6) That the Committee be empowered to adopt such rules as may be found necessary for the handling, accounting and auditing of the funds of the General Assembly, and shall make full report to the General Assembly.

The Treasurer of this Committee shall have suitable accommodations in the rooms of the General Assembly in Philadelphia. The books of the Committee shall be sent with vouchers to the General Assembly annually, and shall be referred, as of course, the second day of meeting, to the Standing Committee on Finance for examination, audit, and report, and the several receipts from the Presbyteries so audited shall be published as a part of the account in the *Minutes*.

This action to take effect October 1, 1911.

Respectfully submitted,
T. ELLIOTT PATTERSON, J. H. JEFFERIS,
HENRY L. DAVIS.

DISSENT

In so far as the above Report states in narrative form the action of the Committee, we concur in and approve it. As to its recommendations concerning the appointment of a Treasurer, we dissent therefrom on the ground that such recommendations are outside of the scope of the duties conferred upon the Committee by the General Assembly, and we deem the appointment of a separate Treasurer unnecessary. We also disapprove of the proposed new arrangement for managing the financial interests, as specifically set forth in recommendations 1, 3, 4, 5 and 6, on the ground that they are unnecessarily complicated, and unjustifiably increase the expenses of the administration of the affairs of the Assembly.

THE PHILADELPHIA TRUST COMPANY, *Treasurer*.

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1911.

These accounts are herewith presented and made part of this Report, and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of each on hand at the end of the fiscal year, together with the investment of the principal.

These accounts are accompanied by the Reports of the Committees of the Board on Finance and on Accounts, with the usual certificate of these Committees as to the conditions of the finances and the investment of the Funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley, Vollum & Rorer, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

During the year the Corporation has received but one legacy:

From the Estate of Francis Snowden, deceased, late of Mercer County, N. J., for Board of Ministerial Relief.....	\$5,500 00	
Less Taxes, etc.....	89 24	
Net amount.....		\$5,410 76

The Trustees are now administering the following trusts:

Scholarships.....	28
Professorships.....	4
Miscellaneous.....	38
Total.....	70
Aggregating in amount.....	\$1,080,853 79

These funds are invested as follows:

One hundred and four separate loans on real estate, secured by first mortgage.....	\$633,041 67
Thirty-eight separate investments in securities.....	424,410 96
Real estate.....	17,783 71
Miscellaneous.....	700 58
Cash on hand.....	4,916 87
Total.....	\$1,080,853 79

The net income, after deducting taxes, repairs, insurance on real estate, etc., was \$48,836.91, or slightly over $4\frac{1}{2}$ per cent. on the whole amount of the principal.

It is to be remembered that the funds in the hands of the Trustees are held for benevolent and religious purposes, and that they must therefore necessarily confine their investments to the highest grade of securities.

The total expense of administering this fund was \$2,478.25, which includes the compensation of the Secretary, Treasurer and Solicitor, and all expenses for clerk hire, book-keeping, auditing, collecting and distributing the income. It is a great pleasure to report that the whole amount of the Hipple shortage has been restored to the Principal Account, with the exception of some \$400, the settlement of which is still under discussion with the beneficiary of the trust.

In pursuance of the action of the last General Assembly in regard to the enlargement of the Charter powers of the Trustees (see *Minutes* of the General Assembly of 1910, p. 186), the Solicitor of the Board, Charles H. Mathews, Esq., formally announced to the Trustees, on June 29, 1910, that the petition of the Trustees for a decree enlarging their holding powers, etc., was presented to the Court of Common Pleas, No. 4, for the County of Philadelphia (No. 422, September term, 1885), and that the prayer of the petition was granted and the decree was entered by the Court, on June 20, 1910, enlarging the holding

powers to the extent of the yearly income of \$250,000, as prayed for. This decree has been duly filed and entered upon the docket.

The Finance Committee reported that the Indemnity Bond of the Treasurer for \$25,000 has been renewed for another year.

Respectfully submitted for the Corporation,

GEORGE STEVENSON, *President.*

Attest: JACOB WILSON, *Secretary.*

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

SPECIAL attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebleness of Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly.*

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage. N.B.—It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

* See also Sec. 3, p. 448¹².

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills, and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three and one-half cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six and one-half cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *one and one-half cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk, as Treasurer, is authorized to pay, after they have been approved by an Auditing Committee composed of the Clerks of the Assembly.

See, also, *Minutes* of 1911, p. 222.

II. THE ANNUAL MINUTES.

The *Minutes* for 1911 will be supplied at *One Dollar* per copy, carriage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery which has paid its full apportionment to the Mileage and Contingent Funds of the Assembly) to every ordained Minister, and to the Session of each contributing *vacant* church, *whose address is known*; also to every ordained missionary of the foreign Presbyteries.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 448¹⁷ of the present Appendix; a printed blank for which will be furnished in due season,

by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank for the Narrative was adopted by the General Assembly of 1906 (*Minutes*, p. 223), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. A *Tabulated Statement*. By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:

(1) Follow exactly the established form and order of columns, etc., on page 448¹⁷ *Minutes*, 1911, if a blank has not been received.

(2) Record Ministers in the order of their MINISTERIAL AGE, *not alphabetically*, with their CHRISTIAN names in full, without abbreviations, or duplications, and put their P. O. address on the same line, in the adjoining column.

(3) Report as *in transitu* the name of each "dismissed" Minister, of whose reception by another Presbytery you have not been officially informed.

(4) Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other Minister. If the Church is Vacant, place it at the foot of the roll and give its P. O. address. If the Church uses in worship a language other than English, indicate the fact by words, such as German, Welsh, Spanish, etc.

(5) Place after the name of every Minister an abbreviation, denoting his occupation: *e.g.*, P., for a Pastor; P.E., for a Pastor Elect; P.Em., for a Pastor Emeritus; C.P., for a Colleague Pastor; A.P., for an Associate Pastor; S.S., for a Stated Supply; D.M., for a District Missionary; C.M., for a City Missionary; T.M., for a Tract Missionary; S.M., for a Synodical Missionary; S.S.M., for a Sabbath-school Missionary; P.M., for a Presbyterial Missionary; P.Ev., for Pastor-Evangelist; F.M., for a Foreign Missionary; Pres., for the President of a College; Chan., for a Chancellor; Prof., for a Professor of a Theological Seminary or College; Prin., for the Principal of an Academy, etc.; Sec., for a Secretary or Stated Clerk; D.Sec., for a District Secretary of a Benevolent Institution; Agt., for an Agent of do.; Ch., for a Chaplain; Tea., for a Teacher; Ed., for an Editor; Ev., for an Evangelist; H.R., for a Minister honorably retired; Col., for a Colporteur; Com., for a Commissioner; Supt., for a Superintendent; Libr., for a Librarian; and for other Ministers without pastoral charges, no designation whatsoever.

(6) Place after the name of every Church the abbreviation P., for one that has a Pastor; P.E., for one that has a Pastor Elect; S.S., for one that has a Stated Supply, and V., for one that is vacant.

(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

(8) *Additions*.—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll or on restoration after full judicial process.

(9) *Losses*.—In the losses, distinguish between those dismissed, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed,

etc.," is to include the members dismissed to other churches, also those erased from the roll under Section 52, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon during the year by the Session under Sections 49 and 50, Book of Discipline; also those suspended after full judicial process.

(10) *Baptisms*.—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns*.—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership*.—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [Note.—A separate statement of the details of Sabbath-school work is to be made, on its special blank, for the use of the Board of Publication and Sabbath School Work.]

Funds.—The columns for the Funds Contributed are to be filled as follows:

1. *Home Missions*.—To include all moneys paid to the Board, all moneys paid for Presbyterian and Synodical Home Missions and Sustentation, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, merchandise, etc.

2. *Foreign Missions*.—To include all moneys paid for the spread of the Gospel in foreign fields, whether given to the Board or other agencies; including contributions of societies, etc., and gifts to institutions connected with the Board.

3. *Education*.—To include all moneys paid for the education of candidates for the ministry, whether to the Board or other agencies, and also gifts to Theological Seminaries.

4. *Sabbath-school Work*.—To include all moneys paid to the Board of Publication and Sabbath-school Work for its missionary operations, and to other Sabbath-school organizations. The contributions for the support of the Home Sabbath-school are to be placed in the column headed "Congregational."

5. *Church Erection*.—To include all moneys paid for church erection outside of the congregation, whether through the Board or otherwise.

6. *Relief Fund*.—To include all moneys paid for the support of disabled ministers and missionaries, and in aid of their families, whether to the Board or otherwise; including contributions of societies, etc.

7. *Freedmen*.—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

8. *Colleges*.—To include all moneys paid to Colleges, Academies and Schools, whether to the Board or otherwise. Contributions to the institutions connected with Foreign Missions and Freedmen are to be placed under those heads.

9. *Temperance*.—To include all moneys given to the Permanent Committees on Temperance or to other Temperance agencies.

10. *General Assembly, etc.*—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

11. *Congregational*.—To include all moneys collected in or by the congregation for expenses—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts and other purposes. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

12. *Miscellaneous*.—To include all moneys paid to Bible Agencies, Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, and general benevolence.

Bible Society.—To include all moneys paid to the American Bible Society, or to other Bible agencies. A blank is sent for these contributions, which are reported separately (see p. 421), in addition to being included in the "Miscellaneous" column.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with

other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(13) The *Names* of the Licentiatees are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists; these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(14) **ADD UP** and **verify** every column of figures, and *Authenticate* the Report with your signature.

(15) Avoid erasures and interlineations, **make names and numbers distinctly legible**, and punctuate properly.

(16) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

Forward the Statistical Report by April 25, but if anything should prevent the forwarding of the Report in time for the meeting of the General Assembly, let it be sent at the earliest date possible to the office of the Rev. W. H. Roberts, D.D., the STATED CLERK OF THE GENERAL ASSEMBLY.

IX. STANDING ORDERS AND RULES.

1. The General Assembly shall meet annually, on the third Thursday of May, beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:

The evening of Friday, the second day, to the Board of Publication and Sabbath School Work and the Sabbath-school interests of the Church

The evening of Saturday, the third day, to the Presbyterian Brotherhood and to the Board of Education.

The afternoon of the first Sunday, to the Woman's Executive Committee of Home Missions; the evening to the College Board.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Thursday, the eighth day, to the cause of Temperance.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.*:

6. (a) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(b) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day.

(c) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (a) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll of the Permanent Committee on Commissions shall be called, at which time any needed corrections may be made.

(b) After the election of the Moderator, the Permanent Clerk shall report absentees from the first roll-call. Vacancies in the Electing Sections may then be filled by the Assembly. Whenever additional members take their seats, the Permanent Clerk shall add their names to the roll.

(c) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(a) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(b) Where there is only one nominee for Moderator the election may be made by acclamation. Where there are more than one, the election may be made by ballot in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (c)), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(c) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections, shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(a) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, toward the close of the second session of the first day; but if not at that time, then at 9.30 A.M. of the second day.

(b) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman, with eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(c) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(d) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk, and the Stated Clerk shall, if possible, furnish to each Chairman, before the close of the first day, a list of the members of his Committee, and shall also announce, at the close of the evening session, the names of the Committees on Bills and Overtures and on Judicial Business.

(e) The Moderator shall, as soon as possible after his election, appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member as Chairman from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be ruling elders.

If the Moderator shall appoint as a member and Chairman of any Standing Committee any one chosen by any Electing Section as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

11. The Reports of the Committees shall be considered at the times herein designated, viz.:

12. That the Standing Committees on Home and Foreign Missions have each two hours; and those on Education, Publication, Church Erection, Ministerial Relief, Freedmen, Temperance and Colleges have each one and a half hours; that the Chairmen of the Standing Committees be allowed two-thirds of the time allotted to their Committees, which may be divided as the several Committees may elect; the remaining one-third of the time shall be given to the Commissioners, no Commissioner being allowed to speak more than five minutes, until all other Commissioners have been heard who desire to speak on the pending question. Only one formal address in explanation of a Report shall be made. It shall be the duty of the Stated Clerk to communicate these rules to the Chairmen of the Standing Committees upon their appointment.

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same and then deliver them for distribution or reference to the Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

14. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their reports on the second day of the session. Only one formal address in explanation of a Report shall be made. (See Rule 27.)

15. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the reports of Standing Committees.

16. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

17. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

18. Each Board and Permanent Committee is instructed to send up its minutes with its report, that these minutes may be reviewed by the Assembly, on the report of the appropriate Standing Committee [1885, p. 690].

19. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

20. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterian organization, there are no Presbyteries in connection with this Assembly, each Mission organized as such under our Board of Foreign Missions may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile in this country to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. The names of the Advisory members shall be called at the first Roll-Call and seats shall be assigned them by the Stated Clerk. [1907, p. 88; 1908, p. 130.]

21. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

22. Any vacancy occurring in the membership of any of the Boards of the Church during the interval between the Assemblies may be filled, until the next succeeding meeting of the Assembly, by the Board in which such vacancy may occur [1837, p. 123].

23. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 299].

24. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee before action by the Assembly [1892, p. 199].

25. The recommendation of any particular congregation to the benevolence of the denomination, by the General Assembly, is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

26. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

27. All reports of Special Committees shall be delivered to the Stated Clerk forty days prior to the meeting of the General Assembly, shall be printed by him, and copies shall be sent in bound form to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

28. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

29. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

30. Hereafter all Overtures from Presbyteries and Synods which are to come before the General Assembly shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

31. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly not later than the close of the second day of its session.

32. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly, on Tuesday, the fifth day, suitable nominations to fill the vacancies on the Permanent Judicial Commission of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected, on Thursday, the seventh day, as the first Order of the Day.

33. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.*

34. The Standing Orders and Rules may be suspended by a two-thirds vote of the Assembly, upon motion duly made.

GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the

* See Rules for Judicatories, No. XLIV. See also p. 448³⁰

judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment to report its recommendations as to orders of business or reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate, but it shall not be

in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion, to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall only be admitted when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded, by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If on such a rising vote the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member

who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable, that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely in their speeches to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business, which in their judgment ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the "Judicial Committee," to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions and orders of procedure in all judicial cases.

In the General Assembly, the province of the Judicial Committee shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by

the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

RULES OF THE PERMANENT JUDICIAL COMMISSION.

In accordance with the requirements of the Constitution, the Permanent Judicial Commission respectfully reports to the General Assembly the following rules of procedure:

1. The General Rules for Judicatories, as far as applicable.
2. *Vice-Moderator.*—In addition to a Moderator and Clerk, the Commission shall elect, annually, a Vice-Moderator, who shall act as Moderator in the event of the death, disability, resignation or absence of the Moderator, or of the termination of his commissionership; and he shall hold office until the election of his successor.
The Vice-Moderator shall be a member of the Commission, whose term expires at a period not less than two years from the date of his election.
3. *Clerk.*—In the event of the death, disability, resignation or absence of the Clerk, or the termination of his commissionership, the Moderator shall appoint a Clerk *pro tem.*, to serve in the interim of the meetings of the Commission.
4. When the Moderator receives notice from the Stated Clerk of the General Assembly that the services of the Commission will be needed at any time or place, he shall forthwith notify each member of the Commission that the services of the Commission will be required at such meeting.
5. The Commission, when so ordered, shall meet at the same time and place with the General Assembly, and shall convene for organization at 5 o'clock P.M. of the first day of the meeting of the General Assembly. The time and place of all other meetings shall be determined by the Moderator and the Clerk of the Commission, unless otherwise ordered by the Commission or the General Assembly.
6. Immediately after the organization of the Commission, at any meeting of the General Assembly, the fact shall be reported to the General Assembly, and at the same time a report shall be made as to vacancies existing or about to occur, caused either by the expiration of the term for which members were elected or by death or resignation, for reference to the Judicial Committee, according to the Constitution.
7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.
8. It shall be the duty of the Moderator, or some one designated by him, to appear before the General Assembly to present the findings of the Commission in cases referred to it by the General Assembly.
9. The Commission shall designate a member or members to represent it in the General Assembly to defend any action or finding of the Commission.
10. The Commission shall set a time limit for arguments of such litigants and their counsel as may appear before the Commission in any case, and shall so notify them prior to the hearing of the same.
